RE: **PERSONNEL REIMBURSEMENT CLAIMS**

Attached you will find a spreadsheet indicating the amount of money each district is entitled to as a result of reimbursement claims filed with ISBE on your behalf.

The personnel reimbursement claim amount for the member and non-member districts for FY17 is \$969,171. This claim is for allowable personnel costs for staff employed by Mid Valley. The total amount is allocated to each district based on the percent of total tuition paid from FY16. The districts received \$899,409 in personnel reimbursement in 2015-16.

It is important to note, however, that the amounts listed are most likely ***not*** the amount your districts will receive. It is very likely the State will not fund the reimbursements at 100%.
