

DRAFT UPDATE

Operational Services

Environmental Quality of Buildings and Grounds

The Superintendent shall take reasonable measures to protect: (1) the safety of District personnel, students, and visitors on District premises from risks associated with hazardous materials and (2) the environmental quality of the District's buildings and grounds. Before pesticides are used on District premises, the Superintendent or designee shall notify employees and parents/guardians of students as required by the Structural Pest Control Act, 225 ILCS 235/, and the Lawn Care Products Application and Notice Act, 415 ILCS 65/.

Comment [AP1]: This policy is unchanged. The Legal References are significantly updated to recognize that the Toxic Substances Disclosure to Employees Act is inoperative and its impending rules were repealed. Therefore, school districts must follow the federal disclosure and training requirements set forth in the Occupational Safety and Health Administration *Hazard Communication Standards*.
