**BACKGROUND INFORMATION:**

According to the settlement agreement with the County, the District has the right to agree to require the Tax Assessor-Collector to collect the District's ad valorem taxes in accordance with the Agreed Judgment formula of .075% of the total personnel costs. In the past two years, by using this formula to calculate the rate of reimbursement, the following fees were due to Bee County: 13,239 parcels X \$1.42468 = \$18, 861.

However, on April 23, 2012, the Bee County Commissioners Court approved one additional staff position for the tax office. The Court is also considering a pay increase for county employees. Therefore, the exact amount of collection fees for a contract or resolution cannot be calculated until the commissioner's court completes and votes on the budget.

Please see the attached letter dated May 21, 2012, from the Bee County Tax Assessor-Collector Linda Bridge.
