

Consider approval of 2023-2024 District Financial Audit

1. Background:

The State of Texas, the Federal Government, and the Texas Education Agency require each school district to have an annual independent audit performed. The firm of Coleman, Horton & Company, LLP conducted a very thorough audit of the district's books and found no material non-compliance issues and no material weaknesses in our internal controls. A member of the firm will be here Tuesday evening to review the report and findings with the Board. The Board will have the opportunity to ask questions at that time.
