

Coppel Independent School District
District Improvement Plan
2016-2017

The mission of the Coppel Independent School District, as a committed and proven leader in educational excellence, is to ensure our learners achieve personal success, develop strong moral character, and become dynamic leaders and global citizens with a zeal for service by engaging each individual through innovative learning experiences led by a visionary staff and progressive community.

CISD DISTRICT IMPROVEMENT PLAN

STRATEGIC OBJECTIVE/GOAL 1: Leverage our resources to provide opportunities for our learners to explore and discover their passions. (community partnerships, technology, etc.)

- **Performance Objective 1:** Create a system for establishing and maintaining reciprocal community partnerships in order to increase authentic and field based learning experiences.
- **Performance Objective 2:** Increase volunteer and service opportunities for learners within the community.
- **Performance Objective 3:** Expand opportunities for internships and job shadowing.
- **Performance Objective 4:** Partner with industry professionals to design and offer field-based learning experiences for educators.

STRATEGIC OBJECTIVE/GOAL 2: We will find creative solutions to address increasing enrollment while maximizing opportunities for individual learners.

- **Performance Objective 1:** Expand learning spaces within and outside of CISD facilities through the development of new and existing community partnerships.
- **Performance Objective 2:** Redesign or repurpose current learning spaces to provide flexibility and maximize learning opportunities for learners.
- **Performance Objective 3:** Develop a Long Range Facility Plan based on an evaluation of projected growth, learning services, and technology.

STRATEGIC OBJECTIVE/GOAL 3: We will foster proactive and reciprocal communication for the learner success.

- **Performance Objective 1:** Create a system to communicate foundational and future-ready skills for each learner.

STRATEGIC OBJECTIVE/GOAL 4: We will respect and leverage the diversity that exists in our community to provide a world class learning environment.

- **Performance Objective 1:** Increase educator proficiency to respond to our diverse community of learners.
- **Performance Objective 2:** Expand program offerings that reflect our diverse community.

STRATEGIC OBJECTIVE/GOAL 5: We will design comprehensive learning services that empower all learners with skills and knowledge to ensure their individualized growth and success.

- **Performance Objective 1:** Provide professional learning for educators and administrators on the effective use of data and assessment tools to inform the design.
- **Performance Objective 2:** Create a community-based accountability system for reporting learner growth.

- **Performance Objective 3:** Implement goal setting Pre K -12 to empower learners to take responsibility for their growth. (i.e. academic, social, and emotional).
- **Performance Objective 4:** Develop a comprehensive professional learning plan to actualize the CISD Learning Framework.
- **Performance Objective 5:** Reframe and prioritize state standards in a way that leads to profound learning.
- **Performance Objective 6:** Design a comprehensive instructional technology system that redefines the role of technology in the classroom (create and share content, collaborate with other learners throughout the world).
- **Performance Objective 7:** Seamlessly integrate digital citizenship across the curriculum so all stakeholders collaborate in an atmosphere of respect, integrity, sharing, trust, and service.

CISD DISTRICT IMPROVEMENT PLAN 2015-2016
APPENDIX C: COMPONENTS OF A SCHOOL WIDE TITLE I PROGRAM

Components of a Schoolwide Plan	Standard	Evidence of Standard Completion and/or Progress Toward Completion
Comprehensive Needs Assessment	Includes a variety of data gathered from multiple sources. Examines student, teacher, school and community strengths and needs.	
Schoolwide reform strategies	Opportunities for all children to meet the State’s proficient and advanced levels of student academic achievement Use effective methods and instructional strategies that are based on scientifically based research: <ul style="list-style-type: none"> i. Strengthen core academic programs ii. Increase amount and quality of learning time iii. Strategies for meeting educational needs of underserved populations 	
Instruction by Highly Qualified Professional Staff	Teachers and paraprofessionals meet the highly qualified requirements; parents are aware of the highly qualified status of all teachers. All teachers are assigned to the areas in which they are certified to teach.	
Highly-qualified and Ongoing Professional Development	All staff is trained to meet individual needs of all students, but particularly the lowest achieving students of any program that is included in the school wide program. All staff receives ongoing sustained professional development that is aligned with the goals of the new vision plan.	

Strategies to Attract Highly Qualified Staff	The school is allowed to provide incentives for highly qualified teachers to teach in high need schools. Only teachers who are highly qualified are assigned to low achieving students and this is the policy throughout the district.	
Strategies to Increase Parental Involvement	Specific strategies to increase parental involvement, based upon results of the needs assessment have been identified and implemented. Strong collaboration with community resources is evident. Parents are included as decision makers in a broad spectrum of school decisions.	
Preschool Transitional Strategies	Collaboration is evident between the elementary school and preschool programs (Head Start, Even Start, etc.) Specific strategies for helping students' transition into the elementary setting have been identified and implemented.	
Timely and additional Assistance to Students Having Difficulty Mastering the Standards	The school has a well-defined process that is currently being implemented to identify students experiencing difficulty mastering the State's standards. Timely, effective and additional assistance is provided for students experiencing difficulty mastering the state's standards. Thematic, integrated instruction, designed to accommodate the needs of various learning styles is provided.	
Coordination and Integration of Federal, State and Local Programs and Resources	The school has established its new vision plan based on need, and is knowledgeable about and uses all resources available to the school to meet its goals.	
Measures to Include Teachers in the Decisions Regarding the Use of Academic Assessments	Classroom teachers developed the assessment matrix.
