**SUBJECT: District Quality Assurance Review (QAR) Team Presentation**

The District and all our schools are accredited through AdvancED. As a requirement of district level accreditation, we have the responsibility to monitor each individual school's school improvement practices, process and efforts. The District's QAR Team would like an opportunity to share with the Board of Education the internal monitoring protocol we created and implemented for this purpose. Please consider adding this agenda item to the Instruction segment of the May 16, Board of Education Meeting.

Thank you for your attention to this request.
