

## TRANSPORTATION REPORT

JANUARY 2026

To Mr. Larsen and our School Board,

As we begin the new year, I would like to extend my sincere best wishes to each of you and to thank you for your continued dedication to our students, staff, and community. The start of a new year offers an opportunity to reflect on our progress and to look ahead with optimism and purpose.

As you know, last month we had a very serious bus accident. I can report that the drivers of both buses are doing well.

With that said it has put a big strain on bus routes. We have combined bus routes since October, and we are still doing that since we now have 4 drivers that have retired and 4 drivers with long term medical conditions.

We handed out 27 tickets in the month of December 18 of them are suspensions.

We have had 16 reimbursed trips for the month of December

We have had 32 non-reimbursed trips for the month of December
