QUOTE:

2014 THOMAS BUS                      \$ 53,967.00 plus \$ 800.00 Buy Board Fee

This bus has a backup camera system

---

RUSH TRUCK CENTER QUOTE:

2013 BLUEBIRD BUS                      \$ 54,943.00 (Girardin body style)

2013 BLUEBIRD BUS                      \$ 52,410.00 (Collins body style)

---

Depending on the number of buses purchased, the goal is to replace 2 bus route vehicles (suburban and mini vans) and the 2000 Chevy Van used for student activities.

The 2000 Chevy van will be used locally (it has approx. 107,000 miles)

We would sale the 1998 15 passenger van (it has approx. 200,000 miles)

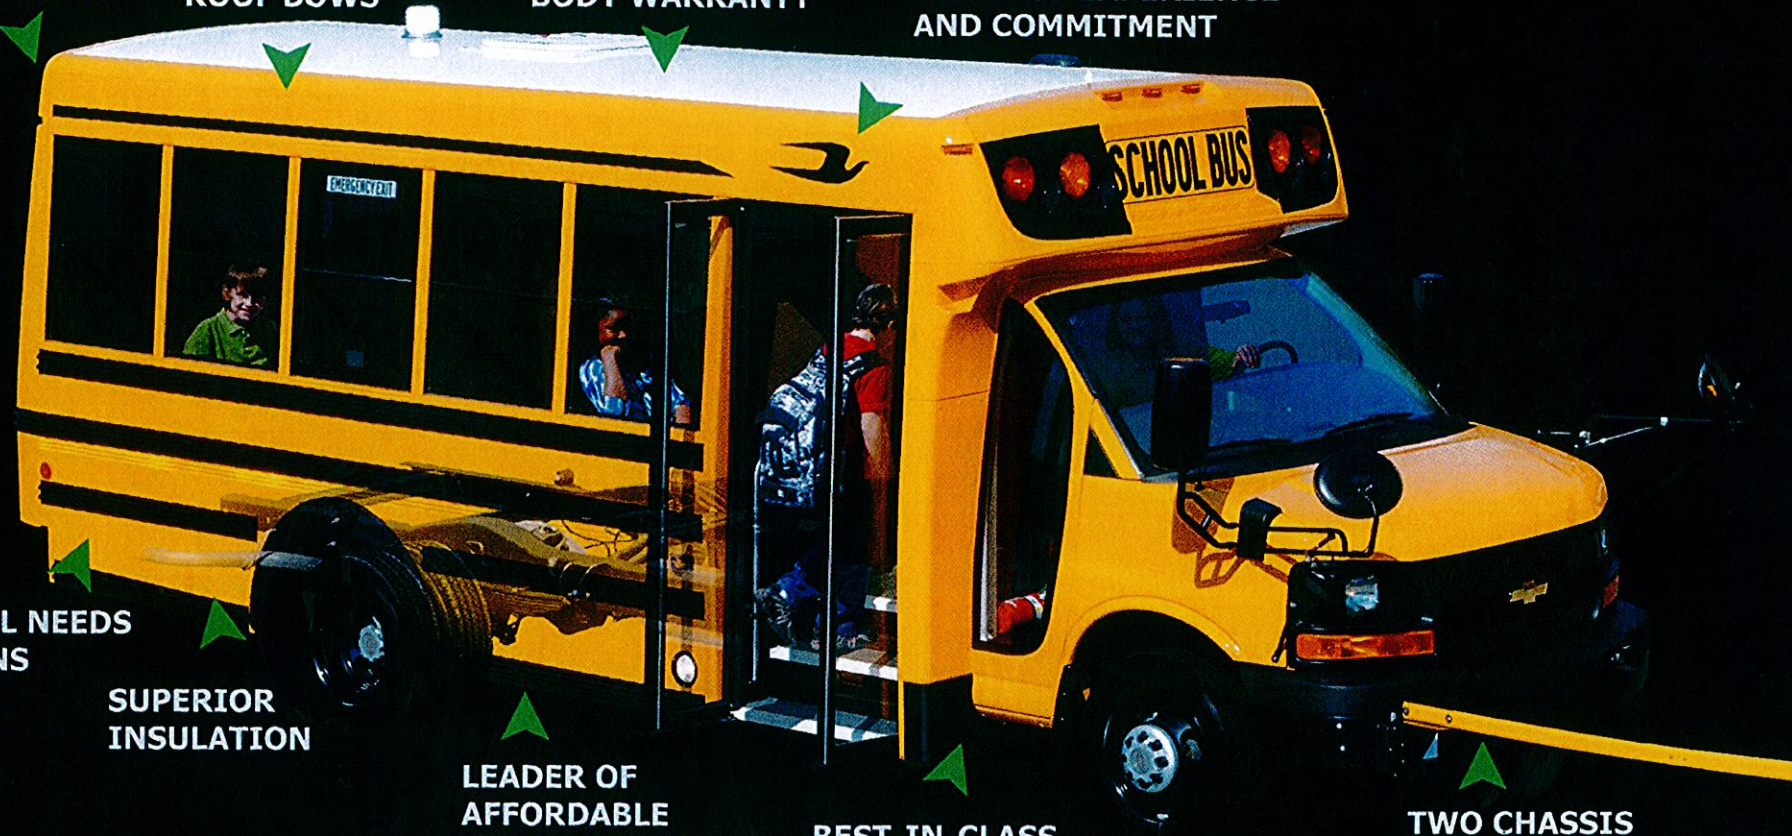

Suburban and Mini Vans will be used locally and for workshops
