Subject: Recommendation to Purchase *Everyday Mathematics* Materials

I am requesting the purchase of *Everyday Mathematics*, 2012 edition be placed on the June 11, 2012 Board Curriculum Committee agenda. The purchase request includes Teacher Resource Packages for all third through fifth grades and sixth grade at Webster and student journals for first through sixth grades. The *Everyday Mathematics*, 2012 edition incorporates the Common Core State Standards for Mathematics Content into lessons and also incorporates the new Mathematics Practices into the program. The materials are available to review in my outer office area.

Everyday Mathematics Classroom Resource Packages and Student Journals, 2012 edition

Publisher: McGraw-Hill Education
