DECEMBER 2009

Stephanie Speaks...

December has arrived, and with it a change in weather and the amount of daylight ~ evening seems to be coming so fast! As we adjust to these changes we also plan for many fun filled events both in school and with our families and friends. Parent-teacher conferences are coming up and are an important way to connect with what is happening for your child in the classroom. Also, make sure and mark your calendar to join us on December 16th at 6:30 for our annual Winter Sing! We will have singing and get to hear from some of our strings students. This should be a fun evening for all! Enjoy the upcoming winter break, a time for family and recharging our batteries as we head into the New Year!

Winter Sing

Please join us and the students on Wednesday, December 16th at 6:30 in the school gym for the annual school winter singing program. The Kindergarten through Fifth Grade classes will be singing some of their favorite winter songs. Our strings students will be performing for the first time under Mr. Warren Whistler. Student Council will be serving light refreshments after the show; plus there will be a special visit from Santa!

Conferences

Parent Teacher conferences are Wednesday, December 2nd after school and all day Thursday, December 3rd.
