

CONSIDERATION OF APPROVAL OF THE 2025-2026 DISTRICT AND HIGH SCHOOL CALENDARS

Action Item:

These proposed calendars are ready to be recommended for consideration. Several variations of the calendars were considered by the Site Based Decision Making Committee over the past couple of months. SBDM meetings were held so that all the different versions could be discussed. Input was also gathered from the staff at all campuses. Dr. Phillips should be present at the meeting to help explain the calendars and answer any questions you may have.

Superintendent's Recommendation:

I recommend the calendars be approved as presented.

Suggested Motion:

I move to approve the calendars as presented.
