**DPI School and District Report Cards:** The Department of Public Instruction released school and district report card on Nov 17. I am pleased to share that TES reached the **Exceeds Expectations** level! **Well done students and staff!** This is an from our previous score of 66.9. We have been focusing on Math for the two years prior to this particular assessment and it definitely shows. This year our professional development focus is on writing and reflecting upon Gradual Release of Instruction in our classrooms. We realize there is still work to be done, but we're moving in the right direction! If you're interested in learning more about the school report card follow this link: <https://apps2.dpi.wi.gov/reportcards/>

- **Two Foot Tuesdays**

This year, we have introduced a new professional development opportunity to our staff. Anyone who is interested in opening their door and inviting staff in to watch a lesson and/or provide feedback to the hosting teacher is invited into classrooms of those who have volunteered. This provides an

opportunity for teachers to share their expertise during whichever time of day they'd like and for teachers to get into other's classrooms to learn techniques from one another.

- **Educator for a Day Event**

Thanks to all the community members who participated in our Educator For A Day event and a special thanks to Ann Swenty and Kimberly Gibeault who organized all the volunteers to create a successful day!

- **Harley - Donation of coats, hats, mittens for needy students.**  
Special thanks to Harley Corporation for their donation of hats, mittens, snowpants, and boots to 20 of our most needy families. What a special surprise for these kiddos!
- **Student Council Food Drive**  
Student Council collected 1600 items for our local food pantry this year! This is the most ever collected! Our goal was 1000 items. Mrs. Roberts class collected the most and earned a Rootbeer Float party for their efforts.
- **Kindergarten Thanksgiving Feast Celebration**  
Our Kindergarten Thanksgiving Feast is a tradition at TES. However, this year, we made an adjustment to how this is handled to prevent needing to pay for busing and to reduce the workload for our staff. Taher Food Service cooked the Thanksgiving meal for our students this year and gave the students a tour of the kitchen explaining the process of preparing the meal. Students presented their special poems/skits to everyone present. Well done Kindergarten!

- **Grandparents Day**

Last week we celebrated grandparents day with our Kindergarten students. We had over 200 grandparents join us for this event! What an incredible show the students put on for us! The grandparents were glad to join their grandchildren for lunch and sure did enjoy the show!

- **Please join us for our 2016 Holiday Concert on Dec. 21.**
