Principal's General Narrative:

Summer months are going well and many of the moves and upgrades to the High School are well underway. Students have been involved in a number of summer league sports including 7 on 7 football, and summer league basketball as well as camps supported by our coaching staff for younger students.

Summer school is complete and the new On Track curriculum worked well as an additional tool for teachers and students in the summer classes. Tutorials have been offered this week for any students who need to re-take EOC tests and the participation has been excellent. Those re-takes will be offered this week and be monitored by the secondary teaching staff. The administration is excited about the upcoming school year and all of the wonderful opportunities for the students at Brackett ISD.
