The Research

"Developing AVID as a District-wide, Articulated Program"   by Robert Gira

"Our philosophy is that AVID is a comprehensive, district program and that students need to be prepared for rigorous curriculum no later than the beginning of middle school."

Ivone Larson

Where we are now --> Where we are going

Elementaries - beginning

Middle - Fully embedded elective and implemented school-wide

High - AVID elective in place, beginning school-wide

K-12 AVID fully embedded at all schools for ***ALL students***...

Summary of Data

- 5th year of AVID at the high school, graduating our second cohort this year

- 4th year of AVID at the middle school, accomplished National Demonstration Status. Currently only 3% of schools nationwide have reached this status.
