## February 2026

Uvalde CISD and SFE, work together to provide our future leaders the nutritional fuel to be ready to learn and reach their highest potential. Thank You to the entire Uvalde CISD Team, as we work to feed the students we love!

Uvalde CISD believes that ALL STUDENTS deserve, fresh and delicious meal options to enjoy.

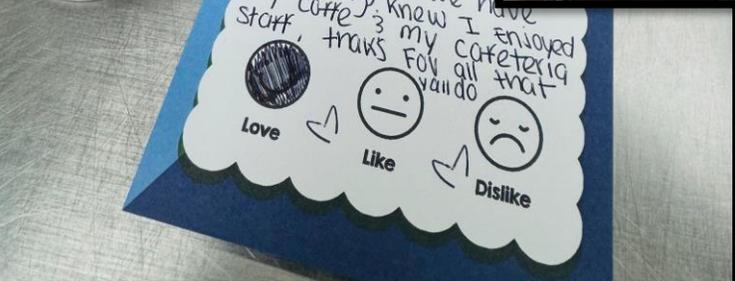

We had some fun this month at the high school, and we did a complete overhaul of our smart snack store! We are calling it "Coyote Café".

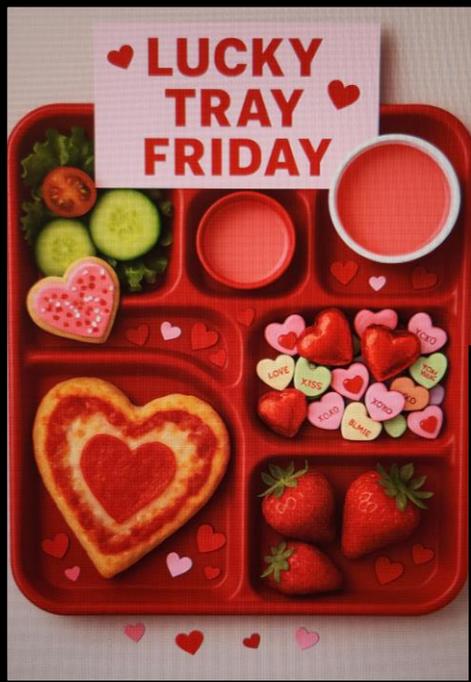

Essentially, we organized our smart snack offerings here, and introduced a boat load of new things for the kiddos. Everything is 100% smart snack compliant for our Highschool Kiddos, and offer a much healthier and less expensive variation to common snack staples we see amongst the kiddos.

Ice coffee, Baked chips, whole grain brownies, zero sugar sodas and beverages. We are also able to prepare additional entrée options for the kiddos who desire to have more food. The UHS Kiddos have been very accepting and receptive to the revamp

We did a Lucky Tray Friday on February 13<sup>th</sup> to celebrate Valentine's Day with the kiddos. We filled our service lines with strawberries, and handed out Valentines' to the lucky tray winners.

We hosted our Triennial Wellness Policy Assessment on February 20<sup>th</sup>.

We conducted the assessment within the SHAC, and catered a nice lunch for them.

The SHAC will be meeting again in March to review the assessment in greater detail and to prepare synopsis to be presented to y'all.
