RE: District 90 Public School Calendar 2022-2023

---

Each year, the District 90 Calendar Committee meets to discuss options for the following year's Public School Calendar. The committee is comprised of teachers, support staff, parents, and administrators. The recommended calendar reflects the Illinois State Board of Education requirements for student attendance, emergency days, parent teacher conferences, and professional development days. In addition, to working with the Calendar Committee, we consult with both District 97 and District 200 to align our calendars to Winter Break, Spring Break, and additional holidays when identified as a shared priority.

Below are the proposed calendar items for Board review:

### **Student Start Date**

Monday August 22, 2022

### **End Date**

Thursday, June 15, 2023 (including five emergency days)
