BOARD GOAL:

Become a TEA Recognized district for the 2009-2010 school year on our journey to becoming world-class by 2012.

BACKGROUND INFORMATION:

Four draft versions of the 2011-2012 school calendar were developed to include the required instructional days, testing dates and staff development opportunities. The proposed school calendars were reviewed by a Calendar Committee composed of central office personnel, campus administrators, teachers, and parents. After the first meeting, the committee members solicited input/feedback from their constituents. At the second meeting, the committee narrowed the choices down to draft A and B and went back to have their constituents vote. At the final meeting, the majority of the committee voted to recommend Calendar "A" be adopted.
