

**FOREST LAKE AREA SCHOOLS  
FOREST LAKE, MN 55025**

**October 3, 2013**

**AGENDA ITEM: 9.1**

**TOPIC:** Amend School Board Member Liaisons to Schools

**BACKGROUND:** Each year School Board members are assigned to the schools/programs in the district. This helps with focusing the work of the School Board members and gives staff members at each building/program/department a school board member to connect with as well.

Of course, School Board members attend events at all schools, but this allows for a more systematic way to make sure all of the schools/programs/departments have a school board member connected to their work.

The attached chart indicates the directors that are assigned to the schools/programs/departments which is also revisited each fall.

This was discussed and approved at the September 17<sup>th</sup> school board meeting. Some minor changes are being recommended.

**PROCESS:** Discuss and decide on liaison assignments for 2013-14.

**RECOMMENDATION:** Board action on liaison assignments for 2013-14.
