

Information on the cost of a District-wide Stipend
(Christmas Bonus)

Waskom ISD has a total of 141 employees. I am including all employees in the District-wide Stipend. The budget will have to be amended to cover the cost of a District-wide Stipend based on our projections of revenue and expenditures. We will amend the budget in August to cover the cost of a District-wide Stipend if necessary.

| Amount | Total Cost |
|----------|-------------|
| \$100.00 | \$14,100.00 |
| \$200.00 | \$28,200.00 |
| \$300.00 | \$42,300.00 |
| \$400.00 | \$56,400.00 |
| \$500.00 | \$70,500.00 |

The school board will need to make and approve the following motion for a District-wide Stipend:

*"I move to approve a District-wide Stipend of \$_____ for all employees."

This motion requires a second and a majority vote.
