CHAMPION  
SCHOOL

## PRINCIPAL'S MESSAGE

Dear Parents,

Hopefully everyone saw the headlines of the Daily Courier on March 9th. If not, then here it is again: Fleming Middle School is Named Champion School for the Second Year in Row!

What great news for our community to be honored again for the highest academic achievement in our state. Special thanks goes to our dedicated teachers who endlessly try to engage our students to get them to do things that they don't necessarily want to do. Next, thanks also goes to our students who have worked so hard to follow the instructions of our teachers and trust them to have their best interests at all times. Lastly, thanks goes to our parents who trust the teachers, even when it is difficult to do so. Many times we have students who struggle and suffer through some lesson and their parents want to minimize the struggle and pain that sometimes come with difficult tasks. It is natural as parents to want to protect our children from unnecessary pain, but learning is painful sometimes and that is okay;

this award shows that working together, teachers and parents can make great things happen for the benefit of our children.

Our Spirit Trip on Monday, March 15th was a big hit with our kids. They are already asking about the next one! Mt. Ashland had one of the most beautiful days ever. The sky was blue, the sun was shining, and kids were everywhere laughing and having fun.

Ausland Construction has come on board to help Fleming see its way through the complex process that is required to transform our athletic facility into a Community All Sports Park. We greatly appreciate their expertise and look forward to our partnership in making this dream a reality.

Lastly, our new computer lab should be online by the time you receive this newsletter. We will try to get some photos of the lab being used into our next newsletter.

## ASSISTANT PRINCIPAL'S MESSAGE

Dear Fleming Families,

Track and Field is now in full swing. We have 75 students participating in 15 different events for boys and girls. All of this is due to the volunteers coaches who have given of themselves for the benefit of our students. The coaches are: Ron Rollins (science), Dan Scott (Special Ed.), Rick Saeman (Math), Maria Caruncho (Front Office), Greg Tardieu and Heather Yount.

We now are looking forward to our End-of-the-Year Spirit Day. In the past we have gone to the Water Park in Eugene, or the Water Slide in Ashland or the All Sports Park in Grants Pass. Please work with your child to remind them to seek advice when

they have a problem, keep their grades up by turning in their work and come to school every day. If they do these simple things they will be good to go to our End-of-the-Year Spirit Day.

As always, I would like to thank you for your support. We have had an outstanding year this far. I speak to many parents every day, and I am always grateful for the support we receive in educating all of your children.
