5. Human Growth & Development Update

This 9 person Ad Hoc Committee is focusing on 4th-8th Grade. One of the proposed changes is the time allotted to HGD. 4th Grade will be 60 minutes a year. 5th Grade 90 minutes a year, and 6th, 7th, & 8th Grade 120 minutes a year. During these classes we will follow learning objectives created by national standards and surrounding districts. February 1 is the next Ad Hoc Meeting and they will prepare a slide show presentation that will share the final objectives and lessons, and then the board will vote on the final changes.

6. Student Representation of the School Board

The committee discussed possibly adding a non-voting student representative to our School Board. Alyssa Burrage shared some proposed guidelines and the committee gave her some feedback. We will ask the full board if they'd like a workshop to discuss or if they'd be okay with us moving forward with a vote to add the student representative. We also discussed merging the current policy titled student representation at board meetings with a new policy that is more geared to student representation on the Board.

7. Course Catalog Revisions

Alyssa Burrage shared information about a few mistakes and some minor changes that the Board will be asked to approve to the High School Course Catalog.
