

**TMS BOE Report**  
**February 2021**

**7th Grade English/Language Arts/Social Studies Teacher:** Mr. Daniel Decker recently joined our TMS Team as a 7th grade English/Language Arts & Social Studies Teacher. Mr. Decker is a recent St. Norbert's College graduate and has experience as a long-term substitute in the DePere School District. This is his first full time teaching assignment.

[eCybermission Update:](#) eCybermission is a web-based Science Technology Engineering and Math (STEM) competition sponsored by the US Army that promotes problem solving and collaboration. Teams work to identify problems in their local area and collaborate to develop real world solutions. This is the 4th year Mrs. Tracey has led students through this competition and was recently awarded official club status as well. We currently have 9 participants from grades 6-8 meeting outside of the school day to prepare for their upcoming competition.

**Parent/Teacher Conferences:** Parent/teacher conferences will be held virtually the week of Feb. 8-12. We will utilize the same format as we used in November for families to schedule conferences.

**Upward Bound Update:** Representatives from UWSP's Upward Bound program conducted virtual presentations to our 8th grade students during the last week of January. 35 students requested applications following the presentations. Students who complete the applications will be contacted by Upward Bound and individual meetings will be scheduled.
