Date of Meeting at which site was approved

Additional Notes (DESE)

District: County Line

Partner Site	Concern	Responses From District
Logan County Fair Association	-How does this tie back to curriculum learning goals?	As per email 5/12/2021: Students will use Career/Technical Education skills such as learning work ethic and appropriate behaviors when working in public. Students will use language arts skills such as the use of communication skills and effective listening skills to follow directions and relay information to others. Students will use science skills with the new COVID prevention techniques such as public health and regulations.
