

Hitchcock Independent School District

BOARD OF TRUSTEES

Meeting Date: November 17, 2025

Presented by: Dr. Darryl J. Henson, Interim Superintendent of Schools

Subject: Principals' Reports

Information Item

BACKGROUND INFORMATION:

We strive for our five campus principals to provide strong and focused leadership on their respective campuses. It is an expectation that they are diligently working to implement district initiatives, foster positive learning environments, and drive student success. To keep the Board and community fully informed of their progress, each principal will report on the key happenings and data from their campuses for the previous month. This will provide a valuable, ground-level view of our academic programs, student engagement, and operational health across the district.
