Addition information-

Five students identified as Special Education moved into our district in October and there is one referral by parent request. The student has been in RTI and is not making as much progress as we would like to see.

Our High school student with medical issues has been placed on homebound status and is receiving services via a homebound teacher.

Our first PBMAS committee meeting was 11-2-09. We are working on Special Education students taking Math and Science TAKS tests and their passing rates. Our official rating is a 1B which necessitates submission to TEA by January.

Please feel free to contact me with any questions.

Respectfully,
Melanie Jones
