

#2210**Administrative Leeway in Absence of Board of Education Policy**

The Superintendent shall have the power to act when emergency action must be taken within the school system and the Board of Education has provided no guidelines for administrative action.

It shall be the duty of the Superintendent to notify the Board of Education promptly of such action. The Superintendent's actions will be subject to review by the Board of Education at its next regular meeting.

It shall be the responsibility of the Superintendent to inform the Board of Education of the need for additional policies, or revision of existing policies, as a result of the action required by the Superintendent.
