

# Superintendent's Report

April 27, 2026

# THANK YOU to our Administrative Professionals!

- Administrative Professionals Day was 4/22!
- Approximately 40 awesome individuals in D304!
- Making a difference for everyone in our school community!

# Safety and Security Update

- Thank you to Mr. Baker and our safety and security staff.
- Thank you to our entire staff for the work that goes on publicly and privately to keep our students safe.
- Thank you to our community partners and first responders.
- Thank you to all members of our community who partner with us to keep our schools safe for students.

# Student Information System Transition

- Final stages of data conversion are underway.
- Several user training sessions have been held with more planned over the summer.
- A communication campaign is in the works.
- Schools are working on accelerating year-end and beginning of year processes.
- Thanks to all the amazing folks working us through the transition!
