Explanatory Notes

TASB Localized Policy Manual Update 118

- Interventions and consequences for D ratings;
- Revisions regarding campus turnaround plans;
- Appeals of interventions and sanctions; and
- New intervention programs, including designation as a resource campus and required compliance with the strong foundations grant program requirements.

We have also added an existing prohibition on student trustees participating in a closed board meeting when a personnel matter is being considered.

Provisions on monitoring reviews and on-site investigations have been moved to AIE, Investigations.

AIE(LLEGAL) ACCOUNTABILITY: INVESTIGATIONS

Provisions on special investigations (formerly *special accreditation investigations*) and monitoring reviews and activities have been revised as a result of SB 1365 and moved to this new code on investigations.

The provision regarding the board's governance authority has been moved to BAA(LLEGAL), which addresses the board's powers and duties.

BAA(LLEGAL) BOARD LEGAL STATUS: POWERS AND DUTIES

The provision regarding the board's governance authority has been moved from BA(LLEGAL) and revised to better reflect statutory wording.

SB 1365 adds exceptions to the board's exclusive power to govern and oversee the management of the district to address the appointment of a board of managers.

Provisions on the board's authority related to district property have been deleted, as they are included at other codes.

BBA(LLEGAL) BOARD MEMBERS: ELIGIBILITY/QUALIFICATIONS

Changes to this legally referenced policy include:

- Clarification regarding felony convictions for eligibility and service as a board member (HB 1540 and Attorney General Opinion KP-0251); and

Amended Ethics Commission rules change the definition of "political advertising" to address text messages.

BBD(LLEGAL) BOARD MEMBERS: TRAINING AND ORIENTATION

The State Board of Education must require school safety training for trustees per HB 690 and work with the Texas School Safety Center to develop curriculum and materials by January 1, 2022.

BBFA(LLEGAL) ETHICS: CONFLICT OF INTEREST DISCLOSURES

A definition of "contract" has been added to assist with application of conflicts disclosure provisions. Other provisions have been reordered, reworded, and removed for readability.

BDF(LLEGAL) BOARD INTERNAL ORGANIZATION: CITIZEN ADVISORY COMMITTEES

HB 1525 imposes new meeting requirements for school health advisory councils, including posting of meeting details in advance of meetings and preparing and posting meeting minutes and recordings.

CBA(LLEGAL) STATE AND FEDERAL REVENUE SOURCES: STATE

An existing provision regarding the purpose of the Foundation School Program has been added.

CBB(LLEGAL) STATE AND FEDERAL REVENUE SOURCES: FEDERAL

We have referenced an existing provision that prohibits the use of federal loan or grant funds to procure or obtain foreign telecommunications equipment.

CCG(LLEGAL) LOCAL REVENUE SOURCES: AD VALOREM TAXES

Provisions on ad valorem taxes were affected by several bills.

- HB 1525 includes exceptions to the prohibition on levying a maintenance tax at a rate with the intent to create a surplus in maintenance tax revenue to pay the district's debt service. We have also added a reference to the consequences of violating the prohibition without an applicable exception.
- SB 1438 addresses the calculation and adoption of tax rates in a disaster area.

Because provisions permitting a district to adopt a tax rate before adopting a budget no longer align with current statutes and TEA processes for calculating the maximum compressed rate, they have been deleted from the policy.

CCGA(LLEGAL) AD VALOREM TAXES: EXEMPTIONS AND PAYMENTS

Legislation affected several provisions on tax exemptions and payments:

- SB 1427 clarifies that the temporary exemption for qualified property damaged by disaster applies only to physical damage.

- HB 988 addresses exemptions for goods-in-transit when the district is in a disaster area.

LOCAL REVENUE SOURCES: APPRAISAL DISTRICT

A recent attorney general opinion clarifies that an employee of an appraisal district may not serve as a trustee in a school district that is a participating entity in the appraisal district.

HB 988 creates a criminal offense for a board member, officer, or employee of a participating taxing unit, such as a school district, who communicates with the appraisal district to influence a property's appraisal value unless the person owns or leases the property.

The circumstances under which a person is ineligible to serve on the board of directors of an appraisal district were revised by SB 63, and additional detail on eligibility restrictions have been added from existing law.

Provisions on adjusting the number of appraisal board members in special circumstances have been removed.

CDC(LEGAL)

OTHER REVENUES: GIFTS AND SOLICITATIONS

HB 1525 requires a district to accept donations from a parent-teacher organization or association to fund supplemental educational staff positions and spend the donation for the designated purpose.

Under HB 3979, a district is prohibited from accepting private funding for curriculum or professional development for a course as described by Education Code 28.002(h-3)(3), which pertains to certain social studies course content and requirements.

CE(LEGAL)

ANNUAL OPERATING BUDGET

SB 1365 prohibits use of local funds to initiate or maintain an action against the state or officer of the state arising out of a decision, order, or determination that is final and unappealable under the Texas Education Code, unless specifically authorized.

The bill also creates a criminal offense for a board member who votes to approve an expenditure in violation of an Education Code provision for a purpose for which the funds may not be spent.

CFA(LEGAL)

ACCOUNTING: FINANCIAL REPORTS AND STATEMENTS

A reference to the updated *Financial Accountability System Resource Guide*, adopted June 2021, has been added.

CFC(LEGAL)

ACCOUNTING: AUDITS

A reference to the updated *Financial Accountability System Resource Guide*, adopted June 2021, has been added.

CFD(LOCAL)

ACCOUNTING: ACTIVITY FUNDS MANAGEMENT

Recommended revisions to this local policy are to align with the recently adopted amendments to the *Financial Accountability System Resource Guide (FASRG)*, Module 1, Appendix H, on activity funds. (See the *FASRG Financial Accounting and Reporting Appendices* at <https://tea.texas.gov/sites/default/files/fasrg17-module1-farappendices-final-accessible.pdf>.)

Substantive changes include clarification that student activity funds are those funds raised and collected by student clubs and organizations. Approval to spend those funds rests solely with the student organization or club, with disbursement management and approvals by the principal and sponsor.

A more specific reference to the district's accounting practices and procedures was added regarding management of expenditures.

- A copy of a memorandum of understanding or mutual aid agreement between a district and another entity addressing school safety and security issues provided to the TxSSC is confidential and not subject to disclosure under the Public Information Act.

CKA(LEGAL) SAFETY PROGRAM/RISK MANAGEMENT: INSPECTIONS

Extensive revisions to this legally referenced policy on asbestos are a result of amended Texas Asbestos Health Protection rules effective July 8, 2021.

CKB(LLEGAL) SAFETY PROGRAM/RISK MANAGEMENT: ACCIDENT PREVENTION AND REPORTS

HB 3597 requires the commissioner of education in consultation with other relevant entities to adopt rules on emergency drills and exercises. The previous Administrative Code provisions have been removed pending development of the new rules.

Before a district may conduct an active threat exercise, the district must comply with new notice provisions and other requirements in accordance with SB 168. The [Regulations Resource Manual](#) includes a sample notification form.

CKC(LLEGAL) SAFETY PROGRAM/RISK MANAGEMENT: EMERGENCY PLANS

Legislative cleanup resulted in several revisions to this legally referenced policy on emergency plans:

- HB 3607 removes a reference to an expired statute;
- HB 3597 clarifies that a multihazard emergency operations plan must include responding to a train derailment if a district *facility*, rather than a *school*, is within 1000 yards of a railroad track; and
- HB 3597 corrects a reference to the *five*, not *four*, phases of emergency management to be addressed in a multihazard emergency operations plan.

CKD(LLEGAL) SAFETY PROGRAM/RISK MANAGEMENT: EMERGENCY MEDICAL EQUIPMENT AND PROCEDURES

Although still required, the annually provided instruction on cardiopulmonary resuscitation and the use of automated external defibrillators no longer has to meet guidelines under the Health and Safety Code. (SB 199)

CKE(LLEGAL) SAFETY PROGRAM/RISK MANAGEMENT: SECURITY PERSONNEL

HB 1788 addresses a school district's immunity from liability for damages resulting from a reasonable action by security personnel to maintain safety at a school campus, including actions relating to possession or use of a firearm. The district also has immunity from liability for any reasonable action taken by a district employee who has written permission from the board to carry a firearm on campus.

We have revised the provisions on authorizing handguns from Attorney General Opinion GA-1051 in light of the repeal of Penal Code 46.035 by HB 1927.

CKEA(LLEGAL) SECURITY PERSONNEL: COMMISSIONED PEACE OFFICERS

SB 24 adds new pre-employment procedures that law enforcement agencies must follow before hiring a licensed peace officer.

If the Texas Commission on Law Enforcement (TCOLE) provides model policies on the topics required in law, a law enforcement agency must, within 180 days of TCOLE providing the policies, adopt a policy on the required topics and may adopt the model policies. (HB 3712)

A law enforcement agency that intends to use a drone for law enforcement purposes must, no later than January 1, 2022, adopt a policy regarding the use of force by means of a drone. (HB 1758)

HB 929 amends existing provisions on body-worn cameras and requires an officer to keep the camera activated during an investigation in which the officer is participating.

CMD(LEGAL) EQUIPMENT AND SUPPLIES MANAGEMENT: INSTRUCTIONAL MATERIALS CARE AND ACCOUNTING

HB 3261 expands the items and services on which a district can use its technology and instructional materials allotment (TIMA).

The bill also eliminates the provision requiring a district to purchase items in a specified order.

CNA(LEGAL) TRANSPORTATION MANAGEMENT: STUDENT TRANSPORTATION

SB 204 permits a district to operate a transportation system for interdistrict transfer students outside district boundaries and without having an interlocal agreement with the transferring district if the district meets applicable certification requirements and has a policy that prohibits the screening of transfer requests using academic performance, disciplinary history, or attendance records.

Please contact your policy consultant if your district will use this approach and you need changes to FDA(LOCAL). The [Regulations Resource Manual](#) includes a sample certification statement.

A district in a disaster area is eligible for transportation funding for the cost of transporting a meal or instructional materials in accordance with SB 462.

Other revisions are to better match legal sources.

TECHNOLOGY RESOURCES: DISTRICT, CAMPUS, AND CLASSROOM WEBSITES

The list of required internet postings has been updated to include:

- Election information and election results (SB 1116);
- Notice of school health advisory council (SHAC) meetings, minutes, and recordings (HB 1525);

- The district's employment policy and any referenced regulations (HB 750).

The optional posting pertaining to annual notice of programs for college credit has been updated as a result of SB 1095.

CQB(LEGAL)

TECHNOLOGY RESOURCES: CYBERSECURITY

Reporting of a breach of system security to TEA now includes a requirement to also report to an entity with which TEA contracts and may be made by district employees other than the cybersecurity coordinator per SB 1696.

Cybersecurity training requirements were amended by HB 1118 and SB 1267.

Security breach notifications under the Business and Commerce Code were amended by HB 3746.

CQB(LOCAL)

TECHNOLOGY RESOURCES: CYBERSECURITY

Based on HB 1118 and SB 1267, the provision addressing board delegation to the superintendent regarding cybersecurity training has been revised to:

- Reflect the elimination of the annual training requirement (except for the cybersecurity coordinator); and
- Give the superintendent the authority to impose consequences for failure to complete required training.

Recommended revisions regarding reports of breaches involving student information are based on SB 1696, which permits the district, rather than the cybersecurity coordinator, to report breaches to TEA and others as required by law.

Sample procedures in the [Regulations Resource Manual](#) have also been updated based on these changes.

CRD(LEGAL)

INSURANCE AND ANNUITIES MANAGEMENT: HEALTH AND LIFE INSURANCE

SB 1444 permits a district participating in TRS ActiveCare to opt out of participation as described and prohibits a district participating in TRS ActiveCare from offering health coverage that is not provided under TRS ActiveCare.

CV(LEGAL) FACILITIES CONSTRUCTION

HB 2581 amends provisions on contracting procedures for construction projects, including evaluation of submissions and criteria for awarding construction contracts.

SB 338 permits a district to adopt and incorporate into relevant contracts the Texas Facilities Commission's uniform general conditions.

CVB(LEGAL) FACILITIES CONSTRUCTION: COMPETITIVE SEALED PROPOSALS

HB 2581 requires a district using competitive sealed proposals for construction projects to make the evaluations public within 7 business days of the contract award and provide the evaluations to all offerors. A reference to provisions on weighting the value assigned to price has also been added.

DBA(LEGAL) EMPLOYMENT REQUIREMENTS AND RESTRICTIONS: CREDENTIALS AND RECORDS

New provisions from HB 1525 and SB 1356 permit members of teacher organizations and other eligible individuals to participate in a tutoring program to provide supplemental instruction to students as overseen by the superintendent.

DC(LEGAL) EMPLOYMENT PRACTICES

A new posting requirement from HB 750 requires a district to post on its website the employment policy required by Education Code 11.1513(a) and any regulations referenced in the policy. Any form referenced in the policy must be posted on the district's intranet or at a district administrative office.

HB 1525 requires a district to accept donations from a parent-teacher organization or association to fund supplemental educational staff positions and spend the donation for the designated purpose.

DEA(LEGAL) COMPENSATION AND BENEFITS: COMPENSATION PLAN

With limited exceptions, HB 1525 requires a district to maintain salaries provided for the 2019–20 school year under HB 3, 86th Legislative Session, as long as the employee remains employed by the district.

Revisions regarding TRS surcharges for rehired retirees include:

- A prohibition against a district passing on to a retiree the cost of TRS surcharges (SB 202); and
- A temporary exemption from TRS surcharges through February 1, 2025, when a retiree is employed to mitigate student learning loss (SB 288).

DEAA(LEGAL) COMPENSATION PLAN: INCENTIVES AND STIPENDS

HB 1525 eliminates the requirement that a teacher be certified to be designated a master, exemplary, or recognized teacher under a local optional teacher designation system.

Changes to provisions on mentor teachers and achievement academy stipends are from SB 1267.

DEC(LEGAL) COMPENSATION AND BENEFITS: LEAVES AND ABSENCES

Districts that employ peace officers must implement two new leave provisions.

- SB 1359 requires a policy allowing the use of paid mental health leave by officers who experience a traumatic event in the scope of employment.
- HB 2073 requires the board to develop and implement a paid quarantine leave policy for district peace officers who are ordered to isolate or quarantine because of possible or known exposure to a communicable disease while on duty.

Explanatory Notes

TASB Localized Policy Manual Update 118

Brownsville ISD

In July, Policy Service sent an email with information on local policy changes to districts which our records show employ peace officers. If your district employs peace officers and has not yet contacted the district's policy consultant for policy revisions, please do so.

DEC(B)(LEGAL) LEAVES AND ABSENCES: MILITARY LEAVE

HB 1589 adds new disaster leave provisions for employees in the military who are called to state active duty in response to a disaster.

DFE(L)(LEGAL) TERMINATION OF EMPLOYMENT: RESIGNATION

HB 2519 requires notice to employees whom the district reports to SBEC for contract abandonment and limits SBEC's authority to sanction a teacher who files a resignation after the 45th day but no later than the 30th day before the first day of instruction.

DFE(L)(LOCAL) TERMINATION OF EMPLOYMENT: RESIGNATION

Revisions to this local policy on resignations are guided by a recent commissioner of education proposal for decision. Based on the relevant statutory wording, a contract employee's resignation effective at the end of the school year must be filed with the board of trustees or the board's designee, and the board's designee, typically the superintendent, may not further delegate the ability to receive these resignations. As a result, we recommend revising the policy language to give the superintendent *or other person designated by board action* the authority to accept these resignations.

New recommended text states that if a contract employee provides a resignation to a supervisor who has not been designated by the board to accept such resignations, the supervisor shall instruct the employee to submit the resignation to the superintendent or other person designated by board action.

We have also clarified that a superintendent may delegate authority to accept at-will resignations to other administrators.

The [Regulations Resource Manual](#) includes sample resolutions if the board chooses to designate a district employee, in addition to the superintendent, to accept contract employee resignations.

DG(L)(LEGAL) EMPLOYEE RIGHTS AND PRIVILEGES

As a result of HB 3979, a teacher in a required social studies course may not be compelled to discuss a current event or widely debated and currently controversial issue of public policy or social affairs.

DGC(L)(LEGAL) EMPLOYEE RIGHTS AND PRIVILEGES: IMMUNITY

SB 6 provides that a person is not liable for injury or death caused by exposing an individual to a pandemic disease during a pandemic emergency except as provided by law.

DH(L)(LEGAL) EMPLOYEE STANDARDS OF CONDUCT

HB 375 amends the offense of continuous sexual abuse of a young child or children to include continuous sexual abuse of "a disabled individual."

DIA(L)(LEGAL) EMPLOYEE WELFARE: FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

SB 45 clarifies that an employer commits an unlawful employment practice for failing to take immediate and appropriate corrective action regarding sexual harassment that the employer or employer's agents knew or should have known was occurring.

Explanatory Notes

TASB Localized Policy Manual Update 118

Brownsville ISD

SB 282 prohibits a district from using public money to settle or pay a sexual harassment claim against a board member or an officer or employee of the district.

DMA(LEGAL) PROFESSIONAL DEVELOPMENT: REQUIRED STAFF DEVELOPMENT

Numerous revisions throughout this legally referenced policy on staff development are a result of SB 1267, which amends current requirements and requires SBEC, by June 1, 2022, to create a clearinghouse on continuing education and training requirements that includes recommendations for the frequency of training.

Boards must develop a professional development policy by August 1, 2022, that includes a schedule of training based on the clearinghouse or notes any differences between the board policy and the clearinghouse recommendations. Policy Service will provide local policy recommendations following publication of the clearinghouse.

Other legislation affecting this policy includes:

- HB 159, requiring certain elements be included in educator staff development;
- HB 1525, delaying requirements for teacher literacy achievement academies;
- HB 2681, requiring teachers of elective Bible courses to be certified in one of three areas and complete commissioner-developed training; and
- SB 199, eliminating the requirement for instruction on cardiopulmonary resuscitation and the use of automated external defibrillators to meet guidelines under the Health and Safety Code.

DP(LEGAL) PERSONNEL POSITIONS

SB 179 mandates that the board adopt a policy requiring a school counselor to spend at least 80 percent of the school counselor's work time on duties that are components of a comprehensive school counseling program (CSCP). See DP(LOCAL), below, for more information.

Provisions in relevant employment contracts cannot conflict with the policy, and a district must annually assess the policy.

DP(LOCAL) PERSONNEL POSITIONS

Revisions regarding school counselors are based on SB 179, which mandates that the board adopt a policy requiring a school counselor to spend at least 80 percent of total work time on duties that are components of a comprehensive school counseling program (CSCP). If the board determines that, because of staffing needs in the district or at a campus, a school counselor cannot spend 80 percent of work time on CSCP components, the policy must address further details regarding the counselor's duties.

The recommended policy text is structured for the administration, rather than the board, to make the initial administrative determination about a counselor's job duties. If the board approves that determination, the board shall direct the superintendent to develop a revised job description for that counselor that will address the requirements in law.

The list of principal qualifications has been adjusted to include a reference to the job description.

In accordance with these revisions, TASB HR Services has revised its model job descriptions available to subscribers in the HR Library at <https://www.tasb.org/services/hr-services/mytasb/model-job-descriptions/campus-instruction.aspx>.

**Vision Statement
and Goals**

A board shall adopt a vision statement and comprehensive goals for the district and the superintendent. *Education Code 11.1511(b)(2)*

**Public Education
Mission, Goals, and
Objectives**

The mission of the Texas public education system is to ensure that all Texas children have access to a quality education that enables them to achieve their full potential and fully participate now and in the future in the social, economic, and educational opportunities in our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of Texas and for the preservation of the liberties and rights of Texas citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family and that parental involvement in the school is essential for the maximum educational achievement of a child.

Objectives

The objectives of public education are:

Objective 1: Parents will be full partners with educators in the education of their children.

Objective 2: Students will be encouraged and challenged to meet their full educational potential.

Objective 3: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a diploma.

Objective 4: A well-balanced and appropriate curriculum will be provided to all students. Through that curriculum, students will be prepared to succeed in a variety of postsecondary activities, including employment and enrollment in institutions of higher education.

Objective 5: Educators shall cultivate in students an informed American patriotism and lead students in a close study of the founding documents of the United States and Texas. The purpose of this objective is to:

1. Increase students' knowledge of the deepest and noblest purposes of the United States and Texas;
2. Enhance students' intellectual independence so that students may become thoughtful, informed citizens who have an appreciation for the fundamental democratic principles of our state and national heritage; and
3. Guide students toward understanding and productively functioning in a free enterprise society.

Objective 6: Qualified and highly effective personnel will be recruited, developed, and retained.

Objective 7: Texas students will demonstrate exemplary performance in comparison to national and international standards.

Objective 8: School campuses will maintain a safe and disciplined environment conducive to student learning.

Objective 9: Educators will keep abreast of the development of creative and innovative techniques in instruction and administration using those techniques as appropriate to improve student learning.

Objective 10: Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

Objective 11: The State Board of Education, TEA, and the commissioner shall assist school districts and charter schools in providing career and technology education to students.

Goals

The academic goals of public education are to serve as a foundation for a well-balanced and appropriate education. The students in the public education system will demonstrate exemplary performance in:

Goal 1: The reading and writing of the English language.

Goal 2: The understanding of mathematics.

Goal 3: The understanding of science.

Goal 4: The understanding of social studies.

Education Code 4.001, .002

Education Code 12.0011, .011

Powers of Home-Rule District

A home-rule district has the powers and entitlements granted to school districts and school district boards, including taxing authority. A home-rule district is subject to federal and state laws and rules governing school districts except:

3. A home-rule district is subject to all requirements of federal law and applicable court orders relating to eligibility for and the provision of special education and bilingual programs.

Nondiscrimination

The above statements do not permit a home-rule district to discriminate against a student who has been diagnosed as having a learning disability, including dyslexia or attention deficit/hyperactivity disorder. Prohibited discrimination includes denial of placement in a gifted and talented program if the student would otherwise be qualified for the program but for the student's learning disability.

The above statements do not permit a home-rule district to, on the basis of race, socioeconomic status, learning disability, or family support status, place a student in a program other than the highest level program necessary to ensure the student's success.

Education Code 12.012(a), (c)

Charter Commission

A board shall appoint a charter commission to frame a home-rule school district charter if:

The term of any officer shall be three or four years, as determined under Education Code 11.059. *Education Code 12.025*

Change in
Governing Body

If the adoption, amendment, or revocation of a home-rule school district charter changes the structure of the board, the members serving on the date the adoption, amendment, or revocation takes effect shall continue in office until their successors have been chosen and have qualified for office. *Education Code 12.026*

The petition under Education Code 13.003 must state the status for the consolidated district. *Education Code 12.029*

Accreditation

Each district must be accredited by Texas Education Agency (TEA). A district that is not accredited may not receive funds from TEA or hold itself out as operating a public school of this state. *Education Code 11.001, 39.052(f)*

District accreditation is determined in accordance with Education Code Chapter 39, Subchapter C and rules adopted by the commissioner of education at 19 Administrative Code, Chapter 97, Subchapter EE (Accreditation Status, Standards, and Sanctions). *Education Code 39.051*

Statuses

The commissioner shall determine criteria for the following accreditation statuses:

1. Accredited. Accredited means TEA recognizes the district as a public school of this state that meets the standards determined by the commissioner under Education Code 39.052(b) and (c), and specified in 19 Administrative Code 97.1059; and is not currently assigned an accreditation status of Accredited-Warned or Accredited-Probation;
2. Accredited-Warned. Accredited-Warned means the district exhibits deficiencies in performance, as specified in 19 Administrative Code 97.1055(b), that, if not addressed, will lead to probation or revocation of its accreditation status;
3. Accredited-Probation. Accredited-Probation means the district exhibits deficiencies in performance, as specified in 19 Administrative Code 97.1055(c), that must be addressed to avoid revocation of its accreditation status; and
4. Not Accredited-Revoked. Not Accredited-Revoked means TEA does not recognize the district as a Texas public school because the district's performance has failed to meet standards adopted by the commissioner under Education Code 39.052(b) and (c), and specified in 19 Administrative Code 97.1055(d).

Education Code 39.051; 19 TAC 97.1055(a)(1)

Annual Evaluation

Each year, the commissioner shall determine the accreditation status of each district. In determining the accreditation status of a district, the commissioner:

1. Shall evaluate and consider performance:
 - a. On achievement indicators under Education Code 39.053 [see Performance Indicators, below]; and

- b. Under the financial accountability rating system developed under Education Code, Chapter 39, Subchapter D [see CFA].
- 2. May evaluate and consider:
 - a. The district's compliance with statutory requirements and requirements imposed by rule of the commissioner or State Board of Education that relate to:
 - (1) Reporting data through the Public Education Information Management System (PEIMS) or other reports required by state or federal law or court order;
 - (2) High school graduation requirements; or
 - (3) Extracurricular activities, student health and safety, purchasing, elementary class size limits, removal of a disruptive student from the classroom, at-risk programs, and prekindergarten programs;
 - b. The effectiveness of the district's programs for special populations; and
 - c. The effectiveness of the district's career and technology program.

Based on a district's performance, the commissioner shall assign each district an accreditation status or revoke the accreditation of the district and order closure of the district.

A district's accreditation status may be raised or lowered based on the district's performance or may be lowered based on the performance of one or more campuses in the district that is below a standard required by Education Code Chapter 39, Subchapter C.

Education Code 7.056(e)(3)(C)-(I), 39.052; 19 TAC 97.1055

For additional information on the commissioner process for assigning accreditation status, see 19 Administrative Code 97.1055.

Notice of Status

The commissioner shall notify a district if the district has received an accreditation status of accredited-warned or accredited-probation, or a campus's performance is below standard. *Education Code 39.052(e)*

*To Parents and
Property Owners*

A district assigned an accreditation status of accredited-warned, accredited-probation, or not accredited-revoked shall notify the parents of students enrolled in the district and property owners in the district as specified in 19 Administrative Code 97.1055. The district's notice must contain information about the accreditation sta-

tus, the implications of such status, and the steps the district is taking to address the areas of deficiency identified by the commissioner. The district's notice shall use the format and language determined by the commissioner.

The district's notice must:

1. Not later than 30 calendar days after the accreditation status is assigned, appear on the home page of the district's website, with a link to the required notification, and remain until the district is assigned the accredited status; and
2. Appear in a newspaper of general circulation, as defined in 19 Administrative Code 97.1051 (Definitions), in the district for three consecutive days as follows:
 - a. From Sunday through Tuesday of the second week following assignment of the status; or
 - b. If the newspaper is not published from Sunday through Tuesday, then for three consecutive issues of the newspaper beginning the second week following assignment of the status; or
3. Not later than 30 calendar days after the status is assigned, be sent by first class mail addressed individually to each parent of a student enrolled in the district and each property owner in the district; or
4. Not later than 30 calendar days after the status is assigned, be presented as a discussion item in a public meeting of the board of trustees conducted at a time and location that allows parents of students enrolled in the district and property owners in the district to attend and provide public comment.

To TEA

A district required to act under this subsection shall send the following to TEA via certified mail, return receipt requested:

1. The universal resource locator (URL) for the link to the notification required above; and
2. Copies of the notice in the newspaper showing dates of publication, or a paid invoice showing the notice content and its dates of publication; or
3. Copies of the notice sent by mail and copies of all mailing lists and postage receipts; or
4. Copies of the notice presented at a public meeting and copies of the board of trustees meeting notice and minutes for the

board meeting in which the notice was presented and publicly discussed.

19 TAC 97.1055(f)

Performance Indicators

The commissioner shall adopt a set of indicators of the quality of learning and achievement, including three domains of achievement indicators. [See Achievement Indicators, below] *Education Code 39.053(a)*

The indicators must measure and evaluate districts and campuses with respect to:

1. Improving student preparedness for success in subsequent grade levels and entering the workforce, the military, or post-secondary education;
2. Reducing, with the goal of eliminating, student academic achievement differentials among students from different racial and ethnic groups and socioeconomic backgrounds; and
3. Informing parents and the community regarding campus and district performance.

Education Code 39.053(a-1)

Achievement Indicators

Districts and campuses must be evaluated based on indicators of achievement grouped in three domains:

1. Student achievement domain;
2. School progress domain; and
3. Closing the gaps domain.

Education Code 39.053(c)

Performance on the achievement indicators in the three domains shall be compared to state-established standards. The indicators must be based on information that is disaggregated by race, ethnicity, and socioeconomic status. *Education Code 39.053(b)*

Each school district shall submit the data required for the indicators to the commissioner. *Education Code 39.053(i)*

A–F Performance Ratings

Except when the commissioner determines the assignment of an overall performance rating would be inappropriate [see Assignment of Not Rated, below], the commissioner shall adopt rules to evaluate district and campus performance and assign each district and campus an overall performance rating of A, B, C, D, or F.

In addition to the overall performance rating, the commissioner shall assign each district and campus a separate domain performance rating of A, B, C, D, or F for each domain under Education Code 39.053(c) [see Achievement Indicators, above].

An overall or domain performance rating of:

1. A reflects exemplary performance.
2. B reflects recognized performance.
3. C reflects acceptable performance.
4. D reflects performance that needs improvement.
5. F reflects unacceptable performance.

A district may not receive an overall or domain performance rating of A if the district includes any campus with a corresponding overall or domain performance rating of D or F.

For purposes of assigning districts and campuses an overall and a domain performance rating, the commissioner shall ensure that the method used to evaluate performance is implemented in a manner that provides the mathematical possibility that all districts and campuses receive an A rating.

Not later than August 15 of each year, the following information shall be made publicly available as provided by rules adopted by the commissioner:

1. The performance ratings for each district and campus; and
2. If applicable, the number of consecutive school years of unacceptable performance ratings for each district and campus.

Education Code 39.054(a), (a-3), (b)

Assignment of Not
Rated

Notwithstanding any other law, the commissioner may assign a district or campus an overall performance rating of "Not Rated" if the commissioner determines that the assignment of a performance rating of A, B, C, D, or F would be inappropriate because:

1. The district or campus is located in an area that is subject to a declaration of a state of disaster under Government Code Chapter 418 and due to the disaster, performance indicators for the district or campus are difficult to measure or evaluate and would not accurately reflect quality of learning and achievement for the district or campus;

2. The district or campus has experienced breaches or other failures in data integrity to the extent that accurate analysis of data regarding performance indicators is not possible;
3. The number of students enrolled in the district or campus is insufficient to accurately evaluate the performance of the district or campus; or
4. For other reasons outside the control of the district or campus, the performance indicators would not accurately reflect quality of learning and achievement for the district or campus.

Education Code 39.054(a-4)

Calculating
Consecutive Years

Notwithstanding any other law, an overall performance rating of "Not Rated" is not included in calculating consecutive school years of unacceptable performance ratings and is not considered a break in consecutive school years of unacceptable performance ratings for purposes of any provision of the Education Code. *Education Code 39.054(a-5)*

Acceptable
Performance

A reference in law to an acceptable performance rating or acceptable performance includes an overall or domain performance rating of A, B, or C or performance that is exemplary, recognized, or acceptable. A reference in law to an unacceptable performance rating or unacceptable performance includes an overall or domain performance rating of F. For the purposes of public reporting requirements, an overall or domain performance rating of D shall be referred to as performance that needs improvement. *Education Code 39.0543(a)*

D Rating

A reference in law to an acceptable performance rating or acceptable performance for a district or campus includes an overall performance rating of D if, since previously receiving an overall performance rating of C or higher, the district or campus has not previously received more than one overall performance rating of D or has not received an overall performance rating of F. *Education Code 39.0543(b)*

**Local Accountability
System**

The local accountability system standards established by the commissioner under Education Code 39.0544 shall be used by districts to develop a plan to locally evaluate the performance of their campuses. *19 TAC 97.1003(a)*

Local Accountability
Plan

A local accountability plan created by a district must include domain performance ratings assigned by the commissioner under Education Code 39.054, and performance ratings based on locally developed domains or sets of accountability measures. *19 TAC 97.1003(b)*

A district must create its local accountability plan based on school type. The four school types are elementary school, middle school, high school, and kindergarten–grade 12. The plan must include all campuses within a school type. The district may also request to identify an additional school group within a school type for which to customize its local accountability plan. Otherwise, all campuses within a school type must be evaluated on a common set of components determined by the district. A district may also request to identify a campus rated under alternative education accountability provisions as a unique school type. *19 TAC 97.1003(b)(4)*

*Plan
Components*

A locally developed domain or set of accountability measures is referred to as a plan component. Plan components must describe each item and the reason for its inclusion in the plan. A district must assign each component to one of the following five domains: academics, culture and climate, extra- and co-curricular, future-ready learning, and locally determined. The weight of all plan components must equal 100 percent. *19 TAC 97.1003(b)(1)*

A district may assign weights to each plan component, as determined by the district, provided that the plan components must in the aggregate account for no more than 50 percent of the combined overall performance rating. A local accountability plan may include no fewer than two and no more than ten components weighted between 5 percent and 60 percent. *19 TAC 97.1003(c)*

Each plan component must contain levels of performance that allow for differentiation, with assigned standards for achieving the differentiated levels that are aligned to a letter grade of A, B, C, D, or F and meet the requirements of 19 Administrative Code 97.1003(d)(1)–(3). *19 TAC 97.1003(d)*

Each plan component measure must meet standards for reliability and validity as required by 19 Administrative Code 97.1003(e)(1)–(3). *19 TAC 97.1003(e)*

*Campuses without
STAAR or State
Ratings*

For the purposes of assigning state accountability ratings, a campus that does not serve any grade level for which a State of Texas Assessments of Academic Readiness (STAAR) examination is administered is paired with a campus in its district that serves grade levels for which STAAR examinations are administered.

A campus not rated under the state accountability system is not eligible to combine state and local ratings. Local accountability data for a campus without state ratings may be displayed on TEA, district, and campus websites but will not be combined with state accountability data. The state accountability manual adopted under 19 Administrative Code 97.1001 (Accountability Rating System)

provides information about campus ratings and eligibility for applicable years.

19 TAC 97.1003(b)(3)

Campus
Performance
Ratings

A district authorized to assign campus performance ratings shall evaluate the performance of each campus and assign each campus a performance rating of A, B, C, D, or F for overall performance and for each locally developed domain or set of accountability measures. Not later than a date established by the commissioner, the district shall:

1. Report the performance ratings to the agency; and
2. Make the performance ratings available to the public as provided by commissioner rule.

Education Code 39.0544(e)

Each campus with an approved district plan is eligible to receive a local accountability rating. A campus with an overall state accountability rating of C or higher based on ratings derived from student performance at the campus is eligible to combine an overall local accountability rating with the overall state accountability rating to determine the combined rating. *19 TAC 97.1003(b)(2); Education Code 39.054(a)*

Submission and
Audit Standards

Calculations for each plan component and overall performance ratings must be capable of being audited by a third party.

A district must use a one-to-one correspondence when converting campus grades based on plan component measures to a standard scale of 30–100 where A=90–100, B=80–89, C=70–79, D=60–69, and F=30–59. Categorical data, or data not on a continuous scale, must be converted to the standard scale of A=90–100, B=80–89, C=70–79, D=60–69, and F=30–59 by assigning the maximum value for each scaled score interval with the corresponding category used in the campus rating scale.

A district is required to submit local accountability plan component, domain, and overall scaled scores and ratings to TEA by the first week of July of the applicable accountability year.

All scaled scores and letter grades submitted by a school district are subject to audit. Any data discrepancies or any indication that data have been compromised may result in verification and audit of district and campus data used to assign local accountability ratings. The audit process may include requests for data used for campus-level calculation of component and domain scaled scores.

On an annual basis, TEA will randomly select districts for local accountability audits, and, for each such audit, TEA will randomly select components for review. Selected districts must submit the requested data for review within the timeframe specified. A district must maintain documentation of its local accountability plan, along with all associated data used to assign campus ratings, for two years after the end of the plan implementation period.

Responsibility for the accuracy and quality of data used to determine local accountability ratings rests with each district. Superintendent certification of data accuracy during the ratings submission process shall include an assurance that calculations have been verified to ensure that all data were included as appropriate for all components.

19 TAC 97.1003(f)(1)–(6)

Scorecard and
Website

A district must produce a campus scorecard and make available on the district website an explanation of the methodology used to assign local accountability performance ratings. The campus scorecard shall include, at a minimum, the scaled score and rating for each component and domain along with the overall rating. A link to the local accountability ratings posted by the district must be provided to TEA and may be included on the agency-developed school report card. *19 TAC 97.1003(g)*

Appeal and
Revision

An appeal of a local accountability rating may be submitted by the superintendent once ratings are released. The local accountability appeals timeline follows the appeal deadline dates and processes as described in the state accountability manual adopted under 19 Administrative Code 97.1001 of this title for the applicable year. *19 TAC 97.1003(f)(7)*

Ratings may be revised as a result of investigative activities by the commissioner as authorized under Education Code 39.057(d) and (e) (redesignated to Education Code 39.003). *19 TAC 97.1003(h)*

**Distinction
Designations for
Outstanding
Performance**

The commissioner shall award distinction designations for outstanding performance. A distinction designation awarded to a district or campus shall be referenced directly in connection with the performance rating assigned to the district or campus and made publicly available together with the A–F performance ratings.

A district or campus may not be awarded a distinction designation unless the district or campus has acceptable performance under the A–F performance ratings.

Education Code 39.201

Academic
Distinction

The commissioner shall establish an academic distinction designation for districts and campuses for outstanding performance in attainment of postsecondary readiness based on the commissioner's adopted criteria. *Education Code 39.202*

Campus Distinction

The commissioner shall award a campus a distinction designation for outstanding performance in:

1. Improvement in student achievement;
2. Closing student achievement differentials; and
3. Academic achievement in English language arts, mathematics, science, or social studies.

Education Code 39.203

The commissioner may award a distinction designation for outstanding performance in advanced middle or junior high school student achievement. *Education Code 39.203(d)*

**Excellence
Exemptions**

Except as listed below, a district or campus that is rated A (exemplary) is exempt from requirements and prohibitions imposed under the Education Code, including regulations adopted under the Education Code.

An exemplary campus or district is not exempt from:

1. A prohibition on conduct that constitutes a criminal offense;
2. Requirements imposed by federal law or rule, including requirements for special education or bilingual education programs;
3. A requirement, restriction, or prohibition relating to:
 - a. Curriculum essential knowledge and skills or high school graduation requirements;
 - b. Public school accountability;
 - c. Extracurricular activities;
 - d. Health and safety;
 - e. Purchasing;
 - f. Elementary class size limits;
 - g. Removal of a disruptive student from the classroom;
 - h. At-risk programs;
 - i. Prekindergarten programs;

- j. Rights and benefits of school employees;
- k. Special education programs; or
- l. Bilingual education programs.

The commissioner may exempt an exemplary campus from class size limits if the campus submits a written plan showing steps that will be taken to ensure that the exemption will not be harmful to the academic achievement of the students on the school campus. If granted, the exemption remains in effect until the commissioner determines that achievement levels of the campus have declined.

Education Code 39.232

District Annual Report

The board shall publish an annual report describing the educational performance of the district and of each campus in the district that includes uniform student performance and descriptive information as determined under rules adopted by the commissioner of education. *Education Code 39.306(a)*

Texas Academic Performance Report (TAPR)

The performance report provided by the Texas Education Agency (TEA) under Education Code 39.306 shall be termed the Texas Academic Performance Report (TAPR). The intent of the TAPR is to inform the public about the educational performance of the district and of each campus in the district in relation to the district, the state, and a comparable group of schools. The TAPR will present the campus performance information as well as the student, staff, and financial information required by statute. It will also include any explanations and additional information deemed appropriate to the intent of the report.

The district may not alter the report provided by TEA. However, the district may concurrently provide additional information to the public that supplements or explains information in the TAPR.

19 TAC 61.1022(a)–(b), (e); Education Code 39.306(d)

Other Annual Report Information

The annual report must also include:

1. Campus performance objectives established under Education Code 11.253 and the progress of each campus toward those objectives, which shall be available to the public;
2. Information indicating the district's accreditation status and identifying each district campus awarded a distinction designation or considered an unacceptable campus under Education Code Chapter 39A;
3. The district's current special education compliance status with the agency;
4. A statement of the number, rate, and type of violent or criminal incidents that occurred on each district campus, to the extent permitted under the Family Educational Rights and Privacy Act of 1974 (20 U.S.C. 1232g);

Commissioner
Action

The commissioner of education shall take any of the actions authorized by Education Code, Chapter 39A, Subchapter A, to the extent the commissioner determines necessary if:

1. A district does not satisfy:
 - a. The accreditation criteria under Education Code 39.052 [see AIA];
 - b. The academic performance standards under Education Code 39.053 or 39.054 [see AIA]; or
 - c. Any financial accountability standard as determined by commissioner rule [see CFA]; or
2. The commissioner considers the action to be appropriate on the basis of a special investigation under Education Code 39.003.

Education Code 39A.001

*Authorized
Commissioner
Actions*

If a district is subject to commissioner action, the commissioner may:

1. Issue public notice of the deficiency to the board;
2. Order a hearing to be conducted by the board to notify the public of:
 - a. The insufficient performance;
 - b. The improvements in performance expected by the Texas Education Agency (TEA); and
 - c. The interventions and sanctions that may be imposed if the performance does not improve;
3. Order the preparation of a student achievement improvement plan that addresses each academic achievement indicator under Education Code 39.053(c) for which the district's performance is insufficient, the submission of the plan to the commissioner for approval, and the implementation of the plan;
4. Order a hearing to be held before the commissioner or the commissioner's designee at which the president of the board and the district's superintendent shall appear and explain the district's low performance, lack of improvement, and plans for improvement;
5. Arrange a monitoring review of the district;
6. Appoint a TEA monitor to participate in and report to TEA on the activities of the board or superintendent;

7. Appoint a conservator to oversee the operations of the district;
8. Appoint a management team to direct the operations of the district in areas of insufficient performance or require the district to obtain certain services under a contract with another person;
9. Authorize the district to enter into a memorandum of understanding with an institution of higher education that provides for the assistance of the institution of higher education in improving the district's performance; or
10. Order the use of the board improvement and evaluation tool as provided by Education Code 11.182 [see BG].

Education Code 39A.002

Regardless of whether the commissioner lowers a district's status or rating, the commissioner may take action under Education Code Chapters 39 and 39A or 19 Administrative Code 97.1057 if the commissioner determines that the action is necessary to improve any area of performance by the district or campus.

Subject to 19 Administrative Code 97.1057(h)–(k), once the commissioner takes action under 19 Administrative Code Subchapter EE (accreditation status, standards, and sanctions), the commissioner may impose on the district or campus any other sanction under Education Code Chapter 39 or 39A, or Subchapter EE, singly or in combination, to the extent the commissioner determines is reasonably required to achieve the purposes specified in 19 Administrative Code 97.1053.

19 TAC 97.1057(c), (e)

In making a determination to impose district and campus accreditation sanctions under 19 Administrative Code Chapter 97, Subchapter EE, the commissioner shall meet the requirements of 19 Administrative Code 97.1059. *19 TAC 97.1059*

Conservator or
Management Team

The commissioner shall clearly define the powers and duties of a conservator or management team appointed to oversee the operations of a district.

At least every 90 days, the commissioner shall review the need for the conservator or management team and shall remove the conservator or management team unless the commissioner determines that continued appointment is necessary for effective governance of the district or delivery of instructional services.

A conservator or management team, if directed by the commissioner, shall prepare a plan for the implementation of the appointment of a board of managers or the revocation of accreditation.

The conservator or management team may:

1. Direct an action to be taken by the principal of a campus, the superintendent of the district, or the board; and
2. Approve or disapprove any action of the principal of a campus, the superintendent of the district, or the board.

1. Take any action concerning a district election, including ordering or canceling an election or altering the date of or the polling places for an election;
2. Change the number of or method of selecting the board;
3. Set a tax rate for the district; and
4. Adopt a budget for the district that provides for spending a different amount, exclusive of required debt service, from that previously adopted by the board.

A conservator or management team may exercise the powers and duties defined by the commissioner or described above regardless of whether the conservator or management team was appointed to oversee the operations of a district in its entirety or the operations of a certain campus within the district.

Education Code 39A.003

Regardless of whether a district has satisfied the accreditation criteria, if for two consecutive school years, including the current school year, a district has had a conservator or management team assigned to the district or campus for any reason, the commissioner may appoint a board of managers, a majority of whom must be residents of the district, to exercise the powers and duties of the board of trustees. For purposes of this subsection, a school year begins on the first day of instruction and includes any portion of the school year. This applies to an appointed conservator or management team, regardless of the scope or any changes to the scope of the conservator's or team's oversight. *19 TAC 97.1057(d); Education Code 39A.006(a)–(b)*

A performance rating of D that is considered acceptable may not be included in calculating consecutive school years of unacceptable performance ratings and is not considered a break in consecutive school years of unacceptable performance ratings.

Interventions or sanctions implemented prior to a pause shall continue during a school year for which interventions or sanctions listed above are paused.

The commissioner may appoint a monitor, conservator, management team, or board of managers for a school district that has a campus that has been ordered to implement an updated targeted improvement plan. The commissioner may order any of the interventions as necessary to ensure district-level support for the low-performing campus and the implementation of the updated targeted improvement plan. Implementing
Entities

A campus ordered to prepare a campus turnaround plan shall implement the updated targeted improvement plan as approved by the commissioner.

The commissioner may appoint a monitor, conservator, management team, or board of managers to the district to ensure and oversee district-level support to low-performing campuses and the implementation of the updated targeted improvement plan.

The commissioner shall appoint a conservator to a district unless and until each campus in the district for which a campus turnaround plan has been ordered receives an acceptable performance rating for the school year or the commissioner determines a conservator is not necessary.

In making appointments, the commissioner shall consider individuals who have demonstrated success in managing campuses with student populations similar to the campus at which the individual appointed will serve.

Education Code 39A.102, .108

Effective Date

A campus turnaround plan must take effect not later than the school year following the third consecutive school year that the campus has received an unacceptable performance rating. *Education Code 39A.106*

Commissioner
Approval or
Rejection

Not later than June 15 of each year, the commissioner shall, in writing, either approve or reject any campus turnaround plan prepared and submitted to the commissioner by a district. If the commissioner rejects a campus turnaround plan, the commissioner must also send the district an outline of the specific concerns regarding the turnaround plan that resulted in the rejection. *Education Code 39A.107(a-1)*

If the commissioner rejects a campus turnaround plan, the district must create a modified plan with assistance from TEA staff and submit the modified plan to the commissioner for approval not later than the 60th day after the date the commissioner rejects the campus turnaround plan. The commissioner shall notify the district in writing of the commissioner's decision regarding the modified plan not later than the 15th day after the date the commissioner receives the modified plan. *Education Code 39A.107(a-2)*

The commissioner may approve a campus turnaround plan only if the commissioner determines that the campus will satisfy all student performance standards required under Education Code 39.054(e) not later than the second year the campus receives a performance rating following the implementation of the campus turnaround plan.

Education Code 12.0522(b) does not apply to a district charter approved by the commissioner. An approved district charter may be renewed or continue in effect after the campus is no longer subject to the commissioner's order under Education Code 39A.101.

If the commissioner does not approve a campus turnaround plan, the commissioner shall order:

1. Appointment of a board of managers to govern the district;
2. Alternative management of the campus; or
3. Closure of the campus.

Education Code 39A.107; 19 TAC 97.1065

Repurposing of
Closed Campus

If the commissioner orders the closure of a campus, that campus may be repurposed to serve students at that campus location only if the commissioner finds that the repurposed campus offers a distinctly different academic program and approves a new campus identification number for the repurposed campus. A campus may be repurposed if the campus:

1. Serves a majority of grade levels not served at the original campus; or
2. Is operated under a contract, approved by the school board, with a nonprofit organization exempt from federal taxation under Section 501(c)(3), Internal Revenue Code of 1986 that:
 - a. Has a governing board that is independent of the district;
 - b. Has a successful history of operating school district campuses or open-enrollment charter schools:
 - (1) That cumulatively serve 10,000 or more students; and
 - (2) A majority of which have been assigned an overall performance rating of B or higher under Education Code 39.054 for the preceding school year; and
 - c. Has been assigned an overall performance rating of B or higher under Education Code 39.054 for the preceding school year.

Student Enrollment
and Assignment

Any student assigned to a campus that has been closed must be allowed to transfer to any other campus in the district that serves that student's grade level and on request must be provided transportation to the other campus.

The commissioner may grant an exemption allowing students assigned to a closed campus to attend the repurposed campus if there is no other campus in the district at which the students may enroll.

**Alternative
Management**

The commissioner shall appoint a monitor, conservator, management team, or board of managers whenever such action is required, as determined by 19 Administrative Code 1073. Solicitation of
Proposals

If the commissioner orders alternative management of a campus, the commissioner shall solicit proposals from qualified nonprofit entities to assume management of the campus or appoint a school district as provided below. The commissioner may solicit proposals from qualified for-profit entities if a nonprofit entity has not responded to the commissioner's request for proposals.

The commissioner may appoint a school district to assume management of the campus if the district:

1. Is not the district in which the campus is located; and
2. Is located within the boundaries of the same regional education service center as the campus.

If a school district is appointed, the district shall assume management of the campus in the same manner as a qualified entity or in accordance with commissioner rule.

The commissioner may annually solicit proposals for the alternative management of a campus. The commissioner shall notify a qualified entity that has been approved as a provider under this section.

2. A proven record of effectiveness with programs assisting low-performing students;
3. A proven ability to apply research-based school intervention strategies;
4. A proven record of financial ability to perform under the management contract; and
5. Any other experience or qualifications the commissioner determines necessary.

In selecting a managing entity, the commissioner shall give preference to a qualified entity that:

1. Meets any of the commissioner's qualifications; and
2. Has documented success in educating students from similar demographic groups and with similar educational needs as the students who attend the campus to be operated by the managing entity.

Education Code 39A.152

Contract with
Managing Entity

If the commissioner has ordered alternative management of a campus, the district shall execute a contract with an approved provider to serve as a managing entity for the campus. The term of the contract may not exceed five years with an option to renew the contract. The district must execute the contract and relinquish control of the campus before January 1 of the school year.

The management contract must include:

1. A provision describing the district's responsibilities in supporting the operation of the campus; and
2. Provisions approved by the commissioner requiring the managing entity to demonstrate improvement in campus performance, including negotiated performance measures.

Performance measures must be consistent with the priorities of Education Code Chapters 39 and 39A.

The management contract must be approved by the commissioner before the contract is executed. As appropriate, the commissioner may require the district, as a term of the contract, to support the campus in the same manner as the district was required to support the campus before the execution of the contract.

*Evaluation of
Managing Entity*

The commissioner shall evaluate a managing entity's performance on the first and second anniversaries of the date of the management contract.

1. Terminate the contract, with the commissioner's consent, for nonperformance or breach of contract; and
2. Select another provider from an approved list provided by the commissioner.

If the evaluation fails to demonstrate significant improvement, as determined by the commissioner, by the second anniversary of the date of the management contract, the district shall:

1. Terminate the contract; and
2. Select another provider from an approved list provided by the commissioner or resume operation of the campus if approved by the commissioner.

If the commissioner approves the district's resumed operation of the campus, the commissioner shall assign a technical assistance team to assist the campus.

A board of managers appointed by the commissioner is required to take appropriate actions to resolve the conditions that caused a campus to be subject to the commissioner's order, including amending the district's budget, reassigning staff, or relocating academic programs. The commissioner may adopt rules necessary to implement this subsection.

A board of managers shall, during the period of the appointment, order the election of members of the board of trustees of the school district in accordance with the law. The members of the board of trustees do not assume any powers or duties after the election until the appointment of the board of managers expires.

Not later than the second anniversary of the date the board of managers of a school district was appointed, the commissioner shall notify the board of managers and the board of trustees of the date on which the appointment of the board of managers will expire. Following each of the last three years of the period of the appointment, one-third of the members of the board of managers shall be replaced by the number of members of the board of trustees who were elected at an election that constitutes, as closely as possible, one-third of the membership of the board of trustees.

If, before the second anniversary of the date the board of managers of a school district was appointed, the commissioner determines, after receiving local feedback, that insufficient progress has been made toward improving the academic or financial performance of the district, the commissioner may extend the authority of the board of managers for a period of up to two additional years.

On the expiration of the appointment of the board of managers, the board of trustees assumes all of the powers and duties assigned to a board of trustees by law, rule, or regulation.

If a campus that was the basis for the appointment of a board of managers receives an unacceptable performance rating for two additional consecutive years following the appointment of the board of managers, the commissioner may remove the board of managers and, in consultation with the local community, may appoint a new board of managers to govern the district.

Following the removal of a board of managers, or at the request of a managing entity to oversee the implementation of alternative management, the commissioner may appoint a conservator or monitor for the district to ensure district-level support for low-performing campuses and to oversee the implementation of the updated targeted improvement plan.

**Challenge of
Intervention or
Sanction**

Review of
Sanctions by SOAH

A district must appeal under this provision if the district intends to challenge the commissioner's decision to close the district or a campus, pursue alternative management of a campus, appoint a board of managers to the district, or appoint a conservator or management team to the district.

A challenge is under the substantial evidence rule [see Government Code, Chapter 2001, Subchapter G]. The commissioner shall adopt procedural rules for a challenge under this section.

Notwithstanding other law:

1. The State Office of Administrative Hearings (SOAH) shall conduct an expedited review of a challenge;
2. The administrative law judge shall issue a final order not later than the 30th day after the date on which the hearing is finally closed;

4. The decision of the administrative law judge may set an effective date for an action under this section.

Education Code 39A.301

Appeals

If an order, decision, or determination is described as final in Education Code Chapter 7, 11, 12, 39, or 39A, an interlocutory or intermediate order, decision, report, or determination made or reached before the final order, decision, or determination may be appealed only as specifically authorized by the Education Code or a rule adopted under the Education Code. *Education Code 5.003*

A decision by the commissioner under Education Code Chapter 39 or 39A is final and may not be appealed unless an applicable provision of Chapter 39 or 39A provides otherwise. *Education Code 39A.906*

Annual Review

The commissioner shall annually review the performance of a district or campus subject to intervention and sanction to determine the appropriate actions to be implemented.

The commissioner must review at least annually the performance of a district for which the accreditation status or performance rating has been lowered due to insufficient student performance and may not raise the accreditation status or performance rating until the district has demonstrated improved student performance.

If the review reveals a lack of improvement, the commissioner shall increase the level of state intervention and sanction unless the commissioner finds good cause for maintaining the current status.

Education Code 39A.901

Increasing Intensity

If a district or campus does not exhibit improvement in student performance, the commissioner may increase the intensity of intervention and sanction that would otherwise be required by statute or rule, including ordering campus closure, district annexation, or appointment of a board of managers.

For purposes of this section, improvement means an increase in the scaled score for the overall academic performance rating under Education Code Chapter 39.

Acquisition of Professional Services

In addition to other authorized interventions and sanctions, the commissioner may order a district or campus to acquire professional services at the expense of the district or campus to address the applicable financial, assessment, data quality, program, performance, or governance deficiency. The authority authorized under Election Code 85.006 to order early voting on a Saturday or Sunday may also order, in the manner prescribed by that section, early voting to be conducted on a Saturday or Sunday at any one or more of the temporary branch polling places.

Voting at a temporary branch polling place must be conducted on at least two consecutive business days and for at least eight consecutive hours on each of those days.

Election Code 61.012

*Electronic Voting

Exceptions*

For an election other than an election of a district that is held jointly with another election in which a federal office appears on the ballot, a district is not required to meet the requirements for accessibility under Election Code 61.012(a)(1)(C) if the district is located in a county that meets certain population and other requirements set forth in Election Code 61.013(a). A district that intends to use this provision to provide fewer voting stations that meet the requirements for accessibility than required must provide notice under Election Code 61.013(d). *Election Code 61.013*

Note: If the district is subject to a court order or other binding legal determination, the district shall conduct its elections in accordance with that court order or determination, applicable law, and this policy. To the extent of any conflict, the court order or other legal determination shall prevail. [See BBB(LOCAL)]

Tie Votes

Second Election

In an election requiring a plurality, if two or more candidates for the same office tie for the number of votes required to be elected, a second election to fill the office shall be held in accordance with the deadlines and other requirements of Election Code 2.002.

Other Options

Casting Lots

The tying candidates may agree to cast lots to resolve the tie. The agreement must be filed with the board. The board president shall supervise the casting of lots.

Withdrawal

A tying candidate may resolve the tie by filing with the board a signed and acknowledged written statement of withdrawal. On receipt of the statement, the remaining candidate is the winner, and a second election or casting of lots is not held.

Automatic Recount

If the tie is not resolved by casting lots or withdrawal, an automatic recount shall be conducted under Election Code Chapter 216 before the second election is held. If the recount resolves the tie, the second election is not held.

If the recount does not resolve the tie, the tied candidates may cast lots not later than the day before the date the board must order the second election under Election Code 2.002(b) or withdraw from the election not later than 5:00 p.m. of the day after the date the automatic recount is held.

Election Code 2.002

Runoff Election

In a district in which trustees are elected by majority vote under Education Code 11.057(c) [see BBB], if no candidate for a particular office receives the vote necessary to be elected, a runoff election for that office is required. *Election Code 2.021 et seq.*

If the candidates in a runoff election tie, an automatic recount shall be conducted under Election Code Chapter 216. If the recount does not resolve the tie, the tied candidates shall cast lots to determine the winner. The board president shall supervise the casting of lots. A tying candidate may resolve the tie by filing with the board president a signed and sworn to written statement of withdrawal. If the statement of withdrawal is received before the automatic recount is conducted, the remaining candidate is the winner, and the automatic recount is not conducted. If the statement of withdrawal

is received not later than 5:00 p.m. the day after the date the automatic recount is conducted, the remaining candidate is the winner, and a casting of lots is not held. *Election Code 2.028*

Ballot Order

The order of the candidates' names on the ballot of any resulting runoff election or election held to resolve a tie vote shall be the relative order of names on the original election ballot. *Election Code 2.002(d), 52.094(a)*

Recounts

The district shall conduct an authorized recount in accordance with Election Code Title 13. *Election Code 211.001*

A candidate in a board election may obtain an initial recount in an election if the difference in the number of votes received by the candidate and any candidate for the office who is shown by the election returns to be elected, tied, or entitled to a place on a runoff ballot, if applicable, is less than ten percent of that candidate's number of votes, or the total number of votes received by all candidates for the office is less than 1,000. *Election Code 212.022*

A ground for obtaining an initial recount is not required to obtain an initial recount of electronic voting system results. A candidate may obtain an initial recount of electronic voting system results in an election only if the candidate is shown by the election returns not to be elected. *Election Code 212.0241*

An initial recount may not be conducted unless an authorized candidate submits a petition for the recount to the presiding officer of the local canvassing authority in accordance with Election Code Chapter 212, Subchapter B, accompanied by a deposit to cover the costs of the recount in accordance with Subchapter E. *Election Code 212.025, .026, .111*

Effect of Petition

The submission of a recount petition before a board completes its canvass does not delay the canvass for the office involved in the recount. The board shall make a notation on the tabulation of any office involved in a recount. The submission of a recount petition delays the issuance of a certificate of election and qualification for the office involved in the recount pending completion of the recount. A candidate may not qualify for an office involved in a recount before completion of the recount. This provision does not affect a candidate who has received a certificate of election and qualified for office before the submission of a recount petition involving the office. *Election Code 212.033, .0331*

On written request of the board that has ordered an election on a measure, the Ethics Commission shall prepare an advance written advisory opinion as to whether a particular communication relating to a measure does or does not comply with these provisions.

The Uniform Guidance establishes uniform administrative requirements, cost principles, and audit requirements for federal awards to non-federal entities, including school districts, as described in 2 C.F.R. 200.101 (Applicability). *2 C.F.R. 200.1 (Definitions), .100*

Note: The Uniform Guidance applies to all new grant awards and non-competing continuations (NCCs) made on or after December 26, 2014 (see 2 C.F.R. 200.110).

*General
Compliance*

A district is responsible for complying with all requirements of the federal award. *2 C.F.R. 200.300(b)*

Throughout 2 C.F.R. Part 200 when the word “must” is used it indicates a requirement. Whereas, use of the word “should” or “may” indicates a best practice or recommended approach rather than a requirement and permits discretion. *2 C.F.R. 200.101(b)(1)*

*Disclosures
Conflicts*

A district must disclose in writing any potential conflict of interest to the federal awarding agency (e.g., ED) or pass-through entity (e.g., TEA) in accordance with applicable federal awarding agency policy. *2 C.F.R. 200.112*

Crimes

A district must disclose, in a timely manner, in writing to the federal awarding agency or pass-through entity all violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. Failure to make required disclosures can result in any of the remedies described in 2 C.F.R. 200.339 (Remedies for Noncompliance), including suspension or debarment. *2 C.F.R. 200.113*

<i>Procurement Standards</i>	The district must have and use documented procurement procedures, consistent with state, local, and tribal laws and regulations and the standards of 2 C.F.R. 200.318, for the acquisition of property or services required under a federal award or subaward. The district's documented procurement procedures [see Competition, below] must conform to the procurement standards identified in 2 C.F.R. 200.317 through 200.327.
District Procedures	
Oversight	The district must maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.
Conflicts of Interest	The district must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of contracts. No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent conflict of interest. A conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the district may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, districts may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the district. [See BBFA, CAA(LOCAL), CB(LOCAL), DBD]
Records	The district must maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to, the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price. [See Pre-procurement Review and Contract Cost and Price, below] <i>2 C.F.R. 200.318(a), (b), (c)(1), (i)</i> [See 2 C.F.R. 200.334 for record retention requirements.]
<i>Financial Management</i>	The district's financial management systems, including records documenting compliance with federal statutes, regulations, and the terms and conditions of the federal award, must be sufficient to permit the preparation of reports required by general and program-specific terms and conditions; and the tracing of funds to a level of expenditures adequate to establish that such funds have been

used according to the federal statutes, regulations, and the terms and conditions of the federal award. [See also 2 C.F.R. 200.450 (Lobbying)]

The district's financial management system must comply with 2 C.F.R. 200.302(b). [See also 2 C.F.R. 200.334 (Retention requirements for records), .335 (Requests for transfer of records), .336 (Methods for collection, transmission and storage of information), and .337 (Access to records)]

2 C.F.R. 200.302

Internal Controls

The district must:

1. Establish and maintain effective internal control over the federal award that provides reasonable assurance that the district is managing the award in compliance with federal statutes, regulations, and the terms and conditions of the award. These internal controls should be in compliance with guidance in "Standards for Internal Control in the Federal Government" issued by the Comptroller General of the United States or the "Internal Control Integrated Framework" issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
2. Comply with the U.S. Constitution, federal statutes, regulations, and the terms and conditions of the award.
3. Evaluate and monitor the district's compliance with statutes, regulations and the terms and conditions of federal awards.
4. Take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings.
5. Take reasonable measures to safeguard protected personally identifiable information and other information the federal awarding agency or pass-through entity designates as sensitive or the district considers sensitive consistent with applicable federal, state, local, and tribal laws regarding privacy and responsibility over confidentiality.

2 C.F.R. 200.303

"Internal controls" for districts means processes designed and implemented by districts to provide reasonable assurance regarding the achievement of objectives in the following categories:

1. Effectiveness and efficiency of operations;
2. Reliability of reporting for internal and external use; and

3. Compliance with applicable laws and regulations.

2 C.F.R. 200.1

Competition

All procurement transactions for the acquisition of property or services required under a federal award must be conducted in a manner providing full and open competition consistent with the standards of 2 C.F.R. 200.319 and 200.320 (Methods of procurement to be followed).

In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, or invitations for bids or requests for proposals must be excluded from competing for such procurements.

The district must conduct procurements in a manner that prohibits the use of statutorily or administratively imposed state, local, or tribal geographical preferences in the evaluation of bids or proposals, except in those cases where applicable federal statutes expressly mandate or encourage geographic preference. Nothing in this provision preempts state licensing laws. When contracting for architectural and engineering services, geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

The district must have written procedures for procurement transactions. These procedures must ensure that all solicitations meet the requirements of 2 C.F.R. 200.319(d). [See Procurement Standards, above]

The district must ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, the district must not preclude potential bidders from qualifying during the solicitation period.

Noncompetitive procurements can only be awarded in accordance with 2 C.F.R. 200.320(c).

2 C.F.R. 200.319

*Procurement
Methods*

The district must have and use documented procurement procedures, consistent with the standards of 2 C.F.R. 200.320 and 200.317 (Procurements by states), 200.318 (General procurement standards), and 200.319 (Competition) for any of the following methods of procurement used for the acquisition of property or services required under a federal award or sub-award. *2 C.F. Informal
Procurement
Methods

When the value of the procurement for property or services under a federal award does not exceed the simplified acquisition threshold, as defined in 2 C.F.R. 200.1, or a lower threshold established by a district, formal procurement methods are not required. The district may use informal procurement methods to expedite the completion of its transactions and minimize the associated administrative burden and cost. The informal methods used for procurement of property or services at or below the simplified acquisition threshold include:

*Micro-
Purchases—
Definitions*

“Micro-purchase” means a purchase of supplies or services, the aggregate amount of which does not exceed the micro-purchase threshold. Micro-purchases comprise a subset of a district's small purchases as defined in 2 C.F.R. 200.320.

“Micro-purchase threshold” means the dollar amount at or below which a district may purchase property or services using micro-purchase procedures. Generally, the micro-purchase threshold for procurement activities administered under federal awards is not to exceed the amount set by the Federal Acquisition Regulations (FAR) at 48 C.F.R. Part 2, Subpart 2.1 [see below], unless a higher threshold is requested by the district and approved by the cognizant agency for indirect costs.

2 C.F.R. 200.1

Micro-purchase threshold means \$10,000, except as provided by 48 C.F.R. 2.101. *48 C.F.R. 2.101*

*Micro-
Purchase
Distribution*

The acquisition of supplies or services, the aggregate dollar amount of which does not exceed the micro-purchase threshold. [See the definition of “micro-purchase” above.] To the maximum extent practicable, the district should distribute micro-purchases equitably among qualified suppliers. *2 C.F.R. 200.320(a)(1)(i)*

*Micro-
Purchase
Awards*

Micro-purchases may be awarded without soliciting competitive price or rate quotations if the district considers the price to be reasonable based on research, experience, purchase history or other information and documents it files accordingly. Purchase cards can be used for micro-purchases if procedures are documented and approved by the district. *2 C.F.R. 200.320(a)(1)(ii)*

*Micro-
Purchase
Thresholds*

The district is responsible for determining and documenting an appropriate micro-purchase threshold based on internal controls, an evaluation of risk, and its documented procurement procedures. The micro-purchase threshold used by the district must be authorized or not prohibited under state, local, or tribal laws or regulations. Districts may establish a threshold higher than the federal

threshold established in the FAR in accordance with 2 C.F.R. 200.320(a)(1)(iv) and (v). *2 C.F.R. 200.320(a)(1)(iii)*

Districts may establish a threshold higher than the micro-purchase threshold identified in the FAR in accordance with the requirements of 2 C.F.R. 200.320. The district may self-certify a threshold up to \$50,000 on an annual basis and must maintain documentation to be made available to the federal awarding agency and auditors in accordance with 2 C.F.R. 200.334. The self-certification must include a justification, clear identification of the threshold, and supporting documentation of any of the following:

1. A qualification as a low-risk auditee, in accordance with the criteria in 2 C.F.R. 200.520 for the most recent audit.
2. An annual internal institutional risk assessment to identify, mitigate, and manage financial risks; or,
3. For public institutions, a higher threshold consistent with state law.

2 C.F.R. 200.320(a)(1)(iv)

Micro-purchase thresholds higher than \$50,000 must be approved by the cognizant agency for indirect costs. The district must submit a request with the requirements included in 2 C.F.R. 200.320(a)(1)(iv). The increased threshold is valid until there is a change in status in which the justification was approved. *2 C.F.R. 200.320(a)(1)(v)*

*Small
Purchases—
Procedures*

The acquisition of property or services, the aggregate dollar amount of which is higher than the micro-purchase threshold but does not exceed the simplified acquisition threshold. If small purchase procedures are used, price or rate quotations must be obtained from an adequate number of qualified sources as determined appropriate by the district. *2 C.F.R. 200.320(a)(2)(i)*

*Small
Purchases—
Simplified
Acquisition
Thresholds*

“Simplified acquisition threshold” means the dollar amount below which a district may purchase property or services using small purchase methods. Districts adopt small purchase procedures in order to expedite the purchase of items at or below the simplified acquisition threshold. The simplified acquisition threshold for procurement activities administered under federal awards is set by the FAR at 48 C.F.R. Part 2, Subpart 2.1 [see below]. The district is responsible for determining an appropriate simplified acquisition threshold based on internal controls, an evaluation of risk, and its documented procurement procedures. However, in no circumstances can this threshold exceed the dollar value established in the FAR

(48 C.F.R. Part 2, Subpart 2.1) for the simplified acquisition threshold. Recipients should determine if local government laws on purchasing apply. *2 C.F.R. 200.1, .320(a)(2)(ii)*

Simplified acquisition threshold means \$250,000, except as provided by 48 C.F.R. 2.101. *48 C.F.R. 2.101*

Formal
Procurement
Methods

When the value of the procurement for property or services under a federal financial assistance award exceeds the simplified acquisition threshold, or a lower threshold established by a district, formal procurement methods are required. Formal procurement methods require following documented procedures. Formal procurement methods also require public advertising unless a non-competitive procurement can be used in accordance with 2 C.F.R. 200.319 or 200.320(c). The following formal methods of procurement are used for procurement of property or services above the simplified acquisition threshold or a value below the simplified acquisition threshold the district determines to be appropriate:

Sealed Bids

A procurement method in which bids are publicly solicited and a firm fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bids method is the preferred method for procuring construction, if the conditions [*sic*].

In order for sealed bidding to be feasible, the following conditions should be present:

1. A complete, adequate, and realistic specification or purchase description is available.
2. Two or more responsible bidders are willing and able to compete effectively for the business; and
3. The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

If sealed bids are used, the following requirements apply:

1. Bids must be solicited from an adequate number of qualified sources, providing them sufficient response time prior to the date set for opening the bids, for local governments, the invitation for bids must be publicly advertised;
2. The invitation for bids, which will include any specifications and pertinent attachments, must define the items or services in order for the bidder to properly respond;

3. All bids will be opened at the time and place prescribed in the invitation for bids, and for local governments, the bids must be opened publicly.
4. A firm fixed price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs must be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and
5. Any or all bids may be rejected if there is a sound documented reason.

2 C.F.R. 200.320(b)(1)

Proposals

A procurement method in which either a fixed price or cost-reimbursement type contract is awarded. Proposals are generally used when conditions are not appropriate for the use of sealed bids. They are awarded in accordance with the following requirements:

1. Requests for proposals must be publicized and identify all evaluation factors and their relative importance. Proposals must be solicited from an adequate number of qualified offerors. Any response to publicized requests for proposals must be considered to the maximum extent practical;
2. The district must have a written method for conducting technical evaluations of the proposals received and making selections;
3. Contracts must be awarded to the responsible offeror whose proposal is most advantageous to the district, with price and other factors considered; and
4. The district may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby offeror's qualifications are evaluated and the most qualified offeror is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

2 C.F.R. 200.320(b)(2)

Noncompetitive
Procurement

There are specific circumstances in which noncompetitive procurement can be used. Noncompetitive procurement can only be awarded if one or more of the following circumstances apply:

1. The acquisition of property or services, the aggregate dollar amount of which does not exceed the micro-purchase threshold;
2. The item is available only from a single source;
3. The public exigency or emergency for the requirement will not permit a delay resulting from publicizing a competitive solicitation;
4. The federal awarding agency or pass-through entity expressly authorizes a noncompetitive procurement in response to a written request from the district; or
5. After solicitation of a number of sources, competition is determined inadequate.

2 C.F.R. 200.320(c)

Cooperative
Purchasing

To foster greater economy and efficiency, and in accordance with efforts to promote cost-effective use of shared services across the federal government, the district is encouraged to enter into state and local intergovernmental agreements or inter-entity agreements where appropriate for procurement or use of common or shared goods and services. Competition requirements will be met with documented procurement actions using strategic sourcing, shared services, and other similar procurement arrangements. *2 C.F.R. 200.318(e)*

*Minority, Small,
and Women's
Businesses*

The district must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Affirmative steps must include:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
6. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in items 1 through 5 above.

2 C.F.R. 200.321

*Domestic
Preference*

As appropriate and to the extent consistent with law, the district should, to the greatest extent practicable under a federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of 2 C.F.R. 200.322 must be included in all subawards including all contracts and purchase orders for work or products under this award.

For purposes of this provision:

1. "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.
2. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

2 C.F.R. 200.322

*Pre-procurement
Review*

The district must make available upon request, for the federal awarding agency or pass-through entity pre-procurement review, procurement documents, such as requests for proposals or invitations for bids, or independent cost estimates, when:

1. The district's procurement procedures or operation fails to comply with the procurement standards in 2 C.F.R. Part 200;
2. The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation;

3. The procurement, which is expected to exceed the simplified acquisition threshold, specifies a “brand name” product;
4. The proposed contract is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or
5. A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

2 C.F.R. 200.325(b)

*Contract Cost
and Price*

The district must perform a cost or price analysis in connection with every procurement action in excess of the simplified acquisition threshold including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, the district must make independent estimates before receiving bids or proposals.

The district must negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration must be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

Costs or prices based on estimated costs for contracts under the federal award are allowable only to the extent that costs incurred or cost estimates included in negotiated prices would be allowable for the district under 2 C.F.R. Part 200, Subpart E. The district may reference its own cost principles that comply with the federal cost principles.

The cost plus a percentage of cost and percentage of construction cost methods of contracting must not be used.

2 C.F.R. 200.324

*Contract
Provisions*

The district's contracts must contain the applicable provisions described in appendix II to 2 C.F.R. Part 200. *2 C.F.R. 200.327*

*Suspension and
Debarment*

Districts are subject to the non-procurement debarment and suspension regulations at 2 C.F.R. Part 180. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in federal assistance programs or activities. *2 C.F.R. 200.214*

*Remedies for
Noncompliance*

If a district fails to comply with the U.S. Constitution, federal statutes, regulations, or the terms and conditions of a federal award, the federal awarding agency or pass-through entity may impose additional conditions, as described in 2 C.F.R. 200.208 (Specific Conditions). If the federal awarding agency or pass-through entity determines that noncompliance cannot be remedied by imposing additional conditions, the federal awarding agency or pass-through entity may take one or more of the following actions, as appropriate in the circumstances:

1. Temporarily withhold cash payments pending correction of the deficiency by the district or more severe enforcement action by the federal awarding agency or pass-through entity.
2. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
3. Wholly or partly suspend or terminate the federal award.
4. Initiate suspension or debarment proceedings as authorized under 2 C.F.R. Part 180 and federal awarding agency regulations (or in the case of a pass-through entity, recommend such a proceeding be initiated by a federal awarding agency).
5. Withhold further federal awards for the project or program.
6. Take other remedies that may be legally available.

2 C.F.R. 200.339

Travel Costs

Travel costs are the expenses for transportation, lodging, subsistence, and related items incurred by employees who are in travel status on official business of the district. Such costs may be charged on an actual cost basis, on a per diem or mileage basis in lieu of actual costs incurred, or on a combination of the two, provided the method used is applied to an entire trip and not to selected days of the trip, and results in charges consistent with those normally allowed in like circumstances in the district's non-federally funded activities and in accordance with the district's written travel reimbursement policies.

In the absence of an acceptable, written district policy regarding travel costs, the rates and amounts established under 5 U.S.C. 5701-11 (Travel and Subsistence Expenses; Mileage Allowances), or by the administrator of general services, or by the president (or his or her designee) pursuant to any provisions of such subchapter

must apply to travel under federal awards [48 C.F.R. 31.205–46(a)].

2 C.F.R. 200.475(a), (d)

*Property
Standards*

Federally
Owned Property

Title to federally owned property remains vested in the federal government. The district must submit annually an inventory listing of federally owned property in its custody to the federal awarding agency. Upon completion of the federal award or when the property is no longer needed, the district must report the property to the federal awarding agency for further federal agency utilization.

Exempt property means property acquired under a federal award where the federal awarding agency has chosen to vest title to the property to the district without further responsibility to the federal government, based upon the explicit terms and conditions of the federal award. The federal awarding agency may exercise this option when statutory authority exists. Absent statutory authority and specific terms and conditions of the federal award, title to exempt property acquired under the federal award remains with the federal government.

2 C.F.R. 200.312(a), (c)

Property Trust
Relationship

Real property, equipment, and intangible property that are acquired or improved with a federal award must be held in trust by the district as trustee for the beneficiaries of the project or program under which the property was acquired or improved. The federal awarding agency may require the district to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with a federal award and that use and disposition conditions apply to the property. *2 C.F.R. 200.316*

Real Property

Subject to the requirements and conditions set forth in 2 C.F.R. 200.311, title to real property acquired or improved under a federal award will vest upon acquisition in the district.

Except as otherwise provided by federal statutes or by the federal awarding agency, real property will be used for the originally authorized purpose as long as needed for that purpose, during which time the district must not dispose of or encumber its title or other interests.

When real property is no longer needed for the originally authorized purpose, the district must obtain disposition instructions from the federal awarding agency or pass-through entity. The instructions must provide for one of the following alternatives:

1. Retain title after compensating the federal awarding agency an amount determined under 2 C.F.R. 200.311(c)(1).

2. Sell the property and compensate the federal awarding agency an amount determined under 2 C.F.R. 200.311(c)(2).
3. Transfer title to the federal awarding agency or to a third party designated/approved by the federal awarding agency. The district is entitled to be paid an amount calculated by applying the district's percentage of participation in the purchase of the real property (and cost of any improvements) to the current fair market value of the property.

2 C.F.R. 200.311

Equipment

Title and Use

Subject to the requirements and conditions set forth in 2 C.F.R. 200.313, title to equipment acquired under a federal award will vest upon acquisition in the district. Unless a statute specifically authorizes the federal agency to vest title in the district without further responsibility to the federal government, and the federal agency elects to do so, the title must be a conditional title. Title must vest in the district subject to the following conditions:

1. Use the equipment for the authorized purposes of the project during the period of performance, or until the property is no longer needed for the purposes of the project.
2. Not encumber the property without approval of the federal awarding agency or pass-through entity.
3. Use and dispose of the property in accordance with the provisions below.

Equipment must be used by the district in the program or project for which it was acquired in accordance with 2 C.F.R. 200.313(c).

Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part under a federal award, until disposition takes place will, as a minimum, meet the requirements of 2 C.F.R. 200.313(d).

Disposition

If the district is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

When original or replacement equipment acquired under a federal award is no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, except as otherwise provided in federal statutes, regulations, or federal awarding agency disposition instructions, the district must request disposition instructions from the federal awarding agency if required by the terms and conditions of the fed-

eral award. Disposition of the equipment will be made as prescribed in 2 C.F.R. 200.313(e), in accordance with federal awarding agency disposition instructions.

2 C.F.R. 200.313

Supplies	Title to supplies will vest in the district upon acquisition. If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federal award, the district must retain the supplies for use on other activities or sell them, but must, in either case, compensate the federal government for its share. The amount of compensation must be computed in the same manner as for equipment under 2 C.F.R. 200.313(e)(2). <i>2 C.F.R. 200.314(a)</i>
Intangible Property	Title to intangible property acquired under a federal award vests upon acquisition in the district. The district must use that property for the originally authorized purpose, and must not encumber the property without approval of the federal awarding agency. When no longer needed for the originally authorized purpose, disposition of the intangible property must occur in accordance with the provisions in 2 C.F.R. 200.313(e). <i>2 C.F.R. 200.315(a)</i>
Prohibition on Foreign Telecommunications Equipment	Recipients and subrecipients are prohibited from obligating or expending loan or grant funds in violation of 2 C.F.R. 200.216(a).
Direct Grant Programs	The regulations in 34 C.F.R. Part 75 apply to each direct grant program of the ED. <i>34 C.F.R. 75.1</i>
State-Administered Programs	The regulations in 34 C.F.R. Part 76 apply to each state-administered program of the ED. <i>34 C.F.R. 76.1</i>
General Education Provision Act	The regulations in 34 C.F.R. Part 81 govern the enforcement of legal requirements under applicable programs administered by the ED and implement Part E of the General Education Provisions Act (GEPA). <i>34 C.F.R. 81.1</i>

Tax Rate Adoption

Maintenance Taxes

The board may levy, assess, and collect annual ad valorem taxes for the maintenance of the district's schools. Taxes may not be levied unless authorized by a majority of the qualified voters of the district, voting at an election called for that purpose. *Education Code 45.002, .003(a)*

*Restriction on
Maintenance Tax
Levy*

A district may not levy the district's maintenance taxes at a rate intended to create a surplus in maintenance tax revenue for the purpose of paying the district's debt service. *Education Code 45.0021(a)* [See Taxpayer Injunction, below]

Note: For information on the consequences of violating this restriction, see Education Code 45.0021(c)-(e). See also Taxpayer Injunction below.

Exceptions

Education Code 45.0021 does not prohibit a district from:

1. Using a surplus in maintenance tax revenue to pay the district's debt service if the district's interest and sinking fund tax revenue is insufficient to pay the district's debt service due to circumstances beyond the district's control and the use of the surplus maintenance tax revenue to pay the district's debt service is necessary to prevent a default on the district's debt;
2. Paying a portion of the district's maintenance tax revenue into the tax increment fund for a reinvestment zone under Tax Code Chapter 311; or
3. Using money disbursed from the tax increment fund for a reinvestment zone under Tax Code Chapter 311 in accordance with the agreement entered into by the district with the governing body of the municipality or county that designated the zone under Tax Code 311.013(f).

Education Code 45.0021(f)

*Maintenance Tax
Rate
Components*

Tier One

A district's tier one maintenance and operations tax rate is the number of cents levied by the district for maintenance and operations that does not exceed the maximum compressed rate, as determined under Education Code 48.2551.

*Maximum
Compressed
Rate*

"MCR" is the district's maximum compressed rate, which is the tax rate for the current tax year per \$100 of valuation of taxable property at which the district must levy a maintenance and operations tax to receive the full amount of the tier one allotment to which the district is entitled under Education Code Chapter 48. The Texas Education Agency (TEA) shall calculate and make available school districts' maximum compressed rates.

Local appraisal districts, school districts, and the comptroller shall provide any information necessary to TEA to implement Education Code 48.2551.

Education Code 48.2551(a-3), (d), (d-1)

School districts' maximum compressed maintenance and operations tax rates shall be calculated using locally certified property values and adjusted to estimate for exclusions under Government Code 403.302(d).

TEA will open a data collection from 12:01 a.m. on July 18 through 11:59 p.m. on August 1 for districts. Districts must submit the data specified in 19 Administrative Code 61.1000(c). TEA will use any available data to calculate MCR absent data collection submissions from a school district.

19 TAC 61.1000(b), (c), (h)

TEA will calculate and make available preliminary maximum compressed tier one tax rates to each district on or before August 5. If TEA receives an appeal of a preliminary MCR, TEA will issue a final determination to the district no later than August 31. If TEA does not receive an appeal of a preliminary MCR, the preliminary MCR automatically becomes a final MCR ten calendar days following TEA's approval of the district's preliminary MCR. *19 TAC 61.1000(d)-(f)*

A district may appeal its preliminary MCR through the following process:

1. The TEA division responsible for MCRs must receive a written appeal no later than ten calendar days after TEA's approval of the district's preliminary MCR. The appeal must include adequate evidence and additional information that supports the position of the district. Appeals received 11 calendar days or more after TEA approves a district's preliminary MCR will not be considered.
2. TEA will only consider appeals that would result in a change of the preliminary MCR.

19 TAC 61.1000(g); Education Code 48.2551(d-2)

Tier Two

A district's enrichment tax rate consists of:

1. Any cents of additional maintenance and operations tax effort, not to exceed eight cents over the maximum tier one tax rate; and

LOCAL REVENUE SOURCES
AD VALOREM TAXES

CCG
(LEGAL)

2. Any cents of additional maintenance and operations tax effort that exceeds the sum of the maximum tier one tax rate and the maximum number of cents permitted under item 1 above.

Education Code 45.0032(a), (b)

Districts Subject
to Disaster
Exception

For a district to which Tax Code 26.042(e) [see Disaster Exception to Election Requirement, below] applies, the amount by which the district's maintenance tax rate exceeds the district's voter-approval tax rate, excluding the district's current debt rate under Tax Code 26.08(n)(3) for the preceding year is not considered in determining a district's tier one maintenance and operations tax rate or the district's enrichment tax rate for the current tax year. *Education Code 45.0032(d)*

*Maximum Tax
Rate*

For any year, the maintenance tax rate per \$100 of taxable value adopted by the district may not exceed the rate equal to the sum of \$0.17 and the district's maximum compressed rate, as determined under Education Code 48.2551.

A rate that exceeds the maximum rate for the year in which the tax is to be imposed is void. A district with a tax rate that is void under this provision may, subject to requirements imposed by other law, adopt a rate for that year that does not exceed the specified maximum rate for that year.

Education Code 45.003(d), (e)

Districts with
2005 Tax Rate
over \$1.50

Notwithstanding any other law, a district that levied a maintenance tax for the 2005 tax year at a rate greater than \$1.50 per \$100 of taxable value in the district as permitted by special law [Art. 2784g Tex. Rev. Civ. Stat.] may not levy a maintenance tax at a rate that exceeds the rate per \$100 of taxable value that is equal to the sum of \$0.17 and the product of 66.67 percent multiplied by the rate of the maintenance tax levied by the district for the 2005 tax year, minus any amount by which \$1.00 exceeds the product of the state compression percentage, as determined under Education Code 48.255, multiplied by \$1.00. *Education Code 45.003(f)*

For a district described above, any cents of maintenance and operations tax effort that exceeds the maximum rate described at Maximum Tax Rate are not included in the district's tier one maintenance and operations tax rate or the district's enrichment tax rate and the district is not entitled to the guaranteed yield amount of state funds under Education Code 48.202 for those cents of tax effort. *Education Code 45.0032(c)*

Assessor and
Collector

The board may employ a person to assess or collect the district's taxes and may compensate the person as the board considers appropriate. This provision does not prohibit a district from providing

for the assessment or collection of the district's taxes under a method authorized by Tax Code Chapter 6, Subchapter B. *Education Code 45.231*

A district that used a method of selection for the 1994 tax year that was authorized by former Education Code Chapter 23, Subchapter F, may continue to use that method until the district uses another method authorized above. *Education Code 45.232*

The assessor and collector shall assess, collect, or assess and collect taxes, as applicable. *Tax Code 6.23(b)*

Collector's Bond

A district that has its own collector shall require the collector to give bond conditioned on the faithful performance of duties. The bond must be made payable to and be approved by the board in an amount determined by the board. The board may require a new bond at any time, and failure to give new bond within a reasonable time after demand is a ground for removal from office. The board may prescribe additional requirements for the bond.

A district whose taxes are collected by a person other than the district's own collector may require that person to give bond conditioned on the faithful performance of duties. The bond must be payable to, approved by, and paid for by the board in an amount determined by the board. The board may prescribe additional requirements for the bond.

A district shall pay the premium for a required bond from its general fund or as provided by intergovernmental contract.

Tax Code 6.29

Certified Estimate of Values

By April 30, the chief appraiser shall prepare and certify to the district's assessor an estimate of the taxable value of district property. *Tax Code 26.01(e)*

Appraisal Roll

By July 25, the chief appraiser shall prepare and certify to the assessor for the district that part of the appraisal roll that lists the property taxable by the district. The part certified to the assessor is the appraisal roll for the district.

If by July 20 the appraisal review board has not approved the appraisal records as required under Tax Code 41.12, the chief appraiser shall not later than July 25 prepare and certify to the assessor for a school district an estimate of the taxable value of property in the school district.

Tax Code 26.01(a)-(a-1)

By August 1 or as soon thereafter as practicable, the district's assessor shall submit to the board the district's appraisal roll, showing the total appraised, assessed, and taxable values of all property and the total taxable value of new property.

By August 1 or as soon thereafter as practicable, a district's collector shall certify to the board the anticipated collection rate for the current year. If the collector certified an anticipated collection rate in the preceding year and the actual collection rate in that year exceeded the anticipated rate, the collector shall also certify the amount of debt taxes collected in excess of the anticipated amount in the preceding year.

Tax Code 26.04(b)

Designated
Employee/Officer to
Calculate Rates

After the district's assessor submits the appraisal roll to the board, an officer or employee designated by the board shall calculate the no-new-revenue tax rate and the voter-approval tax rate for the district.

*Required
Calculation
Forms*

The designated officer or employee shall use the tax rate calculation forms prescribed by the comptroller under Tax Code 5.07 in calculating the no-new-revenue tax rate and the voter-approval tax rate.

*Calculation
Forms to County
Tax Assessor-
Collector*

As soon as practicable after the designated officer or employee calculates the no-new-revenue tax rate and the voter-approval tax rate of the district, the designated officer or employee shall submit the tax rate calculation forms used in calculating the rates to the county assessor-collector for each county in which all or part of the territory of the district is located.

*Meeting to Adopt
Budget*

When the budget has been prepared under Education Code 44.002, the board president shall call a meeting of the board for the purpose of adopting a budget for the succeeding tax year. The budget must be adopted before the adoption of the tax rate for the tax year in which the fiscal year covered by the budget begins. *Education Code 44.004(a), (g)* [See CE]

Tax Rate Adoption
Requirements

Deadline

The board shall adopt a tax rate for the current tax year and shall notify the assessor of the tax rate adopted. [See Adoption of Tax Roll, below] The board must adopt a tax rate before the later of September 30 or the 60th day after the date the certified appraisal roll is received by the district, except that the board must adopt a tax rate that exceeds the voter-approval tax rate not later than the 71st day before the next uniform election date that occurs in November of that year. [Note that Election Code 3.005(c) requires that an election to be held on a uniform date be ordered not later than the 78th day before election day; see Time for Election, below.]

The tax rate consists of two components, each of which must be approved separately. The components are:

1. The interest and sinking fund (debt service) rate calculated under Education Code 44.004(c)(5)(A)(ii)(b); and
2. The rate that, if applied to the total taxable value, will impose the amount of taxes needed to fund maintenance and operation expenditures of the district for the next year.

Tax Code 26.05(a)

Tax Date for
Certain Districts

A district that before January 1, 1989, has for at least ten years followed a practice of adopting its tax rate at a different date than as provided by Tax Code Chapter 26 and of billing for and collecting its taxes at different dates than as provided by Chapters 31 and 33 may continue to follow that practice. This does not affect the dates provided by the Property Tax Code (Tax Code Title 1) for other purposes, including those relating to the appraisal and taxability of property, the attachment of tax liens and personal liability for taxes, and administrative and judicial review under Chapters 41 and 42.

Tax Code 26.135

Vote

A board may not impose property taxes in any year until it has adopted a tax rate for that year, and the annual tax rate must be set by ordinance, resolution, or order. The vote on the ordinance, resolution, or order setting the tax rate must be separate from the vote adopting the budget. The vote on the ordinance, resolution, or order setting a tax rate that exceeds the sum of the district's no-new-revenue maintenance and operations tax rate and the district's current debt rate must be a record vote, and at least 60 percent of the members of the board must vote in favor of the ordinance, resolution, or order.

It is a defense in an action for an injunction under this provision that the failure to comply was in good faith. *Tax Code 26.04(g)*
- A person who owns taxable property is entitled to an injunction restraining the collection of taxes by a district in which the property is taxable if the district has not complied with the requirements of Tax Code 26.04 and 26.05 [see above at Designated Employee/Officer to Calculate Rates and Tax Rate Adoption Requirements]. The property owner is not required to apply to the collector for the district to receive the refund. *Tax Code 26.05(e)*

A person who owns taxable property in a district is entitled to an injunction restraining the collection of taxes by the district if the district adopts a maintenance tax in violation of Education Code 45.0021(a) [see above at Restriction on Maintenance Tax Levy]. **Internet Posting of

Each district shall maintain an internet website or have access to a generally accessible internet website that may be used for the purposes of this provision. Each district shall post or cause to be posted on the internet website the information required by Tax Code 26.18 in a format prescribed by the comptroller. *Tax Code 26.18* [See CE for required information]

**Election to Approve
Tax Rate**

If the board adopts a tax rate that exceeds the district's voter-approval tax rate, the registered voters of the district at an election held for that purpose must determine whether to approve the adopted tax rate. *Tax Code 26.08(a), (n)*

[For information on conducting elections, see the BBB series.]

Voter-Approval Tax
Rate

For purposes of Tax Code 26.08, the voter-approval tax rate of a district is the sum of the following:

1. The rate per \$100 of taxable value that is equal to the district's maximum compressed tax rate for the current year;
2. The greater of:
 - a. The district's enrichment tax rate for the preceding tax year, less any amount by which the district is required to reduce the district's enrichment tax rate under Education Code 48.202(f) in the current tax year; or
 - b. The rate of \$0.05 per \$100 of taxable value; and
3. The district's current debt rate.

Tax Code 26.08(n)

Efficiency Audit

"Efficiency audit" means an investigation of the operations of a district to examine fiscal management, efficiency, and utilization of resources.

The board shall conduct an efficiency audit before seeking voter approval to adopt a tax rate for the maintenance and operations of the district at an election held for that purpose and may not hold an election without complying with this requirement.

The board may select the auditor that conducts the district's annual audit under Education Code 44.008 and may include the efficiency audit as part of the district's annual audit. [See CFC] A district must pay for the costs associated with an efficiency audit required under this provision. A district shall provide all documents, records, and personnel requested by the auditor as needed to conduct the audit in an efficient manner.

The board must select an auditor to conduct an efficiency audit not later than four months before the date on which the district proposes to hold an election to adopt a maintenance and operations tax rate. An auditor selected by the board must maintain independence from the district and complete the efficiency audit not later than three months after the date the auditor was selected.

Before an election at which a district seeks voter approval to adopt a tax rate, the board must hold an open meeting to discuss the results of the efficiency audit. Not later than 30 days before the date of the election, the results of an efficiency audit must be posted on the district's internet website.

Education Code 11.184

*Legislative
Budget Board
Guidelines*

The Legislative Budget Board (LBB) shall establish guidelines identifying the scope and areas of investigation of an efficiency audit, including identification of resources being used effectively and

efficiently and identification of cost savings or reallocations. The auditor selected by the board of a district must follow the guidelines established by the LBB under this provision. *Education Code 11.184(f)*

Disaster Exception
*To Efficiency
Audit
Requirement*

The board of a district all or part of which is located in an area declared a disaster area by the governor may hold an election to seek voter approval to adopt a maintenance and operations tax rate during the two-year period following the date of the declaration without conducting an efficiency audit otherwise required above. *Education Code 11.184(b-1)*

*To Election
Requirement*

When increased expenditure of money by a district is necessary to respond to a disaster, including a tornado, hurricane, flood, wildfire, or other calamity, but not including a drought, epidemic, or pandemic, that has impacted a district and the governor has requested federal disaster assistance for the area in which the district is located, an election is not required under Tax Code 26.08 to approve the tax rate adopted by the board for the year following the year in which the disaster occurs. A tax rate adopted under this provision applies only in the year for which the rate is adopted. *Tax Code 26.042(e)*

If a district adopts a tax rate under Tax Code 26.042(e) above, the amount by which that rate exceeds the district's voter-approval tax rate for that tax year may not be considered when calculating the district's voter-approval tax rate for the tax year following the year in which the district adopts the rate.

A district that in a tax year elects to adopt a tax rate that exceeds the district's voter-approval tax rate for that tax year without holding an election under Tax Code 26.042(e) above must specify the disaster declaration that provides the basis for authorizing the district to calculate or adopt a tax rate under that provision. A district that in a tax year specifies a disaster declaration as providing the basis for authorizing the district to adopt a tax rate under Tax Code 26.042(e) above may not in a subsequent tax year specify the same disaster declaration as providing the basis for authorizing the district to adopt a tax rate under that provision if in an intervening tax year the taxing unit specifies a different disaster declaration as the basis for authorizing the taxing unit to adopt a tax rate under that provision.

Time for Election

<i>Uniform Election Date</i>	<p>For an election to be held on a uniform election date, the election shall be ordered not later than the 78th day before election day. <i>Election Code 3.005(c)</i> [See BBBA for other election procedures and requirements.]</p>
Proposition	<p>At the election, the ballots shall be prepared to permit voting for or against the proposition: "Ratifying the ad valorem tax rate of _____ (insert adopted tax rate) in (name of school district) for the current year, a rate that will result in an increase of _____ (insert percentage increase in maintenance and operations tax revenue under the adopted tax rate as compared to maintenance and operations tax revenue in the preceding tax year) percent in maintenance and operations tax revenue for the district for the current year as compared to the preceding year, which is an additional \$_____ (insert dollar amount of increase in maintenance and operations tax revenue under the adopted tax rate as compared to maintenance and operations tax revenue in the preceding tax year)". <i>Tax Code 26.08(b)</i></p> <p>In addition to any other requirement imposed by law for a proposition, including a provision prescribing the proposition language, a proposition submitted to the voters for approval of the imposition or increase of a tax shall specifically state the amount of or maximum tax rate of the tax or tax increase for which approval is sought. <i>Election Code 52.072(e)(1)</i></p> <p>Each proposition on the ballot must identify the name of the authority ordering the election on the measure. <i>Election Code 52.095(c)</i></p>
Election Outcome	<p>If a majority of the votes cast in an election favor the proposition, the tax rate for the current year is the rate that was adopted by the board. If the proposition is not approved, a board may not adopt a tax rate for the current year that exceeds the district's voter-approval tax rate. <i>Tax Code 26.08(c)-(d)</i></p>

Homestead

Mandatory

An adult is entitled to exemption from taxation by a district of \$25,000 of the appraised value of the adult's residence homestead, as defined by Tax Code 11.13(j), except that only \$5,000 of the exemption applies to an entity operating under former Education Code Chapters 17, 18, 25, 26, 27, or 28, as those chapters existed on May 1, 1995, as permitted by Education Code 11.301. *Tax Code 11.13(b)*

*Persons 65 or
Older or Disabled*

In addition to the mandatory exemption above, an adult who is disabled, as defined by Tax Code 11.13(m)(1), or 65 or older is entitled to an exemption of \$10,000 of the appraised value of the individual's residence homestead. *Tax Code 11.13(c)*

Tax Limitation

A district may not increase the total annual amount of ad valorem tax it imposes on the residence homestead of an individual 65 years of age or older, or on the residence homestead of an individual who is disabled, above the amount of the tax it imposed in the first tax year in which the individual qualified that residence homestead for an applicable exemption. *Tax Code 11.26(a)*

Improvements

If an individual subject to a tax limitation makes improvements to the individual's residence homestead, other than improvements required to comply with governmental requirements or repairs, the district may increase the tax on the homestead in the first year the value of the homestead is increased on the appraisal roll because of the enhancement of value by the improvements. A limitation then applies to the increased amount of tax until more improvements, if any, are made. *Tax Code 11.26(b)*

Exception

An improvement to property that would otherwise constitute an improvement discussed above is not treated as an improvement if it is a replacement structure for a structure that was rendered uninhabitable or unusable by a casualty or by wind or water damage. For purposes of appraising the property in the tax year in which the structure would have constituted an improvement, the replacement structure is considered to be an improvement only if the square footage of the replacement structure exceeds that of the replaced structure as that structure existed before the casualty or damage occurred or the exterior of the replacement structure is of higher quality construction and composition than that of the replaced structure. *Tax Code 11.26(o)*

Before acting to tax the exempt property, a board must conduct a public hearing as required by Texas Constitution Article VIII, Section 1-n(d). If the board provides for the taxation of the goods-in-transit as provided by this provision, the exemption stated above does not apply to that district. The goods-in-transit remain subject to taxation by the district until the board, by official action, rescinds or repeals its previous action to tax goods-in-transit, or otherwise determines that the exemption will apply to that district.

Notwithstanding official action that was taken before October 1, 2011, to tax goods-in-transit, a district may not tax such goods-in-

Board Authority

The board may adopt rules and procedures for the acquisition of goods and services. *Education Code 44.031(d)*

Delegation of Authority

The board may, as appropriate, delegate its authority regarding an action authorized or required by Education Code Chapter 44, Subchapter B, to be taken by a district to a designated person, representative, or committee.

The board may not delegate the authority to act regarding an action authorized or required to be taken by the board by Education Code Chapter 44, Subchapter B.

Disaster Delegation

Notwithstanding any other provision of the Education Code, in the event of a catastrophe, emergency, or natural disaster affecting a district, the board may delegate to the superintendent or designated person the authority to contract for the replacement, construction, or repair of school equipment or facilities under Education Code Chapter 44, Subchapter B if emergency replacement, construction, or repair is necessary for the health and safety of district students and staff.

Education Code 44.0312

Purchases Valued at or Above \$50,000

Methods

Except as provided by Education Code Chapter 44, Subchapter B, all district contracts for the purchase of goods and services, except contracts for the purchase of produce or vehicle fuel, valued at \$50,000 or more in the aggregate for each 12-month period, shall be made by the method, of the following methods, that provides the best value for a district:

1. Competitive bidding for services other than construction services.
2. Competitive sealed proposals for services other than construction services.
3. A request for proposals for services other than construction services.
4. An interlocal contract.
5. A method provided by Government Code Chapter 2269 for construction services [see CV series];
6. The reverse auction procedure as defined by Government Code 2155.062(d).
7. The formation of a political subdivision corporation under Local Government Code 304.001 (purchase of electricity).

Education Code 44.031(a)

Exceptions

Emergency
Damage or
Destruction

If school equipment, a school facility, or a part of a school facility or personal property is destroyed or severely damaged or, as a result of an unforeseen catastrophe or emergency, undergoes major operational or structural failure, and the board determines that the delay posed by the methods provided for in Education Code 44.031 would prevent or substantially impair the conduct of classes or other essential school activities, then contracts for the replacement or repair of the equipment, school facility, or the part of the school facility may be made by methods other than those required by Education Code 44.031. *Education Code 44.031(h)*

Sole Source

Without complying with Education Code 44.031(a) above, a district may purchase an item that is available from only one source, including:

1. An item for which competition is precluded because of the existence of a patent, copyright, secret process, or monopoly.
2. A film, manuscript, or book.
3. A utility service, including electricity, gas, or water.
4. A captive replacement part or component for equipment.

The exceptions above do not apply to mainframe data-processing equipment and peripheral attachments with a single-item purchase price in excess of \$15,000.

Education Code 44.031(j)–(k)

Competitive Bidding

Except to the extent prohibited by other law and to the extent consistent with Education Code Chapter 44, Subchapter B, a district may use competitive bidding to select a vendor as authorized by Education Code 44.031(a)(1).

A district shall award a competitively bid contract at the bid amount to the bidder offering the best value for the district. In determining the best value for the district, the district is not restricted to considering price alone but may consider any other factors stated in the selection criteria. The selection criteria may include the factors listed in Education Code 44.031(b) [see Contract Selection Factors, below].

Except as provided below, Local Government Code Chapter 271, Subchapter B (Competitive Bidding on Certain Public Works Contracts) does not apply to a competitive bidding process under this policy.

Local Government Code Sections 271.026 (Opening of Bids), 271.027(a) (Award of Contract), and 271.0275 (Safety Record of Bidder Considered) apply to a competitive bidding process under Education Code Chapter 44, Subchapter B. [See CVA for these requirements.]

Education Code 44.0351

[For information on additional competitive procedures under the Public Property Finance Act, see CHH.]

Competitive Sealed Proposals

In selecting a vendor through competitive sealed proposals as authorized by Education Code 44.031(a)(2), a district shall follow the procedures prescribed below.

Request for Proposals

The district shall prepare a request for competitive sealed proposals that includes information that vendors may require to respond to the request. The district shall state in the request for proposals the selection criteria that will be used in selecting the successful offeror.

Opening Proposals

The district shall receive, publicly open, and read aloud the names of the offerors and, if any are required to be stated, all prices stated in each proposal. Not later than the 45th day after the date on which the proposals are opened, the district shall evaluate and rank each proposal submitted in relation to the published selection criteria.

Selection

The district shall select the offeror that offers the best value for the district based on the published selection criteria and on its ranking evaluation. The district shall first attempt to negotiate a contract with the selected offeror. The district may discuss with the selected

offeror options for a scope or time modification and any price change associated with the modification. If the district is unable to negotiate a satisfactory contract with the selected offeror, the district shall, formally and in writing, end negotiations with that offeror and proceed to the next offeror in the order of the selection ranking until a contract is reached or all proposals are rejected.

In determining the best value for the district, the district is not restricted to considering price alone but may consider any other factors stated in the selection criteria.

Education Code 44.0352

*Interlocal
Contracts*

“Interlocal contract” means a contract or agreement made under Government Code Chapter 791 (Interlocal Cooperation Act). A district may contract or agree with another local government or a federally recognized Indian tribe, as listed by the U.S. secretary of the interior under 25 U.S.C. 479a-1, whose reservation is located within the boundaries of this state to perform governmental functions and services in accordance with Government Code Chapter 791. A district may agree with another local government and with the state or a state agency, including the comptroller, to purchase goods and services. *Gov’t Code 791.003(2), .011(a), .025(a)*

An interlocal contract must:

1. Be authorized by the governing body of each party to the contract;
2. State the purpose, terms, rights, and duties of the contracting parties; and
3. Specify that each party paying for the performance of governmental functions or services must make those payments from current revenues available to the paying party.

An interlocal contractual payment must be in an amount that fairly compensates the performing party for the services or functions performed under the contract. An interlocal contract may be renewed. Notwithstanding item 2 above, an interlocal contract may have a specified term of years.

Gov’t Code 791.011(d)–(f), (i)

A district may agree with another local government, including a nonprofit corporation that is created and operated to provide one or more governmental functions and services, or with the state or a state agency, including the comptroller, to purchase goods and any services reasonably required for the installation, operation, or

maintenance of the goods. This provision does not apply to services provided by firefighters, police officers, or emergency medical personnel. *Gov't Code 791.025(b)*

A district that purchases goods and services under Government Code 791.025 satisfies the requirement to seek competitive bids for the purchase of the goods and services. *Gov't Code 791.025(c); Atty. Gen. Op. JC-37 (1999)*

Reverse Auction

A district that uses the reverse auction procedure must include in the procedure a notice provision and other provisions necessary to produce a method of purchasing that is advantageous to the district and fair to vendors. *Local Gov't Code 271.906(b)*

“Reverse auction procedure” means:

1. A real-time bidding process usually lasting less than one hour and taking place at a previously scheduled time and internet location, in which multiple suppliers, anonymous to each other, submit bids to provide the designated goods or services; or
2. A bidding process usually lasting less than two weeks and taking place during a previously scheduled period and at a previously scheduled internet location, in which multiple suppliers, anonymous to each other, submit bids to provide the designated goods or services.

Gov't Code 2155.062(d)

Site-Based
Purchasing

If a purchase is made at the campus level in a district with a student enrollment of 180,000 or more that has formally adopted a site-based decision-making plan under Education Code Subchapter F, Chapter 11 [see BQ series], that delegates purchasing decisions to the campus level, Education Code 44.031 applies only to the campus and does not require the district to aggregate and jointly award purchasing contracts. A district that adopts site-based purchasing under this provision shall adopt a policy to ensure that campus purchases achieve the best value to the district and are not intended or used to avoid the requirement that a district aggregate purchases under Education Code 44.031(a). *Education Code 44.031(m)*

**Contract Selection
Factors**

Except as provided by Education Code Chapter 44, Subchapter B, in determining to whom to award a contract, the district shall consider:

1. The purchase price.

2. The reputation of the vendor and of the vendor's goods or services.
3. The quality of the vendor's goods or services.
4. The extent to which the goods or services meet the district's needs.
5. The vendor's past relationship with the district.
6. The impact on the ability of the district to comply with laws and rules relating to historically underutilized businesses.
7. The total long-term cost to the district to acquire the vendor's goods or services.
8. For a contract for goods and services, other than goods and services related to telecommunications and information services, building construction and maintenance, or instructional materials, whether the vendor or the vendor's ultimate parent company or majority owner has its principal place of business in this state or employs at least 500 persons in this state.
9. Any other relevant factor specifically listed in the request for bids or proposals.

Education Code 44.031(b)

In awarding a contract by competitive sealed bid under Education Code 44.031, a district that has its central administrative office located in a municipality with a population of less than 250,000 may consider a bidder's principal place of business in the manner provided by Local Government Code 271.9051. This provision does not apply to the purchase of telecommunications services or information services, as those terms are defined by 47 U.S.C. Section 153. *Education Code 44.031(b-1)*

The factors listed above are the only criteria that may be considered by a district in its decision to award a contract. *R.G.V. Vending v. Weslaco Indep. Sch. Dist.*, 995 S.W.2d 897 (Tex. App.—Corpus Christi 1999, no pet.)

Preferences
*Agricultural
Products*

A district that purchases agricultural products shall give preference to those produced, processed, or grown in Texas if the cost to the district is equal and the quality is equal. If agricultural products produced, processed, or grown in Texas are not equal in cost and quality to other products, the district shall give preference to agricultural products produced, processed, or grown in other states of the United States, if the cost and quality of the U.S. and foreign products are equal.

“Agricultural products” includes textiles and other similar products.

“Processed” means canning, freezing, drying, juicing, preserving, or any other act that changes the form of a good from its natural state to another form.

A district may not adopt product purchasing specifications that unnecessarily exclude agricultural products produced, processed, or grown in Texas.

Vegetation for
Landscaping

A district that purchases vegetation for landscaping purposes, including plants, shall give preference to Texas vegetation if the cost to the district is equal and the quality is equal.

Education Code 44.042

[For legal requirements applicable to school nutrition procurement, including produce and agricultural products, with federal funds, see COA.]

*Recycled
Products*

A district shall give preference in purchasing to products made of recycled materials if the products meet applicable specifications as to quantity and quality and the average price of the product is not more than ten percent greater than the price of comparable nonrecycled products. Preferences will be applied in accordance with state procurement statutes and rules. *30 TAC 328.203*

Subchapter K of 30 Administrative Code (Governmental Entity Recycling and Purchasing of Recycled Materials) does not apply to a district with a student enrollment of less than 10,000 students. *30 TAC 328.204(a)*

A district regularly shall review and revise its procurement procedures and specifications for the purchase of goods, supplies, equipment, and materials in order to:

1. Eliminate procedures and specifications that explicitly discriminate against products made of recycled materials;
2. Encourage the use of products made of recycled materials; and
3. Ensure to the maximum extent economically feasible that the district purchases products that may be recycled when they have served their intended use.

In developing new procedures and specifications, the district shall encourage the use of recycled products and products that may be recycled or reused.

Health and Safety Code 361.426(b)–(c)

Bidder's Place of Business

In awarding a contract by competitive sealed bid under Education Code 44.031, a district that has its central administrative office located in a municipality with a population of less than 250,000 may consider a bidder's principal place of business in the manner provided by Local Government Code Section 271.9051. This provision does not apply to the purchase of telecommunications services or information services, as those terms are defined by 47 U.S.C. 153. *Education Code 44.031(b-1)*

Notice Publication

Notice of the time by when and place where the bids or proposals, or the responses to a request for qualifications, will be received and opened shall be published in the county in which the district's central administrative office is located, once a week for at least two weeks before the deadline for receiving bids, proposals, or responses to a request for qualifications. If there is not a newspaper in that county, the advertising shall be published in a newspaper in the county nearest the county seat of the county in which a district's central administrative office is located. In a two-step procurement process, the time and place where the second-step bids, proposals, or responses will be received are not required to be published separately. *Education Code 44.031(g)*

Electronic Bids or Proposals

A district may receive bids or proposals under Education Code Chapter 44 through electronic transmission if the board adopts rules to ensure the identification, security, and confidentiality of electronic bids or proposals and to ensure that the electronic bids or proposals remain effectively unopened until the proper time.

Notwithstanding any other provision of Education Code Chapter 44, an electronic bid or proposal is not required to be sealed. A provision of Education Code Chapter 44 that applies to a sealed bid or proposal applies to a bid or proposal received through electronic transmission in accordance with the rules adopted by the board.

Education Code 44.0313

Right to Work

While a district is engaged in procuring goods and services or awarding a contract, or overseeing procurement or construction for a public work or public improvement, a district:

1. May not consider whether a vendor is a member of or has another relationship with any organization; and
2. Shall ensure that its bid specifications and any subsequent contract or other agreement do not deny or diminish the right of a person to work because of the person's membership or other relationship status with respect to any organization.

Education Code 44.043

**Contract with Person
Indebted to District**

The board by resolution may establish regulations permitting the district to refuse to enter into a contract or other transaction with a person indebted to the district. It is not a violation of Education Code Chapter 44, Subchapter B (Purchases; Contracts) for a district, under regulations adopted under this provision, to refuse to award a contract to or enter into a transaction with an apparent low bidder or successful proposer that is indebted to the district.

“Person” includes an individual, sole proprietorship, corporation, nonprofit corporation, partnership, joint venture, limited liability company, and any other entity that proposes or otherwise seeks to enter into a contract or other transaction with the district requiring approval by the board.

Education Code 44.044

Out-of-State Bidders

A district may not award a governmental contract to a nonresident bidder unless the nonresident underbids the lowest bid submitted by a responsible resident bidder by an amount that is not less than the greater of the amount by which a resident bidder would be required to underbid the nonresident bidder to obtain a comparable contract in the state in which the nonresident’s principal place of business is located, or the state in which a majority of the manufacturing relating to the contract will be performed. *Gov’t Code 2252.002*

This requirement does not apply to a contract involving federal funds. A district shall use the information published by the comptroller under Government Code 2252.003 (Publication of Other State’s Laws on Contracts) to evaluate the bid of a nonresident bidder. A district may rely on information published under Government Code 2252.003 to meet the requirements of Government Code 2252.002. *Gov’t Code 2252.003–.004*

“Governmental contract” means a contract awarded by a governmental entity, including a public school district, for general construction, an improvement, a service, or a public works project or for a purchase of supplies, materials, or equipment.

Except as provided below, a payment by a district under a contract executed on or after September 1, 1987, is overdue on the 31st day after the later of:

1. The date the district receives the goods under the contract;
2. The date the performance of the service under the contract is completed; or

The renewal, amendment, or extension of a contract executed on or before September 1, 1993, is considered to be the execution of a new contract.

Gov't Code 2251.021

Interest

A payment begins to accrue interest on the date the payment becomes overdue. The rate of interest that accrues on an overdue payment is the rate in effect on September 1 of the fiscal year in which the payment becomes overdue. The rate in effect on September 1 is equal to the sum of one percent and the prime rate as published in the Wall Street Journal on the first day of July of the preceding fiscal year that does not fall on a Saturday or Sunday.

Interest on an overdue payment stops accruing on the date a district or vendor mails or electronically transmits the payment.

The unpaid balance of a partial payment made within the prescribed period accrues interest, unless the balance is in dispute.

Gov't Code 2251.025, .029

A district shall:

1. Compute interest imposed on the district.
2. Pay the interest at the time payment is made on the principal.
3. Submit the interest payment with the net amount due for the goods or service.

A district may not:

1. Require a vendor to petition, bill, or wait an additional day to receive the interest due.

2. Require a vendor or subcontractor to agree to waive the vendor's or subcontractor's right to interest as a condition of the contract.

Gov't Code 2251.027

Early Payment Discount

A district should take advantage of an offer for an early payment discount. A district may not take an early payment discount unless the district makes a full payment within the discount period. If a district takes an early payment discount later, the unpaid balance accrues interest beginning on the date the discount offer expires.

Gov't Code 2251.030

Exceptions

These provisions do not apply to a payment made by a district, vendor, or subcontractor if:

1. There is a bona fide dispute between the district and a vendor, contractor, subcontractor, or supplier about the goods delivered or the service performed that causes the payment to be late;
2. There is a bona fide dispute between a vendor and a subcontractor or between a subcontractor and its supplier about the goods delivered or the services performed that causes the payment to be late;
3. The terms of a federal contract, grant, regulation, or statute prevent the district from making a timely payment with federal funds; or
4. The invoice is not mailed to the person to whom it is addressed in strict accordance with any instruction on the purchase order relating to the payment.

Gov't Code 2251.002

Disputed Payment

A district shall notify a vendor of an error or disputed amount in an invoice submitted for payment by the vendor not later than the 21st day after the date the district receives the invoice, and shall include in such notice a detailed statement of the amount of the invoice which is disputed. If a dispute is resolved in favor of the vendor, the vendor is entitled to receive interest on the unpaid balance beginning on the date that the payment for the invoice is overdue. If a dispute is resolved in favor of the district, the vendor shall submit a corrected invoice that must be paid in accordance with Government Code 2251.021 [see Payment Due above]. The unpaid balance accrues interest if the corrected invoice is not paid by the appropriate date. The district may withhold from payments required no more than 110 percent of the disputed amount. *Gov't Code 2251.042*

**Vendor Remedy for
Nonpayment**

A vendor may suspend performance required under a contract with a district if the district does not pay the vendor an undisputed amount within the time limits provided above, and the vendor gives the district written notice informing the district that payment has not been received and stating the intent of the vendor to suspend performance for nonpayment.

The vendor may not suspend performance before the tenth day after the date the vendor gives this notice.

A vendor who suspends performance is not:

1. Required to supply further labor, services, or materials until the vendor is paid the amount provided for under Government Code Chapter 2251, plus costs for demobilization and remobilization; or
2. Responsible for damages resulting from suspending work if the district with which the vendor has the contract has not notified the vendor in writing before performance is suspended that payment has been made or that a bona fide dispute for payment exists.

A notification that a bona fide dispute for payment exists must include a list of the specific reasons for nonpayment. If a reason specified is that labor, services, or materials provided by the vendor or the vendor's subcontractor are not provided in compliance with the contract, the vendor is entitled to a reasonable opportunity to cure the noncompliance of the listed items, or offer a reasonable amount to compensate for listed items for which noncompliance cannot be promptly cured.

**Asbestos Hazard
Emergency
Response Act**

The rules adopted under the Asbestos Hazard Emergency Response Act (AHERA) (15 U.S.C. 2641-2656) require a district to identify asbestos-containing material (ACM) in schools by visually inspecting school buildings for such materials, sampling such materials if they are not assumed to be ACM, and having samples analyzed by appropriate techniques; submit management plans; and implement the plans in a timely fashion. Districts are required to use persons who have been accredited to conduct inspections, re-inspections, develop management plans, or perform response actions. The rule includes recordkeeping requirements.

Delegation

Districts may contractually delegate their duties, but they remain responsible for the proper performance of those duties.

40 C.F.R. 763.80(a)

Duties

A district shall:

1. Ensure that the activities of any persons who perform inspections, re-inspections, and periodic surveillance, develop and update management plans, and develop and implement response actions, including operations and maintenance, are carried out in accordance with 40 C.F.R. 763.80–.99 and appendices (Subpart E).
2. Ensure that all custodial and maintenance employees are properly trained as required by Subpart E and other applicable federal and/or state regulations (e.g., the Occupational Safety and Health Administration asbestos standard for construction, the Environmental Protection Agency [EPA] worker protection rule, or applicable state regulations).
3. Ensure that workers and building occupants, or their legal guardians, are informed at least once each school year about inspections, response actions, and post-response action activities, including periodic reinspection and surveillance activities that are planned or in progress.
4. Ensure that short-term workers (e.g., telephone repair workers, utility workers, or exterminators) who may come in contact with asbestos in a school are informed of the locations of asbestos-containing building material (ACBM) and suspected ACBM assumed to be ACM.
5. Ensure that warning labels are posted in accordance with 40 C.F.R. 763.95 (see Warning Labels, below).
6. Ensure that management plans are available for inspection, and notification of such availability has been provided as specified in the management plan under 40 C.F.R. 763.93(g).

Activities

A person engaged in removing asbestos from or encapsulating or enclosing asbestos in a public building shall notify TDSHS in writing at least ten days before the date the person begins the removal, encapsulation, or enclosure project according to applicable laws. A person may give the required notice orally if the removal, encapsulation, or enclosure project is of an emergency nature. *Occupations Code 1954.252*

TDSHS must be notified of any demolition of a public building whether or not asbestos has been identified. TDSHS must be notified of any asbestos abatement within a public building. Notification must be submitted as required in 25 Administrative Code 296.151.

Responsibility

It is the responsibility of the public building owner and delegated agent (such as a licensed asbestos abatement contractor, asbestos consultant, or demolition contractor) to submit a notification to TDSHS for each project. When the task to notify is delegated, the building owner's delegation and the name of the delegated agent must be specified on the notification form. The building owner and the delegated agent are responsible for the accuracy and timeliness of the notification and one or both may be found in violation for failing to accurately and timely notify TDSHS of a project.

Allotment

A district is entitled to an allotment each biennium from the state instructional materials and technology fund for each student enrolled in the district on a date during the last year of the preceding biennium specified by the commissioner of education. The commissioner shall determine the amount of the allotment per student each biennium on the basis of the amount of money available in the state instructional materials and technology fund to fund the allotment. The allotment shall be transferred from the state instructional materials and technology fund to the credit of the district's instructional materials and technology account as provided by Education Code 31.0212. *Education Code 31.0211(a)*

The commissioner shall, as early as practicable during each biennium, notify each district of the estimated amount to which the district will be entitled during the next fiscal biennium. *Education Code 31.0215(a)*

No Appeal

The amount of the allotment determined by the commissioner is final and may not be appealed. *19 TAC 66.1307(d)*

**Delayed Publisher
Payment Option**

A district may requisition and receive state-adopted instructional materials before allotment funds for those materials are available. The total cost of delayed-payment-option materials requisitioned may not exceed 80 percent of the district's expected allotment for the subsequent biennium.

When a district submits a requisition for instructional materials under this provision, the Texas Education Agency (TEA) will expend a district's existing allotment balance before applying the delayed payment option. TEA will make payment for any remaining balance for a district's order as the allotment funds become available and will prioritize payment for requisitions over reimbursement of purchases made directly by a district.

The commissioner shall ensure that publishers of instructional materials are informed of any potential delay in payment and that payment is subject to the availability of appropriated funds. Publishers may decline orders for which payments could be delayed. A publisher's decision to decline an order shall affect all of that publisher's orders for which payments could be delayed. Publishers may not selectively decline individual orders or orders from individual districts. Government Code Chapter 2251 does not apply to requisitions under this provision.

Education Code 31.0215; 19 TAC 66.1312

Allotment
Adjustment
*Change in
Enrollment*

Not later than May 31 of each school year, a district may request that the commissioner adjust the number of students for which the district is entitled to receive an allotment on the grounds that the number of students attending school in the district will increase or decrease during the school year for which the allotment is provided. The commissioner may also adjust the number of students for which a district is entitled to receive an allotment, without a request by the district, if the commissioner determines a different number of students is a more accurate reflection of students who will be attending school in the district. The commissioner's determination is final. *Education Code 31.0211(e)*

*High Enrollment
Growth*

Each year the commissioner shall adjust the instructional materials and technology allotment of districts experiencing high enrollment growth. *Education Code 31.0214(a)*

High-enrollment growth adjustments will be based on the difference between the district's percentage of enrollment growth and that of the state. Enrollment growth calculations will be determined each fiscal year based on fall Texas Student Data Systems Public Education Information Management System (TSDS PEIMS) enrollment data. The amount of the adjustment determined by the commissioner is final and may not be appealed.

If sufficient funds are available, high-enrollment growth adjustments will be granted once each fiscal year. Notwithstanding this, a district that experiences an unexpected growth:

1. Of at least two percent due to a natural or man-made disaster or catastrophic event may apply for additional funding at any time during a fiscal year.
2. In its bilingual population of at least ten percent in any school year may apply for additional bilingual funding at any time during a fiscal year.

Any additional funding will be dependent on the availability of funds.

The per-student high-enrollment growth adjustment granted in the second year of a biennium shall not exceed one-half of the per-student amount established as the biennial allotment.

A district may also use funds in the district's account to purchase electronic instructional materials or technological equipment. The district shall submit to the commissioner a request for funds for this purpose from the district's account in accordance with the commissioner's rules.

Money deposited in a district's instructional materials and technology account during each state fiscal biennium remains in the account and available for use by the district for the entire biennium. 1. Submission to the commissioner certification that:
 - a. The district has instructional materials that cover all the required Texas essential knowledge and skills (TEKS), except those for physical education, as required by Education Code 31.004 [see Certification of Instructional Materials, below]; and
 - b. The district has used its allotment for only the allowable expenditures [see Permitted Expenditures and Certification of Allotment Use, above]; and
2. Preparation by TEA of EMAT for the new school year with the new allotment amounts.

Upon completion of these requirements, a district may access its funds by correctly providing all information required in EMAT.

Responsibility for Instructional Materials and Equipment

Each student or the student's parent or guardian is responsible for all instructional material and technological equipment not returned in an acceptable condition by the student. A student who fails to return in an acceptable condition all instructional materials and technological equipment forfeits the right to free instructional materials

and technological equipment until all instructional materials and technological equipment previously issued but not returned in an acceptable condition are paid for by the student, parent, or guardian.

As provided by board policy, a district may waive or reduce the payment required if the student is from a low-income family. [See FP] The district shall allow the student to use instructional materials and technological equipment at school during each school day.

If instructional materials or technological equipment is not returned in an acceptable condition or paid for, a district may withhold the student's records. A district may not prevent the student from graduating, participating in a graduation ceremony, or receiving a diploma. [See FL and GBA regarding student and parental right to access records; and FD, FFAB, and FL regarding a district's duties to provide records to another district]

The board may not require an employee of the district who acts in good faith to pay for instructional materials or technological equipment that is stolen, misplaced, or not returned by a student. [See DG]

These provisions do not apply to an electronic copy of open education resource instructional material.

**Transportation
Allotment for Eligible
Students**

Each district operating a regular transportation system is entitled to an allotment based on a rate per mile per regular eligible student set by the legislature in the General Appropriations Act. *Education Code 48.151(c)*

 - b. Provide financial reports to the district each semester.

19 TAC 61.1016(c)

 - (2) Is or will be used for education, assembly, or office occupancy; and
 - b. Requires the removal, relocation, or addition of a wall or partition or the alteration or addition of an exit.

This provision does not prohibit an owner of a building from contracting with an architect or engineer as the prime design professional for a building construction, alteration, or addition project. Designation as the prime design professional does not expand the scope of practice of an architect or engineer beyond the scope of practice that the architect or engineer is authorized to practice under Occupations Code Chapter 1001 or 1051.

Occupations Code 1051.703; 22 TAC 1.212

*Registered
Engineer*

A district may not construct a public work involving engineering in which the public health, welfare, or safety is involved, unless:

1. The engineering plans, specifications, and estimates have been prepared by an engineer; and
2. The engineering construction is to be performed under the direct supervision of an engineer.

Occupations Code 1001.407

The following work is exempt from Occupations Code Chapter 1001 (Texas Engineering Practice Act):

1. A public work that involves electrical or mechanical engineering, if the contemplated expense for the completed project is \$8,000 or less; or

2. A public work that does not involve electrical or mechanical engineering, if the contemplated expense for the completed project is \$20,000 or less.

Occupations Code 1001.053

*Certification for
Purchases
Through
Purchasing
Cooperatives*

A district may not enter into a contract to purchase construction-related goods or services through a purchasing cooperative under Government Code Chapter 791 in an amount greater than \$50,000 unless a person designated by the district certifies in writing that:

1. The project for which the construction-related goods or services are being procured does not require the preparation of plans and specifications under Occupation Code Chapter 1001 or 1051; or
2. The plans and specifications required under Occupation Code Chapters 1001 and 1051 have been prepared.

“Purchasing cooperative” means a group purchasing organization that governmental entities join as members and the managing entity of which receives fees from members or vendors.

Gov’t Code 791.011(j) [See CH for more information on interlocal contracts and purchasing cooperatives.]

*Procuring
Architectural or
Engineering
Services*

Education Code 44.031 does not apply to a contract for professional services rendered, including the services of an architect. *Education Code 44.031(f)* [See CH for information on the Professional Services Procurement Act generally.]

In procuring architectural, engineering, or land-surveying services, a district shall:

1. First select the most highly qualified provider on the basis of demonstrated competence and qualifications; and
2. Then attempt to negotiate with that provider a contract at a fair and reasonable price.

If a satisfactory contract cannot be negotiated with the most highly qualified provider of architectural, engineering, or land-surveying services, a district shall formally end negotiations with that provider, select the next most highly qualified provider, and attempt to negotiate a contract with that provider at a fair and reasonable price. The district shall continue this process to select and negotiate with providers until a contract is entered into.

Gov’t Code 2254.004

An interlocal contract between a district and a purchasing cooperative may not be used to purchase engineering or architectural services. *Gov't Code 791.011(h)*

Contracts for
Engineering or
Architectural
Services

Indemnification

A covenant or promise in, in connection with, or collateral to a contract for engineering or architectural services to which a district is a party is void and unenforceable if the covenant or promise provides that a licensed engineer or registered architect whose work product is the subject of the contract must indemnify or hold harmless the district against liability for damage, other than liability for damage to the extent that the damage is caused by or results from an act of negligence, intentional tort, intellectual property infringement, or failure to pay a subcontractor or supplier committed by the indemnitor or the indemnitor's agent, consultant under contract, or another entity over which the indemnitor exercises control.

Duty to Defend

Except as provided below, a covenant or promise in, in connection with, or collateral to a contract for engineering or architectural services to which a district is a party is void and unenforceable if the covenant or promise provides that a licensed engineer or registered architect whose work product is the subject of the contract must defend a party, including a third party, against a claim based wholly or partly on the negligence of, fault of, or breach of contract by the district, the district's agent, the district's employee, or other entity, excluding the engineer or architect or that person's agent, employee, or subconsultant, over which the district exercises control. A covenant or promise may provide for the reimbursement of a district's reasonable attorney's fees in proportion to the engineer's or architect's liability.

*District as
Additional
Insured*

A district may require in a contract for engineering or architectural services to which the district is a party that the engineer or architect name the district as an additional insured under the engineer's or architect's general liability insurance policy and provide any defense provided by the policy.

Standard of Care

A contract for engineering or architectural services to which a district is a party must require a licensed engineer or registered architect to perform services:

1. With the professional skill and care ordinarily provided by competent engineers or architects practicing under the same or similar circumstances and professional license; and
2. As expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer or architect.

In a contract for engineering or architectural services to which a district is a party, a provision establishing a different standard of

care than a standard described above is void and unenforceable. If a contract contains a void and unenforceable provision, the standard of care described above applies.

Nothing in these provisions prohibits a district in a contract for engineering or architectural services to which the district is a party from including and enforcing conditions that relate to the scope, fees, and schedule of a project in the contract.

Local Gov't Code 271.904

**Payment and
Performance Bonds**

A district that makes a public work contract with a prime contractor shall require the contractor, before beginning the work, to execute to the district:

1. A performance bond if the contract is in excess of \$100,000; and
2. A payment bond if the contract is in excess of \$25,000.

A bond required by this provision must be executed by a corporate surety in accordance with Insurance Code Article 7.19-1 (now Insurance Code 3503.001-.005). A bond for a public work contract with a district must be payable to and its form must be approved by the awarding board.

Gov't Code 2253.021(a), (d)–(e)

The performance bond is solely for the protection of the district awarding the public work contract, in the amount of the contract, and conditioned on the faithful performance of the work in accordance with the plans, specifications, and contract documents. *Gov't Code 2253.021(b)*

The payment bond is solely for the protection and use of payment bond beneficiaries who have a direct contractual relationship with the prime contractor or a subcontractor to supply public work labor or material, and in the amount of the contract. *Gov't Code 2253.021(c)*

**Failure to Obtain
Payment Bond**

If a district fails to obtain from a prime contractor a payment bond as required above:

1. The district is subject to the same liability that a surety would have if the surety had issued a payment bond and if the district had obtained the bond; and
2. A payment bond beneficiary is entitled to a lien on money due to the prime contractor in the same manner and to the same extent as if the public work contract were subject to Property

Code Chapter 53, Subchapter J (Lien on Money Due Public Works Contractor).

Gov't Code 2253.027(a)

Bond for Insured
Loss

A district shall ensure that an insurance company that is fulfilling its obligation under a contract of insurance by arranging for the replacement of a loss, rather than by making a cash payment directly to the district, furnishes or has furnished by a contractor:

1. A performance bond as described above for the benefit of a district; and
2. A payment bond, as described above for the benefit of the beneficiaries described above.

If the payment bond is not furnished, the district is subject to the same liability that a surety would have if the surety had issued the payment bond and the district had required the bond to be provided.

The bonds required to be furnished by the provisions above shall be furnished before the contractor begins work. It is an implied obligation under a contract of insurance for the insurance company to furnish these bonds.

*Exception to
Bond
Requirement*

These provisions do not apply to a district when a surety company is complying with an obligation under a bond that had been issued for the benefit of the district.

Gov't Code 2253.022

**Prevailing Wage on
Public Works**

"Worker" includes a laborer or mechanic. *Gov't Code 2258.001(3)*

A worker employed on a public work by or on behalf of a district shall be paid:

1. Not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the work is performed; and
2. Not less than the general prevailing rate of per diem wages for legal holiday and overtime work.

The requirements above do not apply to maintenance work. A worker is employed on a public work for purposes of this provision if the worker is employed by a contractor or subcontractor in the execution of a contract for public work with a district.

Gov't Code 2258.021

For a contract for a public work awarded by a district, the board shall determine the general prevailing rate of per diem wages in the district for each craft or type of worker needed to execute the contract and the prevailing rate for legal holiday and overtime work by:

1. Conducting a survey of the wages received by classes of workers employed on projects of a character similar to the contract work in the district in which the public work is to be performed; or
2. Using the prevailing wage rate as determined by the U.S. Department of Labor in accordance with the Davis-Bacon Act (40 U.S.C. Section 276a et seq.), and its subsequent amendments.

The board shall determine the general prevailing rate of per diem wages as a sum certain, expressed in dollars and cents. A board shall specify in the call for bids for the contract and in the contract itself the wage rates determined under these provisions. The board's determination of the general prevailing rates of per diem wages is final.

Gov't Code 2258.022(a), (c)–(e)

Government Code 2258.022(b) applies to a public work located in a county bordering the United Mexican States or in a county adjacent to a county bordering the United Mexican States. *Gov't Code 2258.022(b)*

Enforcement

A board awarding a contract, and an agent or officer of the board, shall:

1. Take cognizance of complaints of all violations of Government Code Chapter 2258 committed in the execution of the contract; and
2. Withhold money forfeited or required to be withheld under Government Code Chapter 2258 from the payments to the contractor under the contract, except that the board may not withhold money from other than the final payment without a determination by the board that there is good cause to believe that the contractor has violated Government Code Chapter 2258.

On receipt of information, including a complaint by a worker, concerning an alleged violation of Government Code 2258.023 [see Penalty for Noncompliance, below] by a contractor or subcontractor, a board shall make an initial determination as to whether good cause exists to believe that the violation occurred. A board must

make its determination before the 31st day after the date the board receives the information. A board shall notify in writing the contractor or subcontractor and any affected worker of its initial determination.

Gov't Code 2258.051-.052(a)-(c)

Retainage and
Reimbursement

A board shall retain any amount due under the contract pending a final determination of the violation. *Gov't Code 2258.052(d)*

Note: Arbitration of unresolved issues is governed by Government Code 2258.053-.055.

A board shall use any amounts retained under Government Code Chapter 2258 to pay the worker the difference between the amount the worker received in wages for labor on the public work at the rate paid by the contractor or subcontractor and the amount the worker would have received at the general prevailing rate as provided in the arbitrator's award. The board may adopt rules, orders, or ordinances relating to the manner in which the reimbursement is made. *Gov't Code 2258.056(a)-(b)*

Penalty for
Noncompliance

The contractor who is awarded a contract by a district or a subcontractor of the contractor shall pay not less than the rates determined under these provisions to a worker employed by it in the execution of the contract. A contractor or subcontractor who violates this provision shall pay to the district on whose behalf the contract is made, \$60 for each worker employed for each calendar day or part of the day that the worker is paid less than the wage rates stipulated in the contract. A board awarding a contract shall specify this penalty in the contract. A contractor or subcontractor does not violate this section if a board awarding a contract does not determine the prevailing wage rates and specify the rates in the contract as required by these provisions. The board shall use any money collected under this provision to offset the costs incurred in the administration of Government Code Chapter 2258. *Gov't Code 2258.023*

Criminal Offense

An officer, agent, or representative of a district commits an offense if the person willfully violates or does not comply with a provision of Government Code 2258. *Gov't Code 2258.058(a)*

**Required Workers'
Compensation
Coverage**

A district that enters into a building or construction contract shall require the contractor to certify in writing that the contractor provides workers' compensation insurance coverage for each employee of the contractor employed on the public project. Each subcontractor shall provide such a certificate relating to coverage of the subcontractor's employees to the general contractor, who shall provide the

subcontractor's certificate to the district. *Labor Code 406.096(a)–(b)*

A district that enters into a building or construction contract on a project shall:

1. Include in the bid specifications all the duties and responsibilities of contractors pertaining to required workers' compensation coverage, using the language required by 28 Administrative Code 110.110(c)(7).
2. As part of the contract, using the language required by 28 Administrative Code 110.110(c)(7), require the contractor to perform the duties and responsibilities pertaining to required workers' compensation coverage as set out in 28 Administrative Code 110.110(d).
3. Obtain from the contractor a certificate of coverage for each person providing services on the project, prior to that person beginning work on the project.
4. Obtain from the contractor a new certificate of coverage showing extension of coverage:
 - a. Before the end of the current coverage period, if the contractor's current certificate shows that the coverage period ends during the duration of the project; and
 - b. No later than seven days after the expiration of the coverage for each other person providing services on the project whose current certificate shows that the coverage period ends during the duration of the project.
5. Retain certificates of coverage on file for the duration of the project and for three years thereafter.
6. Provide a copy of the certificate of coverage to the Texas Department of Insurance, Division of Workers' Compensation upon request and to any person entitled to a copy by law.
7. Use the language contained in 28 Administrative Code 110.110(c)(7) for bid specifications and contracts, without any additional words or changes, except those required to accommodate the specific document in which they are contained or to impose stricter standards of documentation.

28 TAC 110.110(c)

Exception

This coverage requirement does not apply to sole proprietors, partners, and corporate officers who meet the requirements of Labor

Code 406.097(c), and who are explicitly excluded from coverage in accordance with Labor Code 406.097(a). *28 TAC 110.110(i)*

Government Code Chapter 2269 may be enforced through an action for declaratory or injunctive relief filed not later than the 15th day after the date on which the contract is awarded. *Gov’t Code 2269.452*

Defects in Facilities

A district that brings an action for recovery of damages for the defective design, construction, renovation, or improvement of a district facility financed by bonds shall provide the commissioner with written notice of the action by registered or certified mail, return receipt requested, not later than the 30th day after the date the action is filed. If the district fails to comply with this provision, the court or an arbitrator or other adjudicating authority shall dismiss the action without prejudice. The dismissal of an action under this provision extends the statute of limitations on the action for a period of 90 days.

The notice must include a copy of the petition and an itemized list of the defects in the design, construction, renovation, or improvement for which the district is seeking damages under the action.

In an action involving an instructional facility financed by bonds for which the district receives state assistance under Education Code Chapter 46, Subchapter A (Instructional Facilities Allotment), the commissioner may join in the action on behalf of the state to protect the state’s share in the action.

A district that brings an action under these provisions shall use the net proceeds from the action for:

1. The repair of the defective design, construction, renovation, or improvement of the facility on which the action is brought, including the repair of any ancillary damage to furniture and fixtures;
2. The replacement of the facility on which the action is brought;
3. The reimbursement of the district for a repair or replacement; or

Education Code 46.008 applies to the repair. A district shall provide to the commissioner an itemized accounting of any repairs made.

The state's share resulting from an action brought under these provisions involving an instructional facility financed by bonds for which the school district receives state assistance under Education Code Chapter 46, Subchapter A is state property. The district shall send to the comptroller any portion of the state's share not used by the district to repair the defective design, construction, renovation, or improvement of the instructional facility on which the action is brought or to replace the facility. Education Code 48.272 applies to the state's share.

"State's share" means an amount equal to the district's net proceeds from the recovery multiplied by a percentage determined by dividing the amount of state assistance under Education Code Chapter 46, Subchapter A used to pay the principal of and interest on bonds issued in connection with the instructional facility that is the subject of the action by the total amount of principal and interest paid on the bonds as of the date of the judgment or settlement.

Education Code 44.151

*Attorney General

In such an action, the attorney general may request and the court may order any other appropriate relief that is in the public interest, including payment of:

1. A civil penalty in an amount not to exceed \$20,000 for each violation;
2. The attorney general's reasonable costs for investigating and prosecuting the violation; or
3. If applicable, the amount of the state's share.

Education Code 44.152(a)–(b)

The district shall select the offeror that submits the proposal that offers the best value for the district based on:

1. The selection criteria in the request for proposal and the weighted value for those criteria in the request for proposal; and
2. Its ranking evaluation.

The district shall first attempt to negotiate a contract with the selected offeror. The district and its architect or engineer may discuss with the selected offeror options for a scope or time modification and any price change associated with the modification. If the district is unable to negotiate a satisfactory contract with the selected offeror, the district shall, formally and in writing, end negotiations with that offeror and proceed to the next offeror in the order of the

A superintendent shall provide the notice not later than the 30th instructional day after the date of the assignment of the inappropriately certified or uncertified teacher. A district shall make a good-faith effort to ensure that the notice is provided in a bilingual form to any parent or guardian whose primary language is not English. A district shall retain a copy of the notice and make information relating to teacher certification available to the public on request.

This statement must identify the person, the person's qualifications as a teacher, and the subject or class the person will teach. Validity of
Emergency Permit

The validity date of an activated and authorized emergency permit is specified in 19 Administrative Code 230.97 (Effective Dates of Certificates and Permit Issuance).

An emergency permit is valid for the remainder of the school year for which it is activated and authorized by SBEC. The emergency permit must be submitted to TEA within 45 instructional days from the date of assignment. A permit authorized by SBEC is valid for service only in the requesting district and only for the assignments indicated on the emergency permit application.

Effective with the 2017–18 school year, the employment of an individual on an emergency permit, with the exception of the assignment as a JROTC instructor or a teacher of students with visual impairments may not exceed one school year in the same assignment. [See One-Year Limitation, below]

Prior to the 2017–18 school year, the individual may serve in a specific assignment no more than one additional school year beyond the initial emergency permit. To continue beyond the initial emergency permit year, the individual must comply with the renewal provisions specified in 19 Administrative Code 230.81. [See Renewal Requirements and Procedures, below]

Effective with the 2017–18 school year, to continue employment in the assignment beyond the validity of the initial emergency permit, the individual must hold the appropriate certificate, in accordance with 19 Administrative Code, Chapter 231 (Requirements for Public School Personnel Assignments). An individual may not serve as a

classroom teacher of record in the district for more than three school years without obtaining initial, standard certification.

19 TAC 230.73

One-Year Limitation Effective with the 2017–18 school year, an emergency permit will limit an individual to one year of service and no renewal will be allowed.

Exceptions The one-year limitation does not apply to individuals serving in the position of Junior Reserve Officer Training Corps (JROTC) instructor or teachers of students with visual impairments.

As indicated in 19 Administrative Code 230.77(g)(4)(B), emergency permits for JROTC instructors must be reissued every year.

Emergency permits for teachers of students with visual impairments referenced in 19 Administrative Code 230.77(f)(2)(B) may be renewed a maximum of two years.

19 TAC 230.71(b), (c)

Renewal Requirements and Procedures Effective with the 2017–18 school year, these renewal provisions no longer apply for emergency permits, with the exception of teachers of students with visual impairments. *19 TAC 230.73(f)*

A superintendent, designee, or authorized representative may renew an emergency permit for the same assignment in the same district for which the initial emergency permit was activated.

No individual may continue in the same assignment for more than one school year of service on an emergency permit, except that emergency permits used fewer than 90 calendar days may be renewed for one additional year of service, if needed.

The total of semester credit hours or the equivalent contact hours required to obtain certification appropriate for the assignment shall determine the number of emergency permit renewals for which the individual may be eligible.

For six semester credit hours or less plus appropriate examination requirements, an individual is not eligible for renewal.

For seven semester credit hours or more plus appropriate examination requirements, an individual is eligible for one renewal.

The superintendent or his or her designee or authorized representative may renew an emergency permit provided the following requirements and procedures are met:

1. The emergency permit must be renewed for the same assignment in the same school district.

4. The appropriate renewal of the emergency permit application must be completed online prior to the beginning date of duties for the current school year.
5. The school district shall pay the appropriate fee.

Nonrenewable

A superintendent or designee may activate a nonrenewable permit for an individual who has not completed the appropriate examination requirements specified in 19 Administrative Code 230.21 (Educator Assessment).

A nonrenewable permit may be activated for an individual who:

1. Has completed all course and degree requirements of a Texas EPP except for successful completion of all appropriate examination requirements. Nonrenewable permits activated for individuals in this category expire 12 months from the date of activation; or
2. Holds a Texas teacher certificate with an effective date before February 1, 1986, but has not revalidated the certificate for employment purposes by passing an examination. The individual must not have been employed in a Texas school district since the start of the 1985–86 school year. A nonrenewable permit activated for an individual in this category expires six months from the date of activation or at the end of the school year, whichever is less.

A nonrenewable permit may not be activated for an individual in the same assignment area for which another permit had previously been authorized.

The superintendent, designee, or authorized representative must verify that an individual is eligible for the permit and submit the following information within 45 calendar days of assignment:

1. An application for a nonrenewable permit completed before the effective date of the assignment; and

2. The appropriate fee (payable by the district).

Educator Consent

A certified teacher must consent to the activation of an emergency permit and be advised of the conditions of the emergency permit.

A teacher who refuses to consent to activation of an emergency permit may not be terminated or nonrenewed or otherwise retaliated against because of the teacher's refusal to consent to the activation of the emergency permit. However, a teacher's refusal to consent shall not impair a district's right to implement a necessary reduction in force or other personnel actions in accordance with local policy.

However, a district is not required to provide the notice for ten school days before filling the position or to provide a reasonable opportunity to apply for the position. <i>Education Code 11.1513(e)</i>
Grievances	A district's employment policy must provide each employee with the right to present grievances to the board. The policy may not restrict the ability of an employee to communicate directly with a member of the board regarding a matter relating to the operation of

a district, except that the policy may prohibit ex parte communication relating to:

1. A hearing under Education Code Chapter 21, Subchapter E (Term Contracts) or F (Hearing Examiners); and

Minimum Length of Contract

A contract between a district and an educator must be for a minimum of ten months of service. An educator employed under a ten-month contract must provide a minimum of 187 days of service. *Education Code 21.401(a), (b)*

Proportionate Reduction

If a district anticipates providing less than 180 days of instruction for students during a school year, as indicated by the district's academic calendar, the district may reduce the number of days of service proportionately. A reduction by the district does not reduce an educator's salary. *Education Code 21.401(c-1)*

Commissioner Waiver

The commissioner of education may reduce the number of days of service if disaster, flood, extreme weather conditions, fuel curtailment, or another calamity causes the closing of schools. A reduction by the commissioner does not reduce an educator's salary. *Education Code 21.401(c), 25.081(b)*

A district that fails to attain a completed status for the monthly certified statement as required by 34 Administrative Code 31.2 shall pay to TRS, in addition to the required employer surcharges and any applicable penalty interest on the unpaid amounts, the late fee established in 34 Administrative Code 31.2(d) for each business day that the monthly certified statement fails to attain a completed status.

A district must verify employment eligibility, pursuant to the Immigration Reform and Control Act, and complete Form I-9 by the following dates:

1. Within three business days of initial hiring. If a district hires an individual for employment for a duration of less than three business days, the district must verify employment at the time of hire. A district shall not be deemed to have hired an individual if the individual is continuing in his or her employment and has a reasonable expectation of employment at all times. When a district rehires an individual, the district may, in lieu of completing a new I-9, inspect a previously completed I-9 executed within three years of the date of rehire, to determine whether the individual is still eligible to work.
2. For an individual whose employment authorization expires, not later than the date of expiration.

8 C.F.R. 274a.2(b)(1)(ii), (iii), (vii), (viii)

A district shall furnish to the Directory of New Hires (Texas Attorney General's Office) a report that contains the name, address, and social security number of each newly hired employee. The report shall also contain a district's name, address, and employer identification number.

A district may also provide, at its option, the employee's date of hire, date of birth, expected salary or wages, and the district's payroll address for mailing of notice to withhold child support.

A district shall report new hire information on a Form W-4 or an equivalent form, by first class mail, telephonically, electronically, or by magnetic media, as determined by the district and in a format acceptable to the attorney general.

Deadline

New hire reports are due:

1. Not later than 20 calendar days after the date a district hires the employee; or

A district shall not deny to any individual any right, benefit, or privilege provided by law because of the individual's refusal to disclose his or her social security number.

2. Any disclosure to a district maintaining a system of records in existence and operating before January 1, 1975, if such disclosure was required under statute or regulation adopted before such date to verify the identity of an individual; or

Prohibited**

Federal Law

A district that receives Title I funds shall have regulations or policies that prohibit any individual who is a school employee, contractor, or agent, or a district, from assisting a school employee in obtaining a new job, apart from the routine transmission of administrative and personnel files, if the individual or district knows, or has probable cause to believe, that such school employee engaged in sexual misconduct regarding a minor or student in violation of the law.

This requirement shall not apply if the information giving rise to probable cause has been properly reported to a law enforcement agency with jurisdiction over the alleged misconduct; and has been properly reported to any other authorities as required by federal, state, or local law, including Title IX of the Education Amendments of 1972 (20 U.S.C. 1681 et seq.) and the implementing regulations under Part 106 of Title 34, Code of Federal Regulations, or any succeeding regulations; and:

2. The school employee has been charged with and acquitted or otherwise exonerated of the alleged misconduct; or
3. The case or investigation remains open and there have been no charges filed against, or indictment of, the school employee within four years of the date on which the information was reported to a law enforcement agency.

2. The person knew that the other person has previously engaged in sexual misconduct with a minor or student in violation of the law.

The commissioner may require a school district to revoke or decline to issue a school district teaching permit under Education Code 21.055 issued to or requested by a person subject to SBEC action above.

A district must remit the amount required under this section to TRS at the same time the district remits the member's contribution. In computing the amount required to be remitted, a district shall include compensation paid to an employee for the entire pay period that contains the 90th calendar day of new employment.

During each payroll period for which a retiree is reported, a district shall contribute to the retirement system for each retiree reported an amount based on the retiree's salary equal to the sum of:

1. The current contribution amount that would be contributed by the retiree if the retiree were an active, contributing member; and

Contributions

In addition, each payroll period and for each rehired retiree who is enrolled in TRS Care (retiree group health insurance), a district shall contribute to the TRS Care trust fund an amount established by TRS. In determining the amount to be contributed by the district, TRS shall consider the amount a retiree is required to pay for the retiree and any enrolled dependents to participate in the group program and the full cost of the retiree's and enrolled dependents' participation in the group program. If more than one employer reports the retiree to TRS during a month, the amount of the required payment shall be prorated among employers. *Gov't Code 825.4092(c); Insurance Code 1575.204(b)*

No Recovery of
Costs

Exception

A district is not required to contribute these amounts for a retiree who retired from the retirement system before September 1, 2005. *Gov't Code 825.4092(e)*

Temporary
Exception

A district is not required to contribute these amounts for a retiree who retired from the retirement system after September 1, 2005, and is employed in a position described by Government Code 824.6021(a) performing duties related to the mitigation of student learning loss attributable to the coronavirus disease (COVID-19) pandemic. Decreasing Pay

The commissioner has held that a district may reduce educator compensation if it gives sufficient warning of a possible reduction in pay when educators can still unilaterally resign from their contracts. A sufficient warning must be both formal enough and specific enough to give educators a meaningful opportunity to decide whether to continue employment with a district. *Brajenovich v. Alief Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 021-R10-1106 (2009)*

Widespread Salary Reductions

The following provisions apply only to a widespread reduction in the amount of annual salaries paid to classroom teachers in a district based primarily on district financial conditions rather than on teacher performance.

For any school year in which a district has reduced the amount of the annual salaries paid to classroom teachers from the amount paid for the preceding school year, the district shall reduce the amount of the annual salary paid to each district administrator or other professional employee by a percent or fraction of a percent that is equal to the average percent or fraction of a percent by which teacher salaries have been reduced.

Education Code 21.4032

A board may not reduce salaries until the district has complied with the requirements at Education Code 21.4022 [see Salary Reduction/Furlough Process, below]. *Education Code 21.4022*

Furlough Program

In accordance with district policy [see DFFA], a board may implement a furlough program and reduce the number of days of service otherwise required under Education Code 21.401 [see DC] by not more than six days of service during a school year if the commissioner certifies that the district will be provided with less state and local funding for that year than was provided to the district for the 2010–11 school year. *Education Code 21.4021(a)*

A board may not implement a furlough program until the district has complied with the requirements at Education Code 21.4022 [see Salary Reduction/Furlough Process, below]. *Education Code 21.4022*

Funding Levels Not later than July 1 of each year, the commissioner shall determine for each district whether the estimated amount of state and local funding per student in weighted average daily attendance to be provided to the district under the Foundation School Program for maintenance and operations for the following school year is less than the amount provided to the district for the 2010–11 school year. If the amount estimated to be provided is less, the commissioner shall certify the percentage decrease in funding to be provided to the district. *Education Code 48.010*

Salaries Notwithstanding Education Code 21.402 (minimum salary schedule), a board may reduce the salary of an employee who is furloughed in proportion to the number of days by which service is reduced. Any reduction in the amount of the annual salary must be equally distributed over the course of the employee's current contract with the district.

Furlough Days A furlough program must subject all contract personnel to the same number of furlough days. An educator may not be furloughed on a day that is included in the number of days of instruction required under Education Code 25.081 [see EB]. Implementation of a furlough program may not result in an increase in the number of required teacher workdays. An educator may not use personal, sick, or any other paid leave while the educator is on a furlough.

Contract Resignation If a board adopts a furlough program after the date by which a teacher must give notice of resignation from a probationary, term, or continuing contract [see DFE], an employee who subsequently resigns is not subject to sanctions imposed by SBEC.

No Appeal A decision by a board to implement a furlough program is final and may not be appealed and does not create a cause of action or require collective bargaining.

Education Code 21.4021

Salary Reduction / Furlough Process A board may not implement a furlough program under Education Code 21.4021 or reduce salaries until the district has complied with the requirements below.

Employee Involvement A district must use a process to develop a furlough program or other salary reduction proposal, as applicable, that:

1. Information regarding the options considered for managing the district's available resources, including consideration of a tax rate increase and use of the district's available fund balance;
2. An explanation of how the district intends, through implementation of a furlough program or salary reductions, as applicable, to limit the number of district employees who will be discharged or whose contracts will not be renewed. Any explanation of a furlough program must state the specific number of furlough days proposed to be required; and
3. Information regarding the local option residence homestead exemption.

The public and district employees must be provided with an opportunity to comment at the public meeting.

**Incentive Grants—
Contract Provision**

A district shall provide in employment contracts that qualifying employees may receive an incentive payment under an awards program established under Education Code Chapter 21, Subchapter O (Educator Excellence Award Program and Educator Excellence Innovation Program) if the district participates in the program. A district shall indicate that any incentive payment distributed is considered a payment for performance and not an entitlement as part of an employee's salary. *Education Code 21.415*

**Educator Excellence
Innovation Program**

The Educator Excellence Innovation Program (EEIP) is a grant program under which a district may receive a competitive grant for the purposes of systematically transforming educator quality and effectiveness. The Texas Education Agency (TEA) will give priority to districts that receive Title I funding and have at a majority of district campuses a student enrollment that is at least 50 percent educationally disadvantaged.

Eligibility

A district is eligible to apply for EEIP grant funds if the district:

1. Completes and submits a Notice of Intent to Apply to TEA by the date established by the commissioner of education;
2. Complies with all assurances in the Notice of Intent to Apply and grant application;
3. Participates in the required technical assistance activities established by the commissioner, including establishing leadership teams, master teachers, mentor teachers, and instructional coaches and developing career pathways;
4. Agrees to participate for four years; and
5. Complies with any other activities set forth in the program requirements.

An eligible district must submit an application in a form prescribed by the commissioner. Each eligible applicant must meet all deadlines, requirements, and assurances specified in the application. The commissioner may waive any eligibility requirements as specified in 19 Administrative Code 102.1073.

Local Plan

An eligible district that intends to participate in the EEIP shall submit a local educator excellence innovation plan to TEA. A local educator excellence innovation plan must address the elements at 19 Administrative Code 102.1073(e)(2).

A district must act pursuant to its local board policy [see DEAA (LOCAL)] for submitting a local educator excellence innovation plan and grant application to TEA. A local decision to approve and

submit a plan and grant application may not be appealed to the commissioner.

A district may renew its local educator excellence innovation plan for three consecutive school years without resubmitting a full grant application to TEA. With TEA approval, a district may amend its local plan in accordance with 19 Administrative Code 102.1073(c) and (h) for each school year the district receives a program grant.

Use of Grant Funds

A district may use grant funds only to carry out purposes of the program as described at Education Code 21.7011, in accordance with the district's local plan, which may include the following specific methods or procedures:

1. Implementation and administration of a high-quality mentoring program for teachers in the first three years of classroom teaching using mentors who meet the qualifications prescribed by Education Code 21.458 [see Mentor Teachers, below];
2. Implementation of a teacher evaluation system using multiple measures that include:
 - a. The results of classroom observation, which may include student comments;
 - b. The degree of student educational growth and learning; and
 - c. The results of teacher self-evaluation;
3. To the extent permitted under Education Code Chapter 25, Subchapter C, restructuring of the school day or school year to provide for embedded and collaborative learning communities for the purpose of professional development [see EC];
4. Establishment of an alternative teacher compensation or retention system; and
5. Implementation of incentives designed to reduce teacher turnover.

Waiver Request

A district may apply to the commissioner in writing for a waiver to exempt the district or one or more district campuses from one or more of the statutory sections listed at Education Code 21.7061(a).

The application for the waiver must demonstrate:

1. Why waiving the identified section of the Education Code is necessary to carry out the purposes of the program;

2. Approval for the waiver by a vote of a majority of the members of the board;
3. Approval for the waiver by a vote of a majority of the educators employed at each campus for which the waiver is sought; and
4. Evidence that the voting occurred during the school year and in a manner that ensured that all educators entitled to vote had a reasonable opportunity to participate in the voting.

Neither the board nor the superintendent may compel a waiver of rights under Education Code 21.7061.

The commissioner's rules specify the requirements for districts to implement mentor training programs, including program requirements, application approval process, ongoing verification and compliance, allowable expenditures, and program review. *19 TAC 153.1011*

Assignment of Mentor

To be assigned as a mentor, a teacher must agree to serve as a mentor teacher for at least one school year. 4. Demonstrate interpersonal skills, instructional effectiveness, and leadership skills.

Education Code 21.458(b)

A district may allow the commissioner's research-based mentor and induction training program to qualify for the district's required training. The training must be completed by the mentor teacher and the district and campus employees before the beginning of the school year. A district shall also provide supplemental training to mentor teachers and employees during the school year. The training must include content related to best mentorship practices. *Education Code 21.458(b-1)*

Observations of the mentor by the classroom teacher being mentored or of the classroom teacher being mentored by the mentor may count toward the 12 hours of meeting time required for the semester.

Unless the district has created a mentoring curriculum as provided below, the mentoring sessions must address the following topics:

1. Orientation to the context, policies, and practices of the school district;
2. Data-driven instructional practices;
3. Specific instructional coaching cycles, including coaching regarding conferences between parents and the classroom teacher;

Temporary Disability Each full-time educator shall be given a leave of absence for temporary disability at any time the educator's condition interferes with the performance of regular duties. The contract or employment of the educator may not be terminated while the educator is on a leave of absence for temporary disability. Good Cause

SBEC may consider the following factors when an educator is reported to have abandoned a contract in violation of Education Code 21.105(c), 21.160(c), or 21.210(c):

1. Serious illness or health condition of the educator or close family member of the educator;
2. Relocation to a new city as a result of change in employer of the educator's spouse or partner who resides with the educator; or
3. Significant change in the educator's family needs that requires the educator to relocate or to devote more time than allowed by current employment.

Mitigating Factors

SBEC may consider the following factors when seeking, proposing, or making a decision regarding an educator who has abandoned a contract in violation of Education Code 21.105(c), 21.160(c), or 21.210(c):

1. Educator gave written notice to school district 30 days or more in advance of the first day of instruction for which the educator will not be present;
2. Educator assisted school district in finding a replacement educator to fill the position;
3. Educator continued to work until the school district hired a replacement educator;

5. Educator showed good faith in communications and negotiations with school district; or
6. Educator provided lesson plans for classes following educator's resignation.

that the educator may have abused or otherwise committed an unlawful act, was involved in a romantic relationship with, or solicited or engaged in sexual contact with a student or minor, despite the educator's resignation from employment before completion of the investigation. *Education Code 21.006(b-1); 19 TAC 249.14(d)(3)(C)*

TERMINATION OF EMPLOYMENT
RESIGNATION

DFE
(LOCAL)

**General
Requirements**

All resignations shall be submitted in writing to the Superintendent or other person designated by Board action in accordance with this policy. The employee shall give reasonable notice and shall include in the letter a statement of the reasons for resigning. A prepaid certified or registered letter of resignation shall be considered submitted upon mailing.

At-Will Employees

The Superintendent shall be authorized to accept the resignation of an at-will employee at any time. The Superintendent may delegate to other administrators the authority to accept a resignation of an at-will employee.

Contract Employees

The Superintendent or other person designated by Board action shall be authorized to receive a contract employee's resignation effective at the end of the school year or submitted after the last day of the school year and before the penalty-free resignation date. If an employee provides a resignation to a supervisor who has not been designated by the Board to accept resignations, the supervisor shall instruct the employee to submit the resignation to the Superintendent or other person designated by Board action. The resignation requires no further action by the District and is accepted upon receipt by the Superintendent or other person designated by Board action.

The Superintendent or other person designated by Board action shall be authorized to accept a contract employee's resignation submitted or effective at any other time. If an employee provides a resignation to a supervisor who has not been designated by the Board to accept resignations, the supervisor shall instruct the employee to submit the resignation to the Superintendent or other person designated by Board action. The Superintendent or other person designated by Board action shall either accept the resignation or submit the matter to the Board in order to pursue sanctions allowed by law.

**Withdrawal of
Resignation**

Once submitted and accepted, the resignation of a contract employee may not be withdrawn without consent of the Board.

**Employee Free
Speech**

District employees do not shed their constitutional rights to freedom of speech or expression at the schoolhouse gate.

However, neither an employee nor anyone else has an absolute constitutional right to use all parts of a school building or its immediate environs for unlimited expressive purposes. When a public employee makes statements pursuant to his or her official duties, the employee is not speaking as a citizen for First Amendment purposes, and the Constitution does not insulate the communications from employer discipline.

Garcetti v. Ceballos, 547 U.S. 410 (2006); *Tinker v. Des Moines Indep. Cmty. Sch. Dist.*, 393 U.S. 503 (1969) [See also GKD]

**Whistleblower
Protection**

A board or its agents shall not suspend or terminate the employment of, or take other adverse personnel action against, an employee who in good faith reports a violation of law by a district or another public employee to an appropriate law enforcement authority.

A “report” is made to an “appropriate law enforcement authority” if the authority is a part of a state or local governmental entity or the federal government that the employee in good faith believes is authorized to:

1. Regulate under or enforce the law alleged to be violated in the report; or
2. Investigate or prosecute a violation of criminal law.

Gov’t Code 554.002

A supervisor who suspends or terminates the employment of or takes an adverse personnel action against an employee for reporting a violation of law shall be subject to civil penalties. *Gov’t Code 554.008*

Definitions

“Employee” means an employee or appointed officer who is paid to perform services for a district. It does not include independent contractors. *Gov’t Code 554.001(4)*

“Law” means a state or federal statute, an ordinance of a local governmental entity, or a rule adopted under a statute or ordinance. *Gov’t Code 554.001(1)*

A “good faith” belief that a violation of the law occurred means that:

1. The employee believed that the conduct reported was a violation of law; and

2. The employee's belief was reasonable in light of the employee's training and experience.

Wichita County v. Hart, 917 S.W.2d 779 (Tex. 1996)

A "good faith" belief that a law enforcement authority is an appropriate one means:

1. The employee believed the governmental entity was authorized to:
 - a. Regulate under or enforce the law alleged to be violated in the report, or
 - b. Investigate or prosecute a violation of criminal law; and
2. The employee's belief was reasonable in light of the employee's training and experience.

Tex. Dep't of Transp. v. Needham, 82 S.W.3d 314 (Tex. 2002)

Whistleblower Complaints

An employee who alleges a violation of whistleblower protection may sue a district for injunctive relief, actual damages, court costs, and attorney's fees, as well as other relief specified in Government Code 554.003. *Gov't Code 554.003*

Initiate Grievance

Before suing, an employee must initiate action under a district's grievance policy or other applicable policies concerning suspension or termination of employment or adverse personnel action.

The employee must invoke a district's grievance procedure not later than the 90th day after the date on which the alleged suspension, termination, or other adverse employment action occurred or was discovered by the employee through reasonable diligence.

Legal Action

If a board does not render a final decision before the 61st day after grievance procedures are initiated, the employee may elect to:

1. Exhaust a district's grievance procedures, in which case the employee must sue not later than the 30th day after the date those procedures are exhausted to obtain relief under Government Code Chapter 554; or
2. Terminate district grievance procedures and sue within the timelines established by Government Code 554.005 and 554.006.

Gov't Code 554.005, 554.006 [See DGBA regarding grievance procedures]

EMPLOYEE RIGHTS AND PRIVILEGES

DG
(LEGAL)

Burden of Proof	If the employee brings a lawsuit, the employee has the burden of proof unless the suspension, termination, or adverse personnel action occurred within 90 days after the employee reported a violation of law, in which case the suspension, termination, or adverse personnel action is presumed, subject to rebuttal, to be because the employee made the report.
Affirmative Defense	<p>It is an affirmative defense to a whistleblower suit that the district would have taken the action against the employee that forms the basis of the suit based solely on information, observation, or evidence that is not related to the fact that the employee made a report protected under the whistleblower law.</p> <p><i>Gov't Code 554.004</i></p>
Notice of Rights	A board shall inform its employees of their rights regarding whistleblower protection by posting a sign in a prominent location in the workplace. The design and content of the sign shall be as prescribed by the attorney general. <i>Gov't Code 554.009</i>
Right to Report a Crime	A district employee may report a crime witnessed at the school to any peace officer with authority to investigate the crime. A person may sue for injunctive relief, damages, or both if the person is suspended or terminated from the person's employment; is discriminated against; or suffers any other adverse employment action.

A district employee who has a cause of action under the provisions at Whistleblower Protection, above, may not bring an action under Protection for Reporting Child Abuse.

Family Code 261.110(a)–(c), (l)

**Protection from
Disciplinary
Proceedings**

For purposes of the following provisions, "disciplinary proceeding" means discharge or suspension of a professional employee, or termination or nonrenewal of a professional employee's term contract. [See DGC regarding immunity] *Education Code 22.0512(b)*

Reporting Child
Abuse or
Maltreatment

A district employee may not be subject to any disciplinary proceeding resulting from an action taken in compliance with Education Code 38.0041 [prevention of child abuse and other maltreatment, see FFG]. *Education Code 38.0041(g)*

Use of Physical
Force

A professional employee may not be subject to disciplinary proceedings for the employee's use of physical force against a student to the extent justified under Penal Code 9.62. This provision does not prohibit a district from enforcing a policy relating to corporal punishment or bringing a disciplinary proceeding against a professional employee of the district who violates the district policy relating to corporal punishment. *Education Code 22.0512(a); Tex. Att'y Gen. Op. GA-0202 (2004)*

Penal Code 9.62 provides that the use of force, other than deadly force, against a person is justified:

1. If the actor is entrusted with the care, supervision, or administration of the person for a special purpose; and
2. When and to the degree the actor reasonably believes the force is necessary to further the special purpose or to maintain discipline in a group.

Penal Code 9.62

**Failure to Follow
Scope and Sequence**

A district may not penalize a teacher who does not follow a recommended or designated scope and sequence for a subject in the required curriculum under Education Code 28.002(a) in a particular grade level based on the teacher's determination that the teacher's students need more or less time in a specific area to demonstrate proficiency in the essential knowledge and skills for that subject and grade level [see EHAA].

A district may take appropriate action with respect to a teacher for conduct described above based on documented evidence of a deficiency in classroom instruction obtained through observation or substantiated and documented third-party information.

Education Code 28.0027(b), (c)

**Instructional
Materials and
Technological
Equipment**

A board may not require an employee who acts in good faith to pay for instructional materials or technological equipment that is damaged, stolen, misplaced, or not returned. An employee may not waive this provision by contract or any other means.

Exception

A district may enter into a written agreement with an employee whereby the employee assumes financial responsibility for electronic instructional material or technological equipment usage off school property or outside of a school-sponsored event in consideration for the ability of the employee to use the electronic instructional material or technological equipment for personal business.

The written agreement shall be separate from the employee's contract of employment, if applicable, and shall clearly inform the employee of the amount of the financial responsibility and advise the employee to consider obtaining appropriate insurance. An employee may not be required to enter into such an agreement as a condition of employment.

Note: For requirements for any social studies course in the required curriculum, including requirements for student discussion, see EMB.

Jury Duty

A district may not discharge, threaten to discharge, intimidate, or coerce any permanent employee because the employee serves as a juror or grand juror, or for the employee's attendance or scheduled attendance in connection with the service, in any court in the United States. An employee who is discharged, threatened with discharge, intimidated, or coerced is entitled to return to the same employment that the employee held when summoned for jury or grand jury service if the employee, as soon as practical after release from jury or grand jury service, gives the employer actual notice that the employee intends to return. *Civ. Prac. and Rem. Code 122.001*

A district may not discharge, discipline, reduce the salary of, or otherwise penalize or discriminate against a school district employee because of the employee's compliance with a summons to appear as a juror. For each regularly scheduled workday on which a nonsalaried employee serves in any phase of jury service, a school district shall pay the employee the employee's normal daily compensation [see DEC]. *Education Code 22.006(a), (b)*

**Breaks for Nursing Mothers—
Nonexempt Employees**

A district shall provide a nonexempt employee a reasonable break to express breast milk, each time the employee needs to express breast milk for her nursing child, for one year after the child's birth. The district shall provide a place, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public, which may be used by an employee to express breast milk.

A district is not required to compensate the employee receiving reasonable break time for any work time spent for such purpose.

A district that employs fewer than 50 employees is not subject to these requirements if the requirements would impose an undue hardship by causing the district significant difficulty or expense when considered in relation to the size, financial resources, nature, or structure of the district.

29 U.S.C. 207(r)

Right to Express Breast Milk

A district employee is entitled to express breast milk at the employee's workplace. *Gov't Code 619.002*

The district shall develop a written policy on the expression of breast milk by employees under Government Code Chapter 619. The policy must state that the district shall support the practice of expressing breast milk and make reasonable accommodations for the needs of employees who express breast milk.

A district shall provide a reasonable amount of break time for an employee to express breast milk each time the employee has need to express the milk. The district shall provide a place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk.

A district may not suspend or terminate the employment of, or otherwise discriminate against, an employee because the employee has asserted the employee's rights under Government Code Chapter 619. Government Code Chapter 619 does not create a private or state cause of action against a district.

Gov't Code Ch. 619

1. Make a contribution to a charitable organization or in response to a fund-raiser; or

2. Constitutes a minor incident, as defined at Occupations Code 301.419; or
3. Would violate Occupations Code Chapter 301 or a rule of the Board of Nurse Examiners, if the nurse notifies the district at the time of the refusal that this is the reason for refusing to engage in the act or omission.

Occupations Code 301.352(a)

A district with a student enrollment of 190,000 or more may begin instruction for students for a school year on or after the first Monday in August at a campus or at not more than 20 percent of the campuses in the district if:

1. The district at the beginning of the school year provides, financed with local funds, days of instruction for students at the campus or at each of the multiple campuses, in addition to the minimum number of days of instruction required under Education Code 25.081;

Education Code 25.0811

Length of School Year

Each school year, a district shall operate for at least 75,600 minutes, including time allocated for instruction, intermissions, and recesses for students.

Exceptions

The commissioner of education may approve the operation of schools for fewer than the number of minutes specified above when disaster, flood, extreme weather conditions, fuel curtailments, or other calamities have caused the closing of schools.

If the commissioner does not approve reduced operation time, a district may add additional minutes to the end of the district's normal school hours as necessary to compensate for minutes lost due to school closures caused by disaster, flood, extreme weather conditions, fuel curtailment, or another calamity.

Education Code 25.081

The commissioner shall provide for a waiver allowing for fewer minutes of operation and instructional time than required for a district that requires each educator employed by the district to attend an approved school safety training course. *Education Code 25.0815(a)*

Last Day of School A district may not schedule the last day of school for students for a school year before May 15. However, a district that does not offer each grade level from kindergarten through grade 12 and whose prospective or former students generally attend school in another state for the grade levels the district does not offer may schedule the last day of school on any date permitted under Texas law or the law of the other state. *Education Code 25.0812*

Optional Flexible Year Program To enable a school district to provide additional instructional days for an optional extended year program [see EHBC], the school district may, with the approval of the commissioner, provide a number of days of instruction during the regular school year that is not more than ten days fewer than 180 days. *Education Code 29.0821(b)(1)*

No Instruction on Memorial Day A district may not provide student instruction on Memorial Day. If a district would be required to provide student instruction on Memorial Day to compensate for minutes of instruction lost because of school closures caused by disaster, flood, extreme weather conditions, fuel curtailment, or another calamity, the commissioner shall approve the instruction of students for fewer than the required number of minutes. *Education Code 25.081(f)*

Reduction of Funding The commissioner may proportionally reduce the amount of funding a district receives under Education Code, Chapters 46, 48, or 49 and the average daily attendance calculation for the district if the district operates on a calendar that provides fewer minutes of operation than required. *Education Code 25.081(f)*

**Instructional
Materials**

Instructional materials selected for use in the public schools shall be furnished without cost to students attending those schools. A district may use the model form to comply with the requirements for an IEP under 20 U.S.C. 1414(d). *Education Code 29.005(f), .0051*

IEP Supplement

For each child who was enrolled in a district's special education program during the 2019–20 school year or the 2020–21 school year, the district is required to prepare a supplement to be included with the written statement of the IEP. For more information about the required supplement, see Education Code 29.0052 and the commissioner rules, when adopted. This requirement expires September 1, 2023. *Education Code 29.0052*

The ARD committee of a student approved for participation in the supplemental special education services and instructional materials program shall provide to the student's parent at an ARD committee meeting for the student:

1. Information regarding the types of supplemental special education services available under the program and provided by agency-approved providers for which an account maintained under Education Code 29.042(b) for the student may be used; and

Education Code 29.048

Behavioral
Intervention Plan

The ARD committee may determine that a behavior improvement plan or a behavioral intervention plan (BIP) is appropriate for a student for whom the committee has developed an IEP. If the committee makes that determination, the BIP shall be included as part of the student's IEP and provided to each teacher with responsibility for educating the student. *Education Code 29.005(g); 19 TAC 89.1055(g)*

If a behavior improvement plan or a behavioral intervention plan is included as part of a student's individualized education program, the committee shall review the plan at least annually and more frequently if appropriate to address the safety of the student or others or changes in a student's circumstances that may impact the student's behavior, such as:

Translation of IEP
into Native
Language

If the parent is unable to speak English and Spanish is the parent's native language, a district shall provide a written or audiotaped copy of the student's IEP translated into Spanish. If the parent's native language is other than Spanish or English, a district shall make a good faith effort to provide a written or audiotaped copy of the student's IEP translated into the parent's native language. *Education Code 29.005(d)*

A written copy of the student's IEP translated into Spanish or the parent's native language means that all of the text in the student's IEP in English is accurately translated into the target language in written form. The IEP translated into the target language must be a comparable rendition of the IEP in English and not a partial translation or summary of the IEP in English.

An audio recording of the student's IEP translated into Spanish or the parent's native language means that all of the content in the student's IEP in English is orally translated into the target language

and recorded with an audio device. A district is not prohibited from providing the parent with an audio recording of an ARD committee meeting at which the parent was assisted by an interpreter as long as the audio recording provided to the parent contains an oral translation into the target language of all of the content in the student's IEP in English.

If a parent's native language is not a written language, the district must take steps to ensure that the student's IEP is translated orally or by other means to the parent in his or her native language or other mode of communication.

Under 34 C.F.R. 300.322(f), a district must give a parent a written copy of the student's IEP at no cost to the parent. A school district meets this requirement by providing a parent with a written copy of the student's IEP in English or by providing a parent with a written translation of the student's IEP in the parent's native language as provided above.

2. Daily schedules reflecting minimal unstructured time and active engagement in learning activities;
3. In-home training and community-based training or viable alternatives that assist the student with the acquisition of social/behavioral skills;
4. Positive behavior support strategies based on relevant information;
5. Beginning at any age, futures planning for integrated living, work, community, and educational environments that considers skills necessary to function in current and postsecondary environments;
6. Parent/family training and support, provided by qualified personnel with experience in Autism Spectrum Disorders (ASD);
7. Suitable staff-to-student ratio appropriate to identified activities and as needed to achieve social/behavioral progress

based on the student's developmental and learning level (acquisition, fluency, maintenance, generalization) that encourages work towards individual independence;

8. Communication interventions, including language forms and functions that enhance effective communication across settings;
9. Social skills supports and strategies based on social skills assessment/curriculum and provided across settings;
10. Professional educator/staff support; and
11. Teaching strategies based on peer-reviewed, research-based practices for students with ASD.

If the ARD committee determines that services are not needed in one or more of the areas in 1–11 above, the IEP shall include a statement reflecting that decision and the basis upon which the determination was made.

*Collaborative
Process*

All members of the ARD committee shall have the opportunity to participate in a collaborative manner in developing the IEP. Decisions of the ARD committee concerning the required elements of the IEP shall be made by mutual agreement, if possible. The ARD committee may agree to an annual IEP or an IEP of shorter duration.

Ten-Day Recess

When mutual agreement about all required elements of the IEP is not achieved, the parent who disagrees must be offered a single opportunity to recess and reconvene the ARD committee meeting. The period of time for reconvening the ARD committee meeting must not exceed ten school days, unless the parties mutually agree otherwise. The ARD committee must schedule the reconvened meeting at a mutually agreed upon time and place. The opportunity to recess and reconvene is not required when:

1. The student's presence on campus represents a danger of physical harm to the student or others;
2. The student has committed an expellable offense; or

3. The student has committed an offense that may lead to placement in a disciplinary alternative education program. [See FOF]

These requirements do not prohibit the ARD committee from recessing an ARD committee meeting for reasons other than the failure to reach mutual agreement about all required elements of an IEP.

During the recess, the ARD committee members must consider alternatives, gather additional data, prepare further documentation, and/or obtain additional resource persons who may assist in enabling the ARD committee to reach mutual agreement.

Failure to Reach Agreement

If a recess is implemented and the ARD committee still cannot reach mutual agreement, a district shall implement the IEP it has determined to be appropriate for the student. Each member of the ARD committee who disagrees with the IEP developed by the ARD committee is entitled to include a statement of disagreement in the IEP.

If the IEP is not developed by agreement, the written statement of the program must include the basis of the disagreement. Each member of the ARD committee who disagrees with the IEP developed by the committee is entitled to include a statement of disagreement in the written statement of the program.

Education Code 29.005(c); 19 TAC 89.1050(g)

Modification of Existing IEP

Changes to the IEP may be made either by the entire ARD committee or by amending the IEP by agreement, rather than redrafting the entire IEP.

After the annual IEP meeting for a school year, the parent and district may agree not to convene an IEP meeting for the purposes of making changes to the IEP and instead may develop a written document to amend or modify the child's current IEP.

Upon request, a parent shall be provided with a revised copy of the IEP with amendments incorporated.

To the extent possible, a district shall encourage the consolidation of reevaluation meetings for the child and other ARD meetings for the child.

20 U.S.C. 1414(d)(3)(D)-(F); 34 C.F.R. 300.324(a)(4)-(6)

Teacher Access to IEP

Each district must ensure that each teacher who provides instruction to a student with a disability has access to relevant sections of the student's current IEP, is informed of the teacher's specific re-

sponsibilities related to implementation of the IEP, and has an opportunity to request assistance regarding implementation of the student's IEP. *19 TAC 89.1075(c)*

Teacher Request to Review IEP

Each district shall develop a process to be used by a teacher who instructs a student with a disability in a regular classroom setting:

1. To request a review of the student's IEP;
2. To provide input in the development of the student's IEP;
3. That provides for a timely district response to the teacher's request; and
4. That provides for notification to the student's parent or legal guardian of that response.

Education Code 29.001(11); 19 TAC 89.1075(d)

A district shall establish a process for identifying and serving gifted and talented students and shall establish a program for those students in each grade level. Under this provision, a district may establish a shared services arrangement with other districts.

A district shall adopt a policy regarding the use of funds to support the district's program for gifted and talented students.

Education Code 29.122

1. Instructional and organizational patterns that enable identified students to work together as a group, to work with other students, and to work independently.
2. A continuum of learning experiences that leads to the development of advanced-level products and performances.
3. In-school, and when possible, out-of-school options relevant to the student's area of strength that are available during the entire school year.

Education Allotment**

Census Block

On a schedule determined by the commissioner of education and in accordance with Education Code 48.104, each district shall report to the agency the census block group in which each student enrolled in the district who is educationally disadvantaged resides.
Education Code 48.104(i)

Use

At least 55 percent of the district's compensatory education funds must be used to:

1. Fund supplemental programs and services, including services provided by an instructional coach, designed to eliminate any disparity in performance on assessment instruments administered under Education Code Chapter 39, Subchapter B or disparity in the rates of high school completion between:
 - a. Students who are educationally disadvantaged and students who are not educationally disadvantaged; and
 - b. Students at risk of dropping out of school, as defined below, and all other students; or
2. Support a program eligible under Title I of the Elementary and Secondary Education Act of 1965 [see AID], and its subsequent amendments, and by federal regulations implementing that Act.

Education Code 48.104(k)

Dropout Prevention
Strategies

A district with a high dropout rate, as determined by the commissioner, shall submit a plan to the commissioner describing the manner in which the district intends to use its compensatory education allotment for developing and implementing research-based strategies for dropout prevention.

A district shall submit the plan not later than December 1 of each school year preceding the school year in which the district will receive the compensatory education allotment to which the plan applies.

A district may not spend or obligate more than 25 percent of the district's compensatory education allotment unless the commissioner approves the plan.

A district's plan shall:

1. Design a dropout recovery plan that includes career and technology education courses or technology applications courses that lead to industry or career certification;

2. Integrate into the dropout recovery plan research-based strategies to assist students in becoming able academically to pursue postsecondary education, including:
 - a. High-quality, college readiness instruction with strong academic and social supports;
 - b. Secondary to postsecondary bridging that builds college readiness skills, provides a plan for college completion, and ensures transition counseling; and
 - c. Information concerning appropriate supports available in the first year of postsecondary enrollment to ensure postsecondary persistence and success, to the extent funds are available for the purpose; and
3. Plan to offer advanced academic and transition opportunities, including dual credit courses and college preparatory courses, such as advanced placement courses.

A district may enter into a partnership with a public junior college in accordance with Education Code 29.402 [see GNC] in order to fulfill a plan.

Any program designed to fulfill a plan must comply with the requirements of Education Code 29.081(e) and (f).

Education Code 29.918

**Educationally
Disadvantaged
Students**

Student Eligibility

To be considered educationally disadvantaged in order to be counted to generate the compensatory education allotment pursuant to Education Code 48.104, a student must meet the income requirements for eligibility under the National School Lunch Program (NSLP), authorized by 42 U.S.C. 1751, et seq.

Districts may use the following approved methods for the purpose of receiving the compensatory education allotment pursuant to Education Code 48.104:

1. Parent certification, where the parent or guardian asserts meeting the income requirements for eligibility;
2. Direct certification, where the process by which eligible children are certified for free meals without the need for a household application based on household participation in one or more federal assistance programs; or
3. Direct verification, where public records are used to verify a student's eligibility for free or reduced-price meals when verification of student eligibility is required.

19 TAC 61.1027(a)

Virtual School
Network

Districts must request prior approval from the commissioner to claim students receiving a full-time virtual education through the state virtual school network in their counts of educationally disadvantaged students. The request must include a plan detailing the enhanced services to be delivered to full-time state virtual school network students and submitted in a manner and with a deadline specified by the commissioner. *19 TAC 61.1027(b)(3)(B)*

**Designing and
Implementing
Services**

A district shall use student performance data from state basic skills assessment instruments and achievement tests to design and implement appropriate compensatory, intensive, or accelerated instructional services for students in the district's schools that enable the students to perform at grade level at the conclusion of the next regular school term. *Education Code 29.081(a)*

**Services After
Unsatisfactory
Performance on
State Assessments**

Accelerated
Learning Committee

A district shall establish an accelerated learning committee for each student who does not perform satisfactorily on the following state assessment instruments [see EKB]:

1. The third grade mathematics or reading assessment;
2. The fifth grade mathematics or reading assessment; or
3. The eighth grade mathematics or reading assessment.

Education Code 28.0211(a)

Composition

The accelerated learning committee shall be composed of the principal or the principal's designee, the student's parent or guardian, and the teacher of the subject of an assessment instrument on which the student failed to perform satisfactorily. The district shall notify the parent or guardian of the time and place for convening the accelerated learning committee and the purpose of the committee. *Education Code 28.0221(c)*

Educational Plan

An accelerated learning committee shall, not later than the start of the subsequent school year, develop an educational plan for the student that provides the necessary accelerated instruction to enable the student to perform at the appropriate grade level by the conclusion of the school year. The educational plan must be documented in writing, and a copy must be provided to the student's parent or guardian.

During the school year, the student shall be monitored to ensure that the student is progressing in accordance with the educational plan. The district shall administer to the student the assessment instrument for the grade level in which the student is placed at the time the district regularly administers the assessment instruments for that school year.

The board shall adopt a policy consistent with the grievance procedure adopted under Education Code 26.011 [see FNG] to allow a parent to contest the content or implementation of an educational plan.

Education Code 28.0211(f)–(f-3)

*Failure in a
Subsequent
School Year*

If a student who fails to perform satisfactorily on the third, fifth, or eighth grade math or reading assessment fails in the subsequent school year to perform satisfactorily on an assessment instrument in the same subject, the superintendent, or the superintendent's designee, shall meet with the student's accelerated learning committee to:

1. Identify the reason the student did not perform satisfactorily; and

2. Determine, in order to ensure the student performs satisfactorily on the assessment instrument at the next administration of the assessment instrument, whether the educational plan developed for the student must be modified to provide the necessary accelerated instruction for that student and any additional resources are required for that student.

The superintendent's designee may be an employee of a regional education service center and may not be a person who served on the student's accelerated learning committee.

Education Code 28.0211(f-4)–(f-5)

ARD Meeting

The admission, review, and dismissal (ARD) committee of a student who does not perform satisfactorily on a third, fifth, or eighth grade math or reading assessment must meet to determine the manner in which the student will participate in an accelerated instruction program. *Education Code 28.0211(i)*

Parent Request

Each district shall establish a process allowing for the parent or guardian of a student who fails to perform satisfactorily on a third, fifth, or eighth grade math or reading assessment to make a request for district consideration that the student be assigned to a particular classroom teacher in the applicable subject area for the subsequent school year, if more than one classroom teacher is available. *Education Code 28.0211(a-5)*

*Classroom
Assignment*

A student who fails to perform satisfactorily on a third, fifth, or eighth grade math or reading assessment and is promoted to the next grade level must be assigned in the subsequent school year in each subject in which the student failed to perform satisfactorily on the applicable assessment instrument to an appropriately certified teacher who meets all state and federal qualifications to teach that subject and grade.

In a manner consistent with federal law and notwithstanding any other law, the commissioner may waive the requirement regarding the assignment of a student to an appropriately certified classroom teacher on the request of a district.

Education Code 28.0211(n)–(n-1)

Accelerated
Instruction

Each time a student fails to perform satisfactorily on a state assessment instrument in the third, fourth, fifth, sixth, seventh, or eighth grade [see EKB], the district in which the student attends school shall provide to the student accelerated instruction in the applicable subject area during the subsequent summer or school year and either:

1. Allow the student to be assigned a classroom teacher who is certified as a master, exemplary, or recognized teacher under the local optional teacher designation system [see DEAA] for the subsequent school year in the applicable subject area; or
2. Provide the student supplemental instruction under Education Code 28.0211(a-4) [see below].

*Participation
Requirements*

Accelerated instruction provided during the following school year may require participation of the student before or after normal school hours.

In providing accelerated instruction, a district may not remove a student, except under circumstances for which a student enrolled in the same grade level who is not receiving accelerated instruction would be removed, from:

1. Instruction in the foundation curriculum and enrichment curriculum adopted under Education Code 28.002 [see EHA series] for the grade level in which the student is enrolled; or
2. Recess or other physical activity that is available to other students enrolled in the same grade level.

*Supplemental
Instruction
Requirements*

If a district receives funding under Education Code 29.0881, the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (Div. M, Pub. L. No. 116-260), or the American Rescue Plan Act of 2021 (Pub. L. No. 117-2), then supplemental instruction provided by a district must:

2. Be provided in addition to instruction normally provided to students in the grade level in which the student is enrolled;
3. Be provided for no less than 30 total hours during the subsequent summer or school year and, unless the instruction is provided fully during summer, include instruction no less than once per week during the school year;
4. Be designed to assist the student in achieving satisfactory performance in the applicable grade level and subject area;
5. Include effective instructional materials designed for supplemental instruction;
6. Be provided to a student individually or in a group of no more than three students, unless the parent or guardian of each student in the group authorizes a larger group;

7. Be provided by a person with training in the applicable instructional materials for the supplemental instruction and under the oversight of the district; and
8. To the extent possible, be provided by one person for the entirety of the student's supplemental instruction period.

Education Code 28.0211(a-1)–(a-4)

Transportation

A district shall provide students required to attend the accelerated programs described above with transportation to those programs if the programs occur outside of regular school hours. *Education Code 28.0211(j)*

Notice to Parents of
Performance and
Accelerated
Instruction

Whenever a district is required to notify a parent or guardian about the requirements related to promotion and accelerated instruction, the district shall make a good-faith effort to ensure that the notice is provided either in person or by regular mail, is clear and easy to understand, and is written in English or in the parent or guardian's native language. *Education Code 28.0211 (h)*

Assessments Not
Required

Education Code 28.0211 does not require the administration of a fifth or eighth grade assessment instrument in a subject under Education Code 39.023(a) to a student enrolled in the fifth or eighth grade, as applicable, if the student:

1. Is enrolled in a course in the subject intended for students above the student's grade level and will be administered an assessment instrument adopted or developed under Education Code 39.023(a) [see EKB] that aligns with the curriculum for the course in which the student is enrolled; or
2. Is enrolled in a course in the subject for which the student will receive high school academic credit and will be administered an end-of-course assessment instrument [see EKB] for the course.

Notwithstanding any other provision of Education Code 28.0211, the student may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument not required to be administered to the student, nor may a student in grade 5 or grade 8 be denied promotion to the next grade on the basis of failure to perform satisfactorily on a reading or mathematics assessment instrument intended for use above the student's grade level.

Education Code 28.0211(o)–(p)

Accelerated
Instruction After
EOC Assessments

A district shall provide accelerated instruction to an enrolled student who has taken an end-of-course (EOC) assessment instrument and has not performed satisfactorily or who is at risk of dropping out of school.

A district shall offer before the next scheduled administration of the assessment instrument, without cost to the student, additional accelerated instruction to each student in any subject in which the student failed to perform satisfactorily on an end-of-course assessment instrument required for graduation.

A district that is required to provide accelerated instruction must separately budget sufficient funds for that purpose. [See CE]

A district shall evaluate the effectiveness of accelerated instruction programs and annually hold a public hearing to consider the results.

Education Code 29.081(b), (b-1), (b-2), (b-3), 39.025(b-1)

Each time a student fails to perform satisfactorily on an assessment instrument administered under Education Code 39.023(c), the district in which the student attends school shall provide to the student accelerated instruction in the applicable subject area.

Accelerated instruction may require participation of the student before or after normal school hours and may include participation at times of the year outside normal school operations and must comply with the requirements for accelerated instruction provided under Education Code 28.0211 [see above].

Education Code 28.0217

Effectiveness

A district shall evaluate and document the effectiveness of the accelerated instruction in reducing any disparity in performance on state assessment instruments or disparity in the rates of high school completion between students at risk of dropping out of school and all other district students. *Education Code 29.081(c)*

**Dropout Recovery
Education Programs**

A district may use a private or public community-based dropout recovery education program to provide alternative education programs for students at risk of dropping out of school. The program may be offered at a campus or through the use of an online program that leads to a high school diploma and prepares the student to enter the workforce. A campus-based dropout recovery education program must meet the criteria set forth at Education Code 29.081(e-1)(1)–(5). An online dropout recovery education program must meet the criteria set forth at Education Code 29.081(e-2)(1)–(8).

Students in attendance at a dropout recovery education program shall be included in a district's average daily attendance for funding purposes.

Education Code 29.081(e)–(f)

Communities in
Schools

An elementary or secondary school receiving funding under Education Code 33.156 shall participate in the Communities in Schools (CIS) program if the number of students enrolled in the school who are at risk of dropping out of school is equal to at least ten percent of the number of students in average daily attendance at the school, as determined by TEA. *Education Code 33.157*

**Optional Extended
Year Program**

A district may set aside an amount from the district's compensatory education allotment or may apply to the agency for funding of an extended year program. *Education Code 29.082(a); 19 TAC 105.1001*

**Optional Flexible

A district may provide an optional flexible year program (OFYP) for students who did not or are not likely to perform successfully on state assessment instruments or who would not otherwise be promoted to the next grade level. *Education Code 29.0821; 19 TAC 129.1029*

**Optional Flexible
School Day Program**

Notwithstanding Education Code 25.081 or 25.082, a district may apply to the commissioner to provide a flexible school day program (OFSDP) for students who:

1. Have dropped out of school or are at risk of dropping out of school as defined by Education Code 29.081;
2. Attend a campus that is implementing an innovative redesign of the campus or an early college high school under a plan approved by the commissioner; or
3. As a result of attendance requirements under Education Code 25.092, will be denied credit for one or more classes in which the students have been enrolled.

Education Code 29.0822

A district may apply to the commissioner to provide an OFSDP for students, in accordance with 19 Administrative Code 129.1027.

A board must approve the application. The board must include the OFSDP as an item on the regular agenda for a board meeting in compliance with 19 Administrative Code 129.1027(h)(2) before applying to operate an OFSDP. The application shall include the information described in 19 Administrative Code 129.1027.

19 TAC 129.1027(c)

Tutorial Services

A district may provide tutorial services at district schools. A district may provide an intensive after-school program or an intensive program during the period that school is recessed for the summer to provide mathematics and science instruction to:

1. Students who are not performing at grade level in mathematics or science to assist those students in performing at grade level;
2. Students who are not performing successfully in a mathematics course or science course to assist those students in successfully completing the course; or
3. Other students as determined by the district.

Before providing a program, a board must adopt a policy for:

1. Determining student eligibility for participating in the program that:
 - a. Prescribes the grade level or course a student must be enrolled in to be eligible; and
 - b. Provides for considering teacher recommendations in determining eligibility;

2. Ensuring that parents of or persons standing in parental relation to eligible students are provided notice of the program;
3. Ensuring that eligible students are encouraged to attend the program;
4. Ensuring that the program is offered at one or more locations in the district that are easily accessible to eligible students; and

A board shall obtain the consent of a student's parent or guardian before allowing the student to participate in the program.

Education Code 29.089

Accelerated Reading Instruction Program

A district shall implement an accelerated reading instruction program that provides reading instruction that addresses reading deficiencies to each student in kindergarten, first grade, or second grade who is determined, on the basis of reading instrument results [see EKC], to be at risk for dyslexia or other reading difficulties. The district shall determine the form, content, and timing of the program.

A district shall provide additional reading instruction and intervention to each student given the seventh grade reading assessment [see EKC], as appropriate to improve the student's reading skills in the relevant areas identified through the assessment instrument.

Education Code 28.006(g), (g-1)

The program shall be designed to:

1. Enable the student to:
 - a. To the extent practicable, perform at the student's grade level at the conclusion of the next regular school term; or

SPECIAL PROGRAMS

A student who does not meet district standards or policies for promotion on the basis of academic achievement or demonstrated proficiency of the subject matter of the course or grade level shall be eligible for services under the optional extended-year program. *19 TAC 105.1001(c)*

A student who attends at least 90 percent of the extended-year program days and who satisfies the requirements for promotion (academic achievement or demonstrated proficiency of the subject matter of the course or grade level) shall be promoted to the next grade level at the beginning of the next school year. However, if the student's parent presents a written request to the school principal asking that the student not be promoted, the principal shall hold a formal meeting with the parent, the teacher, and the school counselor, as soon as practicable after receiving such a request. During the meeting, the principal, teacher, or school counselor shall explain the possible effects of not promoting a student. If the parent withdraws the request after the meeting, the student shall be promoted, and the district shall continue to use innovative practices to ensure that the student is successful in school in succeeding school years.

If a district provides an extended-year program, it shall adopt a policy designed to lead to immediate reduction and ultimate elimination of student retention.

Education Code 29.082(e)–(f) [See EHBC]

Curriculum Mastery	Promotion and course credit shall be based on mastery of the curriculum. Expectations and standards for promotion shall be established for each grade level, content area, and course and shall be coordinated with compensatory, intensive, and/or accelerated services. [See EHBC] The District shall comply with applicable state and federal requirements when determining methods for students with disabilities [see FB] or students who are English language learners [see EHBE and EKBA] to demonstrate mastery of the curriculum.
Students Receiving Special Education Services	Any modified promotion standards for a student receiving special education services shall be determined by the student's admission, review, and dismissal (ARD) committee and documented in the student's individualized education program (IEP). [See EHBA series and EKB]
Standards for Mastery	In addition to the factors in law that must be considered for promotion, mastery shall be determined as follows: <ol style="list-style-type: none">1. Course assignments and unit evaluation shall be used to determine student grades in a subject. An average of 70 or higher shall be considered a passing grade.2. Mastery of the skills necessary for success at the next level shall be validated by assessments that may either be incorporated into unit or final exams or may be administered separately. Mastery of at least 70 percent of the objectives shall be required.
Prekindergarten and Kindergarten	The District shall not retain a student in prekindergarten or kindergarten unless a parent elects to have the student retained in accordance with law [see EIE(LEGAL), Parental Option to Retain]. Student progress shall be measured by mastery of proficiencies identified through state and local curriculum standards.
Grades 1–5	In grades 1–5, promotion to the next grade level shall be based on a yearly average of 70 or above on a scale of 100 based on course-level, grade-level standards (essential knowledge and skills) in reading, language arts (including English or ESL, spelling, and writing), mathematics, science, and social studies.
Grades 6–8	In grades 6–8, promotion to the next grade level shall be based on: <ol style="list-style-type: none">1. Passing each required course outlined in the corresponding middle-school course listing guide with a 70 or above on a scale of 100 overall yearly average; and2. Passing elective courses with a (composite) overall average of 70 or above on a scale of 100 for all elective courses.

Grades 9–12	Grade-level advancement for students in grades 9–12 shall be earned by course credits. [See EI]
Response to Intervention	<p>The District shall follow requirements of the law regarding referral of students for evaluation for special education or Section 504 services in accordance with policies EHBA and FB, including consideration of all general education support services available to all students. This shall include procedures that are part of the District's general education program, a process referred to as response to intervention (RTI). [See EHBC, EHBD, and FFC]</p> <p>Before referral for an evaluation for dyslexia, Section 504, or special education, students experiencing difficulty in the general classroom shall be considered for all support or supplemental services available to students. If a student continues to experience difficulty in the general classroom after provision of interventions, District personnel shall refer the student for a full and individual initial evaluation.</p>
Student Screening	<p>The screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services.</p> <p>The basic components of the RTI process shall include:</p> <ol style="list-style-type: none">1. Scientific, research-based core instruction in reading, mathematics, and behavior. Reading instruction shall address phonemic awareness, phonics, vocabulary development, fluency, and comprehension.2. Screening (universal screener) for all students in kindergarten–grade 12 at least three times per year to identify those who are not making academic progress at the expected rates.3. Research-based interventions matched to a student's targeted need at increasing levels of intensity for any student who does not make satisfactory progress in his or her levels of performance or in his or her rate of learning in order to meet age or grade-level standards.4. Repeated assessments using curriculum-based monitoring or progress monitoring to determine if interventions are resulting in student progress toward age or grade-level standards.5. A building-based team to establish at-risk criteria (cut scores), review screening data, and make decisions related to student performance and intervention need.

6. Written notice to parents when a student is identified, in accordance with the policy, as needing more intensive reading, mathematics, or behavior instruction than the instruction provided to all students in the general education classroom.

District RTI Team
Composition

The Superintendent or designee shall establish a District RTI team, which shall be composed, at a minimum, of the following representatives:

- Administrators/directors of curriculum and instruction for elementary and secondary grades;
- The director of bilingual education;
- The director of special education;
- Certified reading, mathematics, and behavior specialists; and
- Other individuals the Superintendent or designee deems appropriate.

Responsibilities

It shall be the responsibility of the District RTI team to develop, review, and amend, as necessary, RTI procedures that include the following components:

1. The criteria for determining the appropriate levels of intervention, including the frequency of assessment and the assessment tools to be used;
2. The types, intensity, and range of interventions provided to students at each tier and the number of tiers of intervention prior to referral for disability issues through Section 504 or special education;
3. The amount and nature of student performance data to be collected;
4. The manner and frequency of curriculum-based monitoring (CBM)/progress monitoring; and
5. The data necessary for campus personnel through the RTI team to request a referral to Section 504 or special education for disability issues.

Training Program

The Superintendent, in consultation with the District Leadership Team and the District RTI Team, shall develop and implement a training program for all teachers assigned to provide students with scientific research-based reading and mathematics interventions on the specific intervention techniques and fidelity of implementation, as well as assessment (universal screening and CBM/progress monitoring), data collection, and charting of performance

data as required in accordance with the policy and established procedures.

Campus RTI Teams The Superintendent or designee shall require all campuses within the District to establish campus RTI teams.

In accordance with the procedures established by the District RTI team, the campus RTI teams shall use an RTI model to conduct the following tasks:

1. Collect, review, and analyze data pursuant to this policy;
2. Identify those students who require instruction at a more or less intensive level;
3. Notify the parents of a student receiving RTI intervention that the student is involved in the RTI process and the techniques, strategies, or programs to be used;
4. Review the appropriateness of the interventions used and the grouping of students to maximize effectiveness;
5. Recommend changes in students' instructional programs based upon the analysis of the data; and
6. Request a referral to dyslexia, Section 504, or special education where appropriate.

Request for Special Education Services All student referrals shall be considered on a case-by-case basis. A parent shall be permitted to request an evaluation for special education services at any time. The District shall decide if the special education evaluation is needed within ten school days of the date the District receives a request.

If a special education evaluation is needed, the parent shall be notified and shall be asked to provide informed written consent for the evaluation. The District shall complete the evaluation and the report within 45 calendar days of the date the District receives the written consent. This excludes weekends, holidays, and summer. The District shall give a copy of the report to the parent. In addition, the District shall conduct an ARD meeting within 30 days of the completion of the evaluation report.

If the District determines that a special education evaluation is not needed at the time of the parent request, the District shall provide the parent with prior written notice explaining why the student is not being evaluated and providing the information used as the basis for this decision.

Additionally, the prior written notice shall include, for the parent, a copy of the Notice of Procedural Safeguards – Rights of Parents of

Students with Disabilities. This document advises the parents of their rights if they disagree with the District's decision.

- High School Diploma** A student may graduate and receive a diploma only if the student:
1. Successfully completes the curriculum requirements identified by the State Board of Education (SBOE) [see State Graduation Requirements, below], has performed satisfactorily on applicable state assessments [see EKB], and complies with the financial aid application requirements in Education Code 28.0256 [see below]; or
 2. Successfully completes an individualized education program (IEP) developed under Education Code 29.005. [See EHBAB]
- Education Code 28.025(c)*

Note: Education Code 28.0256 applies beginning with students enrolled at the 12th grade level during the 2021–22 school year.

- FAFSA Required** Before graduating from high school, each student must complete and submit a free application for federal student aid (FAFSA) or a Texas application for state financial aid (TASFA), except as provided below.
- A student is not required to comply with the above provision if:
1. The student's parent or other person standing in parental relation submits a signed form indicating that the parent or other person authorizes the student to decline to complete and submit the financial aid application;
 2. The student signs and submits the form described above on the student's own behalf if the student is 18 years of age or older or the student's disabilities of minority have been removed for general purposes under Family Code Chapter 31; or
 3. A school counselor authorizes the student to decline to complete and submit the financial aid application for good cause, as determined by the school counselor.

A district shall adopt a form to be used for purposes of this provision. The form must be approved by the Texas Education Agency (TEA), provide the student or the student's parent or other person standing in parental relation, as applicable, the opportunity to decline to complete and submit a financial aid application, and be made available in English, Spanish, and any other language spoken by a majority of the students enrolled in a bilingual education or special language program under Education Code Subchapter B, Chapter 29, in the district.

If a school counselor notifies a district whether a student has complied with this section for purposes of determining whether the student meets high school graduation requirements under Education Code 28.025, the school counselor may only indicate whether the student has complied with this section and may not indicate the manner in which the student complied, except as necessary for the district to comply with the commissioner's rules.

A school counselor may not indicate that a student has not complied with this section if the district fails to provide the required form to the student or the student's parent or other person standing in parental relation to the student.

Education Code 28.0256; 19 TAC 74.11(b)

Individual
Graduation
Committee

Without complying with the requirements above, a student may receive a diploma if the person is eligible for a diploma as determined by an individual graduation committee (IGC) established under Education Code 28.0258. *Education Code 28.025(c-6)*

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258 or 19 Administrative Code 74.1025. A student's admission, review, and dismissal (ARD) committee determines whether a student is required to achieve satisfactory performance on an end-of-course (EOC) assessment to graduate. *19 TAC 74.1025(n)* [See EHBAB]

For each 11th or 12th grade student who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses, the district shall establish an IGC at the end of or after the student's 11th grade year to determine whether the student may qualify to graduate. A student may not qualify to graduate as a result of an IGC decision before the student's 12th grade year.

The IGC shall be composed of:

1. The principal or principal's designee;
2. For each EOC assessment instrument on which the student failed to perform satisfactorily, the teacher of the course;
3. The department chair or lead teacher supervising the teacher(s) above; and
4. As applicable:
 - a. The student's parent or person standing in parental relation to the student;

- b. A designated advocate if the parent is unable to serve;
or
- c. The student, at the student's option, if the student is at least 18 years of age or is an emancipated minor.

The superintendent shall establish procedures for convening the committee.

The district shall provide an appropriate translator, if available, for a parent, advocate, or student who is unable to speak English.

Education Code 28.0258(a)–(c), (c-2); 19 TAC 74.1025(b)

A district may not establish an initial IGC for eligible students after June 10 or before the start of the next school year. Once the IGC has been established, it is the original IGC for that student.

If a student leaves a district after an original IGC has been established and before that original IGC awards a high school diploma to the student, any other district that later enrolls the student shall request information from the student's original IGC of record and shall implement the original IGC recommendations to the extent possible.

*Alternate
Members*

In the event that the teacher identified in item 2 above is unavailable, the principal shall designate as an alternate member of the committee a teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is most familiar with the student's performance in that subject area.

In the event that the individual identified above in item 3 above is unavailable, the principal shall designate as an alternate member of the committee an experienced teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is familiar with the content of and instructional practices for the applicable course.

In the event that the student's parent or person standing in parental relation to the student is unavailable to participate in the IGC, the principal shall designate an advocate with knowledge of the student to serve as an alternate member of the committee.

19 TAC 74.1025(c), (e), (g)–(i)

Notice

A district shall ensure a good faith effort is made to timely notify the appropriate person described under item 4 above of the time and place for convening the IGC and the purpose of the committee. The notice must be provided in person or by regular mail or email; clear and easy to understand; and written in English, in Spanish,

or, to the extent practicable, in the native language of the appropriate person. *Education Code 28.0258(d)*

*Curriculum
Requirements*

To be eligible to graduate and receive a high school diploma from the IGC, a student must successfully complete the curriculum requirements required for high school graduation. [See State Graduation Requirements, below] *Education Code 28.0258(e)*

*Additional
Requirements to
Graduate*

A student's IGC shall recommend additional requirements by which the student may qualify to graduate, including additional remediation; and for each EOC assessment instrument on which the student failed to perform satisfactorily:

1. The completion of a project related to the subject area of the course that demonstrates proficiency in the subject area; or
2. The preparation of a portfolio of work samples in the subject area of the course, including work samples from the course that demonstrate proficiency in the subject area.

A student may submit to the IGC coursework previously completed to satisfy a recommended additional requirement.

Education Code 28.0258(f), (g)

In determining whether a student is qualified to graduate, the committee shall consider the criteria at Education Code 28.0258(h) and any other academic information designated for consideration by the board. After considering the criteria, the committee may determine that the student is qualified to graduate. A student may graduate and receive a high school diploma on the basis of the committee's decision only if the student successfully completes all additional requirements recommended by the committee, the student meets applicable curriculum requirements, and the committee's vote is unanimous. The decision of a committee is final and may not be appealed. *Education Code 28.0258(i)*

*English
Language
Learners*

For provisions related to an IGC and English language learners (ELL), see EKB.

5. Meets the alternative requirements for graduation in accordance with 19 Administrative Code 74.1027(c) or the local alternative requirements approved by the board in accordance with 19 Administrative Code 74.1027(d).

19 TAC 74.1027(a); Education Code 28.02541

<i>District Determination</i>	The district in which the individual is enrolled or was last enrolled shall determine whether the individual may qualify to graduate and receive a high school diploma on the basis of the alternative requirements for graduation. <i>19 TAC 74.1027(b)</i>
<i>Alternative Requirements</i>	The alternative requirements for graduation are listed at 19 Administrative Code 74.1027(c).
<i>Local Alternative Requirements</i>	With approval by the board, a district may develop recommendations for local alternative requirements if the requirements would allow an individual to demonstrate proficiency in the content related to an examination for which the individual has not performed satisfactorily. <i>19 TAC 74.1027(d)</i>
<i>Appeals</i>	A decision regarding whether the individual qualifies to graduate and receive a high school diploma is final and may not be appealed. <i>19 TAC 74.1027(e); Education Code 28.02541</i>

Posthumous Diploma	Beginning with students who would have graduated at the end of the 2019–20 school year, and on request of the student's parent, a

district shall issue a high school diploma posthumously to each student who died while enrolled in the district at the end of the school year in which the student was expected to graduate under the regular schedule of school attendance. The high school diploma may not be issued before the graduation date of the class in which the student was enrolled at the time of death.

Exception

A district is not required to issue a posthumous diploma if the student was convicted of a felony offense under Title 5 or 6, Penal Code, or adjudicated as having engaged in conduct constituting a felony offense under Title 5 or 6, Penal Code.

Education Code 28.0254

Diplomas for
Veterans

Notwithstanding any other provision of this policy, a district may issue a high school diploma to a person who is an honorably discharged member of the armed forces of the United States; was scheduled to graduate from high school after 1940 and before 1975 or after 1989; and left school after completing the sixth or a higher grade, before graduating from high school, to serve in:

1. World War II, the Korean War, the Vietnam War, the Persian Gulf War, the Iraq War, or the war in Afghanistan; or
2. Any other war formally declared by the United States, military engagement authorized by the United States Congress, military engagement authorized by a United Nations Security Council resolution and funded by the United States Congress, or conflict authorized by the president of the United States under the War Powers Resolution of 1973, 50 U.S.C. 1541, et seq.

Education Code 28.0251

**Texas First Early

A district may issue a high school diploma to a student under the Texas First Early High School Completion Program if, using the standards established by TEA and the Texas Higher Education Coordinating Board and eligible institutions of higher education, the student demonstrates mastery of and early readiness for college in each of the subject areas described by the standards and in a language other than English, notwithstanding any other local or state requirements.

A student who earns a high school diploma through the program is considered to have earned a distinguished level of achievement.

Notice Upon
Enrollment

On a student's initial enrollment in high school in a grade level below grade 12 in a district, the district shall provide to the student and the student's parent or guardian information regarding the requirements to earn a high school diploma under the Texas First

Early High School Completion Program and the Texas First Scholarship Program.

Education Code 28.0253(e)–(g)

Personal Graduation Plan

Junior High or
Middle School PGP

A principal of a junior high or middle school shall designate a school counselor, teacher, or other appropriate individual to develop and administer a personal graduation plan (PGP) for each student enrolled in the junior high or middle school who:

1. Does not perform satisfactorily on a state assessment instrument; or
2. Is not likely to receive a high school diploma before the fifth school year following the student's enrollment in grade level 9, as determined by a district.

A PGP must:

1. Identify educational goals for the student;
2. Include diagnostic information, appropriate monitoring and intervention, and other evaluation strategies;
3. Include an intensive instruction program described in Education Code 28.0213 [see EHBC];
4. Address participation of the student's parent or guardian, including consideration of the parent's or guardian's educational expectations for the student; and
5. Provide innovative methods to promote the student's advancement, including flexible scheduling, alternative learning environments, online instruction, and other interventions that are proven to accelerate the learning process and have been scientifically validated to improve learning and cognitive ability.

Education Code 28.0212

*Students
Receiving
Special
Education
Services*

For a student receiving special education services, the student's ARD committee and the district are responsible for developing the student's PGP.

A student's IEP developed under Education Code 29.005 may be used as the student's PGP.

Education Code 28.0212(c); 19 TAC 89.1050(a) [See EHBAB]

High School PGP

A principal of a high school shall designate a school counselor or school administrator to review PGP options with each student entering grade 9 together with that student's parent or guardian. The

PGP options reviewed must include the distinguished level of achievement and endorsements.

Before the conclusion of the school year, the student and the student's parent or guardian must confirm and sign a PGP for the student that identifies a course of study that:

1. Promotes college and workforce readiness and career placement and advancement; and
2. Facilitates the student's transition from secondary to postsecondary education.

A district may not prevent a student and the student's parent or guardian from confirming a PGP that includes pursuit of a distinguished level of achievement or an endorsement.

A student may amend the student's PGP after the initial confirmation of the plan. If a student amends the student's PGP, the school must send written notice to the student's parents regarding the change.

TEA must make available to a district information that explains the advantages of the distinguished level of achievement described by Education Code 28.025(b-15) and each endorsement described by Education Code 28.025(c-1). A district, in turn, shall publish the information from TEA on the internet website of the district and ensure that the information is available to students in grades nine and above and the parents or legal guardians of those students in the language in which the parents or legal guardians are most proficient.

A district is required to provide this information in the language in which the parents or legal guardians are most proficient only if at least 20 students in a grade level primarily speak that language.

Education Code 28.02121

Early Graduation

A parent is entitled to request, with the expectation that the request will not be unreasonably denied, that the parent's child be permitted to graduate from high school earlier than the child would normally graduate, if the child completes each course required for graduation. The decision of a board concerning the request is final and may not be appealed. *Education Code 26.003(a)(3)(C), (b)* [See FMH, FNG]

**State Graduation
Requirements**

Note: For current state graduation requirements, including those for students who entered grade 9 before the 2007–08 school year but that are not otherwise referenced in this policy, see Education Code 28.025 and 19 Administrative Code Chapter 74.

Students Entering
Grade 9

3. Two additional elective credits.

A course completed as part of the four courses needed to satisfy an endorsement requirement may also satisfy a requirement under the foundation high school program, including an elective requirement. The same course may count as part of the set of four courses for more than one endorsement.

A district shall permit a student to enroll in courses under more than one endorsement before the student's junior year and to choose, at any time, to earn an endorsement other than the endorsement the student previously indicated.

A student must earn at least 26 credits to earn an endorsement, but a student is not entitled to remain enrolled to earn more than 26 credits.

*Algebra II
Notification*

Not later than September 1 of each school year, a district shall notify by regular mail or email the parent of or other person standing in parental relation to each student enrolled in grade 9 or above that the student is not required to complete an Algebra II course to graduate under the foundation high school program. The notification must include information regarding the potential consequences to a student of not completing an Algebra II course, including the impact on eligibility for:

1. Automatic college admission under Education Code 51.803; and
2. Certain financial aid authorized under Title 3 of the Education Code.

Education Code 28.02123

Prerequisites

A student may not be enrolled in a course that has a required prerequisite unless:

1. The student has completed the prerequisite course(s);

2. The student has demonstrated equivalent knowledge as determined by the district; or
3. The student was already enrolled in the course in an out-of-state, an out-of-country, or a Texas nonpublic school and transferred to a Texas public school prior to successfully completing the course.

A district may award credit for a course a student completed without having met the prerequisites if the student completed the course in an out-of-state, an out-of-country, or a Texas nonpublic school where there was not a prerequisite.

19 TAC 74.11(j)–(k)

*Dual Credit
Courses*

Courses offered for dual credit at or in conjunction with an institution of higher education (IHE) that provide advanced academic instruction beyond, or in greater depth than, the essential knowledge and skills for the equivalent high school course required for graduation may satisfy graduation requirements, including requirements for required courses, advanced courses, and courses for elective credit as well as requirements for endorsements. *19 TAC 74.11(i)*

Summary of
Academic
Achievement and
Evaluation

All students graduating must be provided with a summary of academic achievement and functional performance as described in 34 C.F.R. 300.305(e)(3). This summary must consider, as appropriate, the views of the parent and student and written recommendations from adult service agencies on how to assist the student in meeting postsecondary goals. An evaluation as required by 34 C.F.R. 300.305(e)(1) (evaluation to determine that the child is no longer a child with a disability), must be included as part of the summary for a student graduating under 19 Administrative Code 89.1070 (b)(3)(A), (B), or (C) or (f)(4)(A), (B), or (C). Students who participate in graduation ceremonies but who are not graduating under subsections (b)(3)(A), (B), or (C) or (f)(4)(A), (B), or (C) and who will remain in school to complete their education do not have to be evaluated. *19 TAC 89.1070(g)–(h)*

The student has demonstrated mastery of the required state standards (or district standards if greater) in 19 Administrative Code Chapters 110–117, 126–128, and 130 and satisfactorily completed credit requirements for graduation under the foundation high school program applicable to students in general education as well as satisfactory performance as established in Education Code Chapter 39, on the required EOC assessment instruments.
2. The student has demonstrated mastery of the required state standards (or district standards if greater) in 19 Administrative Code Chapters 110–117, 126–128, and 130 and satisfactorily completed credit requirements for graduation under the foundation high school program specified in 19 Administrative Code 74.12 applicable to students in general education but the student's ARD committee has determined that satisfactory performance on the required EOC assessment instruments is not necessary for graduation.
3. The student has demonstrated mastery of the required state standards (or district standards if greater) in 19 Administrative Code Chapters 110–117, 126–128, and 130 and satisfactorily completed credit requirements for graduation under the foundation high school program through courses, one or more of which contain modified curriculum that is aligned to the standards applicable to students in general education, as well as satisfactory performance as established in Education Code Chapter 39, on the required EOC assessment instruments,

unless the student's ARD committee has determined that satisfactory performance on the required EOC assessment instruments is not necessary for graduation. The student must also successfully complete the student's IEP and meet one of the following conditions:

- a. Consistent with the IEP, the student has obtained full-time employment, based on the student's abilities and local employment opportunities, in addition to mastering sufficient self-help skills to enable the student to maintain the employment without direct and ongoing educational support of the local school district.

**Graduation of
Military Dependents**

Course Waiver

District officials shall waive specific courses required for graduation if similar coursework has been satisfactorily completed by a military student in another district or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the district shall provide an alternative means of acquiring required coursework so that graduation may occur on time.

Transfers During
Senior Year

Should a military student transferring at the beginning or during the student's senior year be ineligible to graduate from the district after all alternatives have been considered, the sending and receiving districts shall ensure the receipt of a diploma from the sending district, if the student meets the graduation requirements of the sending district. In the event that one of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student.

Substitute Passing
Standard

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for completing a specific course otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the tenth grade level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

**Graduation of
Student Who Is
Homeless or in
Conservatorship of
DFPS**

If an 11th or 12th grade student who is homeless or in the conservatorship of the Department of Family and Protective Services transfers to a different school district and the student is ineligible to graduate from the district to which the student transfers, the district from which the student transferred shall award a diploma at the student's request, if the student meets the graduation requirements of the district from which the student transferred. *Education Code 28.025(i)*

**Local Achievement
Testing**

In addition to the state-administered assessment instruments, a district may adopt and administer criterion-referenced or norm-referenced assessment instruments, or both, at any grade level. A locally adopted norm-referenced assessment instrument must be economical, nationally recognized, and state-approved.

For purposes of this provision, “assessment instrument” means a district-commissioned achievement test, either nationally normed or criterion-referenced, that is group administered and reported publicly (such as to a board) in the aggregate.

A company or organization scoring an assessment instrument shall send test results to a district for verification. A district shall have 90 days to verify the accuracy of test data and report the results to the board.

A district shall follow procedures for test security and confidentiality set forth in 19 Administrative Code Chapter 101, Subchapter C. [See EKB]

Education Code 39.026, .032; 19 TAC 101.101

**Assessment
Instrument
Limitations**

In any subject area for which a state assessment is administered, a district may not administer locally required assessments designed to prepare students for state assessments to any student on more than ten percent of the instructional days in any school year. A campus-level planning and decision-making committee may limit the administration of locally required assessments to ten percent or a lower percentage of the instructional days in any school year. This prohibition does not apply to the administration of college preparation assessments, advanced placement tests, international baccalaureate examinations, or state assessments. *Education Code 39.0262*

**Benchmark
Assessment
Instruments**

“Benchmark assessment instrument” means a district-required assessment instrument designed to prepare students for a corresponding state-administered assessment instrument.

A district may not administer to any student more than two benchmark assessment instruments to prepare the student for a corresponding state-administered assessment instrument.

This prohibition does not apply to the administration of a college preparation assessment instrument, including the PSAT, the ACT-Plan, the SAT, or the ACT, an advanced placement test, an international baccalaureate examination, or an independent classroom examination designed or adopted and administered by a classroom teacher.

A parent of or person standing in parental relation to a student who has special needs, as determined in accordance with commissioner of education rule, may request administration to the student of additional benchmark assessment instruments.

Education Code 39.0263

Designed to
Prepare

For purposes of Education Code 39.0262 and 39.0263, an assessment instrument designed to prepare students for state-administered assessment instruments is an assessment that:

1. Evaluates students' potential performance relative to the state's blueprint in whole for a state-administered assessment; or
2. Is primarily focused on test-taking techniques.

This provision does not include an assessment designed to evaluate students' mastery of parts of the Texas Essential Knowledge and Skills or the efficacy of instructional practice.

19 TAC 101.6003

**College Preparation
Assessments**

Each school year, and at state cost, a district may administer an established, valid, reliable, and nationally norm-referenced preliminary college preparation assessment instrument:

1. To students in the spring of the eighth grade, for the purpose of diagnosing the academic strengths and deficiencies of students before entrance into high school; and
2. To students in the tenth grade, for the purpose of measuring a student's progress toward readiness for college and the workplace.

The provisions of Education Code 39.0261(a)(1) and (a)(2), above, apply only if the legislature appropriates funds for those purposes.

Education Code 39.0261(a)(1)–(a)(2), (f)

High school students, in the spring of the eleventh grade or during the twelfth grade, may select and take once, at state cost:

1. One of the valid, reliable, and nationally norm-referenced assessment instruments used by colleges and universities as part of their undergraduate admissions processes; or
2. The assessment instrument designated by the Texas Higher Education Coordinating Board under Education Code 51.334.

A high school student is not prohibited from taking the test more than once, at the student's own expense.

Education Code 39.0261(a)(3), (e)

A district is entitled to reimbursement for the amount of fees paid by the district for the administration of an assessment instrument under Education Code 39.0261(a)(3), above. *Education Code 48.155*

Homeschooled Students

The following provisions apply to a homeschooled student entitled under Education Code 25.001 to attend school in a district.

A district shall permit a homeschooled student to participate in an administration of the PSAT/NMSQT or a college advanced placement test offered by the district.

"Homeschooled student" means a student who predominantly receives instruction in a general elementary or secondary education program that is provided by the parent, or a person standing in parental authority, in or through the child's home.

Fees

A district shall require a homeschooled student to pay the same fee to participate in such a test that a student enrolled in the district is required to pay.

Notice

A district shall post on an internet website maintained by the district the date the PSAT/NMSQT will be administered and the date any college advanced placement tests will be administered. The notice must state that the PSAT/NMSQT or the advanced placement test is available for homeschooled students eligible to attend school in the district and describe the procedures for a homeschooled student to register for the test.

A district that does not maintain an internet website must publish the notice in a newspaper in the district. If a newspaper is not published in the district, the district shall provide for the publication of notice in at least one newspaper in the county in which the district's central administrative office is located.

The required notice must be posted or published at the same time and with the same frequency with which the information is provided to a student who attends a district school.

Education Code 29.916

Armed Services Vocational Aptitude Battery Test

Each school year each school district shall provide students in grades 10 through 12 an opportunity to take the Armed Services Vocational Aptitude Battery (ASVAB) test and consult with a military recruiter.

The test must be scheduled:

1. During normal school hours; and
2. To optimize student participation, at a time that limits conflicts with extracurricular activities.

Each school district shall provide each student in grades 10 through 12 and the student's parent or person standing in parental relation to the student a notice of the date, time, and location of the scheduled administration of the ASVAB test.

A school district may elect not to provide the ASVAB test only if the district or school provides an alternative test that:

1. Assesses a student's aptitude for success in a career field other than a career field that requires postsecondary education;
2. Is free to administer;
3. Requires minimal training and support of district or school faculty and staff to administer the test; and
4. Provides the student with a professional interpretation of the test results that allows the student to:
 - a. Explore occupations that are consistent with the student's interests and skills; and
 - b. Develop strategies to attain the student's career goals.

A school district or high school that, before September 1, 2017, entered into a contract under which a vocational aptitude test that does not comply with the requirements for an alternative test is provided to students in grades 10 through 12, may elect not to provide the ASVAB test for the term of the contract. On the expiration of the contract term, this exemption is not applicable.

Special Education

The Texas Education Agency (TEA) shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Education Code 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student’s admission, review, and dismissal (ARD) committee, including assessment instruments approved by the commissioner of education that measure growth. The assessment instruments developed or adopted, including the assessment instruments approved by the commissioner, must, to the extent allowed under federal law, provide a district with options for the assessment of students.

TEA may not adopt a performance standard that indicates that a student’s performance on the alternate assessment does not meet standards if the lowest level of the assessment accurately represents the student’s developmental level as determined by the student’s ARD committee.

The student’s ARD committee shall determine whether any allowable modification is necessary in administering to the student a required EOC assessment instrument under Education Code 39.023(c), and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

Education Code 39.023(b)–(c), .025(a-4)

Military Dependents

If the student is a military dependent, the district shall incorporate procedures to accept:

1. Exit or EOC exams required for graduation from the sending state;
2. National norm-referenced achievement tests; or
3. Alternative testing, in lieu of testing requirements for graduation in the receiving state.

In the event the above alternatives cannot be accommodated by the receiving state for a military dependent transferring in his or her senior year, then Education Code 162.002 article VII, section C, shall apply.

*Substitute
Passing Standard*

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for achieving a score on an assessment instrument otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the grade 10 level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Education Code 162.002 art. VII [See EIF]

Administration

A district shall follow the test administration procedures established by TEA in the applicable test administration materials. A superintendent shall be responsible for administering tests. *19 TAC 101.25, .27*

Schedule

The commissioner shall specify the schedule for testing that is in compliance with Education Code 39.023(c-3) and supports reliable and valid assessments. Participation in University Interscholastic League (UIL) area, regional, or state competitions is prohibited on any days on which testing is scheduled between Monday and Thursday of the school week in which the primary administration of assessment instruments occurs.

The commissioner may provide alternate dates for the administration of tests required for a high school diploma to students who are migratory children and who are out of the state.

19 TAC 101.25

*Alternate Test
Dates*

The commissioner shall consider requests from districts or campuses for alternate test dates on a case-by-case basis. Alternate

test dates will only be allowed if the campus or district is closed on the day on which testing is scheduled or if there is an exceptional circumstance, defined below, that may affect a district's or campus's ability to administer an assessment or the students' performance on the assessment.

"Exceptional circumstances" include:

1. Inclement weather or natural disasters that would cause a district or campus to be closed or that would cause a small percentage of students to be in attendance on the day testing is scheduled;
2. Health epidemics that result in a large number of students being absent on the day of testing;
3. Death of a student or school official that may impact student performance; and
4. Sudden emergencies that occur on the day of testing or shortly before testing that may inhibit students from completing the assessments, such as a fire on campus, a bomb threat, an extended power outage, or a water main break.

If an alternate test date for primary test administration is approved, the commissioner may prohibit a district or campus from participating in UIL competition on the new test date if that is determined to be in the best interest of the district, campus, and students.

19 TAC 101.5003

**Test Administration
Training**

The commissioner may require training for district employees involved in the administration of the assessment instruments. The commissioner may only require for the employee at each district campus who oversees the administration of the assessment instruments to annually receive the training. The district employee who oversees test administration on a district campus may, with discretion, require other district employees involved in the administration of assessment instruments to repeat the training. *Education Code 39.0304(a), (b-1)–(b-2)*

**Notice to Parents
and Students**

A superintendent shall be responsible for providing written notice to each student and the student's parent or guardian of:

1. The testing requirements for grade advancement [see EIE] and the dates, times, and locations of testing. Notice of testing requirements shall be provided no later than the beginning of the student's kindergarten year, for students attending kindergarten in the district, and no later than the beginning of the

student's first-grade year for all other students. The superintendent shall also provide such notice for students in grades 1–8 who are new to the district.

2. The testing requirements for graduation and the dates, times, and locations of testing. Notice of testing requirements shall be provided no later than the beginning of the student's seventh-grade year. The superintendent shall also provide such notice for students in grades 7–12 who are new to the district. Notice of the dates, times, and locations of testing shall be provided to each student who will take the tests and to out-of-school individuals.

19 TAC 101.3012

**Testing in
Grades 3–8**

Except as provided below, all students, other than students who are assessed under Education Code 39.023(b) (alternative assessment instrument) or 39.023(l) (emergent bilingual students) or exempted under Education Code 39.027, shall be assessed in:

1. Mathematics, annually in grades 3–8;
2. Reading, annually in grades 3–8;
3. Social studies in grade 8;
4. Science in grades 5 and 8; and
5. Any other subject and grade required by federal law.

Education Code 39.023(a)

Exception

For purposes of federal accountability, a student shall not be administered a grade-level assessment if the student:

1. Is enrolled in a course or subject intended for students above the student's enrolled grade level and will be administered a grade-level assessment instrument developed under the list above that aligns with the curriculum for that course or subject within the same content area; or
2. Is enrolled in a course for high school credit in a subject intended for students above the student's enrolled grade level and will be administered an EOC assessment instrument that aligns with the curriculum for that course or subject within the same content area.

For purposes of federal accountability, a grade 3–8 student who is accelerated in mathematics, reading/language arts, or science and on schedule to complete the high school end-of-course assessments in that same content area prior to high school shall be assessed at least once in high school with the ACT or the SAT.

A student is only eligible to take an assessment instrument intended for use above the student's enrolled grade if the student is on schedule to complete instruction in the entire curriculum for that subject during the semester the assessment is administered.

A student in grade 5 or 8 described above may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument above the student's grade level.

Education Code 28.0211(o)–(p), 39.023(a-2); 19 TAC 101.3011(a)(1)–(4)

Kindergarten
Assessment

An assessment instrument under Education Code 39.023 may not be administered to a kindergarten student except for the purpose of determining whether the student is entitled to the benefit of the Foundation School Program [see FD]. *Education Code 39.023(a-16)*

Prekindergarten
Assessment

Performance on an assessment instrument administered to students in prekindergarten may not be considered for any purpose related to Education Code Chapters 39 and 39A. *Education Code 39.0237*

Accommodations

Testing accommodations are permitted for any student unless they would make a particular test invalid. Decisions regarding testing accommodations shall take into consideration the needs of the student and the accommodations the student routinely receives in classroom instruction. Permissible testing accommodations shall be described in the appropriate test administration materials.

The committee established by a board to determine the placement of students with dyslexia or related disorders shall determine whether any allowable modification is necessary in administering an assessment to such a student.

A student's ARD committee shall determine the allowable accommodations and shall document them in the student's individualized education program (IEP). [See Special Education, above]

19 TAC 101.3013; Education Code 39.023(a)–(c), (n); 34 C.F.R. 300.320(a)(6)

**End-of-Course
Assessments**

Beginning with students first enrolled in grade 9 in the 2011–12 school year, a student enrolled in a course for which an EOC assessment exists as required by Education 39.023(c) shall take the appropriate assessment. *19 TAC 101.3021(a)*

TEA shall adopt EOC assessment instruments for secondary-level courses in Algebra I, biology, English I, English II, and United States history. The Algebra I EOC assessment instrument must be

administered with the aid of technology, but may include one or more parts that prohibit the use of technology. The English I and English II EOC assessment instruments must each assess essential knowledge and skills in both reading and writing and must provide a single score. A district shall comply with State Board of Education rules regarding administration of the assessment instruments listed in this provision.

If a student is in a special education program, the student's ARD committee shall determine whether any allowable modification is necessary in administering to the student an assessment instrument required under this provision.

Education Code 39.023(c)

Students Enrolled
Below High School
Level

Beginning in the 2011–12 school year, a student in grade 8 or lower who takes a high school course for credit is required to take the applicable EOC assessment. The EOC assessment result shall be applied toward the student's assessment graduation requirements, as specified in 19 Administrative Code 101.3022. *19 TAC 101.3021(d)*

Assessment
Requirements for
Graduation

A student must meet satisfactory performance on an EOC assessment listed in Education Code 39.023(c) only for a course in which the student is enrolled and for which an EOC assessment instrument is administered in order to be eligible to receive a Texas diploma.

Exceptions

English I or
English II

A student who was administered separate reading and writing EOC assessments under Education Code 39.023(c), for the English I or English II course has met that course's assessment graduation requirement if the student has:

1. Achieved satisfactory performance on either the reading or writing EOC assessment for that course;
2. Met at least the minimum score on the other EOC assessment for that course; and
3. Achieved an overall scale score of 3750 or greater when the scale scores for reading and writing are combined for that course.

Exceptions related to English I also apply to English language learners who meet the criteria in 19 Administrative Code 101.1007. [See EKBA]

Credits Earned
Prior to
Enrollment

If a student earned high school credit for a course with an EOC assessment prior to enrollment in a Texas public school district and the credit has been accepted by a Texas public school district, or a

student completed a course for Texas high school credit in a course with an EOC assessment prior to the 2011–12 spring administration, the student is not required to take the corresponding EOC assessment.

19 TAC 101.3021(e), .3022

Substitute
Assessments

The commissioner adopts certain assessments as substitute assessments that a student may use in place of a corresponding EOC assessment to meet the student's assessment graduation requirements. A satisfactory score on an approved assessment may be used in place of only one specific EOC assessment, except as provided by 19 Administrative Code 101.4002(d)(1) (student who qualifies for use of the Texas Success Initiative (TSI) as a substitute assessment and is enrolled in certain college preparatory courses).

A student at any grade level is eligible to use a substitute assessment as provided in the commissioner's chart at 19 Administrative Code 101.4002(b) if the student:

1. Was administered an approved substitute assessment for an equivalent course in which the student was enrolled;
2. Received a satisfactory score on the substitute assessment as determined by the commissioner and provided in the chart at 19 Administrative Code 101.4002(b); and
3. Using a Texas Success Initiative Assessment (TSIA) or a Texas Success Initiative Assessment, Version 2.0 (TSIA2) also meets the additional criteria of 19 Administrative Code 101.4002(d).

*TSI Additional
Criteria*

A student must meet the criteria established in 19 Administrative Code 101.4002(d) in order to qualify to use TSIA or TSIA2 as a substitute assessment.

Accountability
Testing

A student electing to substitute an assessment for graduation purposes must still take the corresponding EOC assessment required under Education Code 39.023(c) at least once for accountability purposes. If a student sits for an EOC assessment, a district may not void or invalidate the test in lieu of a substitute assessment.

A student who fails to perform satisfactorily on a PSAT, PLAN, or Aspire test (or any versions of these tests) as indicated in the chart in 19 Administrative Code 101.4003(b) must take the appropriate EOC assessment required under Education Code 39.023(c). However, a student who does not receive a passing score on the EOC

assessment and retakes a PSAT, PLAN, or Aspire test (or any versions of these tests) is eligible to meet the requirements specified in 19 Administrative Code 101.4002(c).

19 TAC 101.4002

Verification of Results

An eligible student is responsible for providing a district an official copy of the student's scores from the substitute assessment.

Upon receipt of official results of an approved substitute assessment, a district must:

1. Verify the student's score on the substitute assessment; and
2. Determine whether the student met the performance standard required to qualify for a public high school diploma in Texas as established by the commissioner.

19 TAC 101.4005

Satisfactory Performance

A student is required to achieve a scale score that indicates satisfactory performance, as determined by the commissioner on each EOC assessment instrument administered to the student. *Education Code 39.025(a)*

Individual Graduation Committee

A student in grade 11 or 12 who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses may qualify to graduate on the basis of a review by an individual graduation committee (IGC). [See EIF] *Education Code 28.0258, 39.025(a-5)*

Special Education

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258. As provided in 19 Administrative Code 89.1070 (Graduation Requirements) and 19 Administrative Code 101.3023 (Participation and Graduation Assessment Requirements for Students Receiving Special Education Services), a student's ARD committee determines whether a student is required to achieve satisfactory performance on an EOC assessment to graduate.

A student dismissed from a special education program who achieved satisfactory performance on an alternate EOC assessment while enrolled in a special education program is not required to take and achieve satisfactory performance on the general EOC assessment to graduate. A student who took an EOC assessment while enrolled in a special education program is not required to re-take and achieve satisfactory performance on the EOC assessment if the student's ARD committee determined that the student was not required to achieve satisfactory performance on the EOC

assessment to graduate. A student dismissed from a special education program must achieve satisfactory performance on any remaining EOC assessments that the student is required to take. If the student fails to achieve satisfactory performance on no more than two of the remaining EOC assessments, the student is eligible for IGC review under Education Code 28.0258 and is subject to the IGC provisions above. [See Individual Graduation Committee, above]

19 TAC 101.3022(f)

A student receiving special education services who successfully completes the requirements of his or her IEP, including performance on a state assessment required for graduation, shall receive a Texas high school diploma. A student's ARD committee shall determine if the student will be required to meet satisfactory performance on an assessment for purposes of graduation.

Beginning with the 2011–12 school year, all grades 9–12 students with significant cognitive disabilities who are assessed with an alternate assessment as specified in the student's IEP will be assessed using alternate versions of EOC assessments as listed in 19 Administrative Code 101.3011(b)(2).

19 TAC 101.3023(a), (b)

Credit by
Examination

An EOC assessment administered under Education Code 39.023(c) cannot be used for purposes of credit by examination under 19 Administrative Code 74.24. [See EHDB, EHDC] *19 TAC 101.3021(c)*

Additional State
Assessments

TEA may adopt EOC assessment instruments for courses not listed in statute, as described above. A student's performance on these EOC assessment instruments is not subject to the performance requirements established for the statutory assessments. *Education Code 39.023(c-2)*

Retakes

Each time an EOC assessment instrument is administered, a student who failed to achieve a score requirement may retake the assessment instrument. [See Satisfactory Performance, above]

A student is not required to retake a course as a condition of retaking an EOC assessment instrument.

If a student failed a course but achieved satisfactory performance on the applicable EOC assessment, that student is not required to retake the assessment if the student is required to retake the course.

Education Code 39.025(b); 19 TAC 101.3021(f), .3022(d)

Reporting Results

To the Public

Overall student performance data, aggregated by ethnicity, sex, grade level, subject area, campus, and district, shall be made available to the public, with appropriate interpretations, at regularly scheduled meetings of a board, after receipt from TEA. The information shall not contain the names of individual students or teachers. *Education Code 39.030(b)*

To the Board

A superintendent shall accurately report all test results with appropriate interpretations to a board according to the schedule in the applicable test administration materials.

To Parents,
Students, and
Teachers

A district shall notify each of its students, his or her parent or guardian, and his or her teacher for that subject of test results, observing confidentiality requirements stated at Confidentiality of Results, below. All test results shall be included in each student's academic achievement record and shall be furnished for each student transferring to another district or school. Upon receipt of the assessment results from the test contractor, a district shall disclose a student's assessment results to a student's teacher in the same subject area as the assessment for that school year. [See BQ series, FD, and FL]

19 TAC 101.3014

TEA shall adopt a series of questions to be included in an EOC assessment instrument administered under Education Code 39.023(c) to be used for purposes of identifying students who are likely to succeed in an advanced high school course. A district shall notify a student who performs at a high level on the questions and the student's parent or guardian of the student's performance and potential to succeed in an advanced high school course. A district may not require a student to perform at a particular level on the questions to be eligible to enroll in an advanced high school course. *Education Code 39.0233(b)*

Parents Right-to-
Know Under ESEA

As a condition of receiving assistance under Title I, Part A of the Elementary and Secondary Education Act (ESEA) (20 U.S.C. 6301 et seq.), a district shall provide to each individual parent of a child who is a student in such school, with respect to such student information on the level of achievement and academic growth of the student, if applicable and available, on each of the state academic assessments required under Part A. *20 U.S.C. 6312(e)(1)(B)(i)*

Parental Access

A parent is entitled to access to a copy of each state assessment instrument administered to the parent's child. This right of access does not apply, however, to those instruments or particular questions that are being field-tested by TEA. *Education Code 26.005, .006(a)(2)*

**Out-of-State
Transfers**

A district shall accurately report to TEA whether that student transferred into the district from out of state during the current school year.

Procedures for the reporting of out-of-state-transfer students to TEA shall be established in the applicable test administration materials. A district shall follow procedures specified in those test administration materials.

The assessment results of the out-of-state transfer students shall be reported separately to districts from the results of the district's other students in addition to the current reporting of assessment results for all students and other student subsets.

19 TAC 101.3014

**Accelerated
Instruction**

Each time a student fails to perform satisfactorily on an assessment instrument administered under Education Code 39.023(a) in the third, fourth, fifth, sixth, seventh, or eighth grade, the district in which the student attends school shall provide to the student accelerated instruction in the applicable subject area during the subsequent summer or school year and either:

1. Allow the student to be assigned a classroom teacher who is certified as a master, exemplary, or recognized teacher under the local optional teacher designation system [see DEAA] for the subsequent school year in the applicable subject area; or
2. Provide the student supplemental instruction under Education Code 28.0211(a-4). [See EHBC]

Education Code 28.0211(a-1)

A district shall provide each student who fails to perform satisfactorily on an EOC assessment instrument with accelerated instruction under Education Code 28.0217 in the subject assessed by the assessment instrument. *Education Code 39.025(b-1)* [See EHBC]

College Readiness

Each district shall partner with at least one institution of higher education to develop and provide courses in college preparatory mathematics and English language arts. The courses must be designed:

1. For students at the grade 12 level whose performance on:
 - a. An EOC assessment instrument required under Education Code 39.023(c) does not meet college readiness standards; or
 - b. Coursework, a college entrance examination, or an assessment instrument designated under Education Code

51.334(a) indicates that the student is not ready to perform entry-level college coursework; and

2. To prepare students for success in entry-level college courses.

A course must be provided on the campus of the high school offering the course or through distance learning or as an online course provided through the institution of higher education with which the district partners.

Faculty

Appropriate faculty of each high school offering courses and appropriate faculty of each institution of higher education with which the district partners shall meet regularly as necessary to ensure that each course is aligned with college readiness expectations.

Notice

Each district shall provide a notice to each eligible student and the student's parent or guardian regarding the benefits of enrolling in a course.

Credit Earned

A student who successfully completes an English language arts course may use the credit earned toward satisfying the advanced English language arts curriculum requirement for the foundation high school program under Education Code 28.025(b-1)(1). A student who successfully completes a mathematics course may use the credit earned in the course toward satisfying an advanced mathematics curriculum requirement under Education Code 28.025 after completion of the mathematics curriculum requirements for the foundation high school program under Education Code 28.025(b-1)(2).

Dual Credit

A course may be offered for dual credit at the discretion of the institution of higher education with which a district partners.

*Instructional
Materials*

Each district, in consultation with the institution of higher education with which the district partners, shall develop or purchase instructional materials for a course consistent with Education Code Chapter 31. The instructional materials must include technology resources that enhance the effectiveness of the course and draw on established best practices.

Education Code 28.014

**Security and
Confidentiality**

All assessment instruments included in the student assessment program are considered secure, and the contents of these tests, including student information used or obtained in their administration, are confidential.

Districts and campuses and the superintendent and campus principals in each district and campus shall:

1. Implement and ensure compliance with state test administration procedures and training activities;
2. Notify TEA as soon as the district becomes aware of any alleged or suspected violation of the security or confidential integrity of a test [see Violations, below];
3. Report all confirmed testing violations to TEA within ten working days of the district becoming aware of the violation in accordance with the reporting process stipulated in the test administration materials;
4. Ensure that the only individuals with access to secure test materials are district employees who have:
 - a. Met the requirements to participate in the student assessment program;
 - b. Received annual training in test security and test administration procedures; and
 - c. Signed an oath affirming they understand their obligation to maintain and preserve the security and confidentiality of all state assessments and student information, acknowledge their responsibility to report any suspected testing violation, and are aware of the range of penalties that may result from a violation of test security and confidentiality or a departure from test administration procedures; and
5. Ensure the security of the test materials as required by 19 Administrative Code 101.3031(a)(2)(E).

19 TAC 101.3031(a)(1)–(a)(2)

Violations of the security and confidential integrity of a test include:

1. Directly or indirectly assisting students with responses to test questions;
2. Tampering with student responses;
3. Falsifying holistic ratings or student responses;
4. Viewing secure test content before, during, or after an administration unless specifically authorized by TEA or by the procedures outlined in the test administration materials;
5. Discussing or disclosing secure test content or student responses;
6. Scoring students' tests, either formally or informally;

7. Duplicating, recording, or electronically capturing confidential test content unless specifically authorized by TEA or by the procedures outlined in the test administration materials;
8. Responding to secure test questions;
9. Fraudulently exempting or preventing a student from participating in the administration of a required state assessment;
10. Receiving or providing unallowable assistance during calibration activities (e.g., taking notes, providing answer sheets, or sharing answers);
11. Encouraging or assisting an individual to engage in the conduct described above or in any other serious violation of security and confidentiality;
12. Failing to report to an appropriate authority that an individual has engaged or is suspected of engaging in the above conduct or in any other serious violation of security and confidentiality under this provision;
13. Failing to implement sufficient procedures to prevent student cheating; and
14. Failing to implement sufficient procedures to prevent alteration of test documents by anyone other than the student.

Consequences

If a district determines that a student has cheated or attempted to cheat on a state assessment either by providing or receiving direct assistance, the district shall invalidate the student's test results.

Any violation of test security or confidential integrity may result in TEA:

1. Invalidating student test results;
2. Referring certified educators to the State Board for Educator Certification (SBEC) for sanctions in accordance with 19 Administrative Code Chapter 247 (Educators' Code of Ethics) and Chapter 249 (Disciplinary Proceedings, Sanctions, and Contested Cases); and
3. Lowering the district's accreditation status or a district's or campus's accountability rating in accordance with Education Code 39.057(d) (redesignated to Education Code 39.003), or appointment of a monitor, conservator, or management team to the district in accordance with Education Code Chapter 39A.

Districts shall ensure that test coordinators and administrators receive training to ensure that testing personnel have the necessary skills and knowledge required to administer assessment instruments in a valid, standardized, and secure manner.

Records Retention As part of test administration procedures, the commissioner shall require districts to maintain records related to the security of assessment instruments for five years.

19 TAC 101.3031(a-3)–(d)

Disciplinary Action and Penalties SBEC may take disciplinary action against a person who has violated the security or integrity of any assessment required by Education Code Chapter 39, Subchapter B or has committed an act that is a departure from the test administration procedures established by the commissioner under 19 Administrative Code Chapter 101.

The superintendent and campus principal must develop procedures to ensure the security and confidentiality of the tests and will be responsible for notifying TEA in writing of conduct that violates the security or confidentiality of a test. Failure to report can subject the person responsible to the applicable penalties.

19 TAC 249.15(a)–(b), (g)

Minimize Disruptions In implementing the commissioner's procedures for the administration of assessment instruments adopted or developed under Education Code 39.023, including procedures designed to ensure the security of the assessment, a district shall minimize disruptions to school operations and the classroom environment. *Education Code 39.0301(a-1)*

Confidentiality of Results Individual student performance results are confidential and may be released only in accordance with the Family Educational Rights and Privacy Act of 1974. *Education Code 39.030(b)* [See FL and GBA]

Note: The terms English language learner, English learner, limited English proficient student, and emergent bilingual student are used interchangeably.

Language Proficiency Assessment Committee (LPAC)

The language proficiency assessment committee (LPAC) [see EHBE] shall select the appropriate assessment option for English language learners, as defined by Education Code Chapter 29, Subchapter B, as a student of limited English proficiency (LEP), in accordance with 19 Administrative Code 101.1005. The LPAC assessment decisions must be made on an individual student basis in accordance with administrative procedures established by TEA.

Documentation

The LPAC shall document in the student's permanent record file:

1. The decisions and justifications related to English language proficiency assessments under 19 Administrative Code 101.1003;
2. The decisions and justifications related to selecting the appropriate assessment option under 19 Administrative Code 101.1005; and
3. In conjunction with the admission, review, and dismissal (ARD) committee, the need for allowable testing accommodations under 19 Administrative Code 101.1003 and .1005.

Non-LEP Students

School districts may administer the assessment of academic skills in Spanish to a student who is not identified as limited English proficient but who participates in a bilingual program if the LPAC determines the assessment in Spanish to be the most appropriate measure of the student's academic progress. *19 TAC 101.1005(g)*

A board or its designee shall establish minimum proof of residency acceptable to a district. A board or its designee may make reasonable inquiries to verify a person's eligibility for admission. When admission is sought under the provision at Students Living Separate and Apart above, a board shall determine whether an applicant qualifies as a resident of a district and may adopt reasonable guidelines for making that determination as necessary to protect the best interest of students. <i>Education Code 25.001(c), (d)</i>
"Residence" Defined	"Residence" requires living in the district and having the present intention to remain there. <i>Martinez v. Bynum, 461 U.S. 321 (1983)</i> A district may withdraw any student who ceases to be a resident. <i>Daniels v. Morris, 746 F.2d 271 (5th Cir. 1984)</i>
Active-Duty Parent	A person whose parent or guardian is an active-duty member of the armed forces of the United States, including the state military forces or a reserve component of the armed forces, may establish residency for purposes of eligibility of admission by providing to the district a copy of a military order requiring the parent's or guardian's transfer to a military installation in or adjacent to the district's attendance zone. <i>Education Code 25.001(c-1)</i>

A person who establishes residency under Education Code 25.001(c-1) shall provide to the district proof of residence in the district's attendance zone not later than the tenth day after the arrival date specified in the military order. For purposes of this provision, "residence" includes residence in a military temporary lodging facility. *Education Code 25.001(c-2)*

Immigration Status

Denying enrollment based upon immigration status to children who are not legally admitted into the United States violates the Equal Protection Clause of the Fourteenth Amendment to the U.S. Constitution. *Plyler v. Doe, 457 U.S. 202 (1982)*

**High School
Equivalency
Certificate**

A student who has received a high school equivalency certificate is entitled to enroll in a public school in the same manner as any other student who has not received a high school diploma. *Education Code 29.087(h)*

**Substitute for Parent
or Guardian**

A board by policy may allow a person showing evidence of legal responsibility for a child other than an order of a court to substitute for a guardian or other person having lawful control of the child under court order. *Education Code 25.001(j)*

**Authorization
Agreement**

"Adult caregiver" means an adult person whom a parent has authorized to provide temporary care for a child under Family Code Chapter 34. *Family Code 34.0015(1)*

A parent, as defined in Family Code 101.024, or both parents of a child may enter into an authorization agreement with an adult caregiver to authorize the adult caregiver to perform acts described in Family Code 34.002 in regard to the child, such as:

1. Authorizing medical, dental, psychological, or surgical treatment and immunization of the child, including executing any consents or authorizations for the release of information as required by law relating to the treatment or immunization;
2. Enrolling the child in the district; and
3. Authorizing the child to participate in age-appropriate extracurricular, civic, social, or recreational activities, including athletic activities.

Family Code 34.002

A parent may enter into an authorization agreement with an adult caregiver with whom a child is placed under a parental child safety placement agreement approved by the Department of Family and Protective Services (DFPS) to allow the person to perform the acts described above with regard to the child during an investigation of

abuse or neglect or while the department is providing services to the parent. *Family Code 34.0021*

The authorization agreement must conform to the requirements of Family Code Chapter 34.

A child who is the subject of an authorization agreement is not considered to be placed in foster care and the parties to the agreement are not subject to any law or rule governing foster care providers. *Family Code 34.0022(b)*

An authorization agreement does not affect the rights of the child's parent or legal guardian regarding the care, custody, and control of the child, and does not mean that the adult caregiver has legal custody of the child. *Family Code 34.007(b)*

Only one authorization agreement may be in effect for a child at any time. Execution of a subsequent authorization agreement does not by itself supersede, invalidate, or terminate a prior authorization agreement. An authorization agreement is void if it is executed while a prior authorization agreement remains in effect. *Family Code 34.002(d), .008(f)*

An authorization agreement is for a term of six months and renews automatically for six-month terms unless an earlier expiration date is stated in the agreement, the agreement is terminated under Family Code 34.008, or a court authorizes continuation. *Family Code 34.0075*

Immunity

A person who is not a party to the authorization agreement who relies in good faith on the authorization agreement, without actual knowledge that the authorization agreement is void, revoked, or invalid, is not subject to civil or criminal liability to any person, and is not subject to professional disciplinary action, for that reliance if the agreement is completed as required by Family Code Chapter 34. *Family Code 34.007(a)*

Note: The [Authorization Agreement for Nonparent Relative \(PDF\)](#)¹ is available on the DFPS website.

Temporary Authorization for Care

A person eligible to consent to treatment of a child under Family Code 32.001 or a person eligible to enter an authorization agreement [see Authorization Agreement, above] may seek a court order for temporary authorization for care of a child by filing a petition in the district court in the county in which the person resides if:

1. The child has resided with the person for at least the 30 days preceding the date the petition was filed; and

2. The person does not have an authorization agreement or other signed, written documentation from a parent, conservator, or guardian that enables the person to provide necessary care for the child.

Family Code 35.001–.002

The order may authorize the petitioner to, among other things:

1. Consent to medical, dental, psychological, and surgical treatment and immunization of the child;
2. Enroll the child in the district; and
3. Authorize the child to participate in age-appropriate extracurricular, civic, social, or recreational activities, including athletic activities.

A temporary authorization order does not affect the rights of the child's parent, conservator, or guardian regarding the care, custody, and control of the child, and does not establish legal custody of the child. *Family Code 35.007(b)*

Immunity

A person who relies in good faith on a temporary authorization order is not subject to civil or criminal liability to any person, or to professional disciplinary action. *Family Code 35.007(a)*

Students in Foster Care

A child placed in foster care by an agency of the state or a political subdivision shall be permitted to attend schools in the district in which the foster parents reside free of any charge to the foster parents or to the agency. A durational residence requirement may not be used to prohibit that child from fully participating in any activity sponsored by a district. *Education Code 25.001(f)*

A student who was enrolled in a primary or secondary public school before the student entered the conservatorship of DFPS and who is placed at a residence outside the attendance area for a school or outside a district is entitled to continue to attend the school in which the student was enrolled immediately before entering conservatorship until the student successfully completes the highest grade level offered by the school at the time of placement without payment of tuition. The student is entitled to continue to attend the school regardless of whether the student remains in the conservatorship of DFPS for the duration of the student's enrollment in the school. *Education Code 25.001(g)*

If a student who is in the conservatorship of DFPS is enrolled in a primary or secondary public school, other than the school in which the student was enrolled at the time the student was placed in the

conservatorship of DFPS, the student is entitled to continue to attend that school without payment of tuition until the student successfully completes the highest grade level offered by the school at the time of enrollment in the school, even if the child's placement is changed to a residence outside the attendance area for that school or outside the district. The student is entitled to continue to attend the school regardless of whether the student remains in the conservatorship of DFPS for the duration of the student's enrollment in the school. *Education Code 25.001(g-1)*

A written case plan for any child in foster care under the responsibility of the state must include a plan for ensuring the educational stability of the child while in foster care, including:

1. Assurances that each placement of the child in foster care takes into account the appropriateness of the current educational setting and the proximity to the school in which the child is enrolled at the time of placement; and
2. An assurance that the appropriate state agency has coordinated with a district to ensure that the child remains in the school in which the child is enrolled at the time of each placement; or if remaining in that school is not in the best interests of the child, assurances by the state agency and the district to provide immediate and appropriate enrollment in a new school, with all of the educational records of the child provided to the school.

A district shall charge tuition for a student who resides in a residential facility and whose maintenance or expenses are paid in whole or in part by another state or the United States. Any such tuition charge must be submitted to the commissioner for approval. The attendance of students admitted under this provision shall not be counted for purposes of allocating state funds to a district. *Education Code 25.003*

Students Holding F-1 Student Visas

If a student is required, as a condition of obtaining or holding the appropriate U.S. student visa, to pay tuition to the district that the student attends to cover the cost of the student's education provided by the district, the district shall accept tuition for the student in an amount equal to the full unsubsidized per capita cost of providing the student's education for the period of the student's attendance at school in the district.

The commissioner shall develop guidelines for determining the amount of the full unsubsidized per capita cost of providing a student's education. A district may not accept tuition in an amount greater than the amount computed under the commissioner's guidelines unless the commissioner approves a greater amount as a more accurate reflection of the cost of education to be provided by the district.

The attendance of a student for whom a district accepts tuition is not counted for purposes of allocating state funds to the district.

Education Code 25.0031

Note: Enrolling students with F-1 visas is optional. If the district is interested in enrolling students with F-1 visas, it must comply with the federal [Student and Exchange Visitor Program](#)² (SEVP) under the Department of Homeland Security.

"Parent" includes a person standing in parental relation.

Placement

The parent of multiple birth siblings who are assigned to the same grade level and school may request in writing, not later than the 14th day after the first day of enrollment, that the school place the siblings in the same classroom or in separate classrooms.

A school shall provide the placement requested, except that a district is not required to place multiple birth siblings in separate classrooms if the request would require the district to add an additional class to the grade level of the siblings.

The school may recommend to a parent the appropriate classroom placement and may provide professional educational advice to assist the parent with the decision.

These provisions do not affect:

1. A right or obligation regarding the individual placement decisions of the admission, review, and dismissal (ARD) committee with respect to students receiving special education services [see EHBAB]; or
2. The right of a district or teacher to remove a student from a classroom under Chapter 37 [see FOA].

Reassignment by Principal

At the end of the first grading period following the multiple birth siblings' enrollment in the school, if the principal of the school, in consultation with the teacher of each classroom in which the siblings are placed, determines that the requested classroom placement is disruptive to the school, the principal may determine the appropriate classroom placement for the siblings.

Appeal

A parent may appeal the principal's classroom placement in the manner provided by district policy. During an appeal, the siblings shall remain in the classroom chosen by the parent. [See FNG]

Education Code 25.043

Placement of Older Students

A person who is 21 years of age or older who is admitted by a district to complete the requirements for a high school diploma and who has not attended school in the three preceding school years may not be placed with a student who is 18 years of age or younger in a classroom setting, a cafeteria, or another district-sanctioned school activity. This restriction does not prevent the student from attending a school-sponsored event that is open to the public as a member of the public. *Education Code 25.001(b-2)*

Petitions and Objections

The parent or person standing in parental relation to any student may by written petition either:

1. Request the assignment or transfer of the student to a designated school or to a school to be designated by the board; or
2. File objections to the assignment of the student to the school to which the student has been assigned.

Education Code 25.033, 26.003(a)(1)

Procedure

Upon receiving a written petition, a board shall proceed as follows:

1. If no hearing is requested, act on the petition not later than the 30th day after the petition is submitted and notify the petitioner of its conclusion; or
2. If a hearing is requested, designate a time and place for holding a hearing not later than the 30th day after the petition is submitted.

If a hearing is requested, it shall be conducted by a board in compliance with the following:

1. The petitioner may present evidence relevant to the student.
2. The board may conduct investigations as to the objection or request, examine any student involved, and employ agents, professional or otherwise, for the purpose of examinations and investigations.

Board's Decision

The board must grant the request made in the petition unless the board determines that there is a reasonable basis for denying the request. The decision of a board, with or without a hearing, is final, unless the student, or the parent, guardian, or custodian of the student as next friend, files an exception to the decision as constituting a denial of any right of the student guaranteed under the U.S. Constitution.

If such an exception is filed, a board may reconsider its decision. If a board has not ruled on the exception before the 16th day after the date of the filing, the objection is considered overruled. If the

exception is overruled, an appeal of a board's decision may be filed in the district court of the county in which the board is located.

Education Code 25.034

Students Who Are Victims of Bullying

On the request of a parent or other person with authority to act on behalf of a student who is a victim of bullying, a board or its designee shall transfer the victim to:

1. Another classroom at the campus to which the victim was assigned at the time the bullying occurred; or
2. A campus in the district other than the campus to which the victim was assigned at the time the bullying occurred.

Students Who Engage in Bullying

The board may transfer the student who engaged in bullying to:

1. Another classroom at the campus to which the victim was assigned at the time the bullying occurred; or
2. A campus in the district other than the campus to which the victim was assigned at the time the bullying occurred, in consultation with a parent or other person with authority to act on behalf of the student who engaged in bullying.

Education Code 37.004 (Placement of Students with Disabilities) applies to a transfer under this provision of a student with a disability who receives special education services.

Definition

"Bullying" has the meaning assigned by Education Code 37.0832. [See FFI]

Verification

A board or designee shall verify that a student has been a victim of bullying before transferring the student. A board may consider past student behavior when identifying a bully.

The determination by a board or designee is final and may not be appealed. The procedures set forth at Education Code 25.034 [see Petitions and Objections—Procedure, above] do not apply to a transfer under this provision.

A district is not required to provide transportation to a student who transfers to another campus under this provision.

Education Code 25.0342

Note: For bullying rising to the level of prohibited harassment, see FFH. For all other bullying, see FFI. For transfers related to sexual assault or school safety, see FDE.

**Others in Special
Education Student's
Household**

If a district assigns a student to a district campus other than the campus the student would attend based on the student's residence, for purposes of receiving special education services, the district shall permit the student's parent, guardian, or other person standing in parental relation to the student to obtain a transfer to the assigned campus for any other student residing in the household of the student receiving special education services, provided that:

1. The other student is entitled to attend school in the district [see FD]; and
2. The appropriate grade level for the other student is offered at the campus.

This provision does not apply if the student receiving special education services resides in a residential facility.

Education Code 25.034 [see Petitions and Objections—Procedure, above] does not apply to a transfer under this provision.

Transportation

A district is not required to provide transportation to a student who transfers to another campus under this provision. This provision does not affect any transportation services provided by a district in accordance with other law for the student receiving special education services.

Education Code 25.0343

**Students in
Unacceptable
Schools**

A student is eligible to attend another public school in the district in which the student resides if the student is assigned to attend a public school campus assigned an unacceptable rating that is made publicly available under Education Code 39.054. *Education Code 29.202(a)* [See FDAA]

**Students in Schools
Identified for
Support and
Improvement**

A district may provide all students enrolled in a school identified by TEA for comprehensive support and improvement under 20 U.S.C. 6311(c)(4)(D)(i) with the option to transfer to another public school served by the district, unless such an option is prohibited by state law.

A district shall give priority to the lowest achieving children from low-income families. A student who uses the option to transfer shall be enrolled in classes and other activities in the public school to which the student transfers in the same manner as all other students at the public school.

A district shall permit a student who transfers to another school to remain in that school until the child has completed the highest grade in that school. A district may spend an amount equal to not

more than five percent of its allocation under 20 U.S.C. Chapter 70, Part A, Subpart 2 (Title I basic program allocations) to pay for the provision of transportation for students who transfer under these provisions to the schools to which they transfer.

20 U.S.C. 6311(d)(1)(D)

Note: See FDE for the school safety transfer option in Title I programs.

Class Changes

A parent or person standing in parental relation is entitled to reasonable access to the school principal, or to a designated administrator with authority to reassign a student, to request a change in the class or teacher to which the parent's child has been assigned, if the reassignment or change would not affect the assignment or reassignment of another student. The decision of a board regarding such a request is final and may not be appealed. *Education Code 26.002, .003(a)(2), (b)* [See FNG]

**School Safety
Choice Option**

The Texas Education Agency (TEA) shall establish and implement a statewide policy requiring that a student be allowed to attend a safe public elementary or secondary school within a district, including a public charter school, if the student:

1. Attends a persistently dangerous public elementary or secondary school, as determined by TEA; or
2. Becomes a victim of a violent criminal offense, as determined by state law, while in or on the grounds of the public elementary or secondary school that the student attends.

20 U.S.C. 7912

**Sexual Assault
Transfer**

These provisions apply to:

1. A student (the "assailant"):
 - a. Who has been convicted of continuous sexual abuse of a young child or disabled individual, convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault committed against another student who, at the time the offense occurred, was assigned to the same campus as the student convicted or placed on deferred adjudication (the "conduct");
 - b. Who has been adjudicated under Family Code 53.03 for engaging in the conduct;
 - c. Whose prosecution under Family Code 53.03 for engaging in the conduct has been deferred; or
 - d. Who has been placed on probation under Family Code 54.04(d)(1) for engaging in the conduct; and
2. A student who is the victim of the conduct (the "victim").

These provisions apply regardless of whether the conduct occurred on or off of school property.

Transfer of Victim

On the request of a parent or other person with authority to act on behalf of the victim of the conduct, a board shall transfer the victim to:

1. A district campus other than the campus to which:
 - a. The victim was assigned at the time the conduct occurred; or
 - b. The assailant is assigned, if the assailant has been assigned to a different campus since the conduct occurred; or

2. A neighboring school district, if there is only one campus in the district serving the grade level in which the victim is enrolled.

The transfer must be to a campus or school district, as applicable, agreeable to the parent or other person with authority to act on the victim's behalf.

Transfer of
Assailant

If the victim does not wish to transfer to another campus or district, a board shall transfer the assailant to:

1. A district campus other than the campus to which the victim is assigned; or
2. A district's disciplinary alternative education program or juvenile justice alternative education program, if there is only one campus in the district serving the grade level in which the assailant is enrolled. [See FOC]

To the extent permitted under federal law [see FL], a district shall notify the parent or other person with authority to act on behalf of the victim of the campus or program to which the assailant is assigned.

Education Code 25.034 [see FDB] does not apply to a transfer under this provision.

A district is not required to provide transportation to a student who transfers to another campus or district under this provision.

Education Code 25.0341

Safe Schools Data

The Superintendent shall ensure that the District complies with Texas Education Agency (TEA) guidelines for the collection and maintenance of data regarding:

1. Mandatory expellable offenses committed at school or at a school-related or school-sponsored activity, on or off school property [see FOD]; and
2. Any student who becomes a victim of one of the following violent criminal offenses, as defined by the Penal Code, while on the premises of the school the student attends or while attending a school-sponsored or school-related activity, on or off school property:
 - a. Attempted murder;
 - b. Indecency with a child;
 - c. Aggravated kidnapping;
 - d. Aggravated assault on someone other than a District employee or volunteer;
 - e. Sexual assault or aggravated sexual assault against someone other than a District employee or volunteer;
 - f. Aggravated robbery; or
 - g. Continuous sexual abuse of a young child or disabled individual.

School Safety Transfers

The parent of a student who becomes a victim of a violent criminal offense as described in the state guidance for unsafe school choice options or who is assigned to a campus identified by TEA as persistently dangerous shall be offered a transfer to a safe public or charter school within the District.

For each transfer requested, the District shall explore transfer options, as appropriate. Options may include a transfer agreement with another school district.

From a Persistently Dangerous School

The parent of a student attending a school identified as persistently dangerous shall be provided notification of his or her right to request a transfer. Notification shall occur at least 14 days prior to the start of the school year or, for a student enrolling subsequently, upon the student's enrollment.

The parent must submit to the Superintendent an application for transfer. The Superintendent shall complete the transfer prior to the beginning of the school year, if applicable, or within 14 calendar days of the request for a subsequently enrolling student.

Any transfer arranged for a student from a campus identified by TEA as persistently dangerous shall be renewed so long as the campus from which the student transferred retains that designation.

The District shall maintain, in accordance with the District's record retention schedule, documentation of notification to parents of the transfer option, transfer applications submitted, and action taken.

For a Victim of a
Violent Criminal
Offense

Within 14 calendar days after a violent criminal offense described above occurs in or on the premises of the school the student attends or while attending a school-sponsored or school-related activity, on or off school property, the District shall notify the parent of a student who is a victim of the offense of the parent's right to request a transfer. The parent must submit to the Superintendent an application for transfer. The Superintendent shall approve or disapprove the request within 14 calendar days of its submission.

Any transfer arranged for a student who was a victim of a violent crime as described above shall be renewed so long as the threat to the student exists at the campus to which the student would typically be assigned.

For each offense, the District shall maintain for at least five years documentation of the nature and date of the offense, notification to the parent of the transfer option, transfer applications submitted, action taken, and other relevant information regarding the offense.

**Additional Transfer
Options**

In circumstances described by Education Code 25.0341, a parent of a student who has been the victim of a sexual assault, regardless of whether the offense occurred on or off school property, may request a transfer of the parent's child or the student assailant from the same campus.

[For other transfer provisions, see also FDA and FDB.]

**Compulsory
Attendance**

Students who are at least six years of age, or who have been previously enrolled in first grade, and who have not yet reached their 19th birthday shall attend school for the entire period the program is offered, unless exempted as indicated below. On enrollment in prekindergarten or kindergarten, a student shall attend school. *Education Code 25.085(a)–(c)*

**Voluntary Enrollment
of Students 19 and
Over**

A person who voluntarily enrolls in school or voluntarily attends school after the person's 19th birthday shall attend school each school day for the entire period the program of instruction is offered. A board may adopt a policy requiring the student who is under 21 years of age to attend school until the end of the school year.

After the third unexcused absence of a person who voluntarily enrolls, a district shall issue a warning letter to the person that states the person's enrollment may be revoked for the remainder of the school year if the person has more than five unexcused absences in a semester.

A district may revoke for the remainder of the school year the enrollment of a person who has more than five unexcused absences in a semester, except a school district may not revoke the enrollment of a person under this provision on a day on which the person is physically present at school.

A person whose enrollment is revoked for exceeding this limit may be considered an unauthorized person on school grounds for the purposes of Education Code 37.107 regarding trespassing.

As an alternative to revoking a person's enrollment, a school district may impose a behavior improvement plan described by Education Code 25.0915(a-1)(1).

Education Code 25.085(e)–(h)

**Accelerated /
Compensatory

"Temporary absence" includes the temporary absence of a student diagnosed with autism spectrum disorder on the day of the student's appointment with a health-care practitioner to receive a generally recognized service for persons with autism spectrum disorder, including applied behavioral analysis, speech therapy, and occupational therapy. *Education Code 25.087(b)(2), (b-3); 19 TAC 129.21(j)(3)* [See FEB]

ATTENDANCE
COMPULSORY ATTENDANCE

FEA
(LEGAL)

No Penalty A student whose absence is excused for a reason described beginning at Excused Absences for Compulsory Attendance Determinations, above, may not be penalized for that absence and shall be counted as if the student attended school for purposes of calculating the average daily attendance of students in the district.

Make-Up Work The student shall be allowed a reasonable time to make up school work missed on the days described above. If the student satisfactorily completes the work, the days of absence shall be counted as days of compulsory attendance.

Education Code 25.087(d)

Other Excused Absences A person required to attend school may be excused for temporary absence resulting from any cause acceptable to the teacher, principal, or superintendent of the school in which the person is enrolled.
Education Code 25.087(a)

Notices to Parents
Warning Notice A district shall notify a student's parent in writing at the beginning of the school year that, if the student is absent from school on ten or more days or parts of days within a six-month period in the same school year, the student's parent is subject to prosecution under Education Code 25.093, and the student is subject to referral to a truancy court for truant conduct under Family Code 65.003(a).

Notice of Absences A district shall notify a student's parent if the student has been absent from school, without excuse under Education Code 25.087, on three days or parts of days within a four-week period. The notice must:

1. Inform the parent that:
 - a. It is the parent's duty to monitor the student's school attendance and require the student to attend school;
 - b. The student is subject to truancy prevention measures under Education Code 25.0915; and
2. Request a conference between school officials and the parent to discuss the absences.

The fact that a parent did not receive the notices described above is not a defense for the parent's failure to require a child to attend school nor for the student's failure to attend school.

Education Code 25.095

Non-Attendance
Parent Liability A parent or person standing in parental relation commits an offense if:

1. A warning notice is issued;

2. The parent with criminal negligence fails to require the child to attend school as required by law; and
3. The child has absences for the amount of time specified under Family Code 65.003(a).

The attendance officer [see FED] or other appropriate school official shall file a complaint against the parent in an appropriate court, as permitted under Education Code 25.093.

*Affirmative
Defense—Parent*

It is an affirmative defense to prosecution that one or more of the absences required to be proven was excused by a school official or should be excused by the court. A decision by the court to excuse an absence for this purpose does not affect the ability of a district to determine whether to excuse the absence for another purpose.

Education Code 25.093

Student Liability

A child engages in truant conduct if the child is required to attend school under the compulsory attendance laws, and fails to attend school on ten or more days or parts of days within a six-month period in the same school year. Truant conduct may be prosecuted only as a civil case in a truancy court. *Family Code 65.003(a), (b)*

“Child” means a person who is 12 years of age or older and younger than 19 years of age. *Family Code 65.002(1)*

Truancy Courts

The following are designated as truancy courts:

1. The constitutional county court in a county with a population of 1.75 million or more;
2. Justice courts; and
3. Municipal courts.

A truancy court has exclusive original jurisdiction over cases involving allegations of truant conduct.

Family Code 65.004(a)–(b)

*Affirmative
Defense—
Student*

It is an affirmative defense to an allegation of truant conduct that one or more of the absences required to be proven:

1. Have been excused by a school official or by the court;
2. Were involuntary; or
3. Were due to the child’s voluntary absence from the child’s home because of abuse, as defined by Family Code 261.001.

The affirmative defense is not available if, after deducting the absences described above, there remains a sufficient number of absences to constitute truant conduct.

In asserting an affirmative defense, the burden is on the child to show by a preponderance of the evidence that the absence has been or should be excused, was involuntary, or was due to the child's voluntary absence from the child's home because of abuse, as defined by Family Code 261.001.

A decision by the court to excuse an absence does not affect the ability of the district to determine whether to excuse the absence for another purpose.

Family Code 65.003(c)–(f)

Tuancy Prevention Measures

If a student fails to attend school without excuse on three or more days or parts of days within a four-week period but does not fail to attend school for the time described below, the district shall initiate truancy prevention measures on the student. [See FED] *Education Code 25.0915(a-4)*

If a student fails to attend school without excuse on ten or more days or parts of days within a six-month period in the same school year, a district shall within ten school days of the student's tenth absence refer the student to a truancy court for truant conduct under Family Code 65.003(a). [See FED] *Education Code 25.0951*

Students in violation of the compulsory attendance law shall be reported to the District attendance officer, who may institute court action as provided by law.

Excused Absences

In addition to excused absences required by law, the District shall excuse absences for the following purposes. A student shall be required to submit verification of these absences in accordance with administrative regulations.

Higher Education
Visits

The District shall excuse a student for up to two days during the student's junior year and up to two days during the student's senior year to visit an accredited institution of higher education.

Armed Services
Enlistment

The District shall excuse a student 17 years of age or older for up to four days during his or her enrollment in high school for activities related to pursuing enlistment in a branch of the U.S. Armed Services or Texas National Guard.

Early Voting or
Election Clerk

The District shall excuse a student for up to two days per school year to serve as an early voting or election clerk.

Learner or Driver's
License

The District shall excuse a student 15 years of age or older for one day during his or her enrollment in high school for each of the following:

- Visiting a driver's license office to obtain a learner license; or
- Visiting a driver's license office to obtain a driver's license.

[For extracurricular activity absences, see FM.]

**Withdrawal for
Nonattendance**

The District may initiate withdrawal of a student under the age of 19 for nonattendance under the following conditions:

1. The student has been absent ten consecutive school days; and
2. Repeated efforts by the attendance officer and/or principal to locate the student have been unsuccessful.

[For District-initiated withdrawal of students 19 or older, see FEA(LEGAL).]

**Students Attending
Homeschools**

Students who are homeschooled are exempt from the compulsory attendance law to the same extent as students enrolled in other private schools.

Adequate documentation of homeschooling for withdrawal shall consist of either a statement of withdrawal in accordance with FD(LOCAL) indicating the date homeschooling began, or a signed and dated letter from a parent or guardian indicating that his or her

child is being homeschooled and the date the homeschooling began.

The District may request from a parent or guardian a letter of assurance that a child is being educated using a curriculum designed to meet basic education goals of reading, spelling, grammar, mathematics, and a study of good citizenship.

Enforcing
Compulsory
Attendance

If a parent or guardian refuses to submit a requested statement or letter, or if the District has evidence that a school-aged child is not being homeschooled within legal requirements, the District may investigate further and, if warranted, shall pursue legal action to enforce the compulsory attendance law.

**Absences
Considered**

In order to receive credit or a final grade for a class, a student is required to attend class 90 percent of the days class is offered regardless of whether the student's absences are excused [see FEA] or unexcused. *Atty. Gen. Op. JC-0398 (2001)*

A student's excused absence under Education Code 25.087(b)(3) [see FEA] may not be considered in determining whether the student has satisfied the attendance requirement under the 90 percent rule. *Education Code 25.092(a-3)*

90 Percent Rule

Except as provided below, a student in any grade level from kindergarten through grade 12 shall not be given credit or a final grade for a class unless the student is in attendance 90 percent of the days the class is offered. This restriction does not affect a student's right to excused absences to observe religious holy days [see FEA] and does not apply to a student who receives credit by examination for a class as provided by Education Code 28.023. [See EHDC]

Principal's Plan

A student who is in attendance for at least 75 percent but less than 90 percent of the days a class is offered may be given credit or a final grade if the student completes a plan approved by the school's principal that provides for the student to meet the instructional requirements of the class. However, a student under the jurisdiction of a court in a criminal or juvenile justice proceeding may not receive credit or a final grade without the consent of the judge presiding over the student's case.

**Extenuating
Circumstances**

An attendance committee may give class credit or a final grade to a student because of extenuating circumstances. A board shall establish guidelines for determining what constitutes extenuating circumstances.

A board shall adopt policies that establish alternative ways for students to make up work or regain credit or a final grade lost because of absences. The alternative ways must include at least one option that does not require a student to pay a fee. The availability of such option must be substantially the same as the availability of the educational program for which a district may charge a fee. [See FP]

**Attendance
Committee**

A board shall appoint one or more attendance committees to hear petitions for class credit or a final grade by students who have not met the 90 percent rule and have not earned class credit or a final grade by completing a principal's plan. Classroom teachers shall comprise a majority of the attendance committee.

Appeal

If the committee denies a student credit or a final grade, the student may appeal the decision to the board. A board's decision may

be appealed to the district court of the county in which the district's central administrative office is located.

Additional Duties

A certified employee may not be assigned additional instructional duties as a result of the above provision outside of the regular workday unless the employee is compensated for the duties at a reasonable rate of pay.

Education Code 25.092

This policy shall apply to a student who has not been in attendance for 90 percent of the days the class is offered.

**Absences
Considered**

Except as otherwise provided by law, all absences incurred while enrolled in the District shall be considered in determining whether a student has attended the required percentage of days under this policy.

**Attendance
Committees**

The Board shall establish an attendance committee or as many committees as necessary for efficient implementation of Education Code 25.092.

The Superintendent shall make the specific appointments in accordance with legal requirements.

**Parental Notice of
Excessive Absences**

A student and the student's parent or guardian shall be given written notice prior to and at such time when a student's attendance in any class drops below 90 percent of the days the class is offered.

**Methods for
Regaining Credit or
Awarding a Final
Grade**

When a student's attendance drops below 90 percent but remains at least at 75 percent of the days the class is offered, the student may earn credit for the class or a final grade by completing a plan approved by the principal. This plan must provide for the student to meet the instructional requirements of the class as determined by the principal.

If the student fails to successfully complete the plan, or when a student's attendance drops below 75 percent of the days the class is offered, the student, parent, or representative may request award of credit or a final grade by submitting a written petition to the appropriate attendance committee.

Petitions for credit or a final grade may be filed at any time the student receives notice but, in any event, no later than 15 days after the last day of classes.

The attendance committee shall review the student's entire attendance record and the reasons for absences and shall determine whether to award credit or a final grade. The attendance committee may also, whether a petition is filed or not, review the records of all students whose attendance drops below 90 percent of the days the class is offered.

A student who has lost credit or has not received a final grade because of excessive absences may regain credit or be awarded a final grade by fulfilling the requirements established by the attendance committee.

Personal Illness

The principal or attendance committee may require verification from a health-care provider in accordance with administrative regulations as a condition of classifying an absence for personal illness as one for which there are extenuating circumstances.

**Parent Conference
for Excessive
Absences**

If a student has been absent in one semester for five days that have not been covered by an excuse signed by a doctor, nurse, or a clinic, the parent or guardian shall be required to come to school and speak with an administrator.

For each absence thereafter, not covered as outlined above, the parent or guardian shall be required to come to school and speak with an administrator.

**Best Interest
Standard**

In reaching consensus regarding a student's absences and how the student can be awarded credit or a final grade, the attendance committee shall attempt to ensure that its decision is in the best interest of the student. The Superintendent shall develop administrative regulations to document the attendance committee's decision.

**Guidelines on
Extenuating
Circumstances**

The attendance committee shall consider whether a student has mastered the essential knowledge and skills and maintained passing grades in the course or subject.

When makeup work is completed satisfactorily, the attendance committee shall consider extracurricular absences and other excused absences as days of attendance for award of credit or a final grade. [See FEA]

The attendance committee shall consider whether the reasons for the absences were out of the parent's or student's control and whether documentation for the absence is acceptable.

The student or parent shall be given an opportunity to present any information to the committee about the absences and to discuss ways to earn or regain credit or be awarded a final grade.

**Imposing Conditions
for Awarding Credit
or a Final Grade**

The attendance committee shall consider the student's unique circumstances and, if necessary, shall impose conditions for awarding credit or a final grade that permit the student to meet the instructional requirements of the class rather than assigning a student to attend a specified program for an amount of time equivalent to the student's absences. Conditions may include:

1. Maintaining attendance standards for the rest of the semester.
2. Completing additional assignments, as specified by the committee or teacher.
3. Attending tutorial sessions as scheduled.

4. Completing other instructional programs, as specified by the committee.
5. Taking an examination to earn credit. [See EHDB]

In all cases, the student must earn a passing grade in order to receive credit.

Appeal Process

A parent or student may appeal the decision of the attendance committee in accordance with FNG(LOCAL).

District Complaint or Referral	If a student fails to attend school without excuse on ten or more days or parts of days within a six-month period in the same school year, a district shall within ten school days of the student's tenth absence refer the student to a truancy court for truant conduct under Family Code 65.003(a). [See FEA]
Against Student	
Against Parent	The district may file a complaint against the student's parent in a county, justice, or municipal court for an offense under Education Code 25.093 if the district provides evidence of the parent's criminal negligence. A court shall dismiss a complaint made by a district against a parent that does not comply with Education Code 25.0951; does not allege the elements required for the offense; is not timely filed, unless the district delayed the referral as provided below; or is otherwise substantively defective.
Delaying a Referral	A district may delay a referral of a student for truant conduct, or may choose to not refer a student for truant conduct, if the district: <ol style="list-style-type: none">1. Is applying truancy prevention measures to the student under Education Code 25.0915; and2. Determines that the truancy prevention measures are succeeding and it is in the best interest of the student that a referral be delayed or not be made. <i>Education Code 25.0951</i>
Referral Prohibited	A district may not refer a student to truancy court if the school determines that the student's truancy is the result of pregnancy, being in the state foster program, homelessness, severe or life-threatening illness or related treatment, or being the principal income earner for the student's family. [See Truancy Prevention Measures, below] <i>Education Code 25.0915(a-3)</i>
Filing Requirements	Each referral to truancy court for conduct described by Family Code 65.003(a) must: <ol style="list-style-type: none">1. Be accompanied by a statement from the student's school certifying that the school applied the truancy prevention measures to the student, and the measures failed to meaningfully address the student's school attendance; and2. Specify whether the student is eligible for or receives special education services under Education Code Chapter 29, Subchapter A. A truancy court shall dismiss a petition filed by a truant conduct prosecutor under Family Code 65.054, if the court determines that the district's referral:

1. Does not comply with the requirement above;
2. Does not satisfy the elements required for truant conduct;
3. Is not timely filed, unless the school district delayed the referral as provided above [see *Delaying a Referral*, above]; or
4. Is otherwise substantively defective.

Education Code 25.0915(b), (c)

Expunction of Records

An individual who was convicted of a truancy offense under former Education Code 25.094 or has had a complaint for a truancy offense dismissed is entitled to have the conviction or complaint and records relating to the conviction or complaint expunged.

Regardless of whether the individual has filed a petition for expunction, the court in which the individual was convicted or a complaint for a truancy offense was filed shall order the conviction, complaints, verdicts, sentences, and other documents relating to the offense, including any documents in the possession of a district or law enforcement agency, to be expunged from the individual's record. After entry of the order, the individual is released from all disabilities resulting from the conviction or complaint, and the conviction or complaint may not be shown or made known for any purpose.

Code of Crim. Proc. 45.0541

6. At the request of a parent, to escort a student from any location to a school campus to ensure the student's compliance with compulsory school attendance requirements.

Education Code 25.091(b)

Peace Officers

1. To investigate each case of a violation of compulsory school attendance requirements referred to the peace officer;

A peace officer who has probable cause to believe that a child is in violation of the compulsory attendance law may take the child into custody for the purpose of returning the child to the school campus of the child to ensure the child's compliance with compulsory attendance requirements.

Education Code 25.091(a), (b-1)

**Truancy Prevention
Measures**

A district shall adopt truancy prevention measures designed to address student conduct related to truancy in the school setting before the student engages in conduct described by Family Code 65.003 and minimize the need for referrals to truancy court for conduct described by Family Code 65.003(a). *Education Code 25.0915(a)*

A district shall take one or more of the following actions as a truancy prevention measure:

1. Impose:
 - a. A behavior improvement plan on the student that must be signed by an employee of the school, that the district has made a good faith effort to have signed by the student and the student's parent or guardian, and that includes:
 - (1) A specific description of the behavior that is required or prohibited for the student;
 - (2) The period for which the plan will be effective, not to exceed 45 school days after the date the contract becomes effective; or

- (3) The penalties for additional absences, including additional disciplinary action or the referral of the student to a truancy court; or
 - b. School-based community service; or
2. Refer the student to counseling, mediation, mentoring, a teen court program, community-based services, or other in-school or out-of-school services aimed at addressing the student's truancy. A referral may include participation by the child's parent or guardian if necessary.

A school district shall offer additional counseling to a student and may not refer the student to truancy court if the school determines that the student's truancy is the result of:

1. Pregnancy;
2. Being in the state foster program;
3. Homelessness;
4. Severe or life-threatening illness or related treatment; or
5. Being the principal income earner for the student's family.

If a student fails to attend school without excuse on three or more days or parts of days within a four-week period but does not fail to attend school for the time described by Education Code 25.0951(a), the district shall initiate truancy prevention measures on the student.

Education Code 25.0915

Minimum Standards

The minimum standards for the truancy prevention measures implemented by a district under Education Code 25.0915 include:

1. Identifying the root cause of the student's unexcused absences and actions to address each cause;
2. Maintaining ongoing communication with students and parents on the actions to be taken to improve attendance;
3. Establishing reasonable timelines for completion of the truancy prevention measure; and
4. Establishing procedures to notify the admission, review, and dismissal committee or the Section 504 committee of attendance issues relating to a student with a disability and ensure that the committee considers whether the student's attendance issues warrant an evaluation, a reevaluation, and/or

modifications to the student's individualized education program or Section 504 plan, as appropriate.

19 TAC 129.1043

Best Practices

A district shall consider the following best practices for truancy prevention measures:

1. Develop an attendance policy that clearly outlines requirements related to truancy in accordance with Education Code, Chapter 25, Subchapter C, and communicate this information to parents at the beginning of the year.
2. Create a culture of attendance that includes training staff to talk with students and parents about the attendance policy and the root causes of unexcused absences.
3. Create incentives for perfect attendance and improved attendance.
4. Educate students and their families on the positive impact of school attendance on performance.
5. Provide opportunities for students and parents to address causes of absence and/or truancy with district staff and link families to relevant community programs and support.
6. Develop collaborative partnerships, including planning, referral and cross-training opportunities, between appropriate school staff, attendance officers, program-related liaisons, and external partners, such as court representatives, community and faith-based organizations, state or locally funded community programs for truancy intervention or prevention, and law enforcement to assist students.
7. Determine root causes of unexcused absences and review campus- and district-level data on unexcused absences to identify systemic issues that affect attendance.
8. Use existing school programs such as Communities in Schools, 21st Century Community Learning Centers, restorative discipline, and positive behavior interventions and supports (PBIS) to provide students and their parents with services.
9. At the beginning of each school year, conduct a needs assessment and identify and list, or map, services and programs available within the district and the community that a school, a student, or a student's parent or guardian may access to ad-

dress the student's barriers to attendance and make the information available to staff, students, and parents. The information must include, but is not limited to:

- a. Services for pregnant and parenting students;
 - b. Services for students experiencing homelessness;
 - c. Services for students in foster care;
 - d. Federal programs including, but not limited to, Title 1, Part A, of the Elementary and Secondary Education Act;
 - e. State programs including, but not limited to, state compensatory education programs;
 - f. Dropout prevention programs and programs for "at risk" youth;
 - g. Programs that occur outside of school time;
 - h. Counseling services;
 - i. Tutoring programs and services available at no or low cost;
 - j. Mental health services;
 - k. Alcohol and substance abuse prevention and treatment programs;
 - l. Mentoring programs and services;
 - m. Juvenile justice services and programs;
 - n. Child welfare services and programs;
 - o. Other state or locally funded programs for truancy prevention and intervention; and
 - p. Other supportive services that are locally available for students and families through faith-based organizations, local governments, and community-based organizations.
10. After identifying and listing, or mapping, services available in the district and community, school districts should target any new resources, programs, or services to gaps in services identified during the needs assessment.
 11. School districts should ensure that personnel, including truancy prevention facilitators or juvenile case managers, attendance officers, McKinney-Vento (homeless) liaisons, foster care liaisons, Title IX coordinators, 504 coordinators, preg-

nancy and parenting coordinators, dropout prevention coordinators, special education staff, and other appropriate student services personnel, meet to contribute to the needs assessment, discuss opportunities to work together, and identify strategies to coordinate both internally and externally to address students' attendance barriers.

In determining services offered to students identified in Education Code 25.091(a-3), a district shall consider:

1. Offering an optional flexible school day program and evening and online alternatives;
2. Working with businesses that employ students to help students coordinate job and school responsibilities; and
3. Offering before school, after school, and/or Saturday prevention or intervention programs or services that implement best and promising practices.

19 TAC 129.1045

Sanctions

An aggrieved party may file a written complaint with the Texas Education Agency (TEA) regarding an allegation that a district has failed to comply with Education Code 25.0915 or 19 Administrative Code Chapter 129, Subchapter BB related to truancy prevention measures. TEA may request that a district provide documentation regarding its compliance in response to a complaint. If, after a review of this documentation or a district's failure to provide this documentation, TEA determines that the district is not in compliance with required truancy prevention measure provisions, TEA may issue a preliminary report of its findings to the district in accordance with 19 Administrative Code 157.1122 (Notice). A district may request in writing an informal review of TEA's preliminary report in accordance with 19 Administrative Code 157.1123 (Informal Review). Following the informal review, or if no informal review is requested by the deadline, a final report will be issued. The commissioner of education may implement any sanction listed in Education Code 39.102(a) against a district found to be out of compliance with Education Code 25.0915 or 19 Administrative Code Chapter 129, Subchapter BB. *19 TAC 129.1047*

**Truancy Prevention
Facilitator or
Juvenile Case
Manager**

A district shall employ a truancy prevention facilitator or juvenile case manager to implement the truancy prevention measures required by Education Code 25.0915 and any other effective truancy prevention measures as determined by the district or campus. At least annually, the truancy prevention facilitator shall meet to discuss effective truancy prevention measures with a case manager

or other individual designated by a truancy court to provide services to students of the district in truancy cases.

Instead of employing a truancy prevention facilitator, a school district may designate an existing district employee or juvenile case manager to implement the truancy prevention measures and any other effective truancy prevention measures as determined by the district or campus.

Education Code 25.0915(d), (e)

On approval of the board, a district may employ or agree in accordance with Government Code Chapter 791, with any appropriate governmental entity to jointly employ or to jointly contribute to the costs of another entity employing:

1. 2. One or more juvenile case managers who shall assist the court in administering the court's juvenile docket and in supervising the court's orders in juvenile cases, and may provide prevention services to a child considered at risk of entering the juvenile justice system, and intervention services to juveniles engaged in misconduct before cases are filed, excluding traffic offenses.

A district that jointly employs a case manager in accordance with Government Code Chapter 791 employs a juvenile case manager for purposes of Code of Criminal Procedure Chapter 102 and Government Code Chapter 102.

Code of Criminal Procedure 45.056(a), (c)

Funding

A district may apply to the criminal justice division of the governor's office for reimbursements of the costs of employing a juvenile case manager. 3. Require each team established under this section to report the required information regarding the team’s activities to TEA [see Reporting to TEA, below].

Membership

The superintendent shall ensure, to the greatest extent practicable, that the members appointed to each team have expertise in counseling, behavior management, mental health and substance use, classroom instruction, special education, school administration,

school safety and security, emergency management, and law enforcement. A team may serve more than one campus of a district, provided that each district campus is assigned a team.

A team identifying a student at risk of suicide shall act in accordance with the district's suicide prevention program. If the student at risk of suicide also makes a threat of violence to others, the team shall conduct a threat assessment in addition to actions taken in accordance with the district's suicide prevention program.

8. Positive youth development; and
9. Safe, supportive, and positive school climate.

“School climate” means the quality and character of school life, including interpersonal relationships, teaching and learning practices, and organizational structures, as experienced by students enrolled in the district, parents of those students, and personnel employed by the district.

[For information on employee training, see DMA.]

Practices and
Procedures

A district shall develop practices and procedures concerning each area listed above, including mental health promotion and intervention, substance abuse prevention and intervention, and suicide prevention, that:

1. Include a procedure for providing educational material to all parents and families in the district that contains information on identifying risk factors, accessing resources for treatment or support provided on and off campus, and accessing available student accommodations provided on campus;
2. Include a procedure for providing notice of a recommendation for early mental health or substance abuse intervention regarding a student to a parent or guardian of the student within a reasonable amount of time after the identification of early warning signs, which may include declining academic performance, depression, anxiety, isolation, unexplained changes in sleep or eating habits, and destructive behavior toward self and others;
3. Include a procedure for providing notice of a student identified as at risk of attempting suicide to a parent or guardian of the student within a reasonable amount of time after the identification of early warning signs;
4. Establish that the district may develop a reporting mechanism and may designate at least one person to act as a liaison officer in the district for the purposes of identifying students in need of early mental health or substance abuse intervention or suicide prevention;
5. Set out available counseling alternatives for a parent or guardian to consider when his or her child is identified as possibly being in need of early mental health or substance abuse intervention or suicide prevention; and
6. Include procedures:
 - a. To support the return of a student to school following hospitalization or residential treatment for a mental health condition or substance abuse; and

- b. For suicide prevention, intervention, and postvention.

The practices and procedures may address multiple subject areas [see Subject Areas, above]. The practices and procedures must prohibit the use without the prior consent of a student's parent or guardian of a medical screening of the student as part of the process of identifying whether the student is possibly in need of early mental health or substance abuse intervention or suicide prevention.

The practices and procedures developed must be included in the annual student handbook and the district improvement plan under Education Code 11.252. [See BQ]

Nothing in these provisions is intended to interfere with the rights of parents or guardians and the decision-making regarding the best interest of the child. Practices and procedures developed in accordance with these provisions are intended to notify a parent or guardian of a need for mental health or substance abuse intervention so that a parent or guardian may take appropriate action. These provisions do not give districts the authority to prescribe medications. Any and all medical decisions are to be made by a parent or guardian of a student.

"Postvention" includes activities that promote healing necessary to reduce the risk of suicide by a person affected by the suicide of another.

Education Code 38.351(a)-(f), (i)-(o)

Immunity

The above requirements do not waive any immunity from liability of a district or of district officers or employees, create any liability for a cause of action against a district or against district officers or employees, or waive any immunity from liability under Civil Practice and Remedies Code 74.151. *Education Code 38.352*

**Student
Identification Cards**

Each student identification card issued by a public school to a student in grade six or higher must have printed on the card the contact information for the National Suicide Prevention Lifeline and the Crisis Text Line. The student identification card may have printed on the card the contact information for a local suicide prevention hotline, if available. *Education Code 38.353*

**Consent to
Examinations, Tests,
or Treatment**

A district employee must obtain the written consent of a child's parent before the employee may conduct a psychological examination, test, or treatment, unless the examination, test, or treatment is required by:

1. TEA's policy concerning child abuse investigations and reports under Education Code 38.004; or

2. State or federal law regarding requirements for special education.

Education Code 26.009(a)(1) [See FNG]

[For more information about consent to medical treatment, including psychological treatment, see FFAC. For information about consent to counseling, see FFEA.]

Professional's Authority

A licensed or certified physician, psychologist, counselor, or social worker having reasonable grounds to believe that a child has been sexually, physically, or emotionally abused; is contemplating suicide; or is involved in chemical or drug addiction or dependency may:

1. Counsel the child without the consent of the child's parents, managing conservator, or guardian;
2. With or without the consent of a child who is a client, advise the parents, managing conservator, or guardian of the treatment given to or needed by the child;
3. Rely on the written statement of the child containing the grounds on which the child has capacity to consent to his or her own treatment as provided above.

Exception: Court Order

The physician, psychologist, counselor, or social worker may not counsel a child if consent is prohibited by a court order, unless consent is obtained as otherwise allowed by law.

Family Code 32.004(b), (c)

[See DP for more information about LSSP and school counselor responsibilities.]

Consent to LSSP

Informed consent for a licensed specialist in school psychology (LSSP) must be obtained in accordance with the Individuals with Disabilities Education Improvement Act (IDEIA) and the U.S. Department of Education's rules governing parental consent when delivering school psychological services in the public schools, and is considered to meet the requirements for informed consent under the Texas State Board of Examiners of Psychologists (TSBEP) rules. No additional informed consent, specific to any Texas Behavioral Health Executive Council (TBHEC) rules, is necessary in this context. Licensees providing psychological services under 22 Administrative Code 465.38(e)(2), however, must obtain informed consent as otherwise required by the TBHEC rules. 22 TAC 465.38(g)

Professional
Immunity

A psychologist, counselor, or social worker licensed or certified by the state is not liable for damages except those damages that may result from his or her negligence or willful misconduct. *Family Code 32.004(d)*

Outside Counselors

Neither a district nor an employee of a district may refer a student to an outside counselor for care or treatment of a chemical dependency or an emotional or psychological condition unless the district does all of the following:

1. Obtains prior written consent for the referral from the student's parent, managing conservator, or guardian.
2. Discloses to the student's parent, managing conservator, or guardian any relationship between the district and the outside counselor.
3. Informs the student and the student's parent, managing conservator, or guardian of any alternative public or private source of care or treatment reasonably available in the area.

1. Recommend that a student use a psychotropic drug; or
2. Suggest any particular diagnosis; or
3. Use the refusal by a parent to consent to administration of a psychotropic drug to a student or to a psychiatric evaluation or examination of a student as grounds, by itself, for prohibiting the child from attending a class or participating in a school-related activity.

Psychotropic drug means a substance that is used in the diagnosis, treatment, or prevention of a disease or as a component of a medication and intended to have an altering effect on perception, emotion, or behavior.

Education Code 38.016(b) does not:

1. Prevent an appropriate referral under the Child Find system required under 20 U.S.C. Section 1412, as amended; or
2. Prohibit a school district employee, or an employee of an entity with which the district contracts, who is a registered nurse, advanced nurse practitioner, physician, or nonphysician mental health professional licensed or certified to practice in this state from recommending that a child be evaluated by a physician or nonphysician mental health professional; or
3. Prohibit a school employee from discussing any aspect of a child's behavior or academic progress with the child's parent or another school district employee.

A board shall adopt a policy to ensure implementation and enforcement of Education Code 38.016. [See FFAC]

A violation of Education Code 38.016(b) does not override the immunity from personal liability granted in Education Code 22.0511 or other law or a district's sovereign or governmental immunity.

Nonphysician mental health professional has the meaning assigned by Education Code 38.0101 [see DP].

**Reporting Child
Abuse and Neglect**

Any person who has reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect has a legal responsibility, under state law, to immediately report the suspected abuse or neglect to an appropriate authority.

As defined in state law, child abuse and neglect include both sex and labor trafficking of a child.

The following individuals have an additional legal obligation to submit a written or oral report within 48 hours of learning of the facts giving rise to the suspicion of abuse or neglect:

1. Any District employee, agent, or contractor who suspects a child's physical or mental health or welfare has been adversely affected by abuse or neglect.
2. A professional who has reasonable cause to believe that a child has been or may be abused or neglected or may have been a victim of indecency with a child. A professional is anyone licensed or certified by the state who has direct contact with children in the normal course of duties for which the individual is licensed or certified.

A person is required to make a report if the person has reasonable cause to believe that an adult was a victim of abuse or neglect as a child and the person determines in good faith that disclosure of the information is necessary to protect the health and safety of another child or an elderly or disabled person.

[For parental notification requirements regarding an allegation of educator misconduct with a student, see FFF.]

Restrictions on Reporting

In accordance with law, an employee is prohibited from using or threatening to use a parent's refusal to consent to administration of a psychotropic drug or to any other psychiatric or psychological testing or treatment of a child as the sole basis for making a report of neglect, unless the employee has cause to believe that the refusal:

1. Presents a substantial risk of death, disfigurement, or bodily injury to the child; or
2. Has resulted in an observable and material impairment to the growth, development, or functioning of the child.

Making a Report

Reports may be made to any of the following:

1. A state or local law enforcement agency;
2. The Child Protective Services (CPS) division of the Texas Department of Family and Protective Services (DFPS) at (800) 252-5400 or the [Texas Abuse Hotline Website](#)¹;

4. If applicable, the state agency operating, licensing, certifying, or registering the facility in which the suspected abuse or neglect occurred.

However, if the suspected abuse or neglect involves a person responsible for the care, custody, or welfare of the child, the report must be made to DFPS, unless the report is to the state agency that operates, licenses, certifies, or registers the facility where the suspected abuse or neglect took place; or the report is to the Texas Juvenile Justice Department as a report of suspected abuse or neglect in a juvenile justice program or facility. As defined by law, a person responsible for the care, custody, or welfare of a child includes school personnel and volunteers and day-care workers.

[See FFG(LEGAL)]

An individual does not fulfill his or her responsibilities under the law by only reporting suspicion of abuse or neglect to a campus princi-

pal, school counselor, or another District staff member. Furthermore, the District is prohibited from requiring an employee to first report his or her suspicion to a District or campus administrator.

Confidentiality

In accordance with state law, the identity of a person making a report of suspected child abuse or neglect shall be kept confidential and disclosed only in accordance with the rules of the investigating agency.

Immunity

A person who in good faith reports or assists in the investigation of a report of child abuse or neglect is immune from civil or criminal liability.

**Failing to Report
Suspected Child
Abuse or Neglect**

By failing to report suspicion of child abuse or neglect, an employee:

1. May be placing a child at risk of continued abuse or neglect;
2. Violates the law and may be subject to legal penalties, including criminal sanctions for knowingly failing to make a required report;
3. Violates Board policy and may be subject to disciplinary action, including possible termination of employment; and
4. May have his or her certification from the State Board for Educator Certification suspended, revoked, or canceled in accordance with 19 Administrative Code Chapter 249.

It is a criminal offense to coerce someone into suppressing or failing to report child abuse or neglect.

Sexual abuse of a student by an employee, when there is a connection between the physical sexual activity and the employee's duties and obligations as a district employee, violates a student's constitutional right to bodily integrity. Sexual abuse may include fondling, sexual assault, or sexual intercourse. *U.S. Const. Amend. 14; Doe v. Taylor Indep. Sch. Dist., 15 F.3d 443 (5th Cir. 1994)*

	<p>A district's treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under Title IX. <i>34 C.F.R. 106.45; 20 U.S.C. 1681</i> [See also FB regarding Title IX]</p>
Designation of Title IX Coordinator	<p>A district must designate and authorize at least one employee to coordinate its efforts to comply with its responsibilities under Title IX, which employee must be referred to as the "Title IX Coordinator."</p>
Parties Entitled to Notice	<p>The district must notify applicants for admission and employment, students, parents or legal guardians, employees, and all professional organizations holding professional agreements with the district ("Parties Entitled to Notice") of the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator.</p> <p><i>34 C.F.R. 106.8(a)</i></p>
Reporting	<p>Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during nonbusiness hours) by using the telephone number or electronic mail address, or by mail to the office address, listed for the Title IX Coordinator.</p>
Notification of Policy	<p>A district must notify the Parties Entitled to Notice, above, that the district does not discriminate on the basis of sex in the education program or activity that it operates, and that it is required by Title IX not to discriminate in such a manner. The notification must state that the requirement not to discriminate in the education program or activity extends to employment, and that inquiries about the application of Title IX to such district may be referred to the district's Title IX Coordinator, to the assistant secretary for civil rights of the Department of Education, or both.</p> <p><i>34 C.F.R. 106.2(d), .8(b)(1)</i></p>
Publication Requirements	<p>A district must prominently display the contact information required to be listed for the Title IX Coordinator and the nondiscrimination policy described at Notification of Policy, above, on its website, if any, and in each handbook that it makes available to the Parties Entitled to Notice, above.</p>

A district must not use or distribute a publication stating that the district treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by Title IX.

34 C.F.R. 106.8(b)(2)

Note: To distinguish the process described below from the District's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District's "Title IX formal complaint process."

Complaint
Procedures

A district must adopt and publish procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by Title IX and a Title IX formal complaint process that complies with 34 C.F.R. 106.45 for formal complaints as defined below.

A district must provide notice to the Parties Entitled to Notice, above, of the district's procedures and Title IX formal complaint process, including how to report or file a complaint of sex discrimination, how to report or file a formal complaint of sexual harassment, and how the district will respond.

The requirements of this provision apply only to sex discrimination occurring against a person in the United States.

34 C.F.R. 106.8(c)–(d)

Response to Sexual
Harassment
Definitions

"Actual knowledge" means notice of sexual harassment or allegations of sexual harassment to a district's Title IX Coordinator or any official of the district who has authority to institute corrective measures on behalf of the district, or to any employee of an elementary and secondary school. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only official of the district with actual knowledge is the respondent. The mere ability or obligation to report sexual harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the district. "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator.

"Complainant" means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

“Consent” is not defined by the Title IX regulations, nor do the regulations require districts to adopt a particular definition of consent with respect to sexual assault.

“Formal complaint” means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the district investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the district with which the formal complaint is filed. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator, and by any additional method designated by the district. As used in this paragraph, the phrase “document filed by a complainant” means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party to a Title IX formal complaint, and must comply with the requirements of the Title IX formal complaint process, including the informal resolution process.

“Respondent” means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

“Sexual harassment” means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual’s participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district’s education program or activity; or
3. “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

“Supportive measures” means nondisciplinary, nonpunitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal

complaint has been filed. Such measures are designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or district-provided housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

34 C.F.R. 106.2, .30(a)

*Deliberate
Indifference*

A district with actual knowledge of sexual harassment in an education program or activity of the district against a person in the United States, must respond promptly in a manner that is not deliberately indifferent. A district is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

*Education
Program or
Activity*

For the purposes of 34 C.F.R. 106.30 [see Definitions, above] and 106.45 [see Process for Title IX Formal Complaint, below], "education program or activity" includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs.

34 C.F.R. 106.44(a)

Title IX Coordinator
Response

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint. The Title IX Coordinator must respond in this manner with or without a formal complaint. *34 C.F.R. 106.44(b)(1)*

*Supportive
Measures
Required*

A district's response must treat complainants and respondents equitably by offering supportive measures and by following a process that complies with 34 C.F.R. 106.45 [see Process for Title IX Formal Complaint, below] before the imposition of any disciplinary

sanctions or other actions that are not supportive measures against a respondent. [For Emergency Removal procedures, see below.]

Constitutional Restrictions

The Department of Education may not deem a district to have satisfied the district's duty to not be deliberately indifferent under Title IX based on the district's restriction of rights protected under the U.S. Constitution, including the First Amendment, Fifth Amendment, and Fourteenth Amendment.

34 C.F.R. 106.44(a)

Response to a Formal Complaint

In response to a formal complaint, a district must follow a process that complies with 34 C.F.R. 106.45 [see Process for Title IX Formal Complaint, below]. *34 C.F.R. 106.44(b)(1)*

Emergency Removal

The Title IX regulations do not preclude a district from removing a respondent from the district's education program or activity on an emergency basis, provided that the district:

1. Undertakes an individualized safety and risk analysis;
2. Determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal; and
3. Provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

34 C.F.R. 106.44(c)

Administrative Leave

The Title IX regulations do not preclude a district from placing a nonstudent employee respondent on administrative leave during the pendency of a Title IX formal complaint. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act. *34 C.F.R. 106.44(d)*

Process for Title IX
Formal Complaint

For the purpose of addressing formal complaints of sexual harassment, a district's process must comply with the following requirements. Any provisions, rules, or practices other than those required by this provision that a district adopts as part of its process for handling formal complaints of sexual harassment must apply equally to both parties. *34 C.F.R. 106.45(b)*

A district's Title IX formal complaint process must:

1. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following a process that complies with the Title IX regulations before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. Remedies must be designed to restore or preserve equal access to the district's education program or activity. Such remedies may include the same individualized services described as supportive measures; however, remedies need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent;
2. Require an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence—and provide that credibility determinations may not be based on a person's status as a complainant, respondent, or witness;
3. Require that any individual designated by a district as a Title IX Coordinator, investigator, decision-maker, or any person designated by a district to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. A district must ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receive training on the definition of sexual harassment, the scope of the district's education program or activity, how to conduct an investigation and Title IX formal complaint process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. A district must ensure that decision-makers receive training on any technology to be used at a live hearing, if any, and on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant. [See Hearings, below] A district also must ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. [See Investigation of a Formal Complaint, below] Any materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, must not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment;

4. Include a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process;
5. Include reasonably prompt time frames for conclusion of the Title IX formal complaint process, including reasonably prompt time frames for filing and resolving appeals and informal resolution processes if the district offers informal resolution processes, and a process that allows for the temporary delay of the Title IX formal complaint process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities;
6. Describe the range of possible disciplinary sanctions and remedies or list the possible disciplinary sanctions and remedies that the district may implement following any determination of responsibility;
7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, apply the same standard of evidence for formal complaints against students as for formal complaints against employees, including faculty, and apply the same standard of evidence to all formal complaints of sexual harassment;
8. Include the procedures and permissible bases for the complainant and respondent to appeal;
9. Describe the range of supportive measures available to complainants and respondents; and
10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

34 C.F.R. 106.45(b)(1)

*Notice of
Allegations*

Upon receipt of a formal complaint, a district must provide the following written notice to the parties who are known:

1. Notice of the district's Title IX formal complaint process, including any informal resolution process.

2. Notice of the allegations of sexual harassment potentially constituting sexual harassment, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include:
 - a. The identities of the parties involved in the incident, if known;
 - b. The conduct allegedly constituting sexual harassment; and
 - c. The date and location of the alleged incident, if known.

The written notice must include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process. The written notice must inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney and may inspect and review evidence [see Investigation of a Formal Complaint, below]. The written notice must inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the Title IX formal complaint process.

If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the Notice of Allegations, above, the district must provide notice of the additional allegations to the parties whose identities are known.

34 C.F.R. 106.45(b)(2)

*Dismissal of a
Formal Complaint*

The district must investigate the allegations in a formal complaint. If the conduct alleged in the formal complaint would not constitute sexual harassment even if proved, did not occur in the district's education program or activity, or did not occur against a person in the United States, then the district must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under Title IX; such a dismissal does not preclude action under another provision of the district's code of conduct.

The district may dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing: a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; the respondent is no longer enrolled or employed by

the district; or specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal required or permitted pursuant to 34 C.F.R. 106.45(b)(3), the district must promptly send written notice of the dismissal and reason(s) therefor simultaneously to the parties.

*Consolidation of
Formal
Complaints*

A district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a Title IX formal complaint process involves more than one complainant or more than one respondent, references in this provision to the singular "party," "complainant," or "respondent" include the plural, as applicable.

34 C.F.R. 106.45(b)(3)–(4)

*Investigation of a
Formal Complaint*

When investigating a formal complaint and throughout the Title IX formal complaint process, a district must:

1. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the district obtains that party's voluntary, written consent to do so for a Title IX formal complaint (if a party is not an "eligible student," as defined in 34 C.F.R. 99.3 then the district must obtain the voluntary, written consent of a "parent," as defined in 34 C.F.R. 99.3) [see FL(LEGAL) at Education Records];
2. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
3. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
4. Provide the parties with the same opportunities to have others present during any Title IX formal complaint proceeding, including the opportunity to be accompanied to any related

meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or Title IX formal complaint proceeding; however, the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;

5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least ten days to submit a written response, which the investigator will consider prior to completion of the investigative report. The district must make all such evidence subject to the parties' inspection and review available at any hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination; and
7. Create an investigative report that fairly summarizes relevant evidence and, at least ten days prior to a hearing (if a hearing is required or otherwise provided) or other time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

34 C.F.R. 106.45(b)(5)

Hearings

The district's Title IX formal complaint process may, but need not, provide for a hearing. With or without a hearing, after the district has sent the investigative report to the parties pursuant to 34 C.F.R. 106.45(b)(5)(vii) [see Investigation of a Formal Complaint, above] and before reaching a determination regarding responsibility, the decision-maker(s) must afford each party the opportunity to submit written, relevant questions that a party wants asked of any

party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. With or without a hearing, questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant. *34 C.F.R. 106.45(b)(6)(ii)*

*Determination
Regarding
Responsibility*

The decision-maker(s), who cannot be the same person(s) as the Title IX Coordinator or the investigator(s), must issue a written determination regarding responsibility. To reach this determination, the district must apply the standard of evidence described at Process for Title IX Formal Complaint, above.

The written determination must include:

1. Identification of the allegations potentially constituting sexual harassment;
2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
3. Findings of fact supporting the determination;
4. Conclusions regarding the application of the district's code of conduct to the facts;
5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and
6. The district's procedures and permissible bases for the complainant and respondent to appeal.

The district must provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the district provides the parties

with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

34 C.F.R. 106.45(b)(7)(i)–(ii)

*Implementation
of Remedies*

The Title IX Coordinator is responsible for effective implementation of any remedies. *34 C.F.R. 106.45(b)(7)(iv)*

Appeals

A district must offer both parties an appeal from a determination regarding responsibility, and from a district's dismissal of a formal complaint or any allegations therein, on the following bases:

1. Procedural irregularity that affected the outcome of the matter;
2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

A district may offer an appeal equally to both parties on additional bases.

As to all appeals, the district must:

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;
2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;
3. Ensure that the decision-maker(s) for the appeal complies with the standards in the Title IX regulations regarding conflict of interest and bias [see Process for Formal Title IX Complaint, item 3, above];
4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
5. Issue a written decision describing the result of the appeal and the rationale for the result; and
6. Provide the written decision simultaneously to both parties.

34 C.F.R. 106.45(b)(8)

*Informal
Resolution*

A district may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with Title IX. Similarly, a district may not require the parties to participate in an informal resolution process and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the district may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the district:

1. Provides to the parties a written notice disclosing:
 - a. The allegations;
 - b. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the Title IX formal complaint process with respect to the formal complaint; and
 - c. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
2. Obtains the parties' voluntary, written consent to the informal resolution process; and
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

34 C.F.R. 106.45(b)(9)

Recordkeeping

A district must maintain for a period of seven years records of:

1. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the district's education program or activity;
2. Any appeal and the result therefrom;
3. Any informal resolution and the result therefrom; and

4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. A district must make these training materials publicly available on its website or if the district does not maintain a website the district must make these materials available upon request for inspection by members of the public.

For each response required under Title IX Coordinator Response, above, a district must create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district must document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity.

If a district does not provide a complainant with supportive measures, then the district must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken.

34 C.F.R. 106.45(b)(10)

Retaliation
Prohibited

No district or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under Title IX.

Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.

Complaints alleging retaliation may be filed according to the Process for Title IX Formal Complaint above.

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by Title IX.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a Title IX

formal complaint proceeding does not constitute retaliation prohibited by Title IX, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

34 C.F.R. 106.71(a)–(b)

Confidentiality

The district must keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA) statute, 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. Part 99, or as required by law, or to carry out the purposes of 34 C.F.R. Part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. *34 C.F.R. 106.71(a)*

 - a. Interferes with a student’s educational opportunities; or

2. Records made by district personnel that are kept in the sole possession of the maker, are used only as a personal memory aid, and are not accessible or revealed to anyone other than a temporary substitute for the maker of the record.
3. Records maintained by a law enforcement unit of a district that were created by that law enforcement unit for the purpose of law enforcement.
4. Records on a student who is 18 years of age or older, or who is attending an institution of postsecondary education, that are:

Extracurricular
Activities

An extracurricular activity is an activity sponsored by the UIL, a board, or an organization sanctioned by board resolution. The activity is not necessarily directly related to instruction of the essential knowledge and skills but may have an indirect relation to some areas of the curriculum.

Extracurricular activities include, but are not limited to, public performances, contests, demonstrations, displays, and club activities. In addition, an activity is subject to this policy if any one of the following criteria applies:

1. The activity is competitive;
2. The activity is held in conjunction with another activity that is considered extracurricular;
3. The activity is held off-campus, except in a case in which adequate facilities do not exist on campus;
4. The general public is invited; or
5. An admission is charged.

Exceptions
*Public
Performances*

A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved course that requires demonstration of the mastery of the essential knowledge and skills in a public performance, may participate in the performance if:

1. The general public is invited; and
2. The requirement for student participation in public is stated in the essential knowledge and skills of the course.

*State-Approved
Music Courses*

A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved music course that participates in UIL Concert and Sight-Reading Evaluation, may perform with the ensemble during the UIL evaluation performance.

Limits on
Participation and
Practice
*During the
School Week*

Limitations on practice, rehearsal, and student participation during the school week shall be as follows:

1. For any given extracurricular activity, a student may not participate in more than one activity per school week, excluding holidays, except as provided in item 2, below.
2. A student may also participate in a tournament or post-district contest, as well as a contest postponed by weather or public disaster that may determine advancement to a post-district level of competition.

3. For each extracurricular activity, a district must limit students to a maximum of eight hours of practice and rehearsal outside the school day per school week.
4. The commissioner recommends that districts avoid scheduling extracurricular activities or public performances on the day or evening immediately preceding the day on which the statewide student assessment program is scheduled for grades 3–11.

19 TAC 76.1001(d); Education Code 33.081(a)

*During the
School Day*

Limitations on practice and rehearsal during the school day shall be as follows:

1. A district must limit a student to one period of practice during the regularly scheduled school day for practice of extracurricular activities, such as athletics, drill team, or cheerleading.
2. The limit in item 1 does not prohibit a student from enrolling in any state-approved class. A student who is enrolled in a state-approved class that includes essential knowledge and skills that relate to the preparation for an extracurricular activity may practice that extracurricular activity for no more than one period during the school day.
3. A student may not be permitted to miss a scheduled academic class to practice for an unrelated extracurricular activity.
4. A district must limit extracurricular practice during the school day to ensure that class periods for extracurricular practice do not exceed the time allotted for other class periods.
5. Regardless of the schedule type in place (traditional or non-traditional), a school may elect to practice extracurricular activities daily, provided the total minutes allowed for the extracurricular practice is not greater than 300 minutes during the school week.

Record of Absences

A district shall maintain an accurate record of extracurricular absences for each student in the district each school year. *19 TAC 76.1001(c)*

Students Receiving
Outpatient Mental
Health Services

A district may not adopt or enforce policies that restrict participation in UIL activities by a student who receives outpatient mental health services from a mental health facility and is enrolled in the district or otherwise receives public education services from a district based solely on the student's receipt of outpatient mental health

services from a mental health facility or the student's absence during instructional time while receiving outpatient mental health services from a mental health facility.

This provision does not exempt a student to whom this section applies from any eligibility requirement for participation in UIL activities other than an eligibility requirement based solely on the criteria of receipt of outpatient mental health services from a mental health facility.

Education Code 33.0832(c)–(d)

Participation by
Homeschooled
Students

A public school that participates in an activity sponsored by UIL may provide a non-enrolled student, who otherwise meets UIL eligibility standards to represent that school in a UIL activity, with the opportunity to participate in the activity on behalf of the school in the same manner that the school provides the opportunity to participate to students enrolled in the school.

"Non-enrolled student" means a student who receives instruction as a homeschooled student as described by Education Code 29.916(a)(1) from a nonpublic school [see EK].

Relevant Policies

A non-enrolled student who seeks to participate or participates in a UIL activity on behalf of a school is subject to the following relevant policies that apply to students enrolled in the school:

1. Registration for UIL activities;
2. Age eligibility;
3. Fees;
4. Insurance;
5. Transportation;
6. Physical condition;
7. Qualifications;
8. Responsibilities;
9. Event schedules;
10. Standards of behavior; and
11. Performance.

*Residency
Requirements*

A non-enrolled student may only participate in a UIL activity for the school in the district that the student would be eligible to attend based on the student's residential address. A non-enrolled student who seeks to participate in a UIL activity on behalf of a school shall

be required to establish minimum proof of residency acceptable to the district in the same manner as an applicant to attend a school in the district under Education Code 25.001 [see FD].

*Academic
Requirements*

The parent or person standing in parental relation to a non-enrolled student is responsible for oversight of academic standards relating to the student's participation in a UIL activity. As a condition of eligibility to participate in a UIL activity during the first six weeks of a school year, a non-enrolled student must demonstrate grade-level academic proficiency on any nationally recognized, norm-referenced assessment instrument, such as the Iowa Test of Basic Skills, Stanford Achievement Test, California Achievement Test, or Comprehensive Test of Basic Skills. A non-enrolled student demonstrates the required academic proficiency by achieving a composite, core, or survey score that is within the average or higher than average range of scores, as established by the applicable testing service. A district shall accept assessment results administered or reported by a third party.

A non-enrolled student's demonstration of academic proficiency is sufficient for the school year in which the student achieves the required score and the subsequent school year.

After the first six weeks of a school year, the parent or person standing in parental relation to a non-enrolled student participating in a UIL activity on behalf of a public school must periodically, in accordance with the school's grading calendar, provide written verification to the school indicating that the student is receiving a passing grade in each course or subject being taught.

*Previous
Enrollment in
Public School*

A non-enrolled student is not authorized by this section to participate in a UIL activity during the remainder of any school year during which the student was previously enrolled in a public school.

Prohibitions

With respect to a non-enrolled student's education program, nothing in these provisions shall be construed to permit an agency of this state, a public school district, or any other governmental body to exercise control, regulatory authority, or supervision over a non-enrolled student or a parent or person standing in parental relation to a non-enrolled student beyond the control, regulatory authority, or supervision required to participate in a UIL activity.

Subject only to eligibility requirements, the curriculum or assessment requirements, performance standards, practices, or creed of the education program provided to a non-enrolled student may not be required to be changed in order for the non-enrolled student to participate in a UIL activity. Subject only to eligibility requirements, for a non-enrolled student participating in an education program on January 1, 2021, the education program provided to that student

may not be required to comply with any state law or agency rule relating to that education program unless the law or rule was in effect on January 1, 2021.

Education Code 33.0832

Suspension from Extracurricular Activities

A student shall be suspended from participation in any extracurricular activity sponsored or sanctioned by a district or the UIL after a grade evaluation period in which the student received a grade lower than the equivalent of 70 on a scale of 100 in any academic class other than a course described below at Exempt Courses.

Length of Suspension

A suspension continues for at least three school weeks and is not removed during the school year until the conditions of Reinstatement, described below, are met. A suspension shall not last beyond the end of a school year.

Grade Evaluation Period

“Grade evaluation period” means:

1. The six-week grade reporting period; or
2. The first six weeks of a semester and each grade reporting period thereafter, in the case of a district with a grade reporting period longer than six weeks.

Education Code 33.081(c)

School Week

The school week is defined as beginning at 12:01 a.m. on the first instructional day of the calendar week and ending at the close of instruction on the last instructional day of the calendar week, excluding holidays. *19 TAC 76.1001(b)*

Exempt Courses

The suspension and reinstatement provisions of Education Code 33.081(c) and (d) do not apply to an advanced placement or international baccalaureate course, or to an honors or dual credit course in the subject areas of English language arts, mathematics, science, social studies, economics, or a language other than English. *Education Code 33.081(d-1)*

Honors classes for purposes of eligibility to participate in extracurricular activities are listed at 19 Administrative Code 74.30(a).

Districts may identify additional honors courses in the subject areas of English language arts, mathematics, science, social studies, or a language other than English for the purposes of extracurricular eligibility but must identify such courses before the semester in which any exemptions related to extracurricular activities occur.

Districts are neither required to nor restricted from considering courses as honors for the purpose of grade point average calculation.

19 TAC 74.30

Students with
Disabilities

In the case of a student with a disability that significantly interferes with the student's ability to meet regular academic standards, suspension must be based on the student's failure to meet the requirements of the student's individualized education program (IEP). The determination of whether the disability substantially interferes with the student's ability to meet the requirements of the student's IEP must be made by the admission, review, and dismissal (ARD) committee.

For the purposes of this provision, "student with a disability" means a student who is eligible for a district's special education program under Education Code 29.003(b).

Education Code 33.081(e)

Practice or
Rehearsal

A student suspended under Education Code 33.081 may practice or rehearse with other students for an extracurricular activity but may not participate in a competition or other public performance. This provision does not apply to a student prohibited from participation for certain conduct involving extracurricular officials [see below]. *Education Code 33.081(f)*

Reinstatement

Until the suspension is removed or the school year ends, a district shall review the grades of a student at the end of each three-week period following the date on which the suspension began. At the time of a review, the suspension is removed if the student's grade in each class, other than a course described above at Exempt Courses, is equal to or greater than the equivalent of 70 on a scale of 100. The principal and each of the student's teachers shall make the determination concerning the student's grades. *Education Code 33.081(d)*

Suspension for
Certain Conduct
Involving
Extracurricular
Officials

A student who is enrolled in a district in Texas or who participates in a UIL competition shall be prohibited from participation in any future extracurricular activity sponsored or sanctioned by the district or the UIL if the state executive committee of the league determines that the student intentionally, knowingly, or recklessly causes bodily injury to a person serving as referee, judge, or other official of an extracurricular activity in retaliation for or as a result of the person's actions taken in performing the duties of a referee, judge, or other official of the extracurricular activity.

*Reinstatement
After Conduct*

A student prohibited from participation may submit to the UIL a request that the student be permitted to participate in future extracurricular activities sponsored or sanctioned by the UIL. The request must be submitted at least one year after the date the student engaged in the conduct that resulted in the prohibition if the student was enrolled in eighth grade or below at the time of the conduct or two years after the date the student engaged in the conduct that resulted in the prohibition if the student was enrolled in ninth grade or above at the time of the conduct.

Anonymous
Evaluations

Anonymous evaluations of a student that determine whether the student may participate in a school-related program do not provide full information about the student's school activities. A district may by policy establish the parameters for parental contact with evaluating teachers, taking into account the type of evaluation, the information elicited in the evaluation, and scheduling and workload requirements of the teachers. *Byard v. Clear Creek Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 020-R5-1001 (June 17, 2002)*

Videotaping and
Recording

A district employee is not required to obtain the consent of a child's parent before the employee may videotape the child or record the child's voice if the videotape or recording is to be used only for a purpose related to a cocurricular or extracurricular activity. *Education Code 26.009(b)(2)*

Discriminatory Club

An extracurricular activity sponsored or sanctioned by a district, including an athletic event or an athletic team practice, may not take place at an athletic club located in the United States that denies any person full and equal enjoyment of equipment or facilities provided by the athletic club because of the person's race, color, religion, creed, national origin, or sex.

"Athletic club" means an entity that provides sports or exercise equipment or facilities to its customers or members or to the guests of its customers or members.

Education Code 33.082

Unless applied toward instructional requirements [see EIA], a student who is appointed as a student election clerk under Election Code 32.0511 or as a student early voting clerk under Election Code 83.012, may apply the time served toward a service requirement for participation in a school-sponsored extracurricular activity at the discretion of the school sponsor. *Education Code 33.092*

Before-School and After-School Programs

The board may establish before-school or after-school programs for students enrolled in elementary or middle school grades. A program established under this section may operate before, after, or before and after school hours.

A student is eligible to participate in the district's before-school or after-school program if the student is enrolled in a public or private school or resides within the boundaries of the district.

A district shall conduct a request for proposals procurement process to enable the district to determine if contracting with a child-care facility that provides a before-school or after-school program, as defined by Human Resources Code 42.002, to provide the district's before-school or after-school program would serve the district's best interests. Following the request for proposals procurement process, the district may enter into a contract with a child-care facility or implement a before-school or after-school program operated by the district. If the district enters into a contract with a child-care facility, the contract must comply with the requirements of Education Code 44.031 and may not exceed a term of three years.

The board may adopt rules in accordance with Education Code 11.165 [see BAA] to provide access to school campuses before or after school hours for the purpose of providing a before-school or after-school program.

Education Code 33.9031

**Use or Possession
by Students**

A board shall prohibit students from smoking, using, or possessing e-cigarettes or tobacco products at a school-related or school-sanctioned activity on or off school property.

"E-cigarette" means an electronic cigarette or any other device that simulates smoking by using a mechanical heating element, battery, or electronic circuit to deliver nicotine or other substances to the individual inhaling from the device or a consumable liquid solution or other material aerosolized or vaporized during the use of an electronic cigarette or other device. The term does not include a prescription medical device unrelated to the cessation of smoking. The term "e-cigarette" includes:

1. A device regardless of whether it is manufactured, distributed, or sold as an e-cigarette, e-cigar, or e-pipe or under another product name or description; and

A student may not be expelled solely on the basis of the student's use, exhibition, or possession of a firearm that occurs:

1. At an approved target range facility that is not located on a school campus; and
2. While participating in or preparing for a school-sponsored shooting sports competition or a shooting sports educational activity that is sponsored or supported by the Parks and Wildlife Department or a shooting sports sanctioning organization working with the department.

One Year After Conduct	A principal or other appropriate administrator may, but is not required to, remove a student to a DAEP for off-campus conduct, for which removal would otherwise be required, if the principal or other appropriate administrator did not have knowledge of the conduct before the first anniversary of the date the conduct occurred. <i>Education Code 37.006(n)</i>

removal, and an opportunity to respond to the reasons for the removal. The student may not be returned to the regular class pending the conference.

Mitigating Factors

Before ordering removal to a DAEP, the CBC must consider whether the student acted in self-defense, the intent or lack of intent at the time the student engaged in the conduct, the student's disciplinary history, and whether the student has a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct, regardless of whether the decision of the behavior coordinator concerns a mandatory or discretionary action.

Order

Following the conference, and whether or not each requested person is in attendance after valid attempts to require the person's attendance, the CBC, after considering any mitigating factors under Education Code 37.001(a)(4) [see FO], shall order the placement of the student for a period consistent with the Student Code of Conduct.

Appeal

If district policy allows a student to appeal to the board or the board's designee a decision of the CBC or other appropriate administrator, the decision of the board or the board's designee is final and may not be appealed.

Education Code 37.009(a) [See Student Code of Conduct]

Term of Removal

The period of the placement after removal may not exceed one year unless, after a review, a district determines that the student is a threat to the safety of other students or to district employees. *Education Code 37.009(a)*

A board or designee shall set a term for a student's placement in a DAEP. If the period of placement is inconsistent with the guidelines in the Student Code of Conduct, the order must give notice of the inconsistency. The period of placement in a DAEP may not exceed one year unless, after a review, a district determines that the student is a threat to the safety of other students or to district employees or extended placement is in the best interest of the student. *Education Code 37.009(d)*

Beyond Grading
Period or 60 Days

If placement in a DAEP is to extend beyond 60 days or the end of the next grading period, whichever is earlier, the student's parent or guardian is entitled to notice of and an opportunity to participate in a proceeding before a board or designee.

**Completion of
Proceedings Upon
Withdrawal**

If a student withdraws from a district before an order for placement in a DAEP is entered, the principal or board, as appropriate, may complete the proceedings and enter an order. If the student re-enrolls in the district the same or subsequent school year, the district may enforce the order at that time except for any period of the placement that has been served by the student in another district that honored the order. If the principal or board fails to enter an order after the student withdraws, the next district in which the student enrolls may complete the proceedings and enter an order. *Education Code 37.009(i)*

**Enrollment in
Another District**

If a student placed in a DAEP enrolls in another district before the expiration of the placement, a board shall provide to the district in which the student enrolls a copy of the placement order at the same time it provides other records. The district in which the student enrolls shall inform each educator who will have responsibility for, or will be under the direction and supervision of an educator who will have responsibility for, the instruction of the student of the contents of the placement order. Each educator shall keep the information confidential from any person not entitled to the information, except that the educator may share the information with the student's parent or guardian as provided by state or federal law.

The district in which the student enrolls may continue the placement or allow the student to attend regular classes. [See FO] The district in which the student enrolls may take any of these actions if:

1. The student was placed in a DAEP by an open-enrollment charter school and the charter school provides the district a copy of the placement order; or
2. The student was placed in a DAEP by a district in another state and:
 - a. The out-of-state district provides a copy of the placement order; and
 - b. The grounds for placement are the same as grounds for placement in the enrolling district.

Education Code 37.008(j)

**Out-of-State
Placement**

If a student was placed in a DAEP in another state for more than one year and the enrolling district continues the placement under Education Code 37.008(j), the enrolling district shall reduce the period of placement so that the aggregate period does not exceed one year unless the enrolling district determines that:

1. A court may not order a student expelled under Section 37.007 to attend a school district DAEP as a condition of probation;
2. A court may not order a student to attend a DAEP without a district's consent, until the student has successfully completed any sentencing requirements, if the court has ordered the student to attend a DAEP as a condition of probation once during a school year and the student is referred to juvenile court again during that school year.

School Activities

Any court placement in a DAEP must prohibit the student from attending or participating in school-sponsored or school-related activities. *Education Code 37.010(e)*

Placement After Court Disposition

After the student has successfully completed any court disposition requirements, including conditions of deferred prosecution or conditions required by the prosecutor or probation department, a district may not refuse to admit the student if the student meets the requirements for admission into the public schools. A district may place the student in the DAEP.

Notwithstanding Education Code 37.002(d) [see FOA], the student may not be returned to the classroom of the teacher under whose supervision the offense occurred without that teacher's consent. The teacher may not be coerced to consent.

2. A court or jury found the student not guilty or made a finding the child did not engage in delinquent conduct or conduct indicating a need for supervision and the case was dismissed with prejudice.

On receipt of the notice, the superintendent or designee shall review the student's placement in the DAEP. The student may not be returned to the regular classroom pending the review. The superintendent or designee shall schedule a review of the student's placement with the student's parent or guardian not later than the third class day after the superintendent or designee receives notice from the office or official designated by the court.

After reviewing the notice and receiving information from the student's parent or guardian, the superintendent or designee may continue the student's placement in the DAEP if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

Appeal After
Placement Upheld

The student or the student's parent or guardian may appeal a superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. The board shall make a record of the proceedings.

If a board confirms the decision, the board shall inform the student and the student's parent or guardian of the right to appeal to the commissioner of education. The student may not be returned to the regular classroom pending the appeal to the commissioner.

A student placed in a DAEP shall be provided a review of the student's status, including a review of the student's academic status, by a board's designee at intervals not to exceed 120 days. In the case of a high school student, the board's designee, with the student's parent or guardian, shall review the student's progress toward meeting high school graduation requirements and shall establish a specific graduation plan for the student. The district is not required to provide a course in the DAEP, except as required by

shooting sports competition or a shooting sports educational activity.

Education Code 37.007(k), (l)

Retaliation

A district shall expel a student who engages in conduct that contains the elements of any offense listed above against any district employee or volunteer in retaliation for or as a result of the person's employment or association with a district, without regard to whether the conduct occurs on or off school property or while attending a school-sponsored or school-related activity on or off of school property. *Education Code 37.007(d)*

Federal Firearms
Offense

In accordance with the Gun-Free Schools Act, a district shall expel a student who brings a firearm, as defined by federal law, to school. The student must be expelled from the student's regular campus for a period of at least one year, except that the superintendent may modify in writing the length of expulsion in the case of an individual student.

Exception

This provision shall not apply to a firearm that is lawfully stored inside a locked vehicle on school property, or if it is for activities approved and authorized by the district and the district adopts appropriate safeguards to ensure student safety. [See also GKA].

A district may expel a student who attends school in the district if:

1. The student engages in conduct for which expulsion would have been mandatory if the conduct had occurred on district property or while attending a district-sponsored or district-related activity; and

Education Code 37.007(i)

**Expulsion
Proceedings**

Due Process

Before a student may be expelled, a board or its designee shall provide the student a hearing at which the student is afforded appropriate due process as required by the federal constitution and which the student's parent or guardian is invited, in writing, to attend. *Education Code 37.009(f)*

The minimum procedural requirements necessary to satisfy due process depend upon the circumstances and the interests of the parties involved. Federal due process requires notice and some opportunity for hearing.

Notice

The notice should contain a statement of the specific charges and grounds that, if proven, would justify expulsion. In some cases, the student should be given the names of the witnesses against him or her and an oral or written report on the facts to which each witness testifies.

Hearing

The rights of the student may properly be determined upon the hearsay evidence of school administrators who investigate disciplinary infractions.

to the student and who is not an employee of the district. If a district makes a good-faith effort to inform the student and the student's parent or guardian of the time and place of the hearing, the district may hold the hearing regardless of whether the student, the student's parent or guardian, or another adult representing the student attends.

Mitigating Factors Before ordering the expulsion of a student, the board or the board's designee must consider whether the student acted in self-defense, the intent or lack of intent at the time the student engaged in the conduct, the student's disciplinary history, and whether the student has a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct, regardless of whether the decision of the board concerns a mandatory or discretionary action. [See Student Code of Conduct, item 4, at FO(LEGAL) for mitigating factors.]

Appeal If the decision to expel a student is made by the board's designee, the decision may be appealed to the board. The decision of the board may be appealed by trial de novo to a district court of the county in which the district's central administrative office is located.

Education Code 37.009(f)

Term of Expulsion If the period of expulsion is inconsistent with the guidelines on length of expulsion in the Student Code of Conduct, the order must give notice of the inconsistency.

Beyond One Year The period of expulsion may not exceed one year unless a district determines that:

1. The student is a threat to the safety of other students or to district employees; or
2. Extended placement is in the best interest of the student.

Education Code 37.009(h)

Notice of Expulsion Order A board or its designee shall deliver a copy of the order expelling the student to the student and the student's parent or guardian. After such notification, the parent or guardian shall provide adequate supervision for the student during the period of expulsion. *Education Code 37.009(g)-(h)*

To Court

Not later than the second business day after the date an expulsion hearing is held, a board or its designee shall deliver a copy of the expulsion order and any information required under Family Code 52.04 to the authorized officer of the juvenile court in the county in which the student resides.

Family Code 52.04 requires the following information from a referring entity that is not a law enforcement agency or has not taken the child into custody:

1. All information in a district's possession pertaining to the identity of the child and the child's address; the name and address of the child's parent, guardian, or custodian; the names and addresses of any witnesses; and the child's present whereabouts; and
2. A complete statement of the circumstances of the alleged delinquent conduct or conduct indicating a need for supervision.

Education Code 37.010(a); Family Code 52.04(a), .041(a)–(b)

To Juvenile Board

In a county that operates a JJAEP [see FODA], no student shall be expelled without written notification by a board or its designee to the juvenile board's designated representative. The notification shall be made not later than two business days following a board's determination that the student is to be expelled. Failure to timely notify the designated representative shall result in the child's duty to continue attending a district's educational program, which shall be provided to that child until such time as the notification to the designated representative is properly made. *Family Code 52.041*

To Staff

In addition to providing any notice required under Code of Criminal Procedure 15.27 [see GRA], a district shall inform each educator who has responsibility for, or is under the direction and supervision of an educator who has responsibility for, the instruction of a student who has engaged in expellable conduct.

Each educator shall keep the information confidential from any person not entitled to the information, except that the educator may share the information with the student's parent or guardian as provided by state or federal law. An educator's certificate may be suspended or revoked for intentional failure to keep such information confidential.

Education Code 37.007(g)

**Completion of
Proceeding Upon
Withdrawal**

If a student withdraws from a district before an order for expulsion is entered, the principal or board, as appropriate, may complete the proceedings and enter an order. If the student subsequently enrolls in the district during the same or subsequent school year, the district may enforce the order at that time except for any period of the expulsion that has been served by the student in another district that honored the order. If the principal or board fails to enter an order after the student withdraws, the next district in which the student enrolls may complete the proceedings and enter an order. *Education Code 37.009(i)*

Additional Proceedings

If, during the term of expulsion, a student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted and the principal or board, as appropriate, may enter an additional order. *Education Code 37.009(j)*

Appeals

A decision by a board's designee to expel a student may be appealed to the board. If the hearing is not before the board directly, the results and findings of the hearing should be presented in a report open to the student's inspection. *Education Code 37.009(f); Dixon v. Alabama State Bd. of Educ., 294 F.2d 150 (5th Cir. 1961), cert. denied, 368 U.S. 930 (1961)*

Restrictions on Court Orders

A court may not order an expelled student to attend a regular classroom, a regular campus, or a district DAEP as a condition of probation.

Exception

A court may order a student to attend a regular classroom, a regular campus, or a district DAEP if the district has entered into a memorandum of understanding (MOU) with the juvenile board for the county in which the district's central administrative office is located, concerning the juvenile probation department's role in supervising and providing other support services for students in DAEPs.

Education Code 37.010(c)

District Responsibility for Expelled Student

Students Not Eligible for Existing JJAEP

In a county that operates a JJAEP, a district is responsible for providing an immediate educational program to a student who engages in behavior for which expulsion is permitted but not required under Education Code 37.007, but who is not eligible for admission into the JJAEP in accordance with an MOU. [See FODA]

Contracting for Services

A district may provide the program, or the district may contract with a county juvenile board, a private provider, or one or more other school districts to provide the program.

Education Code 37.011(l)

Certain Districts

This provision applies to a district located in a county considered to be a county with a population of 125,000 or less because it has a population of more than 200,000 and less than 220,000; has five or more school districts located wholly within the county's boundaries; and has located in the county a JJAEP that, on May 1, 2011, served fewer than 15 students. A qualifying district shall provide educational services to a student who is expelled from school. The district is entitled to count the student in the district's average daily

attendance for purposes of receipt of state funds under the Foundation School Program. An educational placement under this section may include:

1. The district's DAEP.
2. A contracted placement with another school district, an open-enrollment charter school, an institution of higher education, an adult literacy council, or a community organization that can provide an educational program that allows the student to complete the credits required for high school graduation.

An educational placement other than a district's DAEP is subject to the educational and certification requirements applicable to an open-enrollment charter school under Education Code Chapter 12, Subchapter D.

Education Code 37.011(a-3)–(a-5)

Return to Class

Early / Permissive

On the recommendation of the placement review committee, or on its own initiative, a district may readmit an expelled student while the student is completing any court disposition requirements.

Required

After an expelled student has successfully completed any court disposition requirements, including conditions of a deferred prosecution, or conditions required by the prosecutor or probation department, a district may not refuse to admit the student if the student meets the requirements for admission. [See FD] A district may place the student in a DAEP.

The student may not be returned to the classroom of the teacher under whose supervision the offense occurred without that teacher's consent. The teacher may not be coerced to consent.

Education Code 37.010(f)

**Expelled from
Another District**

If a student has been expelled from another school district, the expelling district shall provide to a district in which the student enrolls a copy of the expulsion order and the referral to the authorized officer of the juvenile court. A district in which the student enrolls may continue the expulsion under the terms of the order, may place the student in a DAEP for the period specified by the expulsion order, or may allow the student to attend regular classes without completing the period of expulsion.

Out-of-State
Expulsion

A district may take any of the above actions if the student was expelled by a district in another state if:

1. The out-of-state district provides a copy of the expulsion order; and

2. The grounds for the expulsion are also grounds for expulsion in the district in which the student is enrolling.

Education Code 37.010(g)

If the student was expelled for more than one year and the enrolling district continues the expulsion or places the student in a DAEP, the aggregate period of expulsion or placement may not exceed one year unless the district determines that:

1. The student is a threat to the safety of other students or to district employees; or
2. Extended placement is in the best interest of the student.

**Students with
Disabilities Under
Section 504**

A district shall conduct an evaluation in accordance with 34 C.F.R. 104.35(b) before taking any action with respect to any significant change in placement of a student with a disability who needs or is believed to need special education and related services. *34 C.F.R. 104.35(a)*

A district may take disciplinary action pertaining to the use or possession of illegal drugs or alcohol against any student with a disability who is currently engaging in the illegal use of drugs or in the use of alcohol to the same extent that the district would take disciplinary action against nondisabled students. The due process procedures afforded under Section 504 do not apply to such disciplinary action. *29 U.S.C. 705(20)(C)(iv)*

**Students Receiving
Special Education
Services**

All disciplinary actions regarding students with disabilities must be determined in accordance with 34 C.F.R. 300.101(a) and 300.530–300.536; Education Code Chapter 37, Subchapter A; and 19 Administrative Code 89.1053 (Procedures for Use of Restraint and Time-Out). *19 TAC 89.1050(k)*

Except as set forth below, the placement of a student with a disability who receives special education services may be made only by a duly constituted admission, review, and dismissal (ARD) committee. Any disciplinary action regarding the student shall be determined in accordance with federal law and regulations. *Education Code 37.004(a)*

The methods adopted in the Student Code of Conduct [see FO] for discipline management and for preventing and intervening in student discipline problems must provide that a student who is enrolled in the special education program may not be disciplined for bullying, harassment, or making hit lists until an ARD committee meeting has been held to review the conduct. *Education Code 37.001(b-1)*

**DAEP Placement
Not Solely for
Educational

A student with a disability who receives special education services may not be placed in a disciplinary alternative education program (DAEP) solely for educational purposes. 2. As necessary, develop a behavior improvement plan or behavioral intervention plan for the student if the student does not have a plan or, if the student has a behavior improvement plan or behavioral intervention plan, revise the student's plan.

Education Code 37.004(b-1)

Change in
Placement

For purposes of disciplinary removal of a student with a disability, a change in placement occurs if a student is:

1. Removed from the student's current educational placement for more than ten consecutive school days; or
2. Subjected to a series of removals that constitute a pattern because:
 - a. The series of removals total more than ten school days in a school year;
 - b. The student's behavior is substantially similar to the student's behavior in the previous incidents that resulted in the series of removals; and
 - c. Additional factors exist, such as the length of each removal, the total amount of time the student is removed, and the proximity of the removals to one another.

The district determines, on a case-by-case basis, whether a pattern of removals constitutes a change in placement. The district's determination is subject to review through due process and judicial proceedings.

Manifestation
Determination

Within ten school days of any decision to change the placement of a student because of a violation of a code of student conduct, a district, parents, and relevant members of the ARD committee (as determined by the parent and the district) shall review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parents to determine whether the conduct in question was:

1. Caused by, or had a direct and substantial relationship to, the student's disability; or
2. The direct result of the district's failure to implement the IEP.

If the district, the parent, and relevant members of the ARD committee determine that either of the above is applicable, the conduct shall be determined to be a manifestation of the student's disability.

If the district, the parent, and relevant members of the ARD committee determine the conduct was the direct result of the district's failure to implement the IEP, the district must take immediate steps to remedy those deficiencies.

20 U.S.C. 1415(k)(1)(E); 34 C.F.R. 300.530(e)

Not a Manifestation

If the determination is that the student's behavior was not a manifestation of the student's disability, school personnel may apply the relevant disciplinary procedures to the student in the same manner and for the same duration as for students without disabilities. The ARD committee shall determine the interim alternative educational setting. *20 U.S.C. 1415(k)(1)(C), (k)(2); 34 C.F.R. 300.530(c)*

Expulsion

In a county with a juvenile justice alternative education program (JJAEP) [see FODA], a district must invite the administrator of the JJAEP or the administrator's designee to an ARD committee meeting convened to discuss the discretionary expulsion under Education Code 37.007 of a student with a disability. The district must provide written notice of the meeting at least five school days before the meeting or a shorter timeframe agreed to by the student's parents. A copy of the student's current IEP must be provided to the JJAEP representative with the notice. If the JJAEP representative is unable to attend the ARD committee meeting, the representative must be given the opportunity to participate in the meeting through alternative means, including conference telephone calls. The JJAEP representative may participate in the meeting to the extent that the meeting relates to the student's placement in the JJAEP and implementation of the student's current IEP in the JJAEP. *19 TAC 89.1052*

*Services During
Removal*

The student must:

1. Continue to receive educational services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the student's IEP.
2. Receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

These services may be provided in an interim alternative educational setting.

34 C.F.R. 300.530(d)(1)–(2)

For a student with a disability who was expelled under a discretionary expulsion under Education Code 37.007, an ARD committee meeting must be convened to reconsider placement of the student in the JJAEP if the JJAEP provides written notice to the district of specific concerns that the student's education or behavioral needs cannot be met in JJAEP.

The district must invite the JJAEP administrator or the administrator's designee to the meeting and must provide written notice of the meeting at least five school days before the meeting or a shorter timeframe agreed to by the student's parents. If the JJAEP representative is unable to attend the ARD committee meeting, the representative must be given the opportunity to participate in the meeting through alternative means, including conference telephone calls. The JJAEP may participate in the meeting to the extent that the meeting relates to the student's continued placement in JJAEP.

19 TAC 89.1052

Manifestation

If the district, the parents, and relevant members of the ARD committee determine that the conduct was a manifestation of the student's disability, the ARD committee shall:

1. Conduct a functional behavioral assessment (FBA), unless the district had conducted an FBA before the behavior that resulted in the change in placement occurred, and implement a behavioral intervention plan (BIP) for the student; or
2. If a BIP has already been developed, review the BIP and modify it, as necessary, to address the behavior.

Except as provided at Special Circumstances, below, the ARD committee shall return the student to the placement from which the

student was removed, unless the parent and the district agree to a change in placement as part of the modification of the BIP.

20 U.S.C. 1415(k)(1)(F); 34 C.F.R. 300.530(f)

**Special
Circumstances**

School personnel may remove a student to an interim alternative educational setting for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the student's disability, if the student:

1. Carries or possesses a weapon to or at school, on school premises, or to or at a school function under the jurisdiction of the Texas Education Agency (TEA) or a school district;
2. Knowingly possesses or uses illegal drugs or sells or solicits the sale of a controlled substance while at school, on school premises, or at a school function under the jurisdiction of TEA or a school district; or
3. Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of TEA or the district.

**Services During
Removal**

The student must:

1. Continue to receive educational services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the student's IEP.

These services may be provided in an interim alternative educational setting.

Reporting Crimes	Federal law does not prohibit a district from reporting a crime committed by a student with a disability to appropriate authorities. If a district reports a crime, the district shall ensure that copies of the special education and disciplinary records of the student are transmitted for consideration by the appropriate authorities to whom the district reported the crime. A district may transmit records only to the extent permitted by the Family Educational Rights and Privacy Act (FERPA). <i>20 U.S.C. 1415(k)(6); 34 C.F.R. 300.535</i> [See FL]
Students Not Yet Identified	A student who has not been determined to be eligible for special education and related services and who has engaged in behavior that violated a code of student conduct may assert any of the protections provided for in the IDEA if a district had knowledge that the student had a disability before the behavior that precipitated that disciplinary action occurred. <i>20 U.S.C. 1415(k)(5)(A); 34 C.F.R. 300.534(a)</i>
District Knowledge	A district shall be deemed to have knowledge that a student has a disability if, before the behavior that precipitated the disciplinary action occurred: <ol style="list-style-type: none">1. The student's teacher, or other district personnel, expressed specific concerns about a pattern of behavior demonstrated by the student directly to the special education director or to other supervisory personnel of the district. <i>20 U.S.C. 1415(k)(5)(B); 34 C.F.R. 300.534(b)</i>

If a district does not have knowledge (as described above), before taking disciplinary measures, that a student has a disability, the student may be subjected to the same disciplinary measures applied to students without disabilities who engaged in comparable behaviors.

However, if a request is made for an evaluation during the time period in which the student is subjected to disciplinary measures, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities, which can include suspension or expulsion without educational services.

**Behavior
Management
Techniques**

It is the policy of the state to treat all students with dignity and respect, including students with disabilities who receive special education services. Any behavior management technique and/or discipline management practice must be implemented in such a way as to protect the health and safety of the student and others. No discipline management practice may be calculated to inflict injury, cause harm, demean, or deprive the student of basic human necessities. *Education Code 37.0021(a); 19 TAC 89.1053(j)*

[For restrictions on aversive techniques, see FO.]

**School Peace

This section and any rules or procedures adopted under this section apply to a peace officer only if the peace officer:

1. Is employed or commissioned by a school district; or
2. Provides, as a school resource officer, a regular police presence on a school district campus under a memorandum of understanding between the district and a local law enforcement agency.

Education Code 37.0021(h); 19 TAC 89.1053(l)

Education Code 37.0021 (use of confinement, seclusion, restraint, and time-out) does not apply to:

1. A peace officer, while performing law enforcement duties, except as provided above [see School Peace Officers] and by Education Code 37.0021(i) [see Restraint, Documentation, below];
2. Juvenile probation, detention, or corrections personnel; or

Education Code 37.0021(b)(4), (g); 19 TAC 89.1053(l), (m)

Further, Education Code 37.0021 does not prevent a student’s locked, unattended confinement in an emergency situation while awaiting the arrival of law enforcement personnel if:

1. The student possesses a weapon; and
2. The confinement is necessary to prevent the student from causing bodily harm to the student or another person.

For these purposes, “weapon” includes any weapon described under Education Code 37.007(a)(1). [See FNCG]

Education Code 37.0021(f)

Confinement

A student with a disability who receives special education services may not be confined in a locked box, locked closet, or other specially designed locked space as either a discipline management practice or a behavior management technique. *Education Code 37.0021(a)*

“Seclusion” means a behavior management technique in which a student is confined in a locked box, locked closet, or locked room that:

1. Is designed solely to seclude a person; and
2. Contains less than 50 square feet of space.

Education Code 37.0021(b)(2)

Restraint

A school employee, volunteer, or independent contractor may use restraint only in an emergency and with the following limitations:

1. Restraint shall be limited to the use of such reasonable force as is necessary to address the emergency.
2. Restraint shall be discontinued at the point at which the emergency no longer exists.

3. Restraint shall be implemented in such a way as to protect the health and safety of the student and others.

1. Imminent, serious physical harm to the student or others; or
2. Imminent, serious property destruction.

19 TAC 89.1053(b)(1)–(2)

Training

Training for school employees, volunteers, or independent contractors regarding the use of restraint shall be provided according to the requirements set forth at 19 Administrative Code 89.1053(d).

Documentation

In a case in which restraint is used, school employees, volunteers, or independent contractors shall implement the documentation requirements set forth at 19 Administrative Code 89.1053(e).

A district shall report electronically to TEA, in accordance with standards provided by commissioner rule, information relating to the use of restraint by a peace officer performing law enforcement duties on school property or during a school-sponsored or school-related activity. The report must be consistent with the requirements adopted by commissioner rule for reporting the use of restraint involving students with disabilities.

Education Code 37.0021(i)

Time-Out

A school employee, volunteer, or independent contractor may use time-out with the following limitations:

1. Physical force or threat of physical force shall not be used to place a student in time-out.
2. Time-out may only be used in conjunction with an array of positive behavior intervention strategies and techniques and must be included in the student’s IEP and/or BIP if it is utilized on a recurrent basis to increase or decrease targeted behavior.

3. Use of time-out shall not be implemented in a fashion that precludes the ability of the student to be involved in and progress in the general curriculum and advance appropriately toward attaining the annual goals specified in the student's IEP.

19 TAC 89.1053(g)

"Time-out" means a behavior management technique in which, to provide a student with an opportunity to regain self-control, the student is separated from other students for a limited period in a setting:

1. That is not locked; and
2. From which the exit is not physically blocked by furniture, a closed door held shut from the outside, or another inanimate object.

19 TAC 89.1053(b)(3)

Training

Training for school employees, volunteers, or independent contractors regarding the use of time-out shall be provided according to the requirements set forth at 19 Administrative Code 89.1053(h).

Documentation

Necessary documentation or data collection regarding the use of time-out, if any, must be addressed in the IEP or BIP. The ARD committee must use any collected data to judge the effectiveness of the intervention and provide a basis for making determinations regarding its continued use.

Except as set forth at Occupations Code Chapter 1701, Subchapter N, a recording from a body-worn camera that is or could be used as evidence in a criminal prosecution is subject to the requirements of the PIA.

However, a law enforcement agency may not release any portion of a recording made in a private space, or of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

3. Hand delivery; or
4. Any other appropriate method approved by the district, including facsimile transmission and electronic submission through the district's website.

A district is considered to have approved another method only if the district includes a statement that a request for public information may be made by that method on the PIA sign [see PIA Sign, above] or the district's website.

Designated Address

A district may designate one mailing address and one electronic mail address for receiving written requests for public information and shall provide the designated mailing address and electronic mailing address to any person on request.

A district that posts a designated mailing address or electronic mail address on the district's website or that prints those addresses on

the PIA sign is not required to respond to a written request for public information unless the request is received:

1. At one of those addresses;
2. By hand delivery; or
3. By a method described above that has been approved by the district.

Gov't Code 552.234

*Public
Information
Request Form*

The attorney general shall create a public information request form that provides a requestor the option of excluding from a request information that the district determines is:

1. Confidential; or
2. Subject to an exception to disclosure that the district would assert if the information were subject to the request.

A district that allows requestors to use the form and maintains a website shall post the form on its website.

Gov't Code 552.235

Procedural Rules

A district may promulgate reasonable rules of procedure by which public information may be inspected and copied efficiently, safely, and without delay. These rules may not be inconsistent with any provision of the PIA. *Gov't Code 552.230*

*Treatment of
Requests*

The officer for public information and agent shall not make an inquiry of a requestor, except to establish proper identification or to ask the requestor to narrow or clarify the request. The officer for public information or agent shall treat all requests for information uniformly without regard to the position or occupation of the requestor, the person on whose behalf the request is made, or the status of the individual as a member of the media. The officer for public information or agent shall give the requestor all reasonable comfort and facility for the full exercise of the right granted by the PIA. *Gov't Code 552.222(a)-(b), .223-.224*

*Location of
Access*

An officer for public information complies with a request for public information by:

1. Providing the information for inspection or duplication in a district's offices [see Time for Examination, below]. The PIA does not authorize a requestor to remove an original copy of a public record from the office of a district;

INFORMATION ACCESS
REQUESTS FOR INFORMATION

(LEGAL)

2. Sending copies of the information by first class mail, if the requestor requests that copies be provided and pays the postage and any other applicable charges that the requestor has accrued under Subchapter F of the PIA [see Costs and Charges, below];
3. By referring a requestor to an exact internet location or uniform resource locator (URL) address on a website maintained by the district and accessible to the public if the requested information is identifiable and readily available on that website. If the person requesting the information prefers a manner other than access through the URL, the district must supply the information by sending copies to the requestor, as described above.

If the officer for public information provides by email an internet location or URL address, the email must contain a statement in a conspicuous font clearly indicating that the requestor may nonetheless access the requested information by inspection or duplication or by receipt through United States Mail, as described above.

Gov't Code 552.221(b)-(b-2), .226

Time for Response

An officer for public information shall promptly produce public information for inspection, duplication, or both, on application by any person. "Promptly" means as soon as possible under the circumstances, that is, within a reasonable time, without delay. A district may not automatically withhold for ten business days public information not excepted from disclosure.

If an officer for public information cannot produce the public information for inspection or duplication within ten business days after the date the information is requested, the officer shall certify that fact in writing to the requestor and set a date and hour within a reasonable time when the information will be available for inspection or duplication.

If the requested information is unavailable because it is in storage or active use, an officer for public information shall certify this fact in writing to the requestor and set a date and hour within a reasonable time when the information will be available for inspection or duplication.

Gov't Code 552.221; Tex. Atty. Gen. ORD 664 (2000)

When
Administrative
Offices Closed

Unless the district has initiated a temporary suspension of the PIA during a catastrophe [see below], if a district closes its physical offices, but requires staff to work, including remotely, then the district

shall make a good faith effort to continue responding to applications for public information, to the extent staff have access to public information responsive to an application while its administrative offices are closed.

Failure to respond to requests may constitute a refusal to request an attorney general's decision or a refusal to supply public information or information that the attorney general has determined is public information that is not excepted from disclosure.

Gov't Code 552.2211

Requests to Narrow
or Clarify

If a large amount of information has been requested, the district may discuss with the requestor how the scope of the request might be narrowed, but the district may not inquire into the purpose for which the information will be used. If what information is requested is unclear to the district, the district may ask the requestor to clarify the request.

If the request included the requestor's physical or mailing address, the district must send the request for discussion or clarification to that address by certified mail. The written request for discussion or clarification must include a statement as to the consequences of failure by the requestor to timely respond.

If the requestor's request for public information was sent by electronic mail, the district may send the request for clarification or discussion or the written request for additional information by electronic mail to the same electronic mail address from which the original request was sent or to another electronic mail address provided by the requestor.

If the district does not receive a written response or a response by electronic mail, as applicable, by the 61st day after the district sends the written request, the underlying request for public information is considered to have been withdrawn by the requestor.

Gov't Code 552.222(b), (d)-(g)

Time for
Examination

A requestor shall complete the examination of the information not later than the tenth business day after the date the custodian of the information makes it available. If the requestor does not complete the examination within ten business days and does not file a request for additional time, the requestor is considered to have withdrawn the request.

The officer shall extend the initial examination period by an additional ten business days if, within the initial period, the requestor files with the officer a written request for additional time. The officer

shall extend an additional examination period by another ten business days if, within the first additional period, the requestor files with the officer a written request for more additional time.

The time during which a person may examine information may be interrupted by the officer if the information is needed for use by the district. The period of interruption is not considered to be a part of the time during which the person may examine the information.

A request is considered to have been withdrawn if the requestor fails to inspect or duplicate the public information in the offices of the governmental body on or before the 60th day after the date the information is made available or fails to pay the postage and any other applicable charges accrued under Government Code, Chapter 552, Subchapter F on or before the 60th day after the date the requestor is informed of the charges.

Gov't Code 552.221(e), .225

Electronic Data

If public information exists in an electronic or magnetic medium, the requestor may request a copy in an electronic medium, such as on diskette or on magnetic tape. A district shall provide a copy in the requested medium:

1. If the district has the technological ability to produce the information in the requested medium;
2. If the district is not required to purchase any software or hardware to accommodate the request; and
3. Providing the copy will not violate any copyright agreement between the district and a third party.

If a district is unable to comply with a request to produce a copy of information in a requested medium for any of these reasons, the district shall provide a copy in another medium that is acceptable to the requestor. A district is not required to copy information onto a diskette or other material provided by the requestor but may use district supplies.

Gov't Code 552.228

Requests Requiring Programming or Manipulation

A district shall provide the requestor a written statement, described below, if the district determines:

1. That responding to a request for information will require programming or manipulation of data; and
2. That:
 - a. Compliance with the request is not feasible or will result in substantial interference with operations; or

- b. The information could be made available in the requested form only at a cost that covers the programming and manipulation of data.

The written statement shall include:

1. A statement that the information is not available in the requested form;
2. A description of the form in which the information is available;
3. A description of any contract or services that would be required to provide the information in the requested form;
4. A statement of the estimated cost of providing the information in the requested form, as determined in accordance with the rules established by the attorney general; and
5. A statement of the anticipated time required to provide the information in the requested form.

*Response Time
When
Programming or
Manipulation Is
Required*

A district shall provide the written statement to the requestor within 20 days after the date the district receives the request. The district has an additional ten days to provide the statement if the district gives written notice to the requestor, within 20 days after receiving the request, that additional time is needed.

Further Action

After providing the written statement described above, the district has no further obligation to provide the information in the requested form or in the form in which it is available, unless within 30 days the requestor states in writing that the requestor:

1. Wants the information in the requested form according to the time and cost parameters set out in the written statement, or according to other terms to which the requestor and the district agree; or
2. Wants the information in the form in which it is available.

If a requestor does not make a timely written statement, the requestor is considered to have withdrawn the request for information.

*Processing of
Requests*

The officer for public information shall establish policies that assure the expeditious and accurate processing of requests for information that require programming or manipulation of data. A district shall maintain a readily accessible file containing all written statements issued concerning requests for information that require programming or manipulation of data.

Repetitious or
Redundant
Requests

If a district determines that a requestor has made a request for information for which the district has previously furnished or made copies available to the requestor, the district may:

1. Respond to the request for information as set forth below, at Procedures; or
2. Furnish the information or make the information available to the requestor again in accordance with the request. If the district selects this option, the district is not required to comply with the procedures described below.

Gov't Code 552.232(a)

These provisions do not apply to information not previously furnished to a requestor. A district shall treat a request for information for which copies have not been previously furnished or made available to the requestor, including information that was not furnished or made available because the information was redacted or because the information did not exist at the time of an earlier request, in the same manner as any other request for public information.

Gov't Code 552.232(d)

Procedures

A district shall, free of charge, certify to the requestor that copies of all or part of the requested information were previously furnished or made available to the requestor. The certification must include:

1. A description of the information for which copies have been previously furnished or made available to the requestor;
2. The date the district received the requestor's original request for that information;
3. The date the district previously furnished copies or made available copies of the information to the requestor;
4. A certification that no subsequent additions, deletions, or corrections have been made to that information; and
5. The name, title, and signature of the officer for public information or agent making the certification.

Requests for
Contracting
Information Not
Maintained by the
District

"Contracting information" means the following information maintained by a district or sent between a district and a vendor, contractor, potential vendor, or potential contractor:

1. Information in a voucher or contract relating to the receipt or expenditure of public funds by a district;

2. Solicitation or bid documents relating to a contract with a district;
3. Communications sent between a district and a vendor, contractor, potential vendor, or potential contractor during the solicitation, evaluation, or negotiation of a contract;
4. Documents, including bid tabulations, showing the criteria by which a district evaluates each vendor, contractor, potential vendor, or potential contractor responding to a solicitation and, if applicable, an explanation of why the vendor or contractor was selected; and
5. Communications and other information sent between a district and a vendor or contractor related to the performance of a final contract with the district or work performed on behalf of the district.

Gov't Code 552.003(1-a)

Government Code 552.371 applies to an entity that is not a governmental body that executes a contract with a district that:

1. Has a stated expenditure of at least \$1 million in public funds for the purchase of goods or services by the district; or
2. Results in the expenditure of at least \$1 million in public funds for the purchase of goods or services by the district in a fiscal year of the district.

Government Code 552.371 applies to a written request for public information received by a district that is party to a contract described above for contracting information related to the contract that is in the custody or possession of the entity and not maintained by the district.

Gov't Code 552.371(a), (b)

*Request to
Contracting Entity*

A district that receives a written request for contracting information shall request that the entity provide the information to the district. The district must send the request in writing to the party not later than the third business day after the date the district receives the written request. *Gov't Code 552.371(c)*

*Request for
Attorney General
Opinion*

A district's request for an attorney general's decision to determine whether contracting information not maintained by the district falls within an exception to disclosure under the PIA is considered timely if made not later than the 13th business day after the date the district receives the written request described above. *Gov't Code 552.371(d)(1)*

The statement and copy described below [see Statement to Requestor] is considered timely if provided to the requestor not later than the 13th business day after the date the district receives the written request. *Gov't Code 552.371(d)(2)*

A submission and copy described below [see Submission to Attorney General] is considered timely if sent not later than the 18th business day after the date the district receives the written request. *Gov't Code 552.371(d)(3), (4)*

The presumption that information is subject to disclosure [see Time for Request, below] does not apply if a district:

1. Complies with the requirements of Government Code 552.371(c) in a good faith effort to obtain contracting information not maintained by the district;
2. Is unable to meet a deadline because the contracting entity failed to provide the information to the district not later than the 13th business day after the date the district received the written request for the information; and
3. Complies with all notice requirements not later than the eighth business day after the date the district receives the information from the contracting entity.

Gov't Code 552.371(e)

Nothing in Government Code 552.371 affects the deadlines or duties of a district related to requesting an attorney general opinion regarding contracting information the district maintains. *Gov't Code 552.371(f)*

**Withholding
Excepted
Information**

Request for
Attorney General
Decision

If a district receives a written request for information that the district considers to be within one of the exceptions to required disclosure and that the district wishes to withhold from public disclosure, the district shall request a decision from the attorney general about whether the information is within the exception [see Submission to Attorney General, below]. *Gov't Code 552.301(a)*

A district may only request an attorney general decision if the district reasonably believes that the requested information is excepted from required disclosure. *Tex. Atty. Gen. ORD 665 (2000)*

Time for Request

A district must submit the request to the attorney general not later than the tenth business day after receiving the written request. If a district does not timely request a decision from the attorney general and comply with the requirements at Statement to Requestor, below, the information is presumed to be subject to public disclosure

and must be released unless there is a compelling reason to withhold it.

Gov't Code 552.301(b), .302

*Calculating
Timelines*

For the purposes of Government Code sections 552.301–.308, if a district receives a written request by United States mail and cannot adequately establish the actual date of receipt, the request is considered to have been received by the district on the third business day after the date of the postmark on a properly addressed request. *Gov't Code 552.301(a-1)*

When Government Code sections 552.301–.308 require a request, notice, or other document to be submitted or otherwise given to the attorney general within a specified period, the requirement is met in a timely fashion if the district submits the document through the attorney general's designated electronic filing system within that period. This provision does not affect the right of a district to submit information to the attorney general by mail under Government Code 552.308.

When the attorney general is required to deliver a notice, decision, or other document within a specified period, the requirement is met in a timely fashion if the attorney general electronically transmits the document within that period.

For information surrendered or returned to a district by a temporary custodian, the district is considered to receive the request for that information on the date the information is surrendered or returned to the district. [See GB]

Gov't Code 552.233(d), .309

*Previous
Determinations*

Same
Information

Except as set forth at Government Code section 552.301(g), a district may not request an attorney general decision if the district has previously requested and received a determination from the attorney general concerning the precise information at issue in a pending request and the attorney general or a court determined that the information is not within one of the exceptions. This exception applies to specific information that is again requested from a district after the attorney general has previously issued a decision regarding the precise information or records at issue. *Gov't Code 552.301(f); Tex. Atty. Gen. ORD 673 (2001)*

Categories of
Information

A district may rely on a previous determination by the attorney general regarding a specific, clearly delineated category of information if:

1. The previous decision is applicable to a school district;

2. The previous decision concludes that the category of information is or is not excepted from public disclosure;
3. The elements of law, fact, and circumstances are met to support the previous decision's conclusion that the requested records and information at issue are or are not excepted from public disclosure; and
4. The previous decision explicitly provides that the governmental body or bodies to which the decision applies may withhold the information without the necessity of seeking a decision from the attorney general.

Tex. Atty. Gen. ORD 673 (2001)

A district that relies on any previous determination to withhold information from disclosure should notify the requestor in writing of the decision or ruling upon which it is relying.

A district may withhold from public disclosure the categories of records listed at Texas Attorney General Open Records Decision 684 (2009).

Tex. Atty. Gen. ORD 684 (2009)

A district may withhold from public disclosure personally identifiable, non-directory information in "education records" as defined in the Family Educational Rights and Privacy Act of 1974 ("FERPA"), 20 U.S.C. 1232g [see FL]. *Tex. Atty. Gen. ORD 634 (1995)*

*Statement to
Requestor*

If a district requests an attorney general decision, it shall provide to the requestor within a reasonable time but not later than the tenth business day after the date of receiving the requestor's written request:

1. A written statement that the district wishes to withhold the requested information and has asked for a decision from the attorney general about whether the information is within an exception to public disclosure; and
2. A copy of the district's written communication to the attorney general asking for the decision. If a district's written communication to the attorney general discloses the requested information, the district shall provide a redacted copy of that written communication.

Attorney General*

When a district requests an attorney general decision, it shall, within a reasonable time but not later than the 15th business day after receiving the request for information, submit to the attorney general all of the following:

1. Written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld;
2. A copy of the written request for information;
3. A signed statement as to the date on which the written request for information was received by the district or evidence sufficient to establish that date; and
4. A copy of the specific information requested, or representative samples of the information if a voluminous amount of information was requested. The district shall label the copies or representative samples to indicate which exceptions apply to which parts of the copy.

The district shall send a copy of the comments to the requestor not later than the 15th business day after the district receives the written request. If the written comments disclose or contain the substance of the information requested, the copy of the comments provided to the requestor shall be redacted.

Gov't Code 552.301(e), (e-1)

Unless the information is confidential by law, the district may disclose the requested information to the public or the requestor before a final determination that the information is public has been made by the attorney general or a court with jurisdiction. *Gov't Code 552.303(a)*

*Additional
Information*

If the attorney general determines that additional information is necessary to render a decision, the attorney general shall give the district and the requestor written notice of that fact. The district shall submit the necessary additional information to the attorney general not later than the seventh calendar day after the date the notice is received. If the district does not comply with the attorney general's request, the information is presumed to be subject to required public disclosure and must be released unless there is a compelling reason to withhold the information. *Gov't Code 552.303(c)-(e)*

*Privacy or
Property Interests*

If information is requested and a person's privacy or property interests may be involved, including a case under Government Code 552.101 (information confidential by law), 552.110 (trade secrets), 552.1101 (proprietary information), 552.114 (student records),

552.131 (economic development information), or 552.143 (investment information) a district may decline to release the information for the purpose of requesting a decision from the attorney general. A person whose interests may be involved, or any other person, may submit in writing to the attorney general the person's reasons why the information should be withheld or released. A district may, but is not required to, submit its reasons why the information should be withheld or released. *Gov't Code 552.305(a)-(c)*

If release of a person's proprietary information may be subject to exception under Government Code 552.101 (information confidential by law), 552.110 (trade secrets), 552.1101 (proprietary information), 552.113 (geological or geophysical information), 552.131 (economic development information), or 552.143 (investment information), a district that requests an attorney general decision shall make a good faith attempt to provide written notice to that person of its request. The notice must:

1. Be sent within a reasonable time not later than the tenth business day after the district receives the request for information; and
2. Include:
 - a. A copy of any written request a district received for the information; and
 - b. A statement, in the form prescribed by the attorney general, that the person is entitled to submit to the attorney general, not later than the tenth business day after the person receives the notice, a written statement of the reason(s) why the information should be withheld and a letter, memorandum, or brief supporting the reason(s).

Gov't Code 552.305(d)

**Charges Regarding
Public Information
Requests**

Costs and Charges

The charge for providing a copy of public information shall be an amount that reasonably includes all costs related to reproducing the information, including costs of materials, labor, and overhead. The charges shall not be excessive and shall not exceed the actual cost of producing the information or for making public information that exists in a paper record available.

Charges for providing a copy of public information are considered to accrue at the time the district advises the requestor that the copy is available on payment of the applicable charges.

50 Pages or Less

If a request is for 50 or fewer pages of paper records, the charge for providing the copy of the information shall be limited to the

charge for each page of the paper record that is photocopied, unless the pages to be photocopied are located in two or more separate buildings that are not physically connected with each other or a remote storage facility. The charge for providing a copy may not include costs of materials, labor, or overhead.

*Statement of
Labor Costs*

If the charge for providing a copy of public information includes costs of labor, the requestor may require the officer for public information or agent to provide the requestor with a written statement as to the amount of time that was required to produce and provide the copy. The statement must be signed by the officer or agent, and the officer or agent's name must be typed or legibly printed below the signature. A charge may not be imposed for providing the written statement to the requestor.

All requests received in one calendar day from an individual may be treated as a single request for purposes of calculating costs. A district may not combine multiple requests from separate individuals who submit requests on behalf of an organization.

Gov't Code 552.261, .262(a)

*Attorney
General's Rules*

A district shall use the attorney general's rules to determine the charges for providing copies of public information and to determine the charge, deposit, or bond required for making public information that exists in a paper record available for inspection, except to the extent that other law provides for charges for specific kinds of public information.

A district may determine its own charges for providing copies of public information and its own charge, deposit, or bond for making public information that exists in a paper record available for inspection. However, a district may not charge an amount that is greater than 25 percent more than the amount established by the attorney general, unless the district requests an exemption. *Gov't Code 552.262(a); 1 TAC 70.1(b), .3, .10.*

Exemptions

A district may request that it be exempt from part or all of the rules adopted by the attorney general for determining charges. The request must be made in writing to the attorney general and must state the reason for the exemption. If a district receives notice from the attorney general that an exemption has been granted, the district may amend its charges according to the attorney general's determination. *Gov't Code 552.262(c)*

*Copies for
Parents*

A district may charge a reasonable fee in accordance with the above requirements for copies of materials provided to parents pursuant to Education Code Chapter 26. *Education Code 26.012*

<i>Statement of Estimated Charges</i>	<p>If a request for a copy of public information will result in the imposition of a charge that exceeds \$40, a district shall provide the requestor with a written itemized statement that details all estimated charges that will be imposed, including any allowable charges for labor or personnel costs. If an alternative less costly method of viewing the records is available, the statement must include a notice that the requestor may contact the district regarding the alternative method. A district must inform the requestor of the responsibilities imposed on the requestor by Government Code 552.2615 and the rights granted by that section and give the requestor the information needed to respond as detailed in Government Code 552.2615(a).</p> <p>If, after a district provides the requestor the itemized statement but before it makes the copy or the paper record available, the district determines that the estimated charges will exceed the charges detailed in the original itemized statement by 20 percent or more, the district shall send to the requestor an updated written itemized statement that details all estimated charges that will be imposed, including any allowable charges for labor or personnel costs.</p>
Requestor's Response	<p>A request for which a district is required to produce an (original or updated) itemized statement of estimated charges is considered to have been withdrawn if the requestor does not respond in writing to the itemized statement by informing the district within ten business days after the date the statement is sent to the requestor that:</p> <ol style="list-style-type: none">1. The requestor will accept the estimated charges;2. The requestor is modifying the request in response to the itemized statement; or3. The requestor has sent to the attorney general a complaint alleging that the requestor has been overcharged for being provided with a copy of the public information.
Actual Charges	<p>If the actual charges exceed \$40, the charges may not exceed:</p> <ol style="list-style-type: none">1. The amount estimated in the updated itemized statement; or2. If an updated itemized statement is not sent to the requestor, an amount that exceeds by 20 percent or more the amount estimated in the original itemized statement.
Timing of Deadlines	<p>An original or updated itemized statement is considered to have been sent by a district, and a requestor is considered to have responded to the statement, on the date that the statement or response is:</p> <ol style="list-style-type: none">1. Delivered in person;

2. Deposited, properly addressed, in the U.S. Mail; or
3. Transmitted by electronic mail or facsimile, provided the requestor agrees to receive the statement by those means.

The time deadlines for providing or responding to the required statement of estimated charges do not affect the application of a time deadline imposed on a district for requesting a decision by the attorney general under Government Code 552, Subchapter G.

Gov't Code 552.2615

Deposit or Bond

The officer for public information or agent may require a deposit or bond for payment of anticipated costs for the preparation of a copy of public information if:

1. The officer or agent has provided the requestor with the written itemized statement required by Government Code 552.2615 [see Statement of Estimated Charges, above]; and
2. The charge for providing the copy is estimated by the district to exceed \$100, if the district has more than 15 full-time employees, or \$50, if the district has fewer than 16 full-time employees.

The officer or agent may not require a deposit or bond as a down payment for copies of public information that the requestor may request in the future.

Gov't Code 552.263(a), (b)

For the purposes of charging for providing copies of public information or for requesting an attorney general's opinion, a request for a copy of public information is considered to have been received by the district on the date the district receives the deposit or bond. *Gov't Code 552.263(e)*

A requestor who fails to make such a deposit or post such a bond before the tenth business day after the date the deposit or bond is required is considered to have withdrawn the request. *Gov't Code 552.263(f)*

Modified
Request

If a requestor modifies a request in response to the requirement of a deposit or bond, the modified request is considered a separate request and is considered received on the date the district receives the written modified request. *Gov't Code 552.263(e-1)*

Unpaid Amounts

The officer for public information or agent may require a deposit or bond for payment of unpaid amounts the requestor owes a district in relation to previous public information requests before preparing a copy of public information in response to a new request, if those

unpaid amounts exceed \$100. The officer for public information or agent may not seek payment of those unpaid amounts through any other means. *Gov't Code 552.263(c)*

A district that receives a request from a requestor who, within the preceding 180 days, has accepted but failed to pay written itemized statements of estimated charges from the district as provided under Government Code 552.261(b) may require the requestor to pay the estimated charges for the request before the request is fulfilled. *Gov't Code 552.2661*

A district shall provide a copy of public information without charge or at a reduced charge if the district determines that waiver or reduction of the charge is in the public interest because providing the information primarily benefits the public.

If the cost to a district of processing the collection of a charge for providing a copy of public information will exceed the amount of the charge, the district may waive the charge.

Gov't Code 552.267

Government Publication

The cost provisions described above do not apply to a publication that is compiled and printed by or for a district for public dissemination. If the cost of the publication is not determined by state law, a district may determine the charge for providing the publication, or the district may provide the publication free of charge, if state law does not require a certain charge. *Gov't Code 552.270*

Inspection of Public Information

Inspection of Public Information

If the requestor does not request a copy of public information, a district may not impose a charge for making available for inspection any public information that exists in a paper record, except as set forth below. *Gov't Code 552.271(a)*

Confidential Information

If a page contains confidential information that must be edited from the record before the information can be made available for inspection, a district may charge for the cost of making a photocopy of the page from which the confidential information must be edited. No charge other than the cost of the photocopy may be imposed. *Gov't Code 552.271(b)*

Payment, Deposit, or Bond

The officer for public information or agent may require a requestor to pay, or to make a deposit or post a bond for the payment of, anticipated personnel costs for making available for inspection public information that exists in paper records if:

1. The information specifically requested by the requestor is older than five years or completely fills, or when assembled will completely fill, six or more archival boxes; and

Gov't Code 552.271(c)

Certain Small

Gov't Code 552.271(d)

*Electronic
Records*

If a district receives a request to inspect information that exists in an electronic medium and that is not available directly online to the requestor, the district may not impose a charge for access to the information unless complying with the request will require programming or manipulation of data. If programming or manipulation of data is required, a district shall notify the requestor before assembling the information and provide the requestor with an estimate of charges that will be imposed.

If public information exists in an electronic form on a computer owned or leased by a district, and the public has direct access to that computer through a computer network or other means, the electronic form of the information may be electronically copied from that computer without charge if accessing the information does not require processing, programming, or manipulation on the district's computer before the information is copied. If such information does require processing, programming, or manipulation before it can be copied, a district may impose charges.

If a district creates or keeps information in an electronic form, the district is encouraged to explore options to separate confidential information from public information and make the public information available to the public through electronic access through a computer network or other means.

**Temporary
Suspension of
Requirements for
Districts Impacted by
Catastrophe**

The requirements of the PIA do not apply to a district that is currently significantly impacted by a catastrophe such that the catastrophe directly causes the inability of the district to comply with the requirements of the PIA and complies with requirements below to declare a suspension period.

"Catastrophe" means a condition or occurrence that directly interferes with the ability of a district to comply with the requirements of the PIA, including:

1. Fire, flood, earthquake, hurricane, tornado, or wind, rain, or snow storm;
2. Power failure, transportation failure, or interruption of communication facilities;
3. Epidemic; or
4. Riot, civil disturbance, enemy attack, or other actual or threatened act of lawlessness or violence.

"Catastrophe" does not mean a period when staff is required to work remotely and can access information responsive to an application for information electronically, but the physical office of the governmental body is closed.

"Suspension period" means the period of time during which a district may suspend the applicability of the requirements of the PIA.

**Initial Suspension
Period**

A board may suspend the applicability of the PIA to the district for an initial suspension period only once for each catastrophe, which may not exceed seven consecutive days and must occur during the period that:

1. Begins not earlier than the second day before the date the district submits notice to the attorney general; and
2. Ends not later than the seventh day after the date the district submits that notice.

**Extension of Initial
Suspension Period**

A board may extend an initial suspension period if the board determines that the district is still impacted by the catastrophe on which the initial suspension period was based. The initial suspension period may be extended one time for not more than seven consecutive days that begin on the day following the day the initial suspension period ends.

**Maximum
Suspension Period**

A board that initiates an initial suspension period may not initiate another suspension period related to the same catastrophe, except for a single extension period as described above.

The combined suspension period for a district may not exceed a total of 14 consecutive calendar days with respect to any single catastrophe.

Upon conclusion of any suspension period the district shall immediately resume compliance with all requirements of the PIA.

Notice to the
Attorney General

A district that elects to suspend the PIA must submit notice to the attorney general that the district is currently impacted by a catastrophe and has elected to suspend the applicability of the PIA during the initial suspension period.

The notice must be on the form prescribed by the attorney general and must require the district to:

1. Identify and describe the catastrophe that the district is currently impacted by;
2. State the date the initial suspension period determined by the board begins and the date that period ends;
3. If the board has determined to extend the initial suspension period:
 - a. State that the district continues to be impacted by the catastrophe; and
 - b. State the date the extension to the initial suspension period begins and the date the period ends; and
4. Provide any other information the office of the attorney general determines necessary.

Notice to the Public

A district that elects to suspend the PIA must provide notice to the public of the suspension in a place readily accessible to the public and in each other location the district is required to post a notice under the Open Meetings Act. The district must maintain the notice of the suspension during the suspension period.

Requests During
Suspension Period

Notwithstanding another provision of the PIA, a request for public information received by a district during a suspension period is considered to have been received by the district on the first business day after the date the suspension period ends.

Pending Requests
Tolled

A request for public information received by a district before the date an initial suspension period begins are tolled until the first business day after the date the suspension period ends.

Gov't Code 552.2325

**Miscellaneous
Provisions**

Large or Frequent
Requests

Personnel Time

A district may establish reasonable monthly and yearly limits on the amount of time that district employees are required to spend producing public information for inspection or duplication by a requestor, or providing copies of public information to a requestor, without recovering its costs attributable to that personnel time. A yearly time limit may not be less than 36 hours for a requestor during the 12-month period that corresponds to a district's fiscal year. A monthly time limit may not be less than 15 hours for a requestor for a one-month period.

Request by
Minor

Any time spent complying with a request submitted in the name of a minor, as defined by Family Code 101.003(a), is to be included in the calculation of the cumulative amount of time spent complying with a request for public information by a parent, guardian, or other person who has control of the minor under a court order and with whom the minor resides, unless that parent, guardian, or other person establishes that another person submitted that request in the name of the minor.

Exception

This section does not apply if the requestor is an individual who, for a substantial portion of the individual's livelihood or for substantial financial gain, gathers, compiles, prepares, collects, photographs, records, writes, edits, reports, investigates, processes, or publishes news or information for and is seeking the information for:

1. Dissemination by a news medium or communication service provider, including:
 - a. An individual who supervises or assists in gathering, preparing, and disseminating the news or information; or
 - b. An individual who is or was a journalist, scholar, or researcher employed by an institution of higher education at the time the person made the request for information; or
2. Creation or maintenance of an abstract plant as described by Insurance Code 2501.004.

"Communication service provider" has the meaning assigned by Civil Practice and Remedies Code 22.021.

"News medium" means a newspaper, magazine or periodical, a book publisher, a news agency, a wire service, an FCC-licensed radio or television station or a network of such stations, a cable, satellite, or other transmission system or carrier or channel, or a channel or programming service for a station, network, system, or carrier, or an audio or audiovisual production company or internet company or provider, or the parent, subsidiary, division, or affiliate

of that entity, that disseminates news or information to the public by any means, including:

1. Print;
2. Television;
3. Radio;
4. Photographic;
5. Mechanical;
6. Electronic; and
7. Other means, known or unknown, that are accessible to the public.

This section also does not apply if the requestor is an elected official of the United States, this state, or a political subdivision of this state or a representative of a publicly funded legal services organization that is a federal tax exempt entity under Section 501(c)(3), Internal Revenue Code of 1986.

*Written
Statement of
Personnel Time*

If a district establishes a time limit, each time the district complies with a request for public information, the district shall provide the requestor with a written statement of the amount of personnel time spent complying with that request and the cumulative amount of time spent complying with requests for public information from that requestor during the applicable monthly or yearly period. The amount of time spent preparing the written statement may not be included in the amount of time in the statement.

*Written Estimate
of Charges*

If the cumulative amount of personnel time spent complying with requests for public information from the same requestor equals or exceeds the established time limit, a district shall provide the requestor with a written estimate of the total cost, including materials, personnel time, and overhead expenses, necessary to comply with the request. The district shall provide the written estimate on or before the tenth day after the date on which the request was made. The amount of this charge relating to the cost of locating, compiling, and producing the public information shall be established by rules prescribed by the attorney general.

When a request is made by a requestor who has made a previous request to the district that has not been withdrawn, for which the district has located and compiled documents in response, and for which the district has issued a written estimate of charges that remains unpaid on the date the requestor submits the new request, the district is not required to locate, compile, produce, or provide

copies of documents or prepare an estimate of charges in response to a new request until the date the requestor pays each unpaid statement issued in connection with a previous request or withdraws the previous request to which the statement applies.

Additional Time If a district provides the requestor with written notice that additional time is required to prepare the written estimate, the district must provide the written estimate as soon as practicable, but on or before the tenth day after the date the district provided the notice that additional time was required.

Acceptance of Charges If a district provides a requestor with the estimate of charges and the time limits regarding the requestor have been exceeded, a district is not required to produce public information for inspection or duplication or to provide copies of public information in response to the requestor's request unless on or before the tenth day after the date the district provided the written estimate, the requestor submits payment of the amount stated in the written estimate.

If the requestor fails or refuses to submit payment, the requestor is considered to have withdrawn the request.

Waived or Reduced Charges This section does not prohibit a district from providing a copy of public information without charge or at a reduced rate, or from waiving a charge for providing a copy of public information, under Government Code 552.267 [see Waivers, above].

Gov't Code 552.275

Filing Suit to Withhold Information A district may file suit seeking to withhold information if the district receives a determination from the attorney general that information must be disclosed to a requestor. The suit must be filed in Travis County district court against the attorney general and must seek declaratory relief from compliance with the attorney general's decision.

The district must bring the suit not later than the 30th calendar day after the district receives the attorney general's decision. If the district wishes to preserve an affirmative defense for its officer for public information, as provided by Government Code 552.353(b)(3), the district must file suit not later than the tenth calendar day after receipt of the attorney general's decision.

Gov't Code 552.324, .353(b)(3)

A district that seeks to withhold information from a parent who has requested public information relating to the parent's child under the

PIA, and that files suit to challenge a decision by the attorney general, must bring the suit not later than the 30th calendar day after the date the district receives the decision of the attorney general, unless an earlier deadline is established by the PIA.

A court shall grant such a suit precedence over other pending matters to ensure prompt resolution. Notwithstanding any other law, a district may not appeal the decision of the court. This prohibition does not affect the right of a parent to appeal the decision. If a district does not bring suit within the period established, the district shall comply with the decision of the attorney general.
