News from Mr. Regal

Volume 1, Issue 8
April 1, 2015

Welcome Back Evergreen,

Hopefully everyone had a "SUPER" spring break and "OUR" students are ready to finish up the school year on a positive note; academically, behaviorally, and socially. We have just over 2 months left before summer is here and still have a lot of learning to cover during this time. Our teachers have been working hard in grade level teams to provide your students with quality education based on their individual needs. They have been looking at student data from various assessments to best serve your child/children and create engaging lesson plans for them. Our staff continues to astonish me with all the hard work they put in on a daily basis to best address the needs of every student.

Spring time is a very busy time here at Evergreen and I just wanted to remind parents that if you are planning on volunteering at school or going on a field trip with your child's class, you must fill out the appropriate paperwork in the office with Molly. Our district has recently adopted a new policy for volunteers in our schools. The policy states that all volunteers will have a criminal background check performed by our district office before volunteering in our schools. Please allow at least a week for this process. If you have any questions regarding volunteering at Evergreen, please contact Molly in the office at 541-592-3136.....

Thanks for making a difference,
David Regal

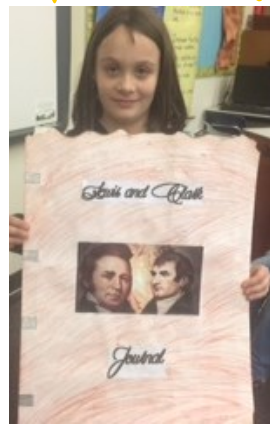

Thanks Everyone for a Profitable PTO Penny Drive!

We raised \$2554.43 and exceeded our school goal! To celebrate their great accomplishment all of the students enjoyed sipping hot chocolate, munching on a cookie and having an extra recess. We'd like to thank our PTO Parents: Nicole Mendes, Kathleen Hill and Carla Korrell for all the work they put in that helped make it such a success! We couldn't have done it without you ladies.

Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.

If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at **541-862-3111 x 5202**.
