#### Background Information

The Minnesota Department of Education (MDE) requires school districts to annually designate an Identified Official with Authority (IOwA) to comply with the MNIT Enterprise Identity and Access Management (EDIAM) Standard, which states that all user access rights to the Minnesota state systems must be reviewed and recertified at least annually. The IOwA will assign job duties and authorize external users' access to MDE secure systems for their local education agency (LEA).

#### Recommendation

I move to approve Karsten Anderson as the Identified Official with Authority and Lisa Steggerda as the IOwA to add and remove names only for Red Wing School District 0256-01.
