Board Report
Lynne Keenan
Child Nutrition Director

November

In cooperation with Ms. Sicily Bird the Napi School is expanding the lunch periods, service runs more efficiently. Breakfast service at Browning Elementary classrooms is improving day by day. KW Bergan and Vina Chattin cooks are working as a team in each kitchen allowing for a smoother operations. At the High school we have implemented a self-serve peanut butter and jelly station for those students with larger appetites. Last but not least we will be serving Thanksgiving Dinner on the 22nd at each school.

The middle school is down one person but handling it well with a great sub, hopefully the open position will be filled soon. Traci Vaile is still on leave, her sub Ms. Kim Walker is doing a great job, she knows the kids well and keeps the kitchen very clean.

Our lunch last year in October was \$107,827.65 this year for the month we reached \$98,499.24. Our breakfast last year was \$41,405.93 and then this year we managed \$50,098.32. Last year we had 22 days of school vs. 18 days this year. The month claim reimbursement last year was \$167,853.45, and this year month of October total was \$157,072.37.
