Re: Budget Update

I would like to provide the Board with a budget update at the May 11, 2020 Finance Committee meeting.

As you know, the cabinet team continues to work through budget recommendations for the coming year in preparation for the Proposed Budget that will be presented to the Board in June. In the interim, I'd like to keep the Board updated on our progress and share information we have learned since we last discussed the budget at the Finance Committee meeting on April 27, 2020.

Please add this item to the agenda. Thank you.
