Agenda Item II-E: Joint Purchasing Contract Award – South Track Resurfacing
Presented by: Amy Skaalerud, Executive Director of Finance & Business Services

Background:

The District is resurfacing the track at South Junior High School this summer as part of the annual LTFM plan approved by the Board. This is a specialized product with very few vendors to purchase from, which is why the purchase is being made through a joint purchasing contract. The equipment is being purchased through the Cooperative Purchasing Connection Contract #25.10-FTI.

This project will be funded with Long Term Facilities Maintenance Funds.

Administration Recommendation:

The Administration recommends that the Board of Education enter into a contract with Fisher Tracks under the Cooperative Purchasing Connection Contract for the South Track Resurfacing project in the amount of \$259,391.
