WISCONSIN OVERVIEW AND COMMENTS

Volume 34, Number 2, Technical Corrections

May 2025

Neola will issue an update of only technical corrections, as necessary. With this change, the Regular Update will contain the more substantive policy issues for review that would require consideration by and approval of the Board. Importantly, these technical changes do not materially alter the policy's intent but rather provide minor changes that improve the quality and/or consistency of the policy or guideline. If the Board has adopted the language noted below in Bylaw 0131.1 - Bylaws and Policies, these technical corrections may be made without approval by the Board. However, as noted, the Board should be informed of these technical corrections no later than at the next regular Board meeting. It is our belief that this change will help to streamline the process of review and adoption.

Pursuant to the optional language offered in Bylaw 0131.1 - Bylaws and Policies:

The District Administrator is authorized to review and make technical corrections to policies that have already been adopted through normal rulemaking procedures. Technical corrections are those corrections to policy language or construction that do not reflect a policy decision or substantive consideration by the Board, such as correction of a typographical or grammatical error, inclusion or correction of a statutory citation, renumbering of sections, combining of policies, or similar actions. The District Administrator shall inform the Board of any such changes no later than the next regular Board meeting.
