Re: Assistant Track Coach Recommendation to Hire – Logan Chambless

MMK Board Members,

After conducting interviews for the position, I am recommending Logan Chambless as the new Assistant Track Coach.

Logan Chambless was hired on as MMK's new Music/PE specialist teacher for elementary students this school year. She has done a fantastic job in that role and now will continue that success with our track program. Specifically, she will be in charge of overseeing the MS track team, but will also assist Coach Ferguson with HS track team. Logan was a 50m and 100m sprinter in HS and she also oversaw the elementary track program at her previous school.

Coach Chambless will be able to successfully take on the challenge of helping Coach Ferguson build the program. She has the time and dedication to teach our student athletes the fundamentals and skills to be a part of a successful track and field program.

Thank you.

Tom Kerr
