Board Meeting

Board of Trustees,

On December 16, 2025, the Board approved the selection of and ranking of pool of vendors for Geotechnical Services under RFQ #26-006 for the DeSoto ISD 2025 Bond Program. **The Geotechnical Services Not-to-Exceed of \$285,018.00 is for the duration of the 2025 Bond Program.**

Having a pool selection, also known for establishing pre-qualified or on-call consultants and contractor pools for third-party services, offers major advantages in the management of complex, multi-year K-12 Bond Programs.

Texas School Districts present "not to exceed" amounts for professional services to the Board for transparency, accountability, fiscal control, legal compliance, and to get formal approval for significant spending, ensuring public funds are used wisely and responsibly.

*(Funds will be utilized within the location budgets(s), and if additional funds are needed a request for approval will be submitted.)*

Thank you for your consideration.
