

COSSA Board Report

Career & Technical Education/COSSA Academy Report

May 16, 2022

Submitted by: Patricia Frahm

1. CTE Enrollment as of May 12th for 2021-2022 school year – 123 total CTE enrollment. (No change)
 - Welding – 30 students (no change)
 - Pre-Engineering – 10 students (No change)
 - Diesel – 22 students (+1)
 - Residential Construction – 9 students (-2)
 - Culinary – 11 students (no change)
 - C.N.A. – 12 students (no change)
 - E.M.T. – 9 students (no change)
 - Law Enforcement – 7 students (No change)
 - Automotive Technology – 12 students (no change)
2. Our Career Fair was a success; we were able to gain a lot of interest in our CTE programs. There were 91 students that signed up that are interested in attending a CTE program in the fall. Veronica Grimaldo will be contacting the school counselors in each district to finalize registration for these programs.
3. The Pre-Engineering department is currently working with Southwest Idaho Electrical to update equipment and curriculum in the Electrical Engineering field. We are working on a partnership with Southwest Idaho Electrical to provide opportunities to our students.
4. COSSA Academy Enrollment 2021-2022 school year
