

Minidoka County School District
Technology Department
October 10, 2019

Student Technology

- Student Devices were assigned out at West Minico for the 6th graders to be used during the day.
- Student device troubleshooting is in full swing at Minico and West Minico.

District Technology

- Technology has been getting additional new staff up and running with equipment.
- Our 2019-2020 E-Rate is continued on the inquiry for resolution. An additional appeal has been made to reverse E-rates decision on denying funding for the 2019 Year.
- West Minico's Digital sign has been repaired with new parts allowing information to be shared with the public as they drive by again.
- Tickets have been coming in steadily keeping the department busy.

Work Orders

- Work orders are combined with Maintenance.

July	August	September
