FINANCE UPDATE AND PRESENTATION OF THE TENTATIVE BUDGET

Audit Update

Dr. Johns and Ms. Allard informed the Board that the FY23 audit and Annual Financial Report (AFR) have been completed. Copies will be shared with both boards. They will be putting recommended safeguards in place going forward. Dr. Johns also informed the Board that the FY24 audit and AFR are in process.

FY26 Tentative Budget

Dr. Johns informed the Board that the tentative budget will be based on anticipated revenue and expenditures, which includes Evidence Based Funding (EBF) and tuition revenue. The tentative budget reflects a 17% tuition increase in the Education Fund, a 9% increase in the Operations & Maintenance (O&M) Fund (includes funds for replacement of a work van/truck), creates a Capital Projects Fund to segregate the construction expenses from the O&M expenses, includes negotiated increases in salaries, and a reduction of major medical insurance of 4.4%.

Additional information shared that affects the tentative budget include but are not limited to an increase in workers' compensation claims, increase in contract with Net56, reduction in transportation reimbursement, and a reduction in the IMRF Levy. The Education Fund currently reflects a \$1.1 million deficit as a result of a 40 student deficit going into the 2025-26 school year. Revue and expenses will continue to be updated as anticipated new students are enrolled in SEDOL programs.

Dr. Johns proposed the following to the Board for the tentative FY26 budget:

- Total expenditures in the Education Fund for FY26 set at \$53,719,723. Those expenditures are offset by tuition, district contractual and grant revenue, leaving a fund balance of \$8,957,473.
- Total expenditures in the O&M Fund be set at \$3,718,226; Debt Services Fund at \$174,175; Transportation Fund at \$861,536; IMRF Fund at \$991,900; and Capital Projects at \$3,200,000.

The Board approved the tentative FY26 budget. A budget hearing will be scheduled for Wednesday, August 6, 2025 at 6:50 p.m., prior to the start of the Governing Board meeting where the final FY26 budget will be presented for approval.
