Club name: Two is Better than One

Sponsors: Grandstaff & Speicher

Club goals: This student-led club is Browning's version of the Warrior Movement and is intended to help students realize that they are not alone, and that they have options other than suicide when they feel overwhelmed. Potentially moving toward peer support training in the future for student group members so peers are available for students who are struggling during the school day.

Proposed meeting dates: Wednesdays during lunch in Ms. Grandstaff's room

Summary of proposed activities: The group will work towards planning the best way to make others aware of the group and its purpose (examples: posters, lunch time table set up with information & sign-up sheet, free hot chocolate table to spread kindness and make connections, sticky notes or signs with positive/hopeful messages, etc.). Students will encourage fellow students to reach out for help when they feel like they have reached the end of their resources. They will hold an assembly in the fall of 2021 to announce what their group is about; Zanen and Kendra Pitts have agreed to come to Browning to assist in this kickoff event, date tbd. They will hold fundraising events to help offset costs to travel to Warrior Movement events.
