104 SCHOOL DISTRICT MISSION STATEMENT

I. PURPOSE

The purpose of this policy is to establish a clear statement of the purpose for which the school district exists.

II. GENERAL STATEMENT OF POLICY

The school board believes that a mission statement should be adopted. The mission statement should be based on the beliefs and values of the community, should direct any change effort and should be the basis on which decisions are made. The school board, on behalf of and with extensive participation by the community, should develop a consensus among its members regarding the nature of the enterprise the school board governs, the purposes it serves, the constituencies it should consider, including student representation, and the results it intends to produce.

III. MISSION STATEMENT

INSPIRE STUDENTS TO BE EMPOWERED, LIFELONG LEARNERS, AND EQUIPPED FOR GLOBAL SUCCESS THROUGH STRONG AND SUPPORTIVE PARTNERSHIPS.

IV. REVIEW

The school board will review the school district's strategic plan annually, especially when members of the board change. This includes the District Mission, Core Values, Vision and Strategic Directions. The school board will conduct a comprehensive review of the mission, including the beliefs and values of the community, every five to seven years.
