Title One Program

Fruitdale is a school-wide Title One School. Our Title Funds go to provide supplemental support in the areas of reading, math, science, technology, and our school-wide PBIS program. If you have any questions, please contact Ms. Paulson, our Title One Teacher.

Annually, when allowed, we will make available the following opportunities for parent involvement to the families we serve:

- During our annual fall Open House current Title One information will be distributed.
- We strive to offer flexibility to our families by having meetings at varying times; we put all information about meetings by email, on our website and class newsletters.
- We host fall and winter events to bring families on campus in October and February. We will be celebrating our Harvest Festival in October. We will also host our science night in February. Our Science Night brings hands-on science activities to our families.

Should My Child Go To School Today?
