AG MECH MAKES WELL

The Wylie FFA Ag Mech Team was very successful at the San Antonio Livestock Show Ag Mechanics Contest.

The team of Riley Bilbrey and Larissa Taylor constructed a 94 gallon offset smoker for the competition and received a blue ribbon. Michael Calvert and Johnathan Pierce also competed with their 94 gallon offset smoker and received a blue ribbon. Gavin Faulks and Eli Roper constructed a Santa Maria grill for the Ag Mechanics Market Place.

These two individuals had to market their Santa Maria by presenting a sales pitch to possible buyers during the show.

They also had to take an Ag Sales exam based on their knowledge of the industry. The Santa Maria team received 6th place out of 22 teams in the competition. The top 5 qualified for the Live Auction and the remaining projects were auctioned off through a silent auction. The Santa Maria was priced at \$2,250 and with the knowledge and sales pitch the team was able to sell the Santa Maria for \$3,500.

Our girls basketball team made the playoffs with a third place district finish and lost to Canyon Randall in the first round of the state playoffs.

Boys Basketball made the playoffs with a second place district finish and lost to Tascosa in the first round.
