Geneva Community Unit School District 304
Donna Oberg
227 N. 4th Street
Geneva, IL 60134

Donna,

Thank you for allowing Midwest Transit Equipment, Inc. the opportunity to furnish this quote on your school bus equipment needs.

We are quoting new 2016 Chevrolet-Collins 27 passenger school buses per the attached specifications and cost breakdown. The bus includes all CRS (Child Restraint) seats. Two flip down cushions per seat. Specifications are similar to the last purchase.

These buses would be purchased through the State of IL purchase contract #4018020. Please include this number on the purchase order if approved by the District.

Last year General Motors sold U-Haul 25,000 of the 30,000 chassis they built and created huge shortages in the school bus industry. This year we are also hearing rumors they will be doing a large purchase again. For this reason, we cannot guarantee a delivery date. We are estimating a time from of March-August or even later. General Motors does not offer finance terms which requires MWT to pay for the buses when built. We are planning on ordering a large number of buses and hope we get most of them.

Sales Price: \$54,639.25 per unit.
We can also offer lease or finance plans if interested.

Thank you again for this opportunity. I can be reached in the office at (800) 933-2412 ext 1476, cell at (219) 688-7527, or email at scott.vanderlee@midwesttransit.com.

Sincerely,

Scott Vanderlee
