STUDENT PLACEMENT INFORMATION FOR PARENTS

Student placement will be based on Nehalem Elementary staff recommendations derived from our cumulative knowledge of a student’s individual learning needs, personal characteristics and our desire to have balanced classrooms. We hope families will trust our professional judgment regarding their student’s placement and not try to make requests. Final decision will be made by the building principal based on all of the factors. Due to uncertain summer time enrollment, final class lists will be posted on Friday, 9/1/17.

RETIRING/NEW JOBS

* Kim Miller
(Instructional Assistant) will be retiring after this school year.

We love you, Kim!

A NOTE FROM YOUR NES ATTENDANCE FAIRY

How can it be that we are in our last weeks of school? Parents, please be looking for a yellow sheet of unexcused absences. This needs to be filled out and returned before the last day of school so that I can update your child’s attendance. All unexcused absences will be put on their permanent record.

Reminder to parents: Please remember to call the office in the morning if your child will not be attending school. (A doctors note is required if child is ill or at an appointment.)

Bring On The Summer Reading!!

This summer, NES will be hosting a reading program for all students and staff! Your student will be bringing home a brightly colored reading log during the last week of school. Students will be able to earn an ice cream sundae based on the number of minutes they read. The more they read, the more they get. Students will turn in their reading log to their teacher during the 1st week of school. On top of the NES Summer Reading Program, the Tillamook County Library will be offering their own program where children can earn prizes for each 4, 8, and 12 hours they read this summer. The U.S. Department of education recommends that children read about 30 minutes per day over the summer to sustain their reading skills, so let's keep on reading!!

LOST AND FOUND

All Lost and Found items will be displayed in the gym during the last week of school; June 12, 13 and 14. The unclaimed items will be donated to local area thrift shops. Please encourage your child to look for missing items - or come and look for yourselves. If you come during school hours, please remember to sign in at the office. Thank you & Happy Hunt-

A MESSAGE FROM THE FAMILY RESOURCE CENTER

This school year, the Family Resource Center has loaned out a record number of swim suits and towels to ensure that all kids are able to participate in the swim program. Unfortunately, many of the suits have not been returned. If you have unfamiliar swimsuits or towels at your house, chances are they belong to the Family Resource Center. If your child has out grown his/her swim suit and there is still a lot of 'wear' left in it, you can donate it to the school and it will be used next year for those who forget, lose, or don't own a swim suit. Towels in good shape will also be put to good use. Thank you.
