Well-maintained buildings and grounds are essential for providing a safe, functional, and welcoming environment for students, staff, and visitors. The grounds department plays a key role in upkeep, ensuring outdoor spaces, landscaping, and campus infrastructure support health, safety, and the overall learning environment.

A Request for Proposals (RFP) #26-001 for Grounds Equipment, Supplies and Repair was issued to over 50 vendors. A total of ten (10) responses were received and opened by the Purchasing Department on Friday, October 31, 2025.
