

# Hallsville Independent School District

## For the Consideration of the Board of Trustees

**Date of Board Meeting:** September 22, 2025

**Topic:** District Improvement Plan

### Background and Rationale:

Each year, districts are required to create and implement district improvement plans based on student performance and other data. You have a complete copy of the plan in your packets. The plan this year aligns to the District of Innovation 7 Goals that were approved by the board in spring of 2020.

2024-2025 data was collected and analyzed for this plan. The data and goals set take into consideration both brick and mortar as well as TVAHS. A needs assessment was conducted last spring and completed after standardized test results were reported by TEA. The plan was developed with the DEIC committee, sub committees and Instructional Leadership Teams. Campuses have aligned campus plans to the district plan.

Attached to the HISD plan are required addendums for Title I, Part A; Title II, Part A; Title IV, Part A; and the HISD Migrant program.
