

Action Item D.2.c

Bid for Automobile

Background: From time to time, citizens will donate automobiles to the Auto Mechanics Department at high school to be used in the classroom for training, for parts, or to be refurbished and resold. Mr. Callison has asked for this vehicle (a 1976 Chevy Luv) to be sold to the highest bidder. Proceeds from this sale will be used for the Auto Mechanics program.

Recommendation: This agenda item is to meet competitive bidding laws of the State of Texas as well as securing the best contract for the school district.

Sample Motion:

“I move the approval of the sale of the 1976 Chevy Luv to Noah Kinstley in the amount of \$500.”
