

## (LOCAL) Policy Comparisons

These documents are generated by an automated process that compares the updated policy to the current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)
- Policies recommended for deletion (annotated in PDF; not shown in Word)

Annotations are shown as follows:

- Deletions are in a red strike-through font: ~~deleted text~~.
- Additions are in a blue font: new text.
- Blocks of text that were moved without changes are shown in green, with double underline and double strike-through formatting to distinguish the text's new placement from its original location: ~~moved text~~ becomes moved text.
- Revision bars appear in the right margin to show sections with changes.

---

**Note:** While the annotation software competently identifies simple changes, large or complicated changes — as in an extensive rewrite — may be more difficult to follow. In addition, TASB's recent changes to the policy templates to facilitate accessibility sometimes make formatting changes appear tracked, even though the text remains the same.

The Superintendent shall develop administrative regulations to document the attendance committee's decision.

**Guidelines on  
Extenuating  
Circumstances**

The attendance committee shall consider whether a student has mastered the essential knowledge and skills and maintained passing grades in the course or subject.

When makeup work is completed satisfactorily, the attendance committee shall consider extracurricular absences and other excused absences as days of attendance for award of credit or a final grade. [See FEA]

The attendance committee shall consider whether the reasons for the absences were out of the parent's or student's control and whether documentation for the absence is acceptable.

The student or parent shall be given an opportunity to present any information to the committee about the absences and to discuss ways to earn or regain credit or be awarded a final grade.

**Imposing Conditions  
for Awarding Credit  
or a Final Grade**

The attendance committee is not required to assign a student to attend a specified program for an amount of time equivalent to the student's absences (i.e., "seat time").

The attendance committee shall consider the student's unique circumstances and, if necessary, shall impose other conditions for awarding credit or a final grade that permit the student to meet the instructional requirements of the class ~~rather than assigning a student to attend a specified program for an amount of time equivalent to the student's absences.~~ Conditions may include:

1. Maintaining attendance standards for the rest of the semester.
2. Completing additional assignments, as specified by the committee or teacher.
3. Attending tutorial sessions as scheduled.
4. Completing other instructional programs, as specified by the committee.
5. Taking an examination to earn credit. [See EHDB]

In all cases, the student must earn a passing grade in order to receive credit.

**Appeal Process**

A parent or student may appeal the decision of the attendance committee in accordance with FNG(LOCAL).
