

# AGENDA ITEM

---

**Subject:** Consider roofing bids on District facilities and authorize superintendent to approve changes and/or additions.

**Rationale:** During the 2015-2016 school year, the roofs of various campuses suffered extensive damage from storms that had passed through the area. Throughout the last year, HISD has been working with TASB Claims and the LRG – Loss Recovery Group, LLC on filing claims for repair. On March 13, 2017, a pre-bid meeting was held and roofs were examined by various roofing companies. Bids were submitted that met required specifications developed by Mr. Nors. Those submitting bids were Prime Source Roofing, Merit Roofing Systems and Parsons Commercial Roofing. Parsons submitted the lowest bid at just over \$388,000.. Research indicates that Parsons Commercial Roofing has a long history of superior work, good references, and utilizes quality materials with guarantees.

Attached is a spreadsheet of the bids that were submitted. Copies of all proposals are also attached.

**Recommendation:** Approve the bid from Parsons Commercial Roofing for \$388,072.00 to repair roofs on multiple Hillsboro ISD facilities and authorize the superintendent to negotiate and approve changes/additions up to the insured claim amounts.
